

This is a list of active Work Force (WoFo) Reports the Equal Opportunity Contracting Program (EOC) has on file. If you do not see a contractor or if the WoFo Date is more than a year from when you will route your item to EOC, you will need to request a current WoFo from the contractor and provide it to EOC. An Equal Opportunity Plan may also be requested to ensure non-discrimination when under representations are noted in workforces.
