TOTAL	\$ 578,727	\$ 843,548	\$ 731,204

The Mid-City Maintenance Assessment District (District) was established in July 1987 to provide maintenance and installation of street trees, landscaped medians, benches, and enhanced streetlights within the District boundaries. The District currently consists of three Sub-districts (4, 12, and 13):

- Sub-District #4: University Heights, along Adams Avenue (from Mission Cliff Drive to Florida Street) and Park Boulevard (from Adams Avenue to Mission Avenue).
- Sub-District #12: Hillcrest, along University Avenue (from 10th Avenue to Herbert Street).
- Sub-District #13: El Cajon Boulevard (from Interstate 805 to 54th Street); divided into two zones: Interstate 805 to 44th Street (Zone 1), and 44th Street to 54th Street (Zone 2).

Sub-District #1, University Avenue (from Fairmont Avenue to Marlborough Avenue) and Sub-District #2, University Avenue (from 37th Street to Wilson Avenue) were subsumed into the new City Heights Maintenance Assessment District as a result of a ballot process and public hearing on July 27, 2004.

Capital improvements funded by Sub-District #13 are identified in CIP 39-209.0, El Cajon Boulevard Streetscape and Lighting Improvements, Fund 702341. The citizen advisory committee for Sub-District #4 approved its Annual Fiscal Year 2005 Budget on March 10, 2004. A property owner representing the Hillcrest Business Improvement District approved the Annual Fiscal Year 2005 Budget for Sub-District #12 on May 6, 2004. The El Cajon Boulevard Business Improvement Association approved the Annual Fiscal Year 2005 Budget for Sub-District #13 on April 14, 2004.
