

Miramar Landfill

Acceptance Criteria for the Disposal of Industrial Solid Waste

The Miramar Landfill (Landfill) **does not accept** hazardous or designated wastes. Potentially hazardous or designated industrial solid wastes include sandblast waste, hardened resin, paint-related waste, electrical or electronic components, leaded glass, manufacturing process waste, and empty contaminated containers.

The Landfill **may accept** industrial solid wastes generated within San Diego city limits and from other approved jurisdictions. However, operational restrictions or capacity limitations may limit the acceptance of industrial solid wastes. The Landfill accepts industrial solid wastes in accordance with the following requirements:

1. The generator must submit documentation to support the waste determination including a description of the sampling strategy and protocol followed, a copy of all laboratory analysis from a California certified laboratory, and a copy of the chain of custody. California Code of Regulations, Title 22, Division 4.5, Chapter 11, Article 3, Section 66261.20(c) specifies the sampling and analysis procedures that must be followed.
2. A completed Special Waste Disposal Request signed by the generator or agent shall be submitted to the Miramar Landfill's Hazardous Substances Enforcement Team a minimum of two (2) working days prior to the requested disposal date. The documents can be delivered to the Miramar Landfill (5180 Convoy Street, just north of State Route 52), or emailed to the contact listed on the Hazardous Substances Enforcement Team webpage at www.sandiego.gov/environmental-services/ep/hazteam or mailed to:

City of San Diego
Environmental Services Department
Attention: Hazardous Substances Enforcement Team
9601 Ridgehaven Court, Suite 310
San Diego, CA 92123

3. Approved waste is only accepted for disposal at the Landfill Monday through Friday, excluding designated holidays, between 7:00 a.m. and 2:00 p.m. Waste requiring special disposal procedures is only accepted between the hours of 9:00 a.m. and 2:00 p.m.

4. An appointment for disposal is required. Appointments must be scheduled by 9:00 a.m. the day prior to disposal by calling the Hazardous Substances Enforcement Team at 858-573-1415. **There are no exceptions to this scheduling requirement.**
5. A completed Special Waste Manifest is required for each load and must accompany the load at the time of disposal.
