**NON-CERTIFIED RECYCLERS**

Companies listed below are not City-certified, which means they may not have the City’s minimum insurance requirements for franchise haulers and certified recyclers ($1 million worker compensation and general commercial / auto liability) and they are not required to report your recycling services to the City. You are free to use these recyclers, however, if you are subject to the City Recycling Ordinance (SDMC §§ 66.0701 – 66.0718) AND you use a non-certified recycler for some or all of your recycling service, you must submit a Recycling Reporting Form by August 15th each year to demonstrate compliance with the ordinance pursuant to SDMC § 66.0715. If you are not subject to the ordinance and use a non-certified recycler, you do not need to submit a Recycling Reporting Form. Visit recyclingworks.com to find out more about the City Recycling Ordinance and to download a Recycling Reporting Form.
