## Water Main Replacement Group Job 3008: E-Newsletter #5

### E-Newsletter Series for the Harbor Drive Area

This is the 5th e-newsletter for Water Main Replacement Group Job 3008. The newsletter will be distributed weekly to keep the community informed about construction progress.

### Group Job 3008 Project Description

The water main replacement work for Group Job 3008 is well underway. Construction crews are now replacing the existing cast-iron mains that are nearly 60-years old and are at the end of their service life.

### The project will:

- replace 17,979 feet of 16" cast iron water mains
- improve service reliability
- minimize future water main breaks caused by aging pipes
- increase the size of existing pipes to better serve the area

Total project cost is \$5,777,000.

Installing 16" pipe in the northeast corner of parking lot at Seaport Village.

### Upcoming Construction Activities

Currently, construction crews are working on Group Job 532 (see *Orange dotted line on map below*). The crew is working to minimize impacts to all those who travel in and out of this area.

### During the week of June 22nd, crews will:

- Night work: Install 16" diameter pipe along Harbor Drive heading north from Pacific Highway towards Broadway (approx. 500' of pipe will be laid.)
- Day work: Conduct potholing activities.

### Traffic Control:

Typically where construction is occurring, a minimum of one lane of traffic will be provided. Please adhere to temporary road and no parking signage. Business and pedestrian access will be maintained.

### Contact Information:

**Water Department's 24-hour Emergency Services Hotline:**  
**(619) 515-3525**

**Group Job Public Information Line:**  
**(619) 533-4207**

**General FAQs:**
