DEFINITION OF TERMS

AUTHORIZED SIGNATOR

Dependent on the type and size of an applying organization, the authorized signator is either the board president, the executive director, program administrator, or any person who has direct contact with management or administration of the organization or program and who will be responsible for ALL requirements of the contract.

CAPITAL

Capital is defined as substantial wealth used or available for use in the production of more wealth.

Capital Assets: Long-term assets, such as land or buildings.

Capital Expenditures: Funds expended for additions or improvement to plant or equipment.

Capital Gains: Profit from the sale of capital assets. Eligible to be included in the budget as long as its use pertains to operational support.

CERTIFICATE OF GOOD STANDING

The Certificate of Good Standing (Certificate of Status, Domestic Corporation) documents the organization as a legal entity in good standing as required by City Council Policy 100-03. A 2009 or 20010 copy of this document needs to be attached.

COLLABORATION

A more durable and pervasive relationship marks collaboration. Participants bring separate organizations into a new structure with full commitment to a common mission. Such relationships require comprehensive planning and well-defined communication channels operating at all levels. The collaborative structure determines authority, and risk is much greater because each partner contributes its resources and reputation. Partners pool or jointly secure the resources and share the results and rewards.

COMMUNITY

A unified body of individuals; people with common interests living in a particular area; the physical boundaries of an area; a group of people with a common characteristic or interest living together within a larger society; the society at large.

CONTRACT FOR SERVICE

The Economic Development Division of the City of San Diego enters into contracts with organizations for services, rather than grants. A contract for service details which "services" organizations are going to provide for citizens within the city of San Diego.

COOPERATION

Cooperation is a shorter-term informal relation that exists without any clearly defined mission, structure or planning. Cooperative partners share information only about the subject at hand. Each organization retains authority and keeps resources separate so virtually no risk exists.

**CITYWIDE ECONOMIC DEVELOPMENT
GUIDELINES**

COORDINATION

Coordination is characterized by a more formal relationship and understanding of missions. People involved in a coordination effort focus their longer-term interaction around a specific effort or program. Coordination requires some planning and division of roles and opens communication channels between organizations. While authority still rests with individual organizations, everyone's risk increases. Resources are made available to participants and rewards are shared.

DIVERSITY

Diversity refers to differences in race, gender, ethnicity, age, socioeconomic class, religion, sexual orientation, skills and abilities, and politics among other qualities. A diversity commitment is not to be confused with "quota" systems, equal employment opportunity or affirmative action practices. Instead, it asks organizations to embrace an ongoing process that values the inclusion of people of all backgrounds in all phases of the organization's growth and development.

ENDOWMENT

Endowments are funds or property donated to an institution to produce a consistent source of income.

FAMILIARIZATION TOUR

Familiarization tours acquaint tourism practitioners with the community and cultural assets of a city that may be marketable to travelers.

FINANCIAL ACCOUNTING STANDARD BOARD (FASB)

The Financial Accounting Standards Board (FASB) establishes standards of financial accounting and reporting for the private sector. These standards govern the preparation of financial reports and are officially recognized as authoritative by the Securities and Exchange Commission (Financial Reporting Release No. 1, Section 101) and the American Institute of Certified Public Accountants (Rule 203, Rules of Conduct, as amended May 1973 and May 1979).

IN-KIND CONTRIBUTIONS

In-kind contributions are the value of goods or services donated to the applicant in volunteer staff time or by vendors at no cash expense to the applicant. In-kind expenses are not allowed under these guidelines.

LEVERAGING FUNDS

Use of City TOT economic development grant as a means of attracting grants from other sources and other types of financial support such as private contributions, other local, state or federal government or earned income is strongly recommended and encouraged.

ORGANIZATIONAL SUPPORT

Funding is restricted to the cost of administering or operating an organization to carry out its programming.

QUALITY

Quality is the result of high intention, sincere effort, intelligent direction and skillful execution; it represents the wise choice of many alternatives.

TRANSIENT OCCUPANCY TAX

The transient occupancy tax is a 10.5% City of San Diego tax on hotel/motel rooms and is governed by City Council Policy 100-03.
