The 2009 federally funded Summer Youth Employment Program know locally as Hire-A-Youth, was a huge success, with over 3,200 youth ages 14 to 24 placed in summer jobs throughout the county. Approximately 418 employers provided more than 600 work sites for youth to explore a variety of occupations, learn entry level skills, and for many youth, experience the "world of work" for the first time. San Diego Workforce Partnership staff, Margie de Ruyter, Director of Youth Services, and Jared Aaker, Summer Youth Program Manager, will present the successes and benefits of the 2009 summer program. Workforce staff will also discuss strategies to create a 2010 Summer Hire- A-Youth Program.

**Recommended Action:** Recommend that the Mayor and City Council support and advocate to the US Dept. of Labor, local, state and government and business, to support the funding and implementation of a 2010 summer jobs campaign.

**Action Item 2-**

The City of San Diego is confronted with difficult options to meet its budget obligations. It will not be until November 24<sup>th</sup> that the extent of what will need to be done will be revealed. Staff recommends that the Commission become educated about the issues.

**Recommended Action:** Establish an Ad Hoc Committee to review and report back to the Commission how this will affect its initiatives and what recommendations are appropriate for the Commission to make during the Budget deliberations.
