

The **"DARE TO REUSE"** art contest started out as an annual art exhibition for local found-object artists in the San Diego area. Past pieces have been some of the most creative and thought-provoking artwork in recent years. The exhibition eventually spread as an art contest to school aged children in 2011, with this calendar being the first of its kind for the City of San Diego's Environmental Services Department.

### **ART CAN HELP PROMOTE REDUCE, REUSE, RECYCLING FOR LIFE.**

Considering the number of items that go into an average landfill, one can see we are vastly overusing our resources and filling up our landfills much too quickly. The philosophy of "reduce, reuse, recycle" is more important than ever and by practicing these three rules of thumb through any art medium, we can show others how easy and fun it really is!

The contest and first exhibition are made possible through a collaboration of the City of San Diego's Environmental Services Department, the San Diego County Office of Education, and the New Children's Museum. Funding was generously provided by WAXIE Sanitary Supply.
