The following two separate Annual Reports are being provided by the City of San Diego (the "City") for the above stated issue (the "Bonds"), pursuant to the Continuing Disclosure Certificate requirements and in compliance with Securities and Exchange Commission Rule 15c2-12 for the fiscal years ended June 30, 2005 (the "2005 Report") and June 30, 2004 (the "2004 Report" and collectively with the 2005 Report, the "Annual Reports"). Information provided in the 2004 Report generally relates to the 2004 calendar year or 2003-04 fiscal year period. New or updated information may appear in the 2005 Report that was not included in the 2004 Report.

The Annual Reports, including any amendment or supplement hereto, will be electronically transmitted to the CENTRAL POST OFFICE by the Dissemination Agent for retransmission by the CENTRAL POST OFFICE to each of the Nationally Recognized Municipal Securities Information Repositories (the "NRMSIRs"), approved by the Securities and Exchange Commission, set forth in Exhibit A and with each of the Participating Underwriters, set forth in Exhibit B.

The Annual Reports are provided in accordance with the terms of the Continuing Disclosure Agreement and Continuing Disclosure Certificate, and do not purport to provide full and complete information on the terms of the Bonds. The filing of the Annual Reports does not constitute or imply any representation that no changes, circumstances or events have occurred since the end of the fiscal year to which the Annual Reports relate (other than as contained in the Annual Reports), or that no other information exists which may have a bearing on the security for the Bonds, or an investor's decision to buy, sell or hold the Bonds. Certain information and data provided herein was obtained from sources other than the City (the "Outside Information"), as indicated by the source citations. Although the information contained in the Annual Reports has been obtained from sources which are believed to be reliable, the City has not independently verified such Outside Information, and the City cannot guarantee its completeness or accuracy. No statements in this annual report should be construed as a prediction or representation about future financial performance of the City or Community Facilities District No. 2 (Santaluz).

The Community Facilities District Funds are considered part of the City's reporting entity and can be found in the fund level financial statements in the Nonmajor Governmental Funds – Capital Projects (Other Construction) and Nonmajor Governmental Funds - Debt Service (Other Special Assessments) of the City of San Diego's Comprehensive Annual Financial Report. However the Annual Reports do not include the audited financial statements of the City for the fiscal years ended June 30, 2003, June 30, 2004 and June 30, 2005, because such audits are not yet complete. In addition, in light of certain errors with respect to the audited financial statements of the City for the fiscal year ended June 30, 2002, which were reported to the Nationally Recognized Municipal Securities Information Repositories on January 27, 2004 and March 12, 2004, the City has determined that it would not be prudent to file unaudited financials at this time.

The City is acting as the Dissemination Agent for each of the above stated issuances. The City does not have any obligation to update this report other than as expressly provided in the Continuing Disclosure Agreement and the Continuing Disclosure Certificate for each of the above stated issuances.

Any statements regarding the above stated issuances, other than a statement made by the City in an official release or subsequent notice or annual report, published in a financial newspaper of general circulation and/or filed with the Municipal Securities Rulemaking Board or the NRMSIRs, are not authorized by the City. The City shall not be responsible for the accuracy, completeness or fairness of any such unauthorized statement.

1. Annual Report For Community Facilities District No. 2 (Santaluz):

(a) Financial Statements.

The Community Facilities District Funds are considered part of the City's reporting entity and can be found in the fund level financial statements in the Nonmajor Governmental Funds – Capital Projects (Other Construction) and Nonmajor Governmental Funds - Debt Service (Other Special Assessments) of the City of San Diego's Comprehensive Annual Financial Report. However this Annual Report does not include the audited financial statements of the City for the fiscal year ended June 30, 2003, or for the fiscal year ended June 30, 2004, because such audits are not yet complete. In addition, in light of certain errors with respect to the audited financial statements of the City for the fiscal year ended June 30, 2002, which were reported to the Nationally Recognized Municipal Securities Information Repositories on January 27, 2004 and March 12, 2004, the City has determined that it would not be prudent to file unaudited financials at this time.
