

CLASS SPECIFICATION
SAN DIEGO CITY CIVIL SERVICE COMMISSION
EQUIPMENT OPERATOR II - 1440

DEFINITION:

Under general supervision, to operate complex industrial motive equipment; and to perform related work.

DISTINGUISHING CHARACTERISTICS:

This class is distinguished from the Equipment Operator I in the greater degree of complexity of equipment and the additional skill required. Equipment used by Equipment Operators II typically includes: motor graders in skilled blade work, wheeled tractors with backhoe attachments, 4-wheel drive and crawler loaders, self-propelled trenchers, self-propelled bituminous mixers, medium-sized bulldozers, truck or tractor and trailer combinations, and other equipment of comparable difficulty.

*** EXAMPLES OF DUTIES:**

- Operates complex industrial motive equipment in regularly performing skilled construction, maintenance, and repair work;
- Cuts and finishes grades;
- Prepares sub-grades;
- Makes cuts and fills;
- Excavates trenches; moves earth;
- Spreads materials;
- Does discing and scarifying;
- Resurfaces streets;
- Lifts, moves, and lowers pipes and other materials;
- Lubricates and makes minor mechanical repairs and adjustments to equipment;
- Completes work requests and report forms;
- Keeps mileage and service records;
- Serves as lead over crews.

MINIMUM QUALIFICATIONS:

Please note: the minimum qualifications stated below are a guide for determining the education, training, experience, special skills, and/or license which may be required for employment in the class. These are re-evaluated each time the position is opened for recruitment. Please refer to the most recent Job Description for updated minimum qualifications: <https://www.governmentjobs.com/careers/sandiego/classspecs>.
