5. Employees scheduled to work a stand move, wherever possible, may have their regular work schedule adjusted so that they do not work at least eight (8) hours prior to or eight (8) hours after a stand move. This may result in an employee being scheduled to work four/ten (4/10) hour days.
6. All employees who are on the Stand Move crew shall be required to work all of the stand moves, except in the case of illness which is covered in item #9. Employees who fail to report for a stand move shall be given appropriate disciplinary action which may include removal from all future stand moves. Employees may request to be excused from a stand move provided that five (5) days notice is given, however

the final determination shall be at the sole discretion of the Stand Move Manager(s).

7. The work performance of an employee during a stand move shall be reflected on an employee's regular performance evaluation. Employees shall follow and take direction from the Stand Move Manager(s) and the appointed crew leader. Any employee that displays behavior that is disruptive to the stand move shall be appropriately disciplined.
8. Stand move employees shall report to work at the East Tunnel field floor entrance at the assigned time and shall sign in with the Stand Move Manager(s). Employees who are late more than one (1) hour and eventually report to work may be sent home without pay, or may be given a written reprimand that shall be placed in their personnel file, or may have the number of hours paid for the stand move reduced. The number of hours to be reduced shall be a ratio of the time late to the actual hours worked on the stand move multiplied by the standard fifteen (15) hours pay.
9. Employees who are ill and cannot report to work must contact the Stadium Security Office at 525-8267 and speak with either the Stand Move Manager(s) or the Stadium General Manager as soon as possible. Employees who are ill, and do not give at least eight hours notice prior to the start of the stand move and this is the second illness, must provide a doctor's note to the Stand Move Manager(s) when they return to work which indicates that they were unable to work on that day. Failure to bring in a doctor's note will result in an employee being given appropriate disciplinary action which may include removal from all future stand moves.
10. Employees shall not leave the field area until the Stand Move Manager(s) have determined that all work has been completed. Employees will then be required to sign out.

The total time of call back pay, including travel time, shall not be less than four (4) hours, and shall be computed at the employee's premium overtime rate. This section does not allow for the stacking of pay for multiple calls back to duty within a single four hour period.

ARTICLE 21 - Payroll Deductions

- A. It is agreed that Union dues shall be deducted bi-weekly by the City from the salary of employees when authorized by Section VI (B) of the Employer-Employee Relations Policy. Remittance of the aggregate amount of all dues shall be made to the Union by the City bi-weekly at the conclusion of each pay period in which said dues and deductions were deducted.
- B. Dues deduction shall be for a specified amount and shall be made only upon the voluntary written authorization of the member. Dues deduction authorization or cancellation shall be made upon clearly marked cards provided by the City or the Union. If an employee submits a payroll deduction authorization change to the City which has not been processed by the Union, the City will forward a copy of the notice to the Union promptly. The City shall continue to deduct dues until such time that the Union notifies the City of a deduction change authorization.
- C. When a member is in a nonpay status for an entire pay period, no dues withholding will be made to cover that pay period from future earnings nor will the member deposit (with the City) the amount that would have been withheld if the member had been in a pay status during that period. In case of an employee who is in a nonpay status during only a part of the pay period and the salary is not sufficient to cover the full withholding, no deduction shall be made.
- D. The Union shall indemnify, defend, and hold the City harmless against any claims or suits instituted against the City contesting the check-off of Union dues. In addition, the Union shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.
- E. Payroll authorization forms may, at the election of the Union, include a provision that the authorization is for a specific term. - F. During the term of this MOU, the City and the Union shall collaborate and cooperate to encourage employees to fully utilize electronic deposit of their paychecks.
- G. The City shall instruct its departments to issue payroll checks and statements in a confidential manner.

ARTICLE 22 - Annual Leave and Compensatory Time

1. Both parties agree to the current regulations provided in Personnel Regulations I-2 and I-3.
2. Employees on authorized leave shall have the option of using accumulated compensatory time prior to charging any time off with pay to any other account.
3. Management approval of leave requests shall be reasonable in order to allow employees to utilize accrued leave as time off from work.
4. Once a vacation has been requested and approved it shall not be changed except by mutual agreement or in case of emergency. In the case of rescheduling due to an emergency, the vacation will be rescheduled immediately.
5. In the event the employee terminates for any reason, the employee shall be paid in full for all unused annual leave credits. Unused accrued leave shall be paid to employees on the next scheduled pay day following employment separation.
6. Employees on approved annual leave, compensatory time off, or industrial leave, shall have time counted as time worked for purposes of benefit computations.
7. If a department should approve a scheduled leave request and subsequently deny it, resulting in an employee losing leave credits because of going beyond the accrual limit, credits lost would be reinstated for a period of three months during which the department would mandate a leave for the employee.
8. Insofar as practicable, employees should be permitted to schedule annual leave at times most acceptable to the employee. In larger departments or divisions, the choice of vacation times should be arranged according to seniority.
9. Overtime will be paid or compensatory time given at the discretion of the Department Head subject to the availability of funds and workload considerations, and in accordance with the provisions of Personnel Regulation H-4, Overtime.
10. Should the City for good and sufficient reason, judge that an employee is abusing the sick leave and/or family leave provision, the City may request a bona fide doctor's statement from the employee to substantiate an illness. The parties agree that the City will apply this sick leave policy in a fair and equitable manner City-wide.
11. Compensatory time shall be reduced to forty-five (45) hours as of June 30 each year unless an exception is granted by the Human Resources Department. This time

frame may be modified in exceptional circumstances. Compensatory time may be accumulated up to a maximum of one hundred and twenty (120) hours during the fiscal year as long as the above provisions are complied with. However, based on workload and operational consideration Department Heads or designees may set a lower mid-year accumulation limit after meeting and discussing the proposed limit with the Union. In any event overtime will be paid or compensatory time given as outlined in number 9 above. This time frame may be modified in exceptional circumstances. Compensatory time may be accumulated beyond forty-five (45) hours during the fiscal year as long as the above provisions are complied with. The parties agree to study, during the term of the MOU, the equitable application & determination of mid-year adjustments related to comp-time.

12. The maximum accumulation of annual leave for employees with fifteen (15) or more years of service is seven hundred (700) hours. The maximum accumulation of annual leave for employees with less than fifteen (15) years of service, whose hire date is prior to July 1, 1993, is six hundred (600) hours. For employees hired on or after July 1, 1993, the maximum accumulation of annual leave is three hundred and fifty (350) hours.

Employees may receive maximum pay-in-lieu of annual leave of one hundred and twenty-five (125) hours per fiscal year.

13. Effective July 1, 1997, employees who reach their maximum permitted accumulation of annual leave on their anniversary date shall cease to accrue additional annual leave. Employees who expect to be in this situation may submit a written plan by which to reduce excess leave which will include time off and pay-in-lieu up to one hundred and twenty-five (125) hours per fiscal year as necessary. If the Appointing Authority denies the specific time off requested and provides no alternative time off which is acceptable to the employee, this cease to accrue provision shall not apply until such time as the employee is granted and takes the time off. It is the City's intent to accommodate employees' requests to use annual leave and avoid any loss of this benefit. Once an employee reduces his or her annual leave to a level below the maximum permitted on their anniversary date, he or she shall immediately begin to accrue additional leave.
14. Leave provisions included under items 15 and 16 below will be accounted for separately.
15. Pre-approved annual, sick, or compensatory leave properly used for personal, family or dependent illnesses should not be subject to disciplinary action.
16. Approved unscheduled annual or sick leave properly used for family, dependent or significant other/co-tenant illnesses shall be considered as a separate category when reviewing employee performance with regard to attendance and/or absenteeism issues. Should the City, for good and sufficient reason, determine that an employee is abusing this leave provision, the City may request a bona fide doctor's statement from the employee to substantiate illness.

17. Employees are covered under the Family Medical Leave Act (FMLA) effective February 5, 1994. Eligible employees are entitled to take up to twelve (12) weeks of leave each year for medically related reasons such as the birth or adoption of a child, to care for an immediate family member with a serious illness, or for the employee's own serious illness. Eligible employees are those with twelve (12) months of cumulative service with the City who have worked at least half time for the past year. All FMLA eligible absences from work will count against the twelve (12) week period. The City will be required to provide group health coverage to the employee at the same level and conditions as for similarly situated active employees. Hourly employees do not receive paid health benefits.
18. The City agrees to conduct a comprehensive review of the current sick leave use policies in consultation with the Labor Management Committee, with a goal of improving consistency and equity.
19. The parties agree that, effective May 23, 2010, Terminal Leave is eliminated.

ARTICLE 23 - Vacation Schedule

1. Appointing Authorities are responsible for arranging vacations so that adequate personnel are available to carry on necessary City work.
2. Insofar as is practicable, employees should be permitted to schedule vacations at times most acceptable to the employee. Vacations shall be selected by employees within each division, section, or unit, as is applicable, based upon their seniority by class within the department. Employees who are transferred at their request, or promoted, may be required to modify their scheduled vacations.
3. Employees should be encouraged to take regular annual vacations but they shall not be required to take vacations against their will. Employees may accumulate vacation time in accordance with this MOU.
4. Any existing vacation scheduling method that is satisfactory with the employees shall remain in effect for the duration of the contract. This is in lieu of the above-mentioned scheduling method.
5. All departments shall post a current on-going vacation schedule, including any changes to the schedule.

ARTICLE 24 - Holidays

- I. General
 - A. San Diego Municipal Code Section 21.04 except where otherwise specifically defined and provided in this Code, the holidays in the City are:
 1. Fixed Holidays:
 - a. January 1

- b. Third Monday in January known as “Dr. Martin Luther King, Jr.’s Birthday”
- c. Third Monday in February, known as “President’s Day”
- d. March 31, known as “Cesar Chavez Day”
- e. Last Monday in May, known as “Memorial Day”
- f. July 4, known as “Independence Day”
- g. First Monday in September, known as “Labor Day”
- h. November 11, known as “Veterans’ Day”
- i. Fourth Thursday in November, known as “Thanksgiving Day”
- j. December 25
- k. Every day appointed by the City Council for a public fast, thanksgiving or holiday.

If January 1, March 31, July 4, November 11, or December 25 falls upon a Sunday, the Monday following is the observed holiday, and if they fall on a Saturday, the preceding Friday is the observed holiday.

2. Floating Holiday

Each eligible employee available for a duty assignment on the first day of the fiscal year (as defined in Personnel Regulation H-2) shall accrue credit to equal the hours worked in the employee’s shift up to ten (10) hours. Each employee accruing such time shall comply with the following conditions:

- a. Schedule prior to June 1 of the fiscal year earned.
- b. Take off in a one (1) time absence before the last day of the last full pay period in June.
- c. Take at a time convenient to the employee’s Appointing Authority.

II. Work on Fixed Holidays

In the departments required to maintain minimum staffing on a fixed holiday, the City will attempt to fill necessary staffing needs by seniority on a voluntary basis. Where there are insufficient volunteers, the City will use inverse seniority in making mandatory assignments.

Employees who are scheduled to work a shift of nine (9) or more hours on a fixed City holiday, shall be credited with one (1) or more additional hours of floating holiday time respectively, for use on that holiday.

III. Work on Fixed Holidays at City Landfills

- A. The parties recognize the City's right to operate the landfill on the following fixed holidays:
 - 1. Dr. Martin Luther King, Jr.'s Birthday
 - 2. President's Day
 - 3. Memorial Day
 - 4. Independence Day
 - 5. Labor Day
 - 6. Veterans Day
 - 7. Cesar Chavez Day
 - B. All employees that work on the above-referenced holidays will be guaranteed their regular work shift at premium overtime rates so that they will receive holiday pay plus premium overtime pay for hours worked.
 - C. Work on holidays shall be voluntary except where the number of volunteers is insufficient to meet the needs of the City. No employee shall be threatened, coerced or otherwise compelled to work on a holiday except as specified below. An employee who volunteers to work on a holiday may not change this schedule within ten (10) working days of the holiday unless the employee finds a replacement.
 - D. Where the number of volunteers to work on a holiday is insufficient to meet the needs of the City, the City can compel employees in the landfill to work on said holidays on the basis of inverse seniority.
 - 1. The City shall maintain and have readily available to the Union and its members a seniority list of employees in the landfill. Said seniority list shall list employees in the landfill in order of overall City seniority.
 - 2. After the supply of volunteers to work on a holiday is exhausted, the City may require the least senior available employee(s) in the landfill (on the basis of overall City seniority) to work that holiday in order to fill its needs.
 - 3. With each succeeding holiday, those employees that have been required to work a holiday within the term of this MOU, shall not be required to work an additional holiday, unless and until all employees in the landfill have been required to work a holiday.
 - E. If the City determines that the landfill must be open on additional holidays, it will meet and consult or meet and confer as required by law. The City also has a right to determine the appropriate staffing levels at the landfill.
-

F. At City landfills, when a worksite is closed for a holiday not formally recognized by the City (e.g. Easter) which falls on an employee's regularly scheduled work day, the City may either provide work on that day, or make alternative hours available within that work week.

IV. The drivers in the Environmental Services Division, on a 4/10 schedule, shall be eligible for ten (10) hours of holiday pay when the holiday falls on their Regular Day Off (RDO). This is being done to ensure that a driver receives forty (40) hours of compensated pay when a holiday falls on a regularly scheduled day off due to the work schedule employed in the Collection Services Division. After a holiday, the collection schedule is shifted one day out, and drivers and supervisors are required to work Saturday. As an example, if a holiday falls on a Monday and that is the regularly scheduled day off for a driver, the employee would be eligible for ten (10) hours of holiday pay for Monday, be off work on Tuesday, because the collection schedule has shifted out by a day and Monday's trash is being collected on Tuesday. Because the driver in this example does not have a Monday route schedule, he/she is off on Tuesday and will then work Wednesday, Thursday, Friday, and Saturday. The standard pay week goes from Saturday through Friday. If the driver is not compensated for ten (10) hours of pay for the holiday, his or her pay check would be two (2) hours short of a forty (40) hour week.

ARTICLE 25 - Bereavement Leave

Effective July 1, 2005, paid Bereavement Leave of up to three days is available upon the death of an employee's spouse, father, mother, brother, sister, son, daughter (including step-, foster, or adopted son or daughter), or state-registered domestic partner, with a limit of one eligible death per fiscal year. Proof of death, including but not limited to, death certificate, obituary or funeral notice will be required for the leave to be approved. Such proof may be submitted upon the employee's return to work.

ARTICLE 26 - Military Leave

Military Leave for members of the Union will be administered in accordance with Personnel Manual Section I-10, Military Leave. The Union agrees that the City Council may determine to extend these benefits beyond what is provided in Section I-10 in cases of national emergencies without an obligation to first meet and confer.

ARTICLE 27 - Time Off for Blood Donation

An employee shall receive paid release time, not to exceed two (2) hours, when he or she donates blood at the annual City blood drive and/or in response to an emergency request from the Blood Bank. The City shall release the employee for the actual time the employee spends in any travel to and from the blood donation site, as well as for the time spent at the site, in any event not to exceed a maximum of two (2) hours of release time. The employee shall submit his or her "blood receipt" to the payroll clerk as verification of the donation. This Article shall also apply to bone marrow testing.

ARTICLE 28 - Catastrophic Leave Plan (CLP)

Purpose

Establish a City administered CLP permitting City employees to assist other City employees who face extended leaves without pay due to a catastrophic occurrence in their lives. For the purpose of this plan, a catastrophic occurrence is defined as any event that would qualify the employee under the Family Medical Leave Act as determined by the Human Resources Director. Catastrophic leave coverage shall be extended to events affecting domestic partners provided that a City of San Diego Affidavit of Domestic Partnership has been submitted. Catastrophic leave determinations are non-grievable.

Procedures

- A. 1. The employee must have exhausted or expect to exhaust his/her accrued leave (to be verified by the department payroll specialist), as a result of a qualifying event in order to establish a leave bank.

If an employee is diagnosed as terminally ill, a leave bank may be established without meeting this requirement. In such cases, the donated leave will be paid out at termination. A recipient's total annual leave balance including donated leave cannot exceed two thousand eighty (2080) hours.

2. The employee has received approval for an unpaid leave of absence from his/her Department Head.

- B. Requests to establish a catastrophic leave bank for receipt of donations will be processed by the Human Resources Department.

1. An eligible employee will submit a completed "Request to Establish Catastrophic Leave Bank" form to the Human Resources Director, accompanied by:

a. A medical statement from the attending physician, including a brief statement of the nature of the illness or injury and an estimated time the employee will be unable to work, or other appropriate documentation supporting the request.

b. Evidence of the Department Head's approval of leave of absence.

- C. Donations of annual leave may be made to an employee eligible for catastrophic leave. The Donor Department will be billed for the dollar amount of the Donor's Annual Leave donation.

1. Donations of leave will be strictly voluntary; the identity of leave donors will be held in absolute confidence.

2. Employees may only donate accrued annual leave.

3. Donations may be made in whole hour increments. There is no tax benefit to the donor.
4. Donors must have an overall annual leave balance of one hundred sixty (160) hours remaining after donated time has been deducted.
5. Once donated to an individual, donated leave cannot be reclaimed by the donor.
6. Employees wishing to donate time shall complete a “Confidential Authorization for Catastrophic Leave Donation” form and submit to their Department Payroll Specialist who will:
 - a. verify that donating employee has the minimum required leave balance one hundred sixty (160) hours;
 - b. convert the donated time to dollars at the hourly rate of the donor and subtract from designated leave category; and,
 - c. forward to the Human Resources Director for tracking and submission to the Comptroller.

Donation authorization forms which do not contain all requested information shall not be processed.

- D. Upon receipt of donation authorizations, the Comptroller shall take the following action:
 1. Convert donated dollars as computed above to hours at the hourly rate of the recipient, and add to recipient’s annual leave balance. Recipient will be taxed for the leave when taken.
 2. Retain a confidential file of donation authorizations.
 3. All deductions (e.g. health premiums, parking, credit union, union dues, etc.) which have previously been authorized by the recipient will be made unless notified in writing by the recipient to cancel deductions.
- E. Donated time is treated as annual leave accrued by the recipient of the donation. Payments up to eighty (80) hours per pay period will be made to the recipient until the donated leave has been exhausted.
 1. Donated time does not alter the employment rights of the City or the recipient, nor extend or alter limitations otherwise applicable to leaves of absence or annual leave, except as noted in this Article.
 2. Employees who are utilizing donated annual leave hours will continue to accrue annual leave in accordance with Personnel Manual Section I-2, Annual Leave.

ARTICLE 29 - Retirement

I. Benefit Changes Prior to July 1, 2005

A. High One-Year Basis for Final Compensation

Retirement benefits for General Members, hired before July 1, 2009, shall be based upon the “highest one-year” annual base compensation.

B. Internal Revenue Code (IRC) Section 415 Amnesty Provisions

In order to preserve CERS’ Tax qualified status, Union and the City mutually agree to adopt the “amnesty” or “grandfather” provisions of IRC Section 415 (b) (10).

C. A five year purchase of service credit provision is established effective January 1, 1997. Under this provision, a Member, hired before July 1, 2005, may purchase up to five years of service credit by paying both employee and employer contributions in an amount and manner determined by the San Diego City Employees Retirement System Board to make the System whole for such time. In addition, members retiring on or after January 1, 1997, may purchase probationary periods, military and veterans code leaves, waiting periods for the 1981 Pension Plan, actual time worked hourly or part time, special leaves without pay occurring prior to January 1, 1997, the difference in time between part time and full time prior to January 1, 1997, Long Term Disability (LTD), Vocational Rehabilitation Maintenance (VRMA) and Temporary Total Disability (TTD), FMLA periods, special leaves of absence with job to be saved periods and any period preceding reinstatement by the Civil Service Commission following a termination appeal.

D. The Deferred Retirement Option Plan (DROP) is established effective April 1, 1997. DROP provides an alternative form of benefit accrual while allowing a Member to continue working for the City.

During the DROP period, a DROP Member retains all rights, privileges and benefits of being an active City employee, except as specifically modified in the DROP Plan Document, and is subject to the same terms and conditions of employment including disciplinary actions up to and including termination. The Member continues to be eligible for the active employee Flex Benefits Program for the classification and is not eligible for “retiree” health benefits until such time as the Member completes or terminates the DROP period.

Under DROP, a monthly service retirement allowance along with any COLA increases, Supplemental Benefit checks and any adjustments to such payments applicable to retirements effective on the date the Member entered the DROP are deposited into a trust account. These SDCERS benefits are calculated as if the Member were retiring on the date the Member enters the DROP. The Member’s contributions to the Retirement System cease. The Member and the City each contribute 3.05% of the Member’s salary each pay

period that the Member participates in the DROP. The Member's contribution is made on a pre-tax basis pursuant to IRC Section 414 (h) (2). These monies are placed in a trust account and are distributed to the DROP participant upon termination of employment or completion of the DROP period whichever occurs first. No withdrawals may be made from the DROP account until the Member completes or terminates his or her DROP period. Interest will be credited to the Member's DROP account at a rate determined by the Board. The Member is one hundred percent (100%) vested in the DROP from its inception.

A DROP participant who becomes disabled may apply for conversion of their service retirement allowance to a disability allowance calculated at the date of entry into the DROP.

A Member who participates in DROP irrevocably designates a specific consecutive period of months for participation, not to exceed sixty (60) months. The Member must terminate City service at the end of the designated period.

- E. For retirements effective on or after January 1, 1997, the fifty percent (50%) continuance is available to the surviving spouse to whom the Member was married on the date of retirement. The requirement that the Member be married to his or her spouse at least one (1) year prior to retirement for the spouse to receive the fifty percent (50%) continuance is eliminated.
- F. The surviving spouse of a Member who is killed while in the performance of duty is entitled to continued health coverage as provided in California Labor Code Section 4856.
- G. The Industrial Disability Benefit is increased from thirty-three and one third percent (33 1/3%) to fifty percent (50%) of final compensation for retirements effective on or after January 1, 1997.
- H. The modified special death benefit provided to the surviving spouse of a Member killed in the line of duty is amended to eliminate the requirement that the benefit be discontinued if the spouse remarries. Any benefit terminated to such spouse as a result of remarriage shall be reinstated effective January 1, 1997.
- I. Retirement Calculation Factors for General Members (Hired Before July 1, 2009)
 - 1. The Retirement Calculation Factors used to calculate a General Member's allowance will increase to the levels shown below (the "New Factors") for General Members, hired before July 1, 2002, who retire effective on or after July 1, 2002, unless the General Member elects, before retirement, to have his or her allowance calculated using the Old Factors, as set forth in San Diego Municipal Code Section 24.0402,

(ranging from two percent (2%) at age fifty-five (55), to two point fifty-five percent (2.55%) at age sixty-five (65) or older, with a ten percent (10%) increase to the Member's Final Compensation), or the Corbett Factors, as set forth in San Diego Municipal Code Section 24.0402, (ranging from two point twenty-five percent (2.25%) at age fifty-five (55), to two point fifty-five percent (2.55%) at age sixty-five (65) or older).

Retirement Age	Benefit (New Factors)
55-59	2.50%
60	2.55%
61	2.60%
62	2.65%
63	2.70%
64	2.75%
65 and older	2.80%

2. The New Factors will apply to all City employees who join the Retirement System after June 30, 2002, but before July 1, 2009, and their allowances will be capped at ninety percent (90%) of their Final Compensation.

The ninety percent (90%) cap will also apply to: (1) General Members who joined the Retirement System on or before June 30, 2002, except as provided below; and, (2) General Members who participated in the Retirement System on or before June 30, 2002, who left City employment but are rehired by the City on or after July 1, 2002.

Any General Member, whose allowance as of July 1, 2002, is ninety percent (90%) or more using the New Factors may continue to accrue benefits above the ninety percent (90%) cap until December 31, 2002. The General Member's Allowance will be capped at that time.

3. Any General Member who joined the Retirement System before July 1, 2002, may continue to accrue benefits above the ninety percent (90%) cap using either the Old Factors or the Corbett Factors. If the Member selects one of these Factors, the Member's Allowance will not be capped, and the System will refund to the Member, at retirement, any excess contributions the Member made to fund the New Factors.
4. Any General Member who joined the System before July 1, 2002, and reaches the ninety percent (90%) cap by choosing the New Factors, may continue to accrue benefits above the ninety percent (90%) cap until December 31, 2002, at which time the Member's retirement calculation factor and Creditable Service are capped; the Member's

Final Compensation is not capped. On January 1, 2003, the Member must choose one of the following options:

- a. If the Member is eligible for a service retirement on January 1, 2003, he or she may:
 - i. continue working and contributing to the Retirement System,
 - ii. enter DROP, or
 - iii. retire.
 - b. If the Member is not eligible for a service retirement on January 1, 2003, he or she may:
 - i. continue working and contributing to the Retirement System, or
 - ii. enter the Cap Program [subject to City Council authorization]. If the Member enters the Cap Program, the Member will stop contributing to the Retirement System, and will instead contribute three point zero five percent (3.05%) of his or her Base Compensation, biweekly at the end of each pay period, to a Cap account established for the Member. The City will match these contributions. The Member may continue participating in Cap until he or she first becomes eligible to retire, at which time the Member must either enter DROP or retire.
 - iii. A Cap Program participant who becomes disabled while participating in the Cap Program is eligible to apply for disability retirement benefits. If the Cap participant's application for disability retirement is ultimately approved by the Board, his or her disability retirement benefit will be calculated using the participant's age, Creditable Service and Final Compensation as of the day he or she began participating in the Cap Program.
5. A General Member may exceed the ninety percent (90%) cap if the Member:
- a. applied to purchase Creditable Service on or before June 5, 2002, and thereafter signed the contract to purchase that time,
 - b. was hired at age 24 or younger, and
 - c. will exceed the ninety percent (90%) cap because of the Creditable Service he or she applied to purchase on or before

June 5, 2002. The Member may not exceed the cap by Creditable Service that he or she applied to purchase after June 5, 2002.

6. When a Member who meets the conditions of paragraph five (5) above first becomes eligible for a service retirement, his or her Retirement Calculation Factor and years of Creditable Service will be capped at that time, even if the Member continues to work and contribute to the Retirement System. The Member's Final Compensation will not be capped. When eligible to retire, the Member may:
 - a. continue working and contributing to the Retirement System,
 - b. enter DROP, or
 - c. retire.

J. 1981 Pension Plan Credit for Service

Employees with 1981 Pension Plan credited years of service will be granted at no cost to the employee credit for past CERS service.

K. IRS Section 414 (h) (2)

Implement pre-tax retirement contributions under IRS Section 414 (h) (2), effective the first pay period in January, 1993 with the effect of reducing the employee's income tax base.

L. Health Eligible Retirees

San Diego Municipal Code Section 24.1202 sets forth the maximum amounts to be paid on behalf of or reimbursed to a Health Eligible Retiree for retiree-only Medicare eligible or non-Medicare eligible health insurance premiums based on the premium for the City-sponsored PPO plan for Fiscal Year (FY) 2003 and annually adjusted thereafter based on the Centers for Medicare & Medicaid Services, Office of the Actuary, projected increase for National Health Expenditures for the full year period ending in the January preceding the start of the new plan year; such adjustment shall not exceed ten percent (10%) for any given year. B. Retiree Health Benefit for Employees Hired On or After July 1, 2005 (but before July 1, 2009)

1. Employees hired on or after July 1, 2005, but before July 1, 2009, are not entitled to the Retiree Health Benefit as set forth in paragraph I (L) above.

As stated in the MOU between the City and the Union effective, July 1, 2005, “For employees hired on or after July 1, 2005, the City will establish a defined contribution plan for retiree medical expenses.” The 2005 MOU further provided as follows: “Control and Investment of Contributions Pending Plan Establishment. Until the vehicle for the defined contribution plan is formalized, all contribution amounts will be held in escrow in SDCERS but invested with other funds to achieve the maximum possible return until the escrowed funds can be transferred to the control of the agreed-upon administrator.” While these provisions were not implemented, the parties intend to negotiate a modified retiree medical benefits plan in accordance with Article 8, Section 5. The City presently represents that, under federal tax law, a qualified pension plan like SDCERS cannot hold, control or invest contributions to pay medical benefits, unless a 401(h) trust is established.

C. Purchase of Service Credit (Employees Hired On or After July 1, 2005)

Employees hired on or after July 1, 2005, are not eligible for the purchase of service credit (“airtime”) in SDCERS, as set forth in San Diego Municipal Code Section 24.1312.1.

D. “13th Check” Supplemental Benefit (Employees Hired On or After July 1, 2005)

Employees hired on or after July 1, 2005, are not eligible to receive the “13th Check” Supplemental Benefit as set forth in **San Diego** Municipal Code Section 24.1503.1.

E. Deferred Retirement Option Plan (Employees Hired On or After July 1, 2005)

Employees hired on or after July 1, 2005, are not eligible for the DROP, as set forth in San Diego Municipal Code Section 24.1402.1.

III. Benefit Changes in 2008 for Employees Hired On or After July 1, 2009

A. On July 21, 2008, the City and the Union agreed to a new retirement formula for General Members hired on or after July 1, 2009, on the condition that the City would not pursue a San Diego Charter amendment and subject to the terms set forth in subsections III (B through III (I).

B. New Retirement Calculation Factor for General Member Employees hired on and after 7/1/09.

Retirement Age	Retirement Calculation Factor

63	2.36%
64	2.48%
65 and older	2.60%

C. The Service Retirement Allowance for a General Member hired on or after July 1, 2009, may not exceed 80 percent (80%) of his or her Final Compensation.

D. Final Compensation will be based on the highest 3 years of pensionable compensation.

- E. A new defined contribution plan will be established by the City with a mandatory City contribution of 1% and a mandatory matching Employee contribution of 1%. Additional voluntary Employee contributions (with no Employer match) will be permitted to the extent otherwise allowed by law.
- F. A .25% mandatory City contribution and a matching mandatory .25% Employee contribution will be paid into a retiree medical trust (refer to San Diego Municipal Code Section 24.1202(c)).
- G. The City agrees to pay the reasonable costs associated with establishing a retiree medical trust and will engage in further meet and confer to determine collaboratively the details related to (1) the manner and means of administering such a trust, and (2) the nature and scope of the benefits to be available and on what terms. Additional voluntary employee contributions (with no employer match) will be permitted to the extent otherwise allowed by law.
- H. The City's current 401(k) and 457 Plans will remain available to employees covered by this new plan on the same terms as are available to employees not covered by this new retirement plan.
- I. Employees covered by this plan will not participate in SPSP.

IV. Benefit Changes effective on and after July 1, 2009

- A. Effective July 1, 2009, and continuing during the term of this MOU, the City's offset of employee retirement contributions for employees represented by AFSCME, Local 127 is eliminated.
- B. During the FY2010 negotiations, the City imposed changes on the DROP by increasing the age eligibility from fifty-five (55) to sixty (60) and eliminating the annuity option effective July 1, 2009. SDCERS has determined that the imposed changes to DROP require a Charter Section 143.1 vote of active SDCERS members. The parties understand that this vote will be scheduled during the term of this MOU. If the Charter Section 143.1 vote to change the foregoing DROP requirements passes, the Union acknowledges and accepts that the eligibility age to enter DROP will be sixty (60) and the annuity option will be eliminated for specified members. If the Charter Section 143.1 vote fails, SDCERS will continue to administer the DROP at age fifty-five (55) and/or will continue to administer the annuity option.
- C. The City will negotiate the impact, if any, resulting from the City's definition of DROP's cost neutrality. The City will also negotiate over the elimination of any element of DROP to the extent that any court of competent jurisdiction or PERB decides or has determined that DROP is a mandatory subject of bargaining.
- D. Modification of Definition of Health Eligible Retiree

General Members who retire on or after July 1, 2009, and are receiving a retirement allowance from SDCERS must have twenty (20) years of service with the City to receive one hundred percent (100%) of the Retiree Health Benefit and ten (10) years of service with the City to receive fifty percent (50%) of the Retiree Health Benefit, as set forth in San Diego Municipal Code Section 24.1201(a) (5). The Health Eligible Retiree benefit for General Members, retiring with a service retirement with more than ten (10) years of Creditable Service but less than twenty (20) years of Creditable Service, shall be increased by five percent (5%) for each year of Creditable Service beyond ten (10) years until the benefit, defined as the health insurance premium, reaches the maximum of 100 percent (100%) at twenty (20) years. The foregoing limitation on the Health Eligible Retiree benefit shall not apply to disability or industrial disability retirements.

- E. Effective July 1, 2009, the maximum payment or reimbursement level for “Health Eligible Retirees,” as defined by San Diego Municipal Code Sections 24.1201 and 24.1202, shall be frozen at the FY 2009 level of \$740.00 a month/\$8,880.00 a year, without adjustment annually based upon the projected increase for National Health Expenditures by the Centers for Medicare and Medicaid Services, Office of the Actuary.

ARTICLE 30 - 401 K

The 401 (k) plan, established July 1, 1985, provides employees the opportunity to save for retirement in a tax efficient manner. The plan allows each participant to determine the type and mix of his or her investments in the Plan from those offered as determined by the Defined Contribution Plans Trustee Board. The provisions of the plan, including eligibility and maximum contributions, are stated in the separate 401 (k) Plan Document.

ARTICLE 31 - Supplemental Employee Pension Savings Plan (SPSP)

The SPSP has been established pursuant to the City’s withdrawal from the federal Social Security System in 1981 with the purpose of providing eligible employees a convenient method of saving and to provide supplemental pension benefits. The minimum and maximum contributions are determined by the employee’s hire date and participation in the City’s defined benefit plan. These contribution limits, along with all other plan provisions, are reflected in the separate Plan Documents.

The parties agree that the SPSP currently offered to all eligible employees will be amended to comply with the provision of the Economic Growth Tax Relief and Reconciliation Act (EGTRRA) that became effective January 1, 2002, and other administrative changes presented during the FY 2003 Meet and Confer process.

Any employee hired on or after July 1, 2009, shall not be eligible for SPSP.

ARTICLE 32 - Flexible Benefits Plan

An IRS qualified cafeteria-style benefits program is offered to all eligible employees called Flexible Benefits Plan (FBP). This plan provides a variety of tax-free benefit options. Eligible employee means any employee in one-half, three quarter, or full-time status. Eligible employee excludes all employees in an hourly status.

The City's contribution to the FBP during the term of this MOU will be \$5,575 annually. An employee who opts out of the City's health insurance coverage will be eligible for the cash-in-waiver option of \$4,575 a year. The City's contribution will be provided bi-weekly as taxable earnings.

On or about April 1, of each year during the term of this MOU, or earlier if mutually agreed, the parties will, on an agreed date, exchange premium rates for the parties' respective plan offerings.

The benefits available through the FBP and the respective annual costs are reflected in the Flexible Benefits Summary Highlights booklet provided to each employee each year of this MOU.

1. It is the intent of the parties that all plans comply with all applicable state and federal laws including IRS regulations. All disputes over interpretation of the above shall be submitted to the appropriate agencies for interpretation.
2. The employee must select a life insurance and health insurance (unless covered under another comprehensive health plan). An employee may opt out of City health insurance if he/she has other comprehensive health insurance by selecting the "waiver" option.
3. Employees may designate a specific amount of pre-tax money (IRS restrictions may apply) to be withheld from their paycheck for health, dental and vision coverage, basic life insurance and/or to reimburse eligible out-of-pocket medical, dental or vision or dependent care expenses. These payroll deductions must be designated during the open enrollment period, are irrevocable, are subject to IRS regulations and monies are forfeited if not used within the fiscal year.
4. Eligible employees are required to enroll for their benefits each year during the designated open enrollment period. If an employee fails to complete enrollment within the open enrollment period, the employee's current options for health (or comparable plan if unavailable), will be automatically continued at the same level for the next year as if the employee had elected to keep them. All payroll deductions, including DMV and Dependent Care reimbursement, will continue and may not be eligible to be stopped until the following open enrollment period.
5. The City agrees that it will not arbitrarily or unreasonably deny the Union the opportunity to offer a health insurance plan to active and/or retired employees. Such coverage must include mental health coverage at an equal or better level of

coverage than that offered through the City's health plans. The Union agrees to inform Employee Assistance Program (EAP) of any changes to the mental health coverage and/or provider in order for EAP to give input on the proposed changes to ensure that City employees are receiving adequate mental health coverage through their selected health plan. The Union currently provides a dental plan for the benefit of the active and/or retired employees.

6. The Union agrees to indemnify the City against any and all claims arising out of the administration of its benefits plans.

7. Audit and Inspection of Records

The City Auditor is authorized to audit all necessary documents pertaining to the health insurance plans offered by the Union.

The parties agree that the Union is authorized to audit the City's health plans, during the August through January period, to the extent that documents are requested and provided pursuant to state and federal public information laws.

Effective July 1, 2000, one half (1/2) of the Tuition Reimbursement benefit may be used by an employee each FY for reimbursement of seminars or other training/educational events which will maintain or enhance an employee's job-related skills or knowledge or contribute to the employee's broadening and diversification of his or her skills. An employee shall submit a request for approval of the proposed reimbursable event in advance of attendance. Pre-approval by the Department is required for reimbursement. The employee must subsequently submit satisfactory evidence of attendance at the proposed event in order to receive reimbursement. The parties intend the general procedural requirements of the Tuition Reimbursement plan to be applicable except the requirement of a grade. It is the intent of the parties that this provision will supplement rather than replace training funds heretofore made available by departments for the benefit of employees. It is also the intent of the parties that this opportunity to avail oneself of one-half (1/2) of the tuition reimbursement plan benefit shall be at the initiation of the employee based on his or her proposal for training or education.

ARTICLE 39 - Reimbursement of Emergency Meals

Effective July 1, 2010, employees who ordinarily qualify for a meal during the performance of after hours emergency work shall, with the proper receipts, be reimbursed up to \$17.74, thereafter on each July 1 of the subsequent Fiscal Years the City shall increase the value by the Consumer Price Index (All Urban Consumers – Not Seasonally Adjusted – San Diego, All Items 1982-84 =100).

ARTICLE 40 - Stewards

Section 1. General

The Union shall have the option of designating Stewards and alternate Stewards at each facility to represent employees in the processing of grievances subject to the following rules and procedures:

- A. Additional Stewards may be named after agreement between the parties. The parties agree to discuss the addition of Stewards in the event of decentralization in a City department.

- B. The Union shall furnish the City on July 1 of each year a written list identifying by name and assigned work areas all regular and alternate Stewards, and the list shall be kept current during the term of this MOU.
- C. The Union will designate as Stewards only employees who have passed their initial City probationary period. The Union will also designate as Stewards only employees currently assigned to classifications in the Unit represented by the Union, as listed in Exhibit A of this MOU.
- D. The City agrees to allow no more than ten (10) City-wide Stewards and two (2) Chief Stewards to handle employee representation and grievances throughout the City. All other Stewards may only function within the boundaries of their City approved area of Union assignment. Stewards who are not on a current Union submitted and City-approved list of Stewards shall not be recognized as Stewards by the City and shall have none of the rights or privileges agreed to as a Steward.
- E. The City will make every effort not to temporarily or permanently transfer a Steward from a geographic location, without five (5) days prior notice to the Union. A prior notice to the Union shall not be construed as limiting the City in its prerogatives to transfer or change the work shift of a Steward.
- F. Stewards are responsible for an accurate accounting of their City compensated time spent on Steward duties as indicated by the time entries submitted for payroll purposes.
- G. The City agrees that Stewards shall not be penalized or discriminated against in any way for their participation as Union Stewards.
- H. Steward Training Release Time

The parties mutually recognize the importance of maintaining sound employer-employee relations on the job, and for employees to have qualified representation on the job, in so doing, the City shall allow reasonable release time, without loss of compensation, to the Union Stewards for the purpose of attending training provided by the Union.

Section 2. Handling Grievances

- A. When requested by an employee who has a grievance, a Steward, with permission of his or her supervisor, may investigate any grievance in his or her assigned work area and assist in its preparation and presentation.
- B. After notifying and receiving approval of the immediate supervisor a Steward shall be allowed reasonable time off during working hours, without loss of time or pay to investigate, prepare and present such grievances. The immediate supervisor will authorize the Steward to leave his or her work unless compelling circumstances require refusal of such permission in which case the immediate supervisor shall inform the Steward of the reasons for the denial and establish an alternate time

within twenty-four (24) hours, except in case of emergency, when the Steward can reasonably expect to be released from his or her work assignment.

- C. When a Steward desires to contact an employee at his or her work location, the Steward shall first contact the immediate supervisor of that employee, advise of the nature of the business, and obtain the permission of the supervisor to meet with the employee. The immediate supervisor will make the employee available promptly unless compelling circumstances prohibit the employee's availability, in which case the supervisor will notify the Steward within twenty-four (24) hours, except in case of emergency, when he or she can reasonably expect to contact the employee.
- D. A Steward's interview or discussions with an employee on City time will be handled expeditiously.
- E. A request by a Steward to investigate and process a grievance shall not be unreasonably withheld.

Section 3. Discipline

- A. Stewards will also be provided with a reasonable amount of time to represent employees in actual disciplinary meetings and hearings between the City and the employee being disciplined subject to the provisions of Article 41.

ARTICLE 41 - Employee Representation

- A. An employee may request representation from the Union, not to exceed one City employee, who is not designated as a supervisory employee, and one (1) non-City employee; or two (2) City employees, who are not designated as supervisory employees; or two (2) non-City employees. In addition, the President of the Union or a designated alternate may also attend if authorized by the Human Resources Director. Such representation may be present:
 - 1. During any investigatory or fact-finding meeting where discipline might result. The City shall provide the Union results of the fact finding to both the employee and the Union within thirty (30) days after the completion of the investigation for any discipline where the employee is represented by the Union. Such representation is not available in cases requiring immediate removal or suspension as defined in Civil Service Rule XI.
 - 2. During the required discussion of any document, including Supplemental Performance Reports, written warnings, reprimands, or notes of counseling which are to be made a part of the employee's permanent record and/or which may be used as a basis for subsequent discipline.
 - 3. During any Skelly hearing prior to the imposition of discipline by a supervisor, reduction in compensation, demotion, or discharge.
 - 4. During the appeal of any disciplinary action.

5. During Accident Review Committee meetings, Civil Service appeals, Long Term Disability and Industrial injury appeals and any other meeting in which representation is normally afforded employees.
 6. The employee will be provided an opportunity to notify the Union's office in the event that the employee is required to submit to "for cause" drug or alcohol testing. This opportunity to notify the Union is at the employee's option and shall not be interpreted as a basis upon which any employee may refuse to submit to the required drug or alcohol testing. The Union shall utilize this notification to prepare for eventual investigations or fact findings as necessary. In no way shall this representation be interpreted as the right to an immediate appeal of the test.
- B. The City employee representative shall not be an employee subject to the same investigation or fact-finding.
 - C. In all other instances, the City has the right to verbally counsel or interview employees as it deems appropriate without employee representation being present.
 - D. The employee who is notified of a pending disciplinary action shall be given a reasonable time to consult with his or her representatives so that he/she may prepare a response to said action. All meetings between employees and their representatives on City work time shall take place in the immediate vicinity of the employee's worksite. The employee will be permitted to meet his or her representative at the Union Hall on the day that he/she is provided with an advance notice of termination.
 - E. An employee is also entitled to representation as outlined above in appeals of disciplinary actions and when receiving a Supplemental Performance Report.
 - F. If an employee subject to disciplinary action elects to have a City employee as a representative, such employee may attend disciplinary hearings or meetings with management on City time. If these meetings or hearings extend beyond the representative's normal work hours, no overtime will be paid.
 - G. If during any unscheduled meeting in which the employee is informed that discipline may result, an unrepresented employee may request representation. The meeting should be stopped and rescheduled affording the employee an opportunity to obtain representation.
 - H. The City shall give an employee a five (5) day advance written prior notice of his or her right to representation.
 - I. The City will encourage Appointing Authorities to schedule some representation matters at the Union Hall.

ARTICLE 42 - Formal Representation

- A. When formal meetings are scheduled, for the purpose of meeting and conferring, the Union may be represented by a reasonable number of employee members of the unit or units involved, and the President or designee. These employees may attend said meetings during regular work hours without loss of compensation or other benefits. For purposes of meeting and conferring on a successor MOU, six (6) representatives plus the President and one (1) other officer are considered a reasonable number. However, additional representatives may attend upon mutual agreement of the parties. In addition, the Union may also select a representative to attend City Council, Council Committee, Retirement Board and Civil Service Commission meetings, during regular work hours without loss of compensation where subjects within the scope of representation are being discussed. The Union shall, whenever practicable, submit the names of all such representatives to the City at least two (2) working days in advance of such meetings provided further that no representative shall leave the duty or work station or assignment without specific approval of the City. Such request will not be unreasonably or capriciously denied.
- B. Nothing herein shall limit or restrict said meetings to regular working hours.
- C. The Union will have a permanent Union designated representative on the Suggestion Awards Committee.
- D. The Union shall have four (4) permanent representatives on the Joint Apprenticeship Advisory Committee.

ARTICLE 43 - Use of City Facilities

- A. The Union may, with the prior approval of the City, be granted the use of City facilities during non-work hours for meetings of City employees provided space is available, and provided further that such meetings are not intended for such internal employee organizational meetings as soliciting membership, campaigning for office, and organizational meetings and elections. Such meetings in City facilities may not interfere with the efficiency, safety or security of City operations.
- B. Solicitation of membership and activities concerned with the internal management of the Union such as collecting dues, explaining benefits, holding membership meetings, campaigning for office, conducting elections, and distributing literature to individual employees, shall not be conducted during working hours without prior approval of the Human Resources Department.
- C. The City agrees to study the feasibility of providing a small office in the City Hall complex to the Union for use in providing services to its members and facilitating access to its representatives at City Council, City Council Committee, Human Resources and Executive Board meetings.
- D. A monthly parking pass shall be provided to the President of the Union.

ARTICLE 44 - Union Communications

Section 1. Bulletin Boards

The City agrees to furnish suitable bulletin boards in mutually convenient places for each work area to be used by the Union. The Union shall limit its posting to such bulletin boards and to matters relating to Union affairs. Present locations and allocations of space are considered adequate. Union representatives shall not be unreasonably denied access to the bulletin boards.

The City shall ensure that the space on bulletin boards allocated to the Union is clearly designated as such. This will not preclude the City from using other space on these bulletin boards for City information.

The City agrees to provide additional security for bulletin boards in those areas where both parties agree.

Section 2. E-mail Communications

The Union will be permitted to use the City's email system to direct employees to obtain information contained on the Union's website. No further use or access of the City's email system will be authorized unless such use pertains to the Employer-Employee relationship.

Section 3. Interoffice Mail

The City and Union agree that the Union may use the City's interoffice mail system to distribute its newsletter or equivalent communication to employees in its bargaining unit. The City shall provide the Union with a current list of employees in its bargaining unit and their mail stations. This list will be provided in July of each year in the term of this MOU.

ARTICLE 45 - Access to Work Locations

- A. Authorized Union business representatives, or the President of the Union or his or her authorized designee in the case of his or her absence after notification to the Human Resources Department, and one (1) other member of the Executive Board of the Union, who will not be on City time, shall be granted access to work locations in which employees covered hereby are employed, for the purpose of conducting grievance investigations and observing working conditions. Authorized Union representatives desiring such access to such work locations shall first inform the appropriate Management representative at that work site of the purpose of the visit. The Union representative shall not unduly interfere with the operations of the department during a visit. Representatives have the right to meet with employees on an individual basis during coffee, rest or lunch breaks at City facilities. Such access shall normally be granted by the City unless the visit will unduly interfere with the operation of the department. Such permission shall not be unreasonably withheld.

- B. When a class action grievance emerges, or when the City requests to meet and confer during the term of the agreement, Union representatives may request directly from the Human Resources Director, permission to have an opportunity to meet with affected employees for a reasonable amount of time during regular working hours for the purpose of discussing the grievance, or management proposals. The decision of the Human Resources Director shall be final.

ARTICLE 46 - Labor Management Committees

The City and the Union will establish a joint committee for the purpose of discussing common problems including safety problems, contract interpretation and administration, application and administration of the Grievance Procedure, and application and administration of the City's disciplinary procedures. The Committee shall meet at regular intervals when either side has an agenda to present. Generally, these meetings will be held on a monthly basis at a mutually satisfactory time for a duration of approximately two hours. Each side will appoint three (3) permanent members. Additional members may attend based on the issue and with the approval of the Human Resources Director. Meetings will be held during normal business hours. The City agrees to the shared responsibility of preparing the agenda and minutes for the Labor Management Committee meetings.

The Collection Services and Disposal Division of the Environmental Services Department and the Parks and Recreation Department will maintain Labor Management Advisory Committees to discuss common issues/problems. The Union members of the committee will be permanent full-time employees.

The Facilities Division and the Streets Division of the General Services Department will maintain Labor Management Advisory Committees. The Streets Division will meet monthly for the first six (6) months and meet quarterly thereafter. For the Streets Division committee, schedules and start times will be the first issues to be discussed.

ARTICLE 47 - Union Orientation

The City agrees to provide the Union with an equal opportunity to make presentations to new employees during the City's New Employee Orientation Session. These presentations will not exceed one half (½) hour, and will be restricted to employees in job classifications represented by the Union. The Union will be given five (5) working days written notice of New Employee Orientation meetings. Only the Union and no other employee organization will be provided with the opportunity to make presentations to employees in job classifications represented by the Union.

The Union will be provided with a list of those employees required to attend and those who attended orientation. The Union will also be provided with the number of employees required to attend the orientation prior to the date of the orientation.

ARTICLE 48 - Executive Board Meetings

The City agrees to release the Union's elected Executive Board Members on City time to attend the Union's Executive Board meetings.

ARTICLE 49 - Employee Organizational Leave

The parties agree to reopen negotiations on or before September 1, 2010, after further legal analysis of this proposal, including tax limitations and timing of implementation should a change in the City's Personnel Rules be required. The utilization of this leave will be subject to approval by the City.

ARTICLE 50 - Availability of Data

- A. The City will make available to the Union information pertaining to employment relations as set forth in this rule and Government Code Sections 6250-6260.
- B. Such information shall be made available during regular office hours. Materials presently supplied to the Union at no cost shall continue to be supplied at no cost.
- C. Information which shall be made available includes regularly published data covering subjects under discussion. Data collected on a promise to keep its source confidential may be made available in statistical summaries but shall not be made available in such form as to disclose the source.
- D. City Personnel Department will provide the Union monthly with a list of all newly hired employees, their job classification, and date of hire, within the Union's recognized bargaining unit.
- E. The City agrees to inform, in writing, the Union in all instances when an employee represented by the Union retires from the City, giving the name, job classification and date of retirement. This information will be provided to the Union as early as is legally possible. The parties agree to meet to discuss and implement the most feasible method of providing this information.
- F. Nothing in this rule shall be construed as requiring the City to do research for an inquirer or to do programming or to assemble data in a manner other than customary.
- G. An authorized representative of the Union shall be allowed to review an employee's records upon the employee's written authorization.
- H. The City will respond, within a reasonable period of time, to information requests from the Union which are relevant and necessary and do not seek privileged or confidential information including but not limited to the following bargaining unit information:

ARTICLE 51 - Grievance Procedure

I. Policy

- A. Employees have the right to file grievances without jeopardizing their positions.
- B. Employees may represent themselves or select a Union representative to represent them at any or all steps in the Grievance Procedure.
 - (1) The employee has the right to the assistance of a Union representative in the investigation, preparation and presentation of a grievance.
 - (2) Employees may have no more than one City employee and one non-City employee as representatives for grievance hearings. In the last three steps of the Grievance Procedure, an additional non-City employee may, at the discretion of the employee, represent the employee.
 - (3) Notwithstanding any other provision of this MOU, an employee may not select as a representative, a supervisor in the employee's chain of command or a higher ranking supervisor. This does not preclude Stewards or officers of the Union from representing an employee in a grievance.
- C. Grievances may be initiated by the employee, or by the Union on the employee's behalf. If an employee chooses to have representation on a grievance concerning a matter that directly involves the interpretation or application of the specific terms and provisions of this MOU or wages, hours, and working conditions, such representation must come from the Union.

- D. The employee's or the Union's first contact regarding job and working conditions is with the immediate supervisor. Supervisors shall attempt to settle grievances informally at this level.
- E. A grievance will normally be presented and processed on City time, and a grievant attending a grievance meeting on his or her own behalf on City time will not lose pay. In scheduling the time, place and duration of any grievance meeting, the employee, a Steward or Union Representative and the City will give due consideration to all the participants' responsibilities in the essential operations of the department. The City has the unequivocal right to schedule grievance hearings as convenient. Hearings may or may not be held during an employee's normal shift. No overtime pay will be given to the grievant. Representatives, witnesses, or other participants will receive overtime pay if ordered to be present by the appointing authority.
- F. Waivers and Time Limits
- (1) Failure by the City to reply to the employee's grievance within the time limits specified automatically processes the grievance to the next level.
 - (2) Any level of review, or any time limits established in this procedure, may be waived or extended by mutual agreement confirmed in writing.
 - (3) If an employee fails to appeal from one level to the next level within the time limits established in this Grievance Procedure, the grievance shall be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.
 - (4) By mutual agreement, the grievance may revert to a prior level for reconsideration.
 - (5) If a grievant fails to appear for a scheduled grievance meeting, such failure without an excuse approved by the appointing authority shall entitle the City to decide on the grievance without the presence of the grievant, or to schedule another meeting at that level (in which case the time requirements for hearing and decision are automatically waived). Failure to appear at two (2) meetings on the same grievance without an approved excuse automatically terminates that grievance and it is deemed denied. The grievance shall then not be subject to further appeal or reconsideration.
 - (6) When a grievant is on approved leave the time limits established in this procedure shall be suspended for the period of the leave.

- (7) No grievance shall be finally dismissed for an unexcused failure to appear at a scheduled hearing unless the grievant had been given twenty-four (24) hours notice of the hearing.
- G. The City shall provide the Union with copies of all grievances regarding this MOU filed by employees, within the Union's Bargaining Units, who choose to represent themselves, within five (5) working days.
- H. The Union agrees to pursue all claims of violation of this MOU through the Grievance Procedure. Resort to other remedies shall not be pursued until all steps of the Grievance Procedure have been exhausted. If the Union reasonably feels that it or an employee has suffered immediate and irreparable harm, the City and the Union agree that the Union shall directly contact the Human Resources Department to seek a resolution prior to pursuing remedies outside the City. If the Human Resources Department fails to address cases of immediate and irreparable harm within a reasonable period of time, the Union may initiate action outside the City. Utilization of this procedure shall be deemed to exhaust the Grievance Procedure.

II. Definitions

- A. A grievance is a claim or charge of misunderstanding, or difference in interpretation, or violation of provisions of the Civil Service Rules, the Personnel Manual, this MOU, or management policy or regulations including but not limited to Administrative and Departmental Regulations, which affect wages, hours, or other terms and conditions of employment.
- B. Actions which are covered in the Management Rights Article of this MOU are not grievable, but this shall not preclude employees or their representatives from consulting with the City about the practical consequences such actions may have on wages, hours, and other terms and conditions of employment. In addition, actions covered by another appeals process as described in the Civil Service Rules, Personnel Manual, or this MOU are not grievable and shall not be processed through this Grievance Procedure.
- C. If the grievance system is abused by an unreasonable number of submittals by one individual or group and which is obviously designed to thwart orderly processing or if the grievances are patently irrelevant, or incomprehensible, such grievances shall be rejected as non-grievable. Such rejection shall be grievable.
- D. Wherever applicable, the term "working days" means the actual work days of the individual on whom the time limits are imposed.

III. Procedures

A. General

- (1) Management of the department has the responsibility to inform an employee of any limitation of a given level of Management's authority to fully resolve the grievance. In this regard, the City shall:
 - (a) Supply the employee with the necessary information to process the grievance to the proper agency or authority.
 - (b) Advise an employee when any matter under submission is determined by the City as not grievable according to the definitions in Section II above. The "grievance" paperwork submitted by the employee shall be returned to the employee along with a memorandum explaining why the matter is not grievable and what alternative procedures, if any, the employee may follow to process his or her complaint. A copy of this "grievance" shall be forwarded to the Union. If a grievance is determined to be not grievable, that decision may be grieved. A decision favorable to the employee or the Union in this latter grievance shall serve to reinstate the original grievance in whole.
 - (c) At the request of the Union, a fourth step hearing will be conducted to discuss the reasons for finding that a grievance is not grievable. The decision at the fourth step may be appealed to the fifth step for final resolution.
- (2) When a group of identical grievances develop, only one grievance form shall be submitted. The grievants may select not more than two (2) spokespersons who thereafter will be their representative "grievants". The acceptance of the decision by the spokespersons at any step (or final decision) will be binding on all parties.
- (3) A grievance shall be recognized if it is brought to the attention of the immediate supervisor either informally or formally within ten (10) working days of the incident's occurrence.
- (4) If the grievance is between the employee and any supervisor, the initial step may be to the next higher level supervisor.
- (5) To be recognized, a grievance must state which policy, rule, regulation, etc., is involved in the matter and the nature of the remedy sought by

the employee or the Union. In the event that the grievance is rejected for failure to state which policy, rule, regulation, etc., is involved, it may be amended by the grievant or the Union.

B. Steps

Step 1: At the employee's or the Union's sole option, grievances may be presented to the supervisor either orally or in writing. If the complaint is presented orally, the procedure is informal and may be settled by an oral answer given within five (5) working days to the employee and the Union representative. If the grievance is presented in writing, the procedure is formal and the answer must be given in writing within five (5) working days after submission.

Step 2: If the problem cannot be solved at Step 1, the employee or the Union may present the complaint in writing to the second level supervisor (if not done at Step 1) within five (5) working days. Within five (5) working days of the receipt of the grievance, a hearing shall be held and the Management representative shall give written decision to the employee and the Union representative.

Step 3: If the problem is not resolved at Step 2, the employee or the Union may submit the grievance to the division head within five (5) working days. Within five (5) working days of the receipt of the grievance, a hearing shall be held and the division head shall give a written decision to the employee and the Union representative. In smaller departments, this step is deleted.

Step 4: If the dispute is not solved in Step 3, the employee or the Union may present the grievance to the department head within five (5) working days. Within ten (10) working days of the receipt of the grievance, a hearing shall be held and the department head (or designee) shall give a written decision to the employee or the Union representative. The designee cannot be an individual who previously heard the grievance at a lower level. In non-managerial departments, this shall constitute the final resolution of a grievance involving management policy or regulations.

Step 5: Final Resolution of Grievance: If the grievance is still in dispute after Step 4, the employee or the Union may request a further hearing, which at the discretion of the City will take place before the Civil Service Commission, on matters over which the Commission has authority, or before the Human Resources Director or his designee, by submitting the grievance within five (5) working days. If it is determined that the hearing should be held before the Civil Service Commission, a fact-finding hearing to define the issues in the grievance will be held by the Personnel Director with the employee and/or

employee organization, prior to the date set for the Commission hearing. The grievance may be settled during such fact-finding hearing, if a mutually acceptable solution is developed. The decision of the Commission shall be issued at its next regularly scheduled meeting following the hearing by the Personnel Director. In grievances answered by the Human Resources Director, a hearing shall be held and a written response given within ten (10) working days from the date of receipt of the appeal from the fourth step. The employee or the Union may only request a hearing before the Civil Service Commission, in matters solely involving Civil Service Rules or the Personnel Manual.

Step 6: Grievances arising out of the disagreement on interpretation or application of this MOU shall follow the City-wide Grievance Procedure. The Union may formally request to continue the grievance, not later than ten (10) days following receipt of the answer at the final step of the Grievance Procedure (provided it was heard by the Human Resources Director or his/her designee), by serving written notice upon the City. The grievant may pursue either a hearing before the City Council or non-binding arbitration. For a hearing before the City Council, the City will refer the grievance to the City Council for hearing and decision. For non-binding arbitration, the parties will use the Sempra Energy's SDG&E model as a foundation for implementation.

- C. The City will ensure that grievances are properly handled in a timely manner and that any abuses of this Grievance Procedure are expeditiously corrected.

ARTICLE 52 - Disciplinary Actions and Appeals

1. The City shall have ten (10) working days from the completion of the investigation to initiate disciplinary action. The employee may appeal the placement of any disciplinary document in his or her permanent record by submitting an appeal letter within ten (10) working days of the employee being notified that any such document is to be placed in his or her file. This appeal letter should contain pertinent details of the basis for the appeal and should be submitted to the Department Head. Disciplinary documents which may be appealed include written warnings, reprimands, and Supplemental Performance Reports. As soon as possible after receiving the appeal letter, the Department Head or his or her designee will schedule a hearing on the matter. The employee is entitled to representation at such hearing as specified under Article 45, Section A. After the hearing the Department Head or his or her designee will make a decision within ten (10) working days as to whether the written document will be retained in or removed from the employee's record. This decision shall be final and shall terminate the appeal procedure. It is mutually agreed that performance reports that meet standards are not eligible to be appealed but may be reviewed in accordance with
-

City's Personnel Rule, G-7A section VII B (2) which states: "Employees may not appeal evaluations received during Supervisor-Employee Conferences. When employees have concerns about evaluations other than Supplemental Performance Reports, the Department Head should designate someone, other than the rater or reviewer, to meet with the employee and his or her representative in an attempt to resolve any differences or dissatisfaction. These reviews may result in changes being made to the evaluation, but are not to be considered an appeal of the evaluation. In addition, employees may attach rebuttal information to the evaluation if they disagree with any part of the evaluation."

2. Disciplinary actions shall remain a permanent part of the employee's file, with the exception of the following:
 - a. When the employee has appealed the placement of a document in his or her file and the appeal has been upheld by the Department Head or designee.
 - b. When a disciplinary action has been appealed to the Civil Service Commission in accordance with the appeal rights provided in Civil Service Rule XI and the Commission has directed that such record be removed from the employee's file.
3. The City and the Union ascribe to the principles of just and progressive discipline where warranted and appropriate. These principles include:

Performance Related Matters

- a. Performance Plan
- b. Oral Counseling
- c. Written Counseling
- d. Performance Evaluation
- e. Reduction in Compensation
- f. Demotion
- g. Termination

Misconduct Issues

- a. Oral Warning
- b. Written Warning
- c. Reprimand
- d. Suspension
- e. Reduction in Compensation
- f. Demotion
- g. Termination

While these progressive steps are available, severity of the problems, circumstances and supervisory judgment dictate which disciplinary measure is appropriate.

4. The City Personnel Department and the Appointing Authority shall keep and maintain an official personnel file for employees, which shall contain all information relative to the employee.

Formal reprimands without further penalty more than two (2) years old, and those with additional penalty more than three (3) years old, will be destroyed, and will not be considered for purposes of promotion, transfer, special assignments and disciplinary actions, except as to disciplinary actions when such reprimands show patterns of specific similar misconduct. Reprimands may be retained in the employee's personnel jacket. Upon request of the employee, such reprimands will be destroyed on this basis. However, in the event that an employee fails to make such a request, on discovery by the City any reprimand will be destroyed in accordance with this provision.

Written counselings and written warnings more than one (1) year old will be destroyed and will not be considered for purposes of promotion, transfer, special assignments and disciplinary actions, except as to disciplinary actions involving specific similar misconduct as that addressed in the written counseling(s) or written warning(s). Written counselings and written warnings may be retained in the employee's personnel jacket. Upon request of the employee, such written counselings and written warnings will be destroyed on this basis. However, in the event that an employee fails to make such a request, on discovery by the City any written counseling or written warning will be destroyed in accordance with this provision.

An employee will have an opportunity to rebut any detrimental material which is placed in his or her permanent personnel record by having a letter of rebuttal attached to the detrimental material.

Upon request, an employee is entitled to a copy of specific materials placed in their current personnel record. An employee will receive a copy of any material placed in their personnel record at the time the material is placed in the employee's personnel record.

All materials placed in the Appointing Authority's personnel record for an employee will be located in one central file.

An employee's supervisor may maintain an informal file of job related information on an employee. Any detrimental information will be discussed with the employee during counseling or performance evaluation sessions. Formal disciplinary documents will be maintained in the Personnel Department or Appointing

Authority files. Both the City and the Union agree that an employee's failure to challenge any material in such file does not justify the conclusion that the employee is in agreement with any such material.

5. Issuance of Supplemental Performance Reports which are not resolved by the Department Head or designee may be appealed by the employee to the Personnel Director. The Personnel Director will accept and take action on such appeals only when the employee has a valid complaint that:
 - a. the employee was not rated by the first-line (immediate) supervisor, or
 - b. the Employee Performance Report was not discussed with the employee, or
 - c. the evaluation was changed without the employee's knowledge, or
 - d. the Performance Plan was not discussed with the employee when the employee first began a job or when the plan was revised due to changes in the job.

If an appeal is accepted, the Personnel Director will investigate the facts and consult with all concerned before a change, if any, is made in the rating.

6. Supplemental Performance Reports which are not resolved by the Department Head or designee may be appealed to the Human Resources Director or designee if the rating was based on incidents that occurred outside of the rating time period.
7. Skelly Rights

The City agrees to observe the "Skelly" rights of employees in disciplinary actions. When the City disciplines a permanent employee in the form of a suspension, demotion, discharge, or a reduction in compensation, the City agrees to provide written notice and an opportunity to respond to the Appointing Authority proposing the discipline. The employee will be given a reasonable opportunity to obtain representation and will be provided with the factual basis and pertinent documents for the discipline. The employee will be permitted to have one (1) City employee and one (1) non-City employee as representatives at the Skelly hearing.

8. Reduction in Compensation

The compensation of any employee of the City may be reduced a maximum of two (2) steps within the salary range of that employee's current classification. Such reduction in compensation may be put into effect upon finding that the employee's performance does not meet standards for the employee's classification and/or position.

It is the intent of both parties that a reduction in compensation is an intermediary step, normally preceded by progressive discipline and may normally precede more severe disciplinary action.

a. Procedure for Reduction in Compensation

An employee's compensation shall be reduced only upon the completion of the following steps:

- (1) The employee is placed on a Supplemental Performance Report.
- (2) Upon being notified of the proposed action to reduce the employee's compensation, such employee shall, within five (5) working days, have the right to respond orally or in writing to the Appointing Authority.
- (3) After giving due consideration to the information provided by the employee, the Appointing Authority may elect to reduce the compensation of such employee.
- (4) At the time the employee is notified of such action, the employee will be informed of their representation and appeal rights.
- (5) The reduction in compensation may be in effect for only six (6) months of active duty. At the end of that time the employee shall be reinstated to the previous salary step in the job classification or some other type of disciplinary action shall be taken.
- (6) At the end of ninety (90) days the employee's job performance must be reevaluated by the Appointing Authority. If the employee's performance does not meet standards the reduction in compensation may continue. If the employee's performance meets standards, the employee will be reinstated to the previous salary step in the job classification.

b. Appeal of Reduction of Compensation

Within ten (10) working days of receipt of notice of reduction in compensation, an employee may file a written appeal with the Human Resources Department. The decision of the Human Resources Director or designee will be final.

9. Except for the appeal process for reduction in compensation as stated above, members of the unit shall have all appeal rights currently provided in Civil Service Rule XI.

10. Unless there are extraordinary and extenuating circumstances, the City shall begin the discipline process within thirty (30) days of the conclusion of the investigatory process. The Union may grieve violations of this provision directly to the Human Resources Department.
11. The use of Last Chance agreements is recognized by the City as a possible alternative to termination of employment in select cases. Consideration by the City of this alternative will be conducted in a fair and equitable manner. When the City agrees to a Last Chance agreement, the agreement shall be fully binding and the duration of the agreement shall normally be one year.
12. The primary responsibility for conducting a disciplinary investigation and the resulting advance notice of disciplinary action when warranted will be delegated by the Appointing Authority to someone other than the individual prospectively responsible for hearing an appeal of such action. The individual delegated the primary responsibility will also sign the Advanced Notice. Exceptions may be granted by the Human Resources Director.

ARTICLE 53 - Equal Opportunity Policy

Section 1.

The parties mutually recognize and agree fully to protect the rights of all employees in the bargaining units represented by the Union herein to join and participate in the activities of the Union, or not to join and participate in such activities, and all other rights guaranteed by law.

Section 2.

No employees shall be interfered with, intimidated, restrained, coerced or discriminated against because of the exercise of these rights.

Section 3.

The provisions of this MOU shall be applied equally to all employees covered hereby without favor or discrimination because of race, color, sex, age, gender identification, disability (as defined by the Americans with Disabilities Act), medical condition, national origin, political or religious opinions or affiliations, sexual orientation, or for any other unlawful reasons. In interpreting these terms, the City will be bound by state and federal law.

Section 4.

The Union agrees to support affirmative action and equal opportunity plans and policies promulgated in accordance with procedures established by the City Council as consistent with state and federal law.

Section 5.

If an employee files a complaint with the state or federal authorities, the City shall cooperate fully with that agency's investigation if conducted.

ARTICLE 54 - Rest Periods

A. The City endorses the practice of progressive management which recognizes that regular, authorized rest periods are beneficial both to employees personally and to the productivity of the organization.

B. The following guides are established to assure that rest periods will be properly controlled and that maximum benefits will be derived from them. These guides also extend to personnel working on an overtime schedule.

1. Two fifteen (15) minute rest periods (including "travel time" if the employee leaves the work area) may be allowed during each eight (8) hour work day ("travel time" means pedestrian travel or travel in the employee's private vehicle). Subject to work assignments and departmental requirements, a rest period or a meal break should be allowed near the end of each two (2) hour period of work.

Employees who work more than ten (10) hours a day shall be entitled to a third rest period of fifteen (15) minutes duration. Employees who work twelve (12) or more hours a day shall be entitled to a third rest period of thirty (30) minutes duration.

Certain constant staffing positions may be exempt from the third rest period. In no case shall an employee working more than ten (10) hours be provided more than a third break.

2. Since the purpose of granting rest periods is to give relief from mental and/or physical fatigue, and consequently, to improve productivity, the following practices shall not be allowed:
 - a. combining two (2) daily rest periods into one thirty (30) minute period;
 - b. "saving" rest period time to justify extended lunch hours or shortened work days;
 - c. accumulating rest period time from day to day; or

- d. applying rest period time to compensatory or other time off, or in the considerations or computations concerned with overtime compensation.
- C. Subject to work assignments and departmental requirements, department heads are authorized to provide rest periods for employees within the limits of the policy outlined above.

ARTICLE 55 - Hours of Work, Shift Reassignments and Work Schedules

The City shall have the right to modify existing schedules and/or create new schedules during the term of this MOU. The City will notify the Union at least ten (10) working days in advance of its intent and upon request by the Union prior to implementing the new schedule, will meet and confer for a reasonable period of time and implement only upon agreement or after an impasse opportunity. Except in circumstances beyond control of the City, all employees in the units represented by the Union shall receive at least five (5) working days notice prior to a permanent or extended shift change, or a permanent or extended work schedule change. The City will normally use seniority as the first and principal factor in such assignments. However, other factors may also be considered such as performance problems, disciplinary reasons, physical ability, punctuality, attendance and specialized skills and experience. If a change is ordered out of seniority, the City will discuss and explain its reasons with the Union if requested. Grievances related to seniority issues may be made directly to the Department Head or designee.

The City agrees that the standard work schedule for General Services is five (5) days a week and eight (8) hours a day. The parties have agreed to an alternate work schedule of 36/44 hours bi-weekly in the Facilities and Communications Divisions. The Print Shop, Fleet, and Street Divisions will continue with their existing alternate work schedules. All agreements on work schedules will remain in effect unless the parties mutually agree to a different schedule or the City modifies a work schedule based upon operational efficiencies, productivity or enhanced customer service. The City agrees that shift and work schedules shall not be changed back and forth on an irregular basis for the sole purpose of avoiding overtime. This does not preclude the City from exercising its right to evaluate its responsibility to allocate resources, staff and material in an efficient manner which may result in irregular schedules such as split shifts, etc.

The parties agree to refer to the Labor Management Committee issues related to irregular changes in work schedules and/or shifts.

Hours of Work

- A. Employees covered by this MOU shall normally work a five (5) day, forty (40) hour work week. The City agrees to Meet and Confer on the request of any changes to the current forty (40) hour work week schedule.

- B. A normal work day shall normally consist of eight (8) consecutive hours not including time for lunch.
- C. This does not preclude the City from using a four (4) day, ten (10) hour per day weekly work schedule or a similar modified work schedule. Employees who are scheduled to work a shift of nine (9) or more hours on a fixed City holiday, shall be credited with one (1) or more additional hours of floating holiday time respectively, for use on that holiday.
- D. Except for emergency situations, as defined in Personnel Manual Index Code H-4, II (B) 1-4, employees may not work more than sixteen (16) hours per day.

The parties agree to refer to the Labor Management Committee issues related to overtime and limitations on consecutive hours of work. During the term of the contract, the parties agree to study the hours of work relating to extended shifts and how the following day's schedule will be administered and/or accounted for. Specifically, the study will look at if an employee is required to work sixteen (16) or more hours in any given workday, what is an appropriate rest period between shifts and a determination on the utilization of paid leave or changing shifts in conjunction with the rest between shifts.

ARTICLE 56 - Employee Rights

It is agreed that neither the City nor the Union shall discriminate against any employee because of race, national origin, age, sex, gender identification, sexual orientation, disability (as defined by the Americans with Disabilities Act) or Union membership or activity, or for any other unlawful reasons. It is further agreed that no employee will be discriminated against because of exercising his or her rights specified in the City Council Policy 300-6 and this MOU. The Union and Management agree that they support the current policies of the City as to affirmative action and Equal Employment Opportunity (EEO).

No employee shall be compelled to submit to a polygraph examination against his or her will. No disciplinary action or other recrimination shall be taken against any employee refusing to submit to a polygraph examination, nor shall any comment be entered anywhere in the investigator's notes or anywhere else that the employee refused to take a polygraph examination, nor shall any testimony or evidence be admissible at a subsequent hearing, trial, or proceeding, judicial or administrative, to the effect that the employee refused to take a polygraph examination.

Requests for covert video surveillance for the purpose of documenting misconduct shall be submitted to the Human Resources Director for review.

Employees have the right to expect professional supervision free of undue and/or unfair harassment.

ARTICLE 57 - Personnel Practices

Citizen Complaints/Route Slips

Employees will be notified of any citizen complaint/route slip in which they are identified by name or in which they can be identified by the City from the information received. The City shall be obligated to provide the necessary information related to any citizen complaint/route slip to authenticate the complaint and forward such authentication to the Union within ten (10) days from when the City received such complaint/route slip. The City may redact the citizen's name from the complaint. If the complaint is resolved in the employee's favor, the complaint, together with all related documents, shall be removed immediately from the employee's personnel file(s), unless the employee requests in writing that the document be retained.

Performance Reports

Performance Reports will normally be given to the employee within fourteen (14) calendar days after the close of the rating period. However, in no case shall the department give a performance report to an employee later than thirty (30) working days after the close of the rating period without the prior approval of the Human Resources Department or non-managerial Department Head. Approval is required for the presentation of the performance report more than thirty (30) working days after the due date, not for the content of the report. Failure to obtain such prior approval gives rise to a grievance which the Union may present directly to the Human Resources Department or to the non-managerial Department Head.

The City agrees to Meet and Confer with the Union without impasse on enhancements to Performance Report practices and procedures.

Court Fees

The City shall no longer require employees to deposit with the City Comptroller fees due him/her from the Court.

ARTICLE 58 - Transfers

Transfers shall be revised to permit employees who do not meet performance standards to be placed on transfer eligible lists. It is the responsibility of the Appointing Authority to verify an employee's performance through the employee's current department or by reviewing the employee's personnel file prior to making a selection.

ARTICLE 59 - Substance Abuse

The City implemented an expanded Substance Abuse Policy Administrative Regulation 97.00 on July 1, 1991. Employees are prohibited from consuming alcohol during work hours, breaks and meal periods.

ARTICLE 60 - Accident Reports

The Union and the City agree to refer the issue of the sealing or separate filing of obsolete accident reports to the Labor Management Committee for resolution.

Employees involved in accidents determined to be “non-preventable” shall not be subject to any penalty.

The Union may have a non-voting representative on the Accident Review Board and a voting representative on the Accident Review Committee. The representative cannot be a party to, or subject of a review.

ARTICLE 61 - Weapons

Employees shall not have on their person, or immediately available to them, deadly weapons while at work. Such deadly weapons shall include any instrument or weapon of the kind commonly known as a blackjack, slingshot, billy-handclub, metal knuckles, any dirk, dagger, pistol, revolver, or any other firearm, any knife having a blade longer than five (5) inches, any razor with an unguarded blade and any metal pipe or bar used or intended to be used as a club unless specifically authorized by the Appointing Authority in each instance. Violations of this provision may be grounds for termination. For purposes of the Article, tools required or used on the job are not considered weapons.

The foregoing provisions of this Article shall not apply to items stored in the employee’s personal vehicle.

ARTICLE 62 - Probation

Probationary employees in classifications represented by the Union shall normally receive at least five (5) working days notice of dismissal during probation, either through the performance report or other written notification.

Probationary employees and permanent employees serving a probationary period may use the Grievance Procedure in accordance with Article 51.

ARTICLE 63 - Vacancies

The City will normally use seniority as the first and principal factor in reassigning employees within a classification within a division. However, other factors may also be considered such as performance, disciplinary reasons, physical ability, punctuality, attendance and specialized skills and experience. If a vacancy is filled out of seniority, the City will discuss and explain its reasons with the Union if requested.

ARTICLE 64 - Apprentices

Upon successful completion of the Apprenticeship Program, seniority in the journey level class shall be retroactive to the date of hire as an apprentice for the purposes of shift assignments, station transfers, and other intra-departmental purposes.

Apprentices required to attend school or enroll in correspondence courses as part of their required training shall not be required to use this program to pay tuition or enrollment fees. All such fees, the cost of required books and supplies and any other fees required by the State of California, State-approved agency, or the City for participation in the Apprenticeship Program shall be reimbursed in full by the City to the employee at the time of enrollment. If the apprentice fails or does not satisfactorily complete the course, the cost of the books and supplies shall be repaid to the City.

Apprentices will receive City mileage reimbursement when required to attend courses required as part of their Apprenticeship Program. Mileage will be calculated based on the round-trip distance between the worksite and school or actual distance traveled, whichever is less.

The City recognizes that the Apprenticeship Program is an effective EEO tool to bring people into the skilled trades, who have traditionally been excluded.

ARTICLE 65 - Department Work Rules

The City agrees to make available to the Union current written departmental policies and instructions. As reasonable, additional departmental policies and instructions are developed and published, the City will make available copies to the Union and employees. Such policies shall be uniformly applied. However, the obligation to make available copies of current and future departmental policies and instructions shall not extend to ones which describe confidential or security procedures.

ARTICLE 66 - Limited Appointments

The City agrees not to fill permanent, full-time, one-half time, or three-quarter time budgeted positions with employees serving on limited appointments except in extraordinary circumstances. The City intends to use limited appointments to fill hourly

positions, positions funded by the state and federal Government, and full-time budgeted positions in which the incumbent employee is on a special leave without pay.

The Union and the City agree to discuss the use of limited and hourly employees at the Labor Management Committee.

ARTICLE 67 - Refuse Collection Incentive System

Effective December 21, 2002, once manual, recycling, greenery, and refuse collection crews have completed their assigned collection routes, they may be released by their supervisors a maximum of one (1) hour prior to the end of the shift, they shall be paid for the entire shift once all of the following have been completed: the section's daily collection assignments and any service requests have been completed, all employee post trip requirements including fueling, cleaning, and reporting any mechanical problems to an equipment service writer have been completed, and that "help" is not required to complete any other collection assignment remaining as a result of unusually heavy set outs, seasonal requirements, labor or equipment availability, effects of natural forces, traffic or other unforeseen causes. This includes "help" on other routes, service requests, seasonal collection programs, etc. Routes are designed based on target average tonnages. When unavoidable shortages of equipment or personnel occur, crews are expected to complete collection of all refuse routes assigned for the day.

ARTICLE 68 - Continuous Improvement/Incentive Award Program

A continuous improvement/incentive award program may be initiated with select work groups with mutual agreement by both parties. Such a program shall be designed to use performance incentive pay to benefit both employees and taxpayers/ratepayers by promoting the following:

1. High levels of productivity (effective and efficient performance beyond what is required)/quality;
2. Customer service;
3. Teamwork/cross-functional cooperation; and
4. Best practices and safe behaviors.

The following are rules for program administration:

- Individual eligible employee incentive payments are capped at \$4,000 net of taxes per year, based on the number of stretch goals achieved and budget savings.
- Incentive payments are team-based (i.e. distributed among eligible employees regardless of classification and pay step).
- Incentive payments for this program are separate from and in addition to other discretionary award programs and award caps for City employees.
- Goals are set by Management with input from employees.

- Levels of savings and goal achievement are subject to independent review by the Office of the City Auditor.

ARTICLE 69 - Appearance Guidelines

All City employees shall maintain a professional appearance through appropriate attire reflecting the specific requirements of his/her job duties.

All employees shall report to work in clean clothing.

Each employee shall maintain an unoffensive level of personal hygiene.

Each employee shall wear any required safety equipment.

For office personnel, shorts, tank or midriff tops, see-through clothing and flip-flops or thongs are inappropriate.

For office personnel whose job assignments include contact with the public, sweat or jogging outfits or T-shirts of any kind are inappropriate.

Field personnel shall wear full shirts and pants or approved shorts, as well as sturdy, enclosed shoes for safety reasons. For field personnel, inappropriate apparel includes tank or midriff tops, see-through clothing and cut-off shorts.

Hats, shirts, and jackets are not to include references to alcohol or drugs, contain sexually explicit language, contain profane language, or, in the reasonable judgment of the supervisor, be inappropriate, unprofessional dress for a field employee.

Sunglasses are not to be worn in indoor meetings.

Exceptions to these guidelines include the following or similar circumstances:

1. Uniformed personnel.
2. Special occasions designated by the Department Director or designee.
3. Employees relocating offices, or performing other atypical or unusual job duties.
4. An offensive level of personal hygiene which results from an employee performing his or her duties during the work shifts.

These guidelines establish minimum standards normally applicable. They will be reasonably applied in order to accommodate the various situations not susceptible to enumeration.

No disciplinary action may be taken when a violation of this dress code agreement is caused by the performance of the employee's duties during the work shifts.

A reasonable amount of time will be given to employees to clean-up and/or change their clothing to conform with the Appearance Guidelines, whenever extraordinary circumstances dictate.

ARTICLE 70 - Layoffs

Employment Opportunities After Layoff

If employees represented by the Union are to be laid off, the City will make its best efforts to find alternative City employment for those employees affected. The City will attempt to find alternative City employment as close as possible to the employee's current salary level provided the employee meets the minimum qualifications for this alternative employment.

Layoffs will be done in accordance with the following:
