

Citywide Program Expenditures

Description

The Citywide Program Expenditures budget is comprised of various programs and activities that provide benefits and services City-wide. The General Fund portion of programs or activities whose funding is divided among the General Fund and the Non-General funds, and/or programs or activities that are generally not attributable to any one City department are allocated in this budget. The Citywide Program Expenditure budget is administered by the Financial Management Department with input from responsible departments throughout the City.
