

***SUPPLEMENT TO OFFICIAL STATEMENT***

**\$3,950,000  
COMMUNITY FACILITIES DISTRICT NO. 3  
(LIBERTY STATION)  
SPECIAL TAX BONDS SERIES A OF 2008**

As disclosed in the March 27, 2008 Official Statement (the “Official Statement”) for the \$3,950,000 Community Facilities District No. 3 (Liberty Station) Special Tax Bonds Series A of 2008 (the “Bonds”) under the caption “SPECIAL RISK FACTORS—Certain Investigations Regarding City,” there is an ongoing Securities and Exchange Commission (the “SEC”) investigation regarding certain City bond offerings issued in 2002 and 2003. On April 7, 2008, the SEC filed a Complaint in federal court against five former City officials for allegedly giving false and misleading statements regarding various City bond offerings in 2002 and 2003. To inform investors in the Bonds as to this development, the District is supplementing the Official Statement with this Supplement to Official Statement, dated April 8, 2008 (the “Supplement”), by deleting from the Official Statement the section entitled “SPECIAL RISK FACTORS—Certain Investigations Regarding City” in its entirety and replacing it with the section below. This Supplement constitutes an integral part of the Official Statement and must be delivered to investors as a part of the Official Statement for the Bonds.

**Certain Investigations Regarding City**

The City has been under investigation by various governmental agencies stemming from misstatements and/or omissions concerning the City’s pension system in the City’s 2002 and 2003 financial statements and/or related securities offerings disclosure. The Securities and Exchange Commission (the “SEC”) concluded its investigation into the City on November 14, 2006 by entering a Cease-and-Desist Order (the “Order”) against the City wherein the SEC found that the City had violated the fraud provisions of the securities laws in failing to accurately disclose the City’s growing pension liability in relation to several City bond offerings in 2002 and 2003. On April 7, 2008, the SEC filed securities fraud charges against five former City officials, including the former City Manager, former Auditor and Comptroller, former Assistant Auditor and Comptroller, former Deputy City Manager and former City Treasurer, for allegedly giving false and misleading statements regarding City bond offerings in 2002 and 2003. Investigations by the SEC into entities other than the City, including current and former City officials, are ongoing. To date, neither the investigations nor the Order involve any special tax bonds issued by community facilities districts within the City or any bonds issued by the District. Nonetheless, the District can provide no assurance that a significant negative development with respect to the City’s overall financial condition or the pending investigations would not have a negative impact on the value of the Bonds in the secondary market. It is uncertain when the investigations will be completed, and the District can provide no assurance as to whether any new investigations will be initiated. The District has no reason to believe that any pending or future investigation would adversely interfere with the timely payment of principal and interest on the Bonds.

COMMUNITY FACILITIES DISTRICT NO. 3  
(LIBERTY STATION)

By: /s/ Mary Lewis  
Chief Financial Officer of the City of San Diego

*In the opinion of Stradling Yocca Carlson & Rauth, a Professional Corporation, Newport Beach, California (“Bond Counsel”), under existing statutes, regulations, rulings and judicial decisions, and assuming certain representations and compliance with certain covenants and requirements described more fully herein, interest (and original issue discount) on the 2008 Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of calculating the federal alternative minimum tax imposed on individuals and corporations. In the further opinion of Bond Counsel, interest (and original issue discount) on the 2008 Bonds is exempt from State of California personal income tax. The difference between the issue price of a 2008 Bond (the first price at which a substantial amount of 2008 Bonds of a maturity are to be sold to the public) and the stated redemption price at maturity with respect to such 2008 Bond constitutes original issue discount. See “LEGAL MATTERS—Tax Exemption” herein.*

**SPECIAL TAX BONDS SERIES A OF 2008**

**Dated: Date of Delivery**

**Due: September 1, as shown on the inside cover page**

This cover page contains certain information for general reference only. It is not intended to be a summary of the security or terms of this issue. Investors are advised to read the entire Official Statement to obtain information essential to the making of an informed investment decision.

Community Facilities District No. 3 (Liberty Station) Special Tax Bonds Series A of 2008 (the “2008 Bonds”) are being issued and delivered by Community Facilities District No. 3 (Liberty Station) (the “District”) primarily to finance various public improvements needed to develop property located within the District, to fund an additional deposit to the Reserve Account securing the 2008 Bonds and the 2006 Bonds (defined below) and to pay costs of issuance for the 2008 Bonds. The District has been formed by and is located in the City of San Diego, California (the “City”). The City Council of the City is the legislative body of the District.

The 2008 Bonds are authorized to be issued pursuant to the Mello-Roos Community Facilities Act of 1982, as amended (Sections 53311 *et seq.* of the Government Code of the State of California), and pursuant to a Bond Indenture, dated as of June 1, 2006, by and between the District and Wells Fargo Bank, National Association (the “Trustee”), as amended and supplemented by a First Supplemental Bond Indenture, dated as of April 1, 2008 (as amended, the “Bond Indenture”). The 2008 Bonds are special, limited obligations of the District and are payable solely from revenues derived from certain annual Special Taxes (as defined herein) to be levied on and collected from the owners and lessees of certain taxable property within Improvement Area No. 1 of the District (“Improvement Area No. 1”) and Improvement Area No. 2 of the District (“Improvement Area No. 2”) and from certain other funds pledged under the Bond Indenture, all as further described herein. The Special Taxes are to be levied according to the rate and method of apportionment for each of Improvement Area No. 1 and Improvement Area No. 2, both approved by the City Council of the City and the qualified electors within Improvement Area No. 1 and Improvement Area No. 2, respectively. See “SOURCES OF PAYMENT FOR THE BONDS—Special Taxes.”

The 2008 Bonds are payable on a parity with the District’s Special Tax Bonds Series A of 2006 issued in the aggregate principal amount of \$16,000,000 (the “2006 Bonds”).

The 2008 Bonds are being issued in book-entry form and when issued will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York (“DTC”). Individual purchases may be made in principal amounts of \$5,000 and integral multiples thereof and will be in book-entry form only. Purchasers of the 2008 Bonds will not receive certificates representing their beneficial ownership of the 2008 Bonds but will receive credit balances on the books of their respective nominees. The 2008 Bonds will not be transferable or exchangeable except for transfer to another nominee of DTC or as otherwise described herein. Interest on the 2008 Bonds will be payable semiannually on each March 1 and September 1, commencing September 1, 2008. Principal of and interest on the 2008 Bonds will be paid by the Trustee to DTC for subsequent disbursement to DTC Participants who are obligated to remit such payments to the beneficial owners of the 2008 Bonds. See “THE 2008 BONDS—General Provisions” and APPENDIX G—“BOOK-ENTRY ONLY SYSTEM” herein.

*Neither the faith and credit nor the taxing power of the City, the County of San Diego, the State of California or any political subdivision thereof is pledged to the payment of the 2008 Bonds. Except for the Special Taxes, no other taxes are pledged to the payment of the 2008 Bonds. The 2008 Bonds are special tax obligations of the District payable solely from a portion of the Special Taxes and other amounts pledged under the Bond Indenture as more fully described herein.*

The 2008 Bonds are subject to optional redemption, extraordinary redemption and mandatory sinking fund redemption prior to maturity as set forth herein. See “THE 2008 BONDS—Redemption” herein.

**CERTAIN EVENTS COULD AFFECT THE ABILITY OF THE DISTRICT TO PAY THE PRINCIPAL OF AND INTEREST ON THE 2008 BONDS WHEN DUE. THE PURCHASE OF THE 2008 BONDS INVOLVES SIGNIFICANT INVESTMENT RISKS, AND THE 2008 BONDS ARE NOT SUITABLE INVESTMENTS FOR MANY INVESTORS. SEE THE SECTION OF THIS OFFICIAL STATEMENT ENTITLED “SPECIAL RISK FACTORS” FOR A DISCUSSION OF CERTAIN RISK FACTORS THAT SHOULD BE CONSIDERED, IN ADDITION TO THE OTHER MATTERS SET FORTH HEREIN, IN EVALUATING THE INVESTMENT QUALITY OF THE 2008 BONDS.**

MATURITY SCHEDULE  
(See Inside Cover Page)

---

The 2008 Bonds are offered when, as and if issued and accepted by the Underwriters, subject to approval as to their legality by Stradling Yocca Carlson & Rauth, a Professional Corporation, Newport Beach, California, Bond Counsel and Disclosure Counsel, and subject to certain other conditions. Certain legal matters will be passed on for the City and the District by the City Attorney and for the Underwriters by Nossaman, Guthner, Knox & Elliott LLP, Irvine, California, as counsel to the Underwriters. It is anticipated that the 2008 Bonds in book-entry form will be available for delivery to DTC in New York, New York, on or about April 10, 2008.

**\$3,950,000**  
**COMMUNITY FACILITIES DISTRICT NO. 3**  
**(LIBERTY STATION)**  
**SPECIAL TAX BONDS SERIES A OF 2008**

**INTRODUCTION**

**General**

This introduction is not a summary of this Official Statement. It is only a brief description of and guide to, and is qualified by, more complete and detailed information contained in the entire Official Statement, including the appendices, and the documents summarized or described herein. A full review should be made of the entire Official Statement. The sale and delivery of the 2008 Bonds (defined below) to potential investors is made only by means of the entire Official Statement. All capitalized terms used in this Official Statement and not defined shall have the meaning set forth in APPENDIX D—"SUMMARY OF BOND INDENTURE" herein.

The purpose of this Official Statement, which includes the cover page, the inside cover page, the table of contents and the attached appendices (collectively, the "Official Statement"), is to provide certain information concerning the issuance of the \$3,950,000 Community Facilities District No. 3 (Liberty Station) Special Tax Bonds Series A of 2008 (the "2008 Bonds"). The 2008 Bonds are issued on a parity with the District's Special Tax Bonds Series A of 2006, issued in the aggregate principal amount of \$16,000,000 (the "2006 Bonds" and together with the 2008 Bonds, the "Bonds"). The proceeds of the 2008 Bonds will be used to construct and acquire various public improvements required with respect to the development of certain land within Improvement Area No. 1 and Improvement Area No. 2 of Community Facilities District No. 3 (Liberty Station) (the "District"), to fund an additional deposit to the Reserve Account securing the Bonds and to pay costs of issuance of the 2008 Bonds.

The 2008 Bonds are authorized to be issued pursuant to the Mello-Roos Community Facilities Act of 1982, as amended (Sections 53311 *et seq.* of the Government Code of the State of California) (the "Act"), and a Bond Indenture dated as of June 1, 2006, as amended and supplemented by a First Supplemental Bond Indenture, dated as of April 1, 2008 (as amended, the "Bond Indenture") by and between the District and Wells Fargo Bank, National Association (the "Trustee"). The 2008 Bonds are secured under the Bond Indenture on parity with the 2006 Bonds by a pledge of and lien upon a portion of the Special Taxes (as defined herein) collected by the District and all moneys in the Special Tax Fund (other than the Administrative Expense Account therein) under the Bond Indenture.

Unless otherwise noted, references herein to the District refer to Improvement Area No. 1 and Improvement Area No. 2, collectively.

**The District**

**Formation Proceedings.** The District has been formed by the City of San Diego (the "City") pursuant to the Act. The City Council of the City acts as the legislative body of the District.

The Act was enacted by the California legislature to provide an alternative method of financing certain public capital facilities and services, especially in developing areas of the State. Any local agency (as defined in the Act) may establish a district to provide for and finance the cost of eligible public facilities and services. Generally, the legislative body of the local agency which forms a district acts on behalf of such district as its legislative body. Subject to approval by two-thirds of the votes cast at an election and compliance with the other provisions of the Act, a legislative body of a local agency may issue bonds for a district and may levy and collect a special tax within such district to repay such indebtedness.

Pursuant to the Act, the City Council adopted the necessary resolutions stating its intent to establish the District, to designate within it Improvement Area No. 1 and Improvement Area No. 2, to authorize the levy of Special Taxes on taxable property within the boundaries of the District, and to have the District incur bonded indebtedness. Following public hearings conducted pursuant to the provisions of the Act, the City Council adopted resolutions establishing the District, designating within it Improvement Area No. 1 and Improvement Area No. 2, authorizing the levy of Special Taxes on property within Improvement Area No. 1 and Improvement Area No. 2 and calling special elections to submit the levy of the Special Taxes and the incurring of bonded indebtedness to the qualified voters of Improvement Area No. 1 and Improvement Area No. 2, respectively. On June 25, 2002, at elections held pursuant to the Act, the landowners who comprised the qualified voters of Improvement Area No. 1 and Improvement Area No. 2 authorized the District to incur bonded indebtedness on behalf of both Improvement Area No. 1 and Improvement Area No. 2 in an aggregate principal amount not to exceed \$30,000,000. At the elections held on June 25, 2002, and in order to provide a source of funds to pay the principal of and interest on the \$30,000,000 of authorized bonds, the qualified voters of Improvement Area No. 1 approved a rate and method of apportionment of Special Taxes for Improvement Area No. 1 (the "IA1 RMA") and the qualified voters of Improvement Area No. 2 approved a rate and method of apportionment of Special Taxes for Improvement Area No. 2 (the "IA2 RMA," and together with the IA1 RMA, the "Rate and Method"). The IA1 RMA and IA2 RMA are attached hereto as APPENDIX A-1 and APPENDIX A-2, respectively. See "THE 2008 BONDS—Authority for Issuance."

***Description and Development.*** The District consists of approximately 242 gross acres of the former site of the U.S. Naval Training Center located approximately 2.5 miles northwest of downtown San Diego. Historically operated by the United States Navy as a training facility, all active military use of the training facility concluded in 1997, ending seventy years of use of the property as a naval training center. The District is bordered on the east by the United States Marine Corps Recruit Depot and San Diego International Airport, on the south by Harbor Drive, the San Diego Bay and a new military housing complex constructed for the Department of Defense and on the north and west by Rosecrans Street and existing residential neighborhoods.

In September 2001, the City approved the Naval Training Center Precise Plan/Local Coastal Program (the "Precise Plan"). The land use entitlements for the District permit development pursuant to the Precise Plan. The Precise Plan, which includes certain land not within the District, provides for 350 residential units; 495,000 square feet of educational uses; 380,000 square feet of new construction for an office and research park development; a mixed-use area with 324,000 square feet of commercial development; a 22-acre golf course; 301,000 square feet of civic, arts and cultural uses, two hotels totaling 1,000 rooms; a 46-acre public park site and other open space and recreational uses; 130,000 square feet of ocean monitoring laboratories; a boat channel and 351,000 square feet for a Public Safety Training Institute. See "THE DEVELOPMENT AND PROPERTY OWNERSHIP."

Development within the District pursuant to the Precise Plan began in 2001. In Improvement Area No. 1, 349 building permits have been issued and all 349 residential units have been built and sold to individual homeowners with escrow having closed. In Improvement Area No. 2, there are numerous smaller "sub-areas" that the Developer has established. Such sub-areas include Retail/Commercial (Marketplace, Shoreline Plaza & Sellers Plaza), Office (Office District & John & Alice Finn Office Plaza), Educational and Hotel East & West. A substantial amount of the improvements in Improvement Area No. 2 have been completed. For a more detailed description of the status of development within the District, see "DEVELOPMENT AND PROPERTY OWNERSHIP—Status of Development."

The District is adjacent to the San Diego International Airport, commonly known as "Lindbergh Field." The San Diego County Regional Airport Authority (the "Airport Authority"), which serves as the airport operator for Lindbergh Field and the Lindbergh Field Airport Land Use Commission (the "ALUC") for San Diego County, has requested that all development within the Airport Influence Area for Lindbergh Field, which the District is within, be submitted to the ALUC for a determination of whether the proposed development is consistent with the adopted Airport Land Use Compatibility Plan ("ALUCP") for Lindbergh Field.

The City has agreed to submit to the Airport Authority for review certain proposals for development in the District. See “SPECIAL RISK FACTORS—Proximity to the San Diego International Airport.”

**Developer.** The master developer of the property in the District is McMillin – NTC, LLC, a Delaware limited liability company (the “Developer”). The two members of the Developer are McMillin Companies, LLC and Merced Partners Limited Partnership. For more information concerning the Developer, see “THE DEVELOPMENT AND PROPERTY OWNERSHIP—Property Ownership.”

### **Sources of Payment for the 2008 Bonds**

**Special Taxes.** As used in this Official Statement, the term “Special Tax” is that tax which has been authorized pursuant to the Act to be levied against certain interests in property within Improvement Area No. 1 and Improvement Area No. 2. The Special Taxes are authorized to be issued against certain parcels owned in fee and against certain leasehold interests created with respect to property within the District. Unless otherwise stated, references herein to a levy of Special Taxes includes both a levy on the applicable fee interests and leasehold interests and references herein to landowner includes both the owner in fee and the ground lessee, as applicable. A Special Tax will be levied either on the fee interest or the leasehold interest on a parcel in accordance with the Rate and Method but will not simultaneously be levied on both.

The Special Tax will be levied on property within Improvement Area No. 1 in accordance with the IA1 RMA, which is the approved rate and method of apportionment of Special Taxes for Improvement Area No. 1, and the Special Tax will be levied on property within Improvement Area No. 2 in accordance with the IA2 RMA, which is the approved rate and method of apportionment of Special Taxes for Improvement Area No. 2 (together, the “Rate and Method”). See “SOURCES OF PAYMENT FOR THE BONDS—Special Taxes,” APPENDIX A-1—“IMPROVEMENT AREA NO. 1 RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAXES” and APPENDIX A-2—“IMPROVEMENT AREA NO. 2 RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAXES.” Under the Bond Indenture, the District has pledged to repay the 2008 Bonds and the 2006 Bonds on a parity basis from the Special Tax revenues remaining after the payment of certain annual Administrative Expenses of the District (the “Net Taxes”) and amounts on deposit in the Special Tax Fund (other than the Administrative Expense Account therein) established under the Bond Indenture.

The Special Taxes are the primary security for the repayment of the Bonds. In the event that the Special Taxes are not paid when due, the only sources of funds available to pay the debt service on the Bonds are amounts held by the Trustee in the Special Tax Fund (other than the Administrative Expense Account therein), including amounts held in the Reserve Account therein. See “SOURCES OF PAYMENT FOR THE BONDS—Reserve Account of the Special Tax Fund.”

**Foreclosure Proceeds.** If a property owner fails to pay Special Taxes when due, the District’s only method of collection is through a sale of the delinquent parcel at a judicial foreclosure sale. The District has covenanted for the benefit of the owners of the Bonds that it will commence, and diligently pursue to completion, judicial foreclosure proceedings (i) against Assessor’s Parcels with delinquent Special Taxes in excess of \$10,000 by the October 1 following the close of the Fiscal Year in which such Special Taxes were due, and (ii) against all Assessor’s Parcels with delinquent Special Taxes by the October 1 following the close of any Fiscal Year in which it receives Special Taxes in an amount which is less than 95% of the total Special Tax levied and the amount in the Reserve Account is less than the Reserve Requirement. See “SOURCES OF PAYMENT FOR THE BONDS—Proceeds of Foreclosure Sales” herein.

There is no assurance that the property interests within the District against which the Special Taxes are levied can be sold at foreclosure or otherwise for the assessed values described herein, or for a price sufficient to pay the principal of and interest on the Bonds in the event of a default in payment of Special Taxes by the current or future landowners within the District. See “SPECIAL RISK FACTORS—Property Values.” Approximately 70 net acres within Improvement Area No. 2 of the District was ground leased by the Redevelopment Agency of the City of San Diego (the “Agency”) to the Developer. The Developer

subsequently has assigned a number of the ground leases to the various entities that own or expect to construct improvements on the ground leased parcels. As to the ground leased parcels, the Special Tax is levied upon the leasehold interest only and not on the Agency's fee interest. In the event of a Special Tax delinquency, the foreclosure action will proceed against the leasehold interest only and not the Agency's fee interest. See "SOURCE OF PAYMENT FOR THE BONDS—Special Taxes—*Provisions Regarding Agency Leased Parcels*" herein.

**EXCEPT FOR THE SPECIAL TAXES, NO OTHER TAXES ARE PLEDGED TO THE PAYMENT OF THE 2008 BONDS. THE 2008 BONDS ARE NOT GENERAL OR SPECIAL OBLIGATIONS OF THE CITY NOR GENERAL OBLIGATIONS OF THE DISTRICT, BUT ARE SPECIAL, LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY FROM THE NET TAXES AND CERTAIN AMOUNTS HELD UNDER THE BOND INDENTURE AS MORE FULLY DESCRIBED HEREIN.**

*Parity Bonds and Liens.* The District may, without the consent of the Owners of the 2008 Bonds, issue additional indebtedness secured by the Net Taxes on a parity with the 2008 Bonds and the 2006 Bonds ("Parity Bonds"), but only for the purpose of refunding all or a portion of the Bonds or Parity Bonds issued for refunding purposes. See "SOURCES OF PAYMENT FOR THE BONDS—Issuance of Parity Bonds." Other taxes and/or special assessments with liens equal in priority to the continuing lien of the Special Taxes have been levied and may also be levied in the future on the property within the District which could adversely affect the willingness of the owners of the taxable parcels in the District to pay the Special Taxes when due. See "SPECIAL RISK FACTORS—Parity Taxes, Special Assessments and Land Development Costs" herein.

### **Description of the 2008 Bonds**

The 2008 Bonds will be issued and delivered as fully registered bonds, registered in the name of Cede & Co. as nominee of The Depository Trust Company, New York, New York ("DTC"), and will be available to actual purchasers of the 2008 Bonds (the "Beneficial Owners") in the denominations of \$5,000 or any integral multiple thereof, under the book-entry system maintained by DTC, only through brokers and dealers who are or act through DTC Participants as described herein. Beneficial Owners will not be entitled to receive physical delivery of the 2008 Bonds. In the event that the Book-Entry Only System described herein is no longer used with respect to the 2008 Bonds, the 2008 Bonds will be registered and transferred in accordance with the Bond Indenture. See APPENDIX G—"BOOK ENTRY ONLY SYSTEM."

Principal of, premium, if any, and interest on the 2008 Bonds is payable by the Trustee to DTC. Disbursement of such payments to DTC Participants is the responsibility of DTC and disbursement of such payments to the Beneficial Owners is the responsibility of DTC Participants. See APPENDIX G—"BOOK ENTRY ONLY SYSTEM."

The 2008 Bonds are subject to optional redemption, extraordinary redemption and mandatory sinking fund redemption as described herein. For a more complete description of the 2008 Bonds and the basic documentation pursuant to which they are being sold and delivered, see "THE 2008 BONDS" and APPENDIX C—"SUMMARY OF BOND INDENTURE" herein.

### **Tax Matters**

In the opinion of Stradling Yocca Carlson & Rauth, a Professional Corporation, Newport Beach, California, Bond Counsel, based on existing statutes, regulations, rulings and judicial decisions and assuming compliance with certain covenants and requirements described herein, interest on the 2008 Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of calculating the federal alternative minimum tax imposed on individuals and corporations. It is the further opinion of Bond Counsel that interest on the 2008 Bonds is exempt from State of California personal income tax. The difference between the issue price of a 2008 Bond (the first price at which a substantial amount of the 2008 Bonds of a maturity is to be sold to the public) and the stated redemption price at maturity with respect to

a 2008 Bond constitutes original issue discount, and, in the opinion of Bond Counsel, the amount of original issue discount that accrues to the owner of a 2008 Bond is excluded from gross income of such Owner for federal income tax purposes, is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, and is exempt from State of California personal income tax. See “LEGAL MATTERS—Tax Exemption” herein.

### **Professionals Involved in the Offering**

Wells Fargo Bank, National Association will act as Trustee under the Bond Indenture and as the initial Dissemination Agent under the Continuing Disclosure Agreement of the Developer. Stone & Youngberg LLC and E.J. De La Rosa & Co., Inc. are the Underwriters of the 2008 Bonds. Certain proceedings in connection with the issuance and delivery of the 2008 Bonds are subject to the approval of Stradling Yocca Carlson & Rauth, a Professional Corporation, Newport Beach, California, Bond Counsel and Disclosure Counsel. Fieldman, Rolapp & Associates, Inc. is acting as Financial Advisor to the City in connection with the 2008 Bonds. Certain legal matters will be passed on for the City and the District by the City Attorney, and for the Underwriters by Nossaman, Guthner, Knox & Elliott LLP, Irvine, California, as Underwriters’ Counsel. Other professional services have been performed by David Taussig & Associates, Inc., Newport Beach, California, as Special Tax Consultant and Empire Economics, Inc., as Price Trend and Mortgage Report Consultant.

For information concerning the respects in which certain of the above-mentioned professionals, advisors, counsel and agents may have a financial or other interest in the offering of the 2008 Bonds, see “LEGAL MATTERS—Financial Interests” herein.

### **Continuing Disclosure**

The District and the Developer have each agreed to provide, or cause to be provided, certain annual financial information and operating data to each nationally recognized municipal securities information repository and any public or private repository or entity designated by the State as a state repository for purposes of Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission. The District and the Developer have each further agreed to provide notice of certain material events. These covenants have been made in order to assist the Underwriters in complying with Rule 15c2-12(b)(5). See “CONTINUING DISCLOSURE” herein and Appendix D and Appendix E hereto for a description of the specific nature of the annual reports to be filed by the District and the Developer and notices of material events to be provided by the District and the Developer. Filing required to be made under the Continuing Disclosure Certificate of the District and the Continuing Disclosure Agreement of the Developer may be made through the Central Post Office (as defined in Appendices D and E hereto).

### **Bond Owners’ Risks**

Certain events could affect the timely repayment of the principal of and interest on the 2008 Bonds when due. See the section of this Official Statement entitled “SPECIAL RISK FACTORS” for a discussion of certain factors which should be considered, in addition to other matters set forth herein, in evaluating an investment in the 2008 Bonds. The 2008 Bonds are not rated by any credit rating agency. ***The purchase of the 2008 Bonds involves significant investment risks, and the 2008 Bonds are not suitable investments for many investors.*** See “SPECIAL RISK FACTORS” herein.

### **Other Information**

This Official Statement speaks only as of its date, and the information contained herein is subject to change.

Brief descriptions of the 2008 Bonds and the Bond Indenture are included in this Official Statement. Such descriptions and information do not purport to be comprehensive or definitive. All references herein to the Bond Indenture, the 2008 Bonds and the constitution and laws of the State as well as the proceedings of the

City Council, acting as the legislative body of the District, are qualified in their entirety by references to such documents, laws and proceedings, and with respect to the 2008 Bonds, by reference to the Bond Indenture.

Copies of the Bond Indenture, the Continuing Disclosure Certificate of the District, the Continuing Disclosure Agreement of the Developer and other documents and information referred to herein are available for inspection and (upon request and payment to the City of a charge for copying, mailing and handling) for delivery from the City at the Office of the City Clerk at 202 C Street, San Diego, California 92101, Attention: City Clerk.

### **THE 2008 BONDS**

#### **General Provisions**

The 2008 Bonds will be dated their date of delivery and will bear interest at the rates per annum set forth on the inside cover page hereof, payable semiannually on each March 1 and September 1, commencing on September 1, 2008 (each, an "Interest Payment Date"), and will mature in the amounts and on the dates set forth on the inside cover page of this Official Statement. The 2008 Bonds will be issued in fully registered form in denominations of \$5,000 or any integral multiple thereof.

Interest will be calculated on the basis of a 360-day year comprised of twelve 30-day months. Interest on any 2008 Bond will be payable from the Interest Payment Date next preceding the date of authentication of that 2008 Bond, unless (i) such date of authentication is an Interest Payment Date, in which event interest will be payable from such date of authentication; (ii) the date of authentication is after a Record Date but prior to the immediately succeeding Interest Payment Date, in which event interest will be payable from the Interest Payment Date immediately succeeding the date of authentication; or (iii) the date of authentication is prior to the close of business on the first Record Date occurring after the issuance of the 2008 Bonds, in which event interest will be payable from the dated date of the 2008 Bonds; provided, however, that if at the time of authentication of a 2008 Bond, interest is in default, interest on that 2008 Bond will be payable from the last Interest Payment Date to which the interest has been paid or made available for payment.

Interest on any 2008 Bond will be paid to the person whose name appears as its owner in the registration books held by the Trustee on the close of business on the Record Date. Interest will be paid by check of the Trustee mailed by first class mail, postage prepaid, to the Owner of the 2008 Bonds at its address on the registration books. Pursuant to a written request prior to the Record Date of an Owner of the 2008 Bonds of at least \$1,000,000 in aggregate principal amount of 2008 Bonds, payment will be made by wire transfer in immediately available funds to a designated account in the United States.

Principal of the 2008 Bonds and any premium due upon redemption is payable upon presentation and surrender of the 2008 Bonds at the principal corporate trust office of the Trustee in Los Angeles, California.

### **Authority for Issuance**

The 2008 Bonds are issued pursuant to the Act and the Bond Indenture. As required by the Act, the City Council of the City has taken the following actions with respect to establishing the District and the 2008 Bonds:

***Resolutions of Intention:*** On May 7, 2002, the City Council of the City adopted a resolution stating its intention to establish the District and designate within it two improvement areas and to authorize the levy of a special tax therein, and a resolution declaring its intention to incur bonded indebtedness in an amount not to exceed \$30,000,000.

***Resolutions of Formation:*** Immediately following a noticed public hearing opened on June 25, 2002, the City Council of the City adopted resolutions which established the District and designated within it Improvement Area No. 1 and Improvement Area No. 2, authorized the levy of a special tax within Improvement Area No. 1 and Improvement Area No. 2, and declared the necessity for the District to incur bonded indebtedness.

***Resolution Calling Election:*** The resolutions adopted by the City Council of the City on June 25, 2002 also called for an election by the landowners within Improvement Area No. 1 and Improvement Area No. 2 for the same date to authorize the levy of the Special Tax and the incurring of bonded indebtedness.

***Landowner Election and Declaration of Results:*** On June 25, 2002, an election was held for each improvement area at which the landowners within Improvement Area No. 1 and Improvement Area No. 2, respectively, approved a ballot proposition authorizing the issuance by the District of up to \$30,000,000 of bonds to finance the purchase and construction of various public facilities and approved the levy of the Special Tax in accordance with the Rate and Method for its improvement area.

***Special Tax Lien:*** A Notice of Special Tax Lien for Improvement Area No. 1 was recorded in the real property records of the County on July 5, 2002, as a continuing lien against the property in Improvement Area No. 1. A Notice of Special Tax Lien for Improvement Area No. 2 was recorded in the real property records of the County on July 9, 2002, as a continuing lien against the property in Improvement Area No. 2.

***Ordinance Levying Special Taxes:*** On July 8, 2002, the City Council adopted Ordinance No. O-19078 levying the Special Tax within Improvement Area No. 1 and Improvement Area No. 2.

***Resolution Authorizing Issuance of the Prior Bonds:*** On May 24, 2005, the City Council adopted a resolution approving issuance of the Prior Bonds.

***Resolution Authorizing Issuance of the 2008 Bonds:*** On March 11, 2008, the City Council adopted a resolution approving issuance of the 2008 Bonds.

## Debt Service Schedule

The following table presents the semiannual debt service on the 2006 Bonds and the 2008 Bonds (including sinking fund redemptions), assuming that there are no optional or extraordinary redemptions. However, it should be noted that the Rate and Method allows prepayment of the Special Taxes in full or in part (“Prepayments”) and the Bond Indenture requires that Prepayments be applied on a pro rata basis to the extraordinary redemption of 2006 Bonds and 2008 Bonds. See “SOURCES OF PAYMENT FOR THE BONDS—Special Taxes” and “THE 2008 BONDS—Redemption.”

## Redemption

**Optional Redemption.** The 2008 Bonds are subject to optional redemption prior to maturity at the option of the District from such maturity or maturities as selected by the District and by lot within a maturity, from any available funds, on any Interest Payment Date, in whole or in part, at the following redemption prices, expressed as a percentage of the principal amount to be redeemed, together with accrued interest to the date of redemption:

| <i>Redemption Date</i>                  | <i>Redemption Price</i> |
|---|-------------------------|
| September 1, 2008 through March 1, 2016 | 103.0%                  |
| September 1, 2016 and March 1, 2017     | 102.0                   |
| September 1, 2017 and March 1, 2018     | 101.0                   |
| September 1, 2018 and thereafter        | 100.0                   |

**Mandatory Sinking Payment Redemption.** The Term Bonds maturing on September 1, 2036 (the “2036 Term Bonds”) will be called before maturity and redeemed, from the Sinking Fund Payments that have been deposited into the Redemption Account established by the Bond Indenture, on September 1, 2031, and on each September 1 thereafter prior to maturity, in accordance with the schedule of Sinking Fund Payments set forth below. The 2036 Term Bonds so called for redemption will be selected by the Trustee by lot and will be redeemed at a redemption price for each redeemed 2036 Term Bond equal to the principal amount thereof, plus accrued interest to the redemption date, without premium, as follows:

### Term Bonds Maturing September 1, 2036

| <i>Sinking Fund Redemption Date</i> | <i>Sinking Payments</i> |
|-------------------------------------|-------------------------|
| 2031                                | \$ 200,000              |
| 2032                                | 210,000                 |
| 2033                                | 225,000                 |
| 2034                                | 235,000                 |
| 2035                                | 250,000                 |
| 2036 (maturity)                     | 265,000                 |

If the District purchases Term Bonds during the Fiscal Year immediately preceding one of the sinking fund redemption dates specified above, the District is required to notify the Trustee at least 45 days prior to the redemption date as to the principal amount purchased, and the amount purchased will be credited at the time of purchase, to the extent of the full principal amount of the purchase. In the event of a partial optional redemption or mandatory redemption of the Term Bonds, each of the remaining Sinking Fund Payments for such Term Bonds, as described above, will be reduced, as nearly as practicable, on a pro rata basis in the amount of \$5,000 or any integral multiple thereof.

**Extraordinary Redemption.** The 2008 Bonds are subject to extraordinary redemption as a whole, or in part on a pro rata basis among maturities, on any Interest Payment Date, and will be redeemed by the Trustee, from Prepayments deposited to the Redemption Account plus amounts transferred from the Reserve Account (see “SOURCES OF PAYMENT FOR THE BONDS—Reserve Account of the Special Tax Fund”) which are allocated to the redemption of the 2008 Bonds, at the following redemption prices expressed as a percentage of the principal amount to be redeemed, together with accrued interest to the date of redemption:

| <i>Redemption Date</i>                  | <i>Redemption Price</i> |
|---|-------------------------|
| September 1, 2008 through March 1, 2016 | 103.0%                  |
| September 1, 2016 and March 1, 2017     | 102.0                   |
| September 1, 2017 and March 1, 2018     | 101.0                   |
| September 1, 2018 and thereafter        | 100.0                   |

**Notice of Redemption.** The Trustee is obligated to mail, at least 30 days but not more than 45 days prior to the date of redemption, notice of intended redemption, by first-class mail, postage prepaid, to the original purchasers of the 2008 Bonds and the respective registered Owner of the 2008 Bonds at the addresses appearing on the 2008 Bond registration books. The notice of redemption must: (i) specify the CUSIP numbers (if any), the bond numbers and the maturity date or dates of the 2008 Bonds selected for redemption; (ii) state the date fixed for redemption and surrender of the 2008 Bonds to be redeemed; (iii) state the redemption price; (iv) state the place or places where the 2008 Bonds are to be redeemed; (v) in the case of 2008 Bonds to be redeemed only in part, state the portion of such 2008 Bond which is to be redeemed; (vi) state the date of issue of the 2008 Bonds as originally issued; (vii) state the rate of interest borne by each 2008 Bond being redeemed; and (viii) state any other descriptive information needed to identify accurately the 2008 Bonds being redeemed as shall be specified by the Trustee.

So long as notice by first class mail has been provided as set forth above, the actual receipt by the Owner of any 2008 Bond of notice of such redemption is not a condition precedent to redemption, and failure to receive such notice will not affect the validity of the proceedings for redemption of such 2008 Bonds or the cessation of interest on the date fixed for redemption.

With respect to any notice of optional redemption of the 2008 Bonds, such notice may state that such redemption shall be conditional upon the receipt by the Trustee, on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of, premium if any, and interest on the 2008 Bonds to be redeemed and that, if such money shall not have been so received, said notice shall be of no force and effect and the Trustee shall not be required to redeem such 2008 Bonds. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Trustee shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received.

**Effect of Redemption.** When notice of redemption has been given, and when the amount necessary for the redemption of the 2008 Bonds called for redemption is set aside for that purpose in the Redemption Account, the 2008 Bonds designated for redemption will become due and payable on the date fixed for redemption, and upon presentation and surrender of the 2008 Bonds at the place specified in the notice of redemption, and no interest will accrue on the 2008 Bonds called for redemption from and after the redemption date, and the Owners of the redeemed 2008 Bonds, after the redemption date, may look for the payment of principal and premium, if any, of such 2008 Bonds or portions of 2008 Bonds only to the Redemption Account and shall have no rights, except with respect to the payment of the redemption price from the Redemption Account.

### **Registration, Transfer and Exchange**

**Registration.** The Trustee will keep sufficient books for the registration and transfer of the 2008 Bonds. The ownership of the 2008 Bonds will be established by the 2008 Bond registration books held by the Trustee.

**Transfer or Exchange.** Whenever any 2008 Bond is surrendered for registration of transfer or exchange, the Trustee will authenticate and deliver a new 2008 Bond or 2008 Bonds of the same maturity, for a like aggregate principal amount of authorized denominations; provided that the Trustee will not be required to register transfers or make exchanges of (i) 2008 Bonds for a period of 15 days next preceding the date of any selection of the 2008 Bonds to be redeemed; or (ii) any 2008 Bonds chosen for redemption.

## SOURCES OF PAYMENT FOR THE BONDS

### Limited Obligations

The 2008 Bonds are special, limited obligations of the District payable only from amounts pledged under the Bond Indenture and from no other sources. The 2008 Bonds are secured under the Bond Indenture on a parity with the 2006 Bonds.

The Special Taxes are the primary security for the repayment of the Bonds. Under the Bond Indenture, the District has pledged to repay the 2008 Bonds, the 2006 Bonds and any Parity Bonds from the Net Taxes (which are Special Tax revenues remaining after the payment of the annual Administrative Expenses of up to the Administrative Expenses Cap) and from amounts held in the Special Tax Fund (other than amounts held in the Administrative Expense Account therein) established under the Bond Indenture. Special Tax revenues include the proceeds of the Special Taxes received by the District, including any scheduled payments and Prepayments thereof and the net proceeds of the redemption of delinquent Special Taxes or sale of interests in property sold as a result of foreclosure of the lien of delinquent Special Taxes to the amount of said lien, but excluding penalties and interest thereon.

In the event that the Special Tax revenues are not received when due, the only source of funds available to pay the debt service on the 2008 Bonds will be amounts held by the Trustee in the Special Tax Fund (other than the Administrative Expense Account therein), including amounts held in the Reserve Account therein, for the exclusive benefit of the Owners of the 2008 Bonds, the 2006 Bonds and any Parity Bonds.

**NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE CITY, THE COUNTY OF SAN DIEGO, THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE 2008 BONDS. EXCEPT FOR THE SPECIAL TAXES, NO OTHER TAXES ARE PLEDGED TO THE PAYMENT OF THE 2008 BONDS. THE 2008 BONDS ARE NOT GENERAL OR SPECIAL OBLIGATIONS OF THE CITY BUT ARE SPECIAL, LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY FROM THE NET TAXES AND OTHER AMOUNTS PLEDGED UNDER THE BOND INDENTURE AS MORE FULLY DESCRIBED HEREIN.**

### Special Taxes

*Levy and Pledge.* The District has covenanted in the Bond Indenture that each year it will levy Special Taxes up to the maximum rates permitted under the Rate and Method in an amount sufficient, together with other amounts on deposit in the Special Tax Fund, to pay the principal of and interest on any Outstanding Bonds and Parity Bonds, to replenish the Reserve Account to an amount equal to the Reserve Requirement and to pay the estimated Administrative Expenses.

The Special Taxes levied in any fiscal year may not exceed the maximum rates authorized pursuant to the Rate and Method. See APPENDIX A-1—"IMPROVEMENT AREA NO. 1 RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAXES" and APPENDIX A-2—"IMPROVEMENT AREA NO. 2 RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAXES" hereto. There is no assurance that the Special Tax proceeds will, in all circumstances, be adequate to pay the principal of and interest on the 2008 Bonds when due. See "SPECIAL RISK FACTORS—Insufficiency of Special Taxes" herein.

*Rate and Method of Apportionment of Special Taxes.* Special Taxes are levied each fiscal year pursuant to the IA1 RMA and the IA2 RMA in order to meet the Special Tax Requirement, as described below. All capitalized terms used in this section shall have the meaning set forth in APPENDIX A-1 and APPENDIX A-2.

### Improvement Area No. 1 Rate and Method

Under the IA1 RMA, all Taxable Property in Improvement Area No. 1 will be classified as Developed Property, Other Taxable Property or Undeveloped Property and will be subject to a Special Tax levy at the maximum rates described in Sections C and D of the IA1 RMA.

The Taxable Property within Improvement Area No. 1 consists of 349 residential units that have been classified under the IA1 RMA as Residential Property.

The Maximum Special Tax for an Assessor's Parcel of Developed Property will be the greater of: (i) the amount derived by application of the Assigned Special Tax; or (ii) the amount derived by application of the Backup Special Tax for such parcel. The Assigned Special Tax rates are set forth in Table 1 of the IA1 RMA. The Assigned Special Tax rate for Residential Property is \$792.63 per dwelling unit, plus \$1.2385 per square foot of Floor Area. The Backup Special Tax for each Assessor's Parcel of Developed Property is set forth in the Backup Special Tax Appendix to the IA1 RMA, and these amounts range from approximately \$2,100 to \$4,700.

### Improvement Area No. 2 Rate and Method

Under the IA2 RMA, all Taxable Property in Improvement Area No. 2 will be classified as Developed Property, Other Taxable Property or Undeveloped Property, be assigned to one of three Zones and be subject to a Special Tax levy at the maximum rates described in Sections C and D of the IA2 RMA.

All of the Taxable Property within Improvement Area No. 2 is non-residential in nature and, although the IA2 RMA provides for taxation of residential property, only the provisions for the non-residential Special Taxes are summarized below.

An Assessor's Parcel will be classified as Developed Property if it is Taxable Property (other than Other Taxable Property) which was within a Final Map recorded prior to January 1 of the previous Fiscal Year and for which (i) a building permit for new construction was issued after March 1, 2001, but prior to March 1 of the previous Fiscal Year; or (ii) an Agency Certificate of Completion was executed prior to March 1 of the previous Fiscal Year. Developed Property within Improvement Area No. 2 will be further assigned to land use classes for Non-Residential Property and Hotel Property. The Maximum Special Tax for an Assessor's Parcel of Developed Property will be the greater of: (i) the amount derived by application of the Assigned Special Tax; or (ii) the amount derived by application of the Backup Special Tax for such parcel. The Assigned Special Tax rates are set forth in Section C of the IA2 RMA. The Assigned Special Tax rate for Non-Residential Property is \$0.4550 per square foot of Floor Area for Assessor's Parcels in Zone 1 and Zone 3, and \$1.1026 per square foot of Floor Area for Assessor's Parcels in Zone 2. The Assigned Special Tax rate for Hotel Property in Zone 3 is \$253.51 per room. The Backup Special Tax rates for Developed Property are \$14,882 per acre, \$53,053 per acre, and \$9,592 per acre for parcels in Zones 1, 2 and 3, respectively. The Maximum Special Tax rates for Undeveloped Property and Other Taxable Property are \$14,882 per acre, \$53,053 per acre, and \$9,592 per acre for Assessor's Parcels in Zones 1, 2 and 3, respectively.

### Method and Calculation of Annual Levy

After classifying the parcels, the City Council will determine the Special Tax Requirement (as defined in the IA1 RMA and IA2 RMA) for the fiscal year. "Special Tax Requirement" is defined in the IA1 RMA and IA2 RMA as the amount required in any Fiscal Year to: (i) pay debt service due in the calendar year which commences in such Fiscal Year on all Outstanding Bonds; (ii) pay periodic costs on the 2006 Bonds and 2008 Bonds, including, but not limited to, credit enhancement and rebate payments on the 2006 Bonds and 2008 Bonds; (iii) pay Administrative Expenses; (iv) pay any amounts required to establish or replenish any reserve funds for all Outstanding Bonds; (v) pay directly for authorized facilities; (vi) pay for reasonably anticipated delinquent Special Taxes; less (vii) a credit for funds available to reduce the annual Special Tax levy.

Upon the issuance of the 2008 Bonds, the Rate and Method requires Special Taxes be levied in accordance with the following four steps: (1) Special Taxes are levied first on Developed Property in Improvement Area No. 1 in an amount equal to 100% of the applicable Assigned Tax rate, and on Developed Property in Improvement Area No. 2 in an amount equal to 100% of the applicable Assigned Tax rate; (2) if additional monies are needed to satisfy the Special Tax Requirement, then Special Taxes are to be levied proportionately on Undeveloped Property in Improvement Area No. 1 up to 100% of the Maximum Special Tax for Undeveloped Property and on Undeveloped Property in Improvement Area No. 2 up to 100% of the IA2 Maximum Special Tax for Undeveloped Property; (3) if additional monies are still needed to satisfy the Special Tax Requirement, for each parcel of Developed Property whose Maximum Special Tax rate is determined through the application of the Backup Special Tax in Improvement Area No. 1 and Improvement Area No. 2, the Special Tax shall be increased in equal percentages from the Assigned Special Tax rate applied in step 1 above to the Maximum Special Tax; and (4) if additional monies are still needed to satisfy the Special Tax Requirement, then Special Taxes are to be levied proportionately on Other Taxable Property in Improvement Area No. 1 and Improvement Area No. 2 at up to 100% the Maximum Special Tax for Other Taxable Property. See APPENDIX A-1—"IMPROVEMENT AREA NO. 1 RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAXES," and APPENDIX A-2—"IMPROVEMENT AREA NO. 2 RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAXES."

Notwithstanding the above, the City Council may, in any Fiscal Year, levy proportionately less than 100% of the Assigned Special Tax under step (1) of the preceding paragraph when (i) the City Council is no longer required to levy a Special Tax pursuant to step (2) above, (ii) all authorized bonds of the District have been issued or the City Council has covenanted not to issue other Parity Bonds (other than refunding bonds), and (iii) all Facilities identified in the Purchase and Finance Agreement between the Developer and the City have been acquired.

Notwithstanding the provisions of the Rate and Method allowing Residential Property to be taxed at the Maximum Special Tax rate, the Act provides that under no circumstances will the Special Taxes levied against any parcel of Residential Property for which an occupancy permit for private residential use has been issued be increased by more than ten percent (10%) as a consequence of delinquency or default in payment of Special Taxes by any other parcel in the District.

***Prepayment of Special Taxes.*** Under the Rate and Method, the owner of a parcel which is Developed Property or Undeveloped Property for which a building permit has been issued may voluntarily prepay the Special Tax obligation for a parcel in whole or in part. Any voluntary prepayment of Special Taxes will result in an extraordinary redemption of the 2008 Bonds, the 2006 Bonds and any Parity Bonds. See "THE 2008 BONDS—Redemption—*Extraordinary Redemption.*"

***Collection and Application of Special Taxes.*** The Special Taxes are levied and collected by the Treasurer-Tax Collector of the County in the same manner and at the same time as *ad valorem* property taxes. The District may, however, collect the Special Taxes at a different time or in a different manner if necessary to meet its financial obligations.

The District has made certain covenants in the Bond Indenture for the purpose of ensuring that the current maximum Special Tax rates and method of collection of the Special Taxes are not altered in a manner that would impair the District's ability to collect sufficient Special Taxes to pay debt service on the Bonds and any Parity Bonds and Administrative Expenses when due. First, the District has covenanted that, to the extent it is legally permitted to do so, it will only reduce the maximum Special Tax rates in accordance with the Bond Indenture and will oppose the reduction of maximum Special Tax rates by initiative where such reduction would reduce the maximum Special Taxes payable from Developed Property to less than 110% of the sum of estimated Administrative Expenses and Maximum Annual Debt Service on Outstanding Bonds and Parity Bonds. See "SPECIAL RISK FACTORS—Proposition 218." Second, the District has covenanted not to permit the tender of Bonds or any Parity Bonds in payment of any Special Taxes except upon receipt of a certificate of an Independent Financial Consultant that to accept such tender will not result in the District

having insufficient Special Tax revenues to pay the principal of and interest on the Bonds and any Parity Bonds remaining Outstanding following such tender. See “SPECIAL RISK FACTORS—Non-Cash Payments of Special Taxes.”

Although the Special Taxes constitute liens on Assessor’s Parcels taxed within the District, they do not constitute a personal indebtedness of the owners of property within the District. Moreover, other liens for taxes and assessments already exist on the property located within the District and others could come into existence in the future in certain situations without the consent or knowledge of the City or the taxpayers in the District. See “SPECIAL RISK FACTORS—Parity Taxes, Special Assessments and Land Development Costs” herein. There is no assurance that the owners of interests in property subject to the Special Tax will be financially able to pay the annual Special Taxes or that they will pay such taxes even if financially able to do so, all as more fully described in the section of this Official Statement entitled “SPECIAL RISK FACTORS.”

Under the terms of the Bond Indenture, all Special Tax revenues received by the District, other than Prepayments, are to be deposited in the Special Tax Fund. Special Taxes do not include any penalties and interest relating to delinquent payments of Special Taxes. Prepayments shall be deposited in the Redemption Account of the Special Tax Fund and will be applied on a pro rata basis to redeem Bonds and Parity Bonds. Special Tax revenues deposited in the Special Tax Fund are to be applied by the Trustee under the Bond Indenture in the following order of priority: (i) to pay Administrative Expenses up to an amount equal to the Administrative Expenses Cap for the current Bond Year; (ii) to pay the principal of and interest on the Bonds when due; (iii) to make required deposits in the Redemption Account; (iv) to replenish the Reserve Account to the Reserve Requirement; (v) to make any required transfers to the Rebate Fund; (vi) to pay any Administrative Expenses not paid under (i) above; and (vii) for any other lawful purpose of the District. See APPENDIX D—“SUMMARY OF BOND INDENTURE.”

***Special Taxes Are Not Within Teeter Plan.*** Section 4701 et seq. of the California Revenue and Taxation Code allows a county to adopt a tax distribution procedure which distributes taxes to taxing agencies on the basis of the amount of the tax levy, rather than on the basis of actual tax collections. This mechanism is known as a “Teeter Plan.” The Special Taxes are not subject to the County of San Diego Teeter Plan. The amount of Special Taxes available to pay debt service on the 2008 Bonds will depend on actual tax collections.

***Proceeds of Foreclosure Sales.*** The Special Tax revenues pledged to the payment of principal of and interest on the 2008 Bonds under the Bond Indenture include the net proceeds, exclusive of penalties and interest, received following a judicial foreclosure sale of an interest in a parcel within the District resulting from a taxpayer’s failure to pay the Special Taxes when due.

Pursuant to Section 53356.1 of the Act, in the event of any delinquency in the payment of any Special Tax or receipt by the District of Special Taxes in an amount which is less than the Special Tax levied, the City Council, as the legislative body of the District, may order that any delinquent Special Taxes be collected by a superior court action to foreclose the lien of the Special Tax within specified time limits. In such an action, the real property or leasehold interest therein subject to the unpaid amount may be sold at a judicial foreclosure sale. Under the Act, the commencement of judicial foreclosure following the nonpayment of a Special Tax is not mandatory. However, the District has covenanted for the benefit of the Owners of the 2008 Bonds that it will commence and diligently pursue to completion, judicial foreclosure proceedings against (i) Assessor’s Parcels with delinquent Special Taxes in excess of \$10,000 or more by the October 1 following the close of the Fiscal Year in which such Special Taxes were due; and (ii) all Assessor’s Parcels with delinquent Special Taxes by the October 1 following the close of any fiscal year in which the District receives Special Taxes in an amount which is less than 95% of the total Special Tax levied and the amount in the Reserve Account is less than the Reserve Requirement. See APPENDIX C—“SUMMARY OF BOND INDENTURE” herein.

If foreclosure is necessary and other funds (including amounts in the Reserve Account) have been exhausted, debt service payments on the 2008 Bonds could be delayed until the foreclosure proceedings result in the receipt of any foreclosure sale proceeds. Judicial foreclosure actions are subject to the normal delays associated with court cases and may be further slowed by bankruptcy actions, involvement by agencies of the

federal government and other factors beyond the control of the City and the District. See “SPECIAL RISK FACTORS—Bankruptcy and Foreclosure” herein. Moreover, no assurances can be given that the interests in the property subject to foreclosure and sale at a judicial foreclosure sale will be sold or, if sold, that the proceeds of such sale will be sufficient to pay any delinquent Special Tax installment. See “SPECIAL RISK FACTORS—Property Values” herein. Although the Act authorizes the District to cause such an action to be commenced and diligently pursued to completion, the Act does not impose on the District or the City any obligation to purchase or acquire any interest in the property sold at a foreclosure sale if there is no other purchaser at such sale. The Act provides that, in the case of a delinquency, the Special Tax will have the same lien priority as is provided for *ad valorem* taxes.

***Provisions Regarding Agency Leased Parcels.*** Thirty-one parcels of land within Improvement Area No. 2 of the District totaling approximately 70 net acres were ground leased by the Agency to the Developer. The Developer has assigned its rights under a number of the ground leases to various entities which own or expect to construct improvements on the ground leased parcels assigned to them. In the case of the ground leased parcels, the Special Tax is levied upon the leasehold interest created by the Agency and, in the event of a Special Tax delinquency, the foreclosure action will proceed against the leasehold interest only and not the fee interest.

A failure to pay any Special Taxes levied on a leasehold interest will constitute a default under the ground lease from the Agency. The Agency and the City have entered into a Cooperation Agreement which provides, in part, that the Agency will not take any action that results in a cancellation, surrender, rescission or termination (collectively, a “Termination”) of the ground lease unless: (i) concurrently with the Termination the Agency enters into another lease or an assignment of the existing lease which results in the leased parcels remaining subject to the same annual Maximum Special Tax as prior to the Termination; or (ii) the Agency elects to pay to the City an amount equal to the Special Tax that would have been levied on the leased parcels absent such Termination until such time as a new lease is executed. The Cooperation Agreement provides that no Termination may occur without the express authorization of the governing body of the Agency and only upon 30 days notice to the District thereof. The Agency has covenanted in the Cooperation Agreement that all ground leases will have a term at least as long as the remaining term of any Bond or Parity Bond.

***Agency Right of Reverter.*** Under the terms of a Disposition and Development Agreement between the Agency and the Developer, until the Agency has issued a Certificate of Completion with respect to a parcel, the Agency may exercise a right of reverter with respect to any parcel transferred in fee or by leasehold to the Developer should the Developer default in its obligations to the Agency, which includes an obligation to pay all taxes and Special Taxes when due. The right of reverter is subordinate to the lien of the Special Tax, but a default in the payment of Special Taxes could result in the Agency exercising its right of reverter, with the Agency or a subsequent transferee of the Agency being obligated to pay the Special Tax. See “THE DEVELOPMENT AND PROPERTY OWNERSHIP—The Disposition and Development Agreement.”

### **Reserve Account of the Special Tax Fund**

In order to secure further the payment of principal of and interest on the Bonds and any Parity Bonds, the District is required, upon delivery of the 2008 Bonds, to deposit in the Reserve Account and thereafter to maintain in the Reserve Account an amount equal to the Reserve Requirement. The Bond Indenture provides that the amount in the Reserve Account shall, as of any date of calculation, equal the lesser of (i) 10% of the initial principal amount of the Bonds and any Parity Bonds; (ii) the maximum annual debt service on the then outstanding Bonds and any Parity Bonds; or (iii) one hundred twenty-five percent (125%) of average annual debt service on the Bonds and any Parity Bonds (the “Reserve Requirement”).

Subject to the limits on the maximum annual Special Tax which may be levied in accordance with the Act within Improvement Area No. 1, as described in Appendix A-1, and Improvement Area No. 2, as described in Appendix A-2, the District has covenanted to levy Special Taxes in an amount that is anticipated to be sufficient, in light of the other intended uses of the Special Tax proceeds, to maintain the balance in the Reserve Account at the Reserve Requirement. Amounts in the Reserve Account are to be applied to (i) pay

debt service on the Bonds and any Parity Bonds, to the extent other monies are not available therefor; (ii) redeem the Bonds and any Parity Bonds in whole or in part; and (iii) pay the principal and interest due in the final year of maturity of the Bonds and any issue of Parity Bonds. In the event of a prepayment of Special Taxes, under certain circumstances, a portion of the Reserve Account will be added to the amount being prepaid and be applied to redeem Bonds and any Parity Bonds. As described in the Rate and Method, the Reserve Fund Credit (as defined in the Rate and Method) will be equal to the expected reduction in the Reserve Requirement; provided, however, there will be no Reserve Fund Credit if the amount in the Reserve Account is less than the Reserve Requirement. See APPENDIX C—“SUMMARY OF BOND INDENTURE—Reserve Account of the Special Tax Fund” herein.

### **Issuance of Parity Bonds**

Subject to the limitations set forth in the Bond Indenture, the District may, at any time after the issuance and delivery of the 2008 Bonds, and without the consent of the Owners of the 2008 Bonds, issue additional bonds (“Parity Bonds”) payable from the Net Taxes and other amounts deposited in the Special Tax Fund (other than in the Administrative Expense Account therein) and secured by a lien and charge upon such amounts equal to the lien and charge securing the 2006 Bonds, the 2008 Bonds and any Parity Bonds theretofore issued pursuant to the Bond Indenture or under any Supplemental Indenture; provided that Parity Bonds may be issued only to refund outstanding 2006 Bonds, 2008 Bonds or Parity Bonds, and only if such refunding results in a reduction of Annual Debt Service in each Bond Year.

## THE DISTRICT

### General Description of the District

The District consists of approximately 242 gross acres of the former site of the U.S. Naval Training Center located approximately 2.5 miles northwest of downtown San Diego. Historically operated by the United States Navy as a training facility, all active military use of the training facility concluded in 1997, ending over seventy years of use of the property as a naval training center. The District is bordered on the east by the United States Marine Corps Recruit Depot and San Diego International Airport, on the south by Harbor Drive, the San Diego Bay and a new military housing complex constructed for the Department of Defense, and on the north and west by Rosecrans Street and existing neighborhoods.

A substantial portion of the land within the District is being redeveloped as part of the Liberty Station project pursuant to various land use entitlements and agreements approved by the City and the Agency. The land use entitlements for the District permit development pursuant to the Naval Training Center Precise Plan/Local Coastal Program (the "Precise Plan"). The Precise Plan, which includes certain land not within the District, provides for the development of 350 residential units, 495,000 square feet of educational uses, 380,000 square feet of new construction office and research park development, a mixed-use area with 324,000 square feet of commercial development, a 22-acre golf course, 301,000 square feet of arts and cultural uses, two hotels totaling 1,000 rooms, a 46-acre public park site and other open space and recreational uses, 130,000 square feet of ocean monitoring laboratories, a boat channel and 351,000 square feet for a Public Safety Training Center Institute.

The District is divided into two improvement areas: Improvement Area No. 1 and Improvement Area No. 2. Improvement Area No. 1 is located in the southwestern corner of the District, bordered by Rosecrans Street and Laning Road. Improvement Area No. 1 consists of approximately 32.48 gross acres and includes 349 residential units. Improvement Area No. 2 consists of approximately 209.32 gross acres and includes uses for education, office/research and development, open space, civic, arts and cultural facilities and two hotel sites.

The District is adjacent to the San Diego International Airport, Lindbergh Field. The Airport Authority serves as the airport operator for Lindbergh Field and the ALUC for San Diego County. The property within the District is subject to an air and aviation easement recorded by the County of San Diego and granted to the Airport Authority as the airport operator for Lindbergh Field. The District is within the Airport Influence Area for Lindbergh Field. A portion of the property within Improvement Area No. 2 is within the Runway Protection Zone ("RPZ") for Lindbergh Field. The Airport Authority has requested that all proposed development within the Airport Influence Area for Lindbergh Field, which the District is within, be submitted to the ALUC pursuant to California Public Utilities Code sections 21670 to 21679.5 for a determination of whether the proposed development is consistent with the adopted ALUCP for Lindbergh Field. For a discussion of the role of the Airport Authority concerning proposed development within the District, see "SPECIAL RISK FACTORS—Proximity to the San Diego International Airport."

**Description of Authorized Facilities**

The facilities authorized to be acquired or constructed by the District with the proceeds of the Bonds consist of various roadway, park and related improvements described in Table 1 below. Table 1, as shown below, lists each infrastructure improvement and its estimated cost. The proceeds of the Bonds may not be sufficient to fund all of the costs of the infrastructure improvements. It is currently expected that actual infrastructure improvement costs not funded with the proceeds of the Bonds will be funded by the Developer, subject to potential reimbursement by the Agency pursuant to the terms of the DDA between the Agency and the Developer. See “DEVELOPMENT AND PROPERTY OWNERSHIP—The Disposition and Development Agreement.”

## Estimated Direct and Overlapping Indebtedness

The land within the boundaries of Improvement Area No. 1 and Improvement Area No. 2 is served by numerous overlapping local agencies providing public services. Some of these local agencies have outstanding bonds which are secured by taxes and assessments on the parcels within the District and others have authorized but unissued bonds which, if issued, will be secured by taxes and assessments levied on parcels within the District.

The approximate amount of the direct and overlapping debt secured by taxes and assessments on the parcels within Improvement Area No. 1 and Improvement Area No. 2 for fiscal year 2007-08 is shown in Table 2 below (the "Debt Report").

The Debt Report has been derived from data assembled and reported to the District by David Taussig and Associates, Inc. Neither the District, the City, nor the Underwriters have independently verified the information in the Debt Report and do not guarantee its completeness or accuracy.

## Expected Tax Burden

The estimated total tax burden on the residential units in each development within the District currently is less than 2% of the average assessed value of the units. Tables 3A, 3B and 3C below set forth an estimated property tax bill for typical single family detached units, rowhomes and condominium units in Improvement Area No. 1. The estimated tax rates and amounts presented herein are based on currently available information for fiscal year 2007-08. The actual amounts charged may vary and may increase in future years.

## Estimated Assessed Value-to-Lien Ratios

Table 6 below sets forth the estimated assessed value-to-lien ratios for the property within the District subject to the Special Tax levy in fiscal year 2008-09, based upon the development status as of February 13, 2008, and the assessed values included on the fiscal year 2007-08 County Assessor's roll. The assessed value of such property within the District for fiscal year 2007-08 is \$392,514,901. The estimated assessed value-to-lien ratio of the property based upon the projected levy in fiscal year 2008-09, calculated as described in Table 6 below, is 15.48 to 1. The principal amount of the Bonds assigned in Table 6 below to the various property owners has been assigned by multiplying each of these property owner's estimated percentage share of the projected fiscal year 2008-09 Special Tax levy, based on development status as of February 13, 2008, by the principal amount of the Bonds.

As a part of its Annual Report delivered pursuant to its Continuing Disclosure Certificate, the District will provide the estimated assessed value-to-lien ratio for all Developed Property by Improvement Area in the aggregate and, if Special Taxes have been levied on Undeveloped Property, on each owner of Undeveloped Property in Improvement Area No. 2.

## **THE DEVELOPMENT AND PROPERTY OWNERSHIP**

*The Developer and entities related to it have provided the information in this section. The following information regarding ownership of property in the District has been included because it is considered relevant to an informed evaluation of the 2008 Bonds.*

*No assurance can be given that the remaining proposed development within the District will occur as described below. As the remaining proposed development progresses and parcels are sold or leased, it is expected that the ownership of the land and leasehold interests in land within the District will become more diversified. No assurance can be given that development of the land within the District will continue to completion, or that it will occur in a timely manner or in the configuration or intensity described herein, or that any property owner described herein will obtain or retain ownership of any of the land within the District. The 2008 Bonds and the Special Taxes are not personal obligations of any property owners and, in the event that a property owner defaults in the payment of the Special Taxes, the District may proceed with judicial foreclosure but has no direct recourse to the assets of any property owner other than the property interest upon which the Special Tax is levied. As a result, other than as provided herein, no financial statements or information is, or will be, provided about any property owner. The 2008 Bonds are secured solely by the Special Taxes and other amounts pledged under the Indenture. See “SOURCES OF PAYMENT FOR THE BONDS” and “SPECIAL RISK FACTORS.”*

### **History of Development Plan**

In 1993 the Federal Base Closure and Realignment Commission recommended closure of the U.S. Naval Training Center (the “NTC”). At that time, the City was designated as the local redevelopment agency responsible for the reuse of the NTC. In 1997, the City Council of the City approved and adopted the NTC site as a Redevelopment Project Area within the Agency’s purview and approved a Redevelopment Plan for the Project Area.

In October 1998, the City approved a plan for the reuse of the Naval Training Center (the “Reuse Plan”). In August 1998, the City issued a request for proposals for a master developer to implement the Reuse Plan. In June 1999, the City selected the Corky McMillin Companies as the master developer. The redevelopment of the NTC is commonly referred to as the “Liberty Station” project. The Corky McMillin Companies established the Developer as an affiliated company under the name McMillin - NTC, LLC to carry out the functions of the master developer of Liberty Station.

In June 2000, the Agency and Developer entered into a Disposition and Development Agreement (the “DDA”) to govern the terms of development and the City and Agency entered into a Cooperation Agreement (the “Cooperation Agreement”) for the purpose of assigning responsibilities between the Agency and City for the redevelopment of the NTC and implementation of the DDA. See “DEVELOPMENT AND PROPERTY OWNERSHIP—The Disposition and Development Agreement.”

In 2001, the City approved the Precise Plan (known as the “Naval Training Center Precise Plan and Local Coastal Program”) and the California Coastal Commission certified the Precise Plan as an amendment to the City’s Local Coastal Plan. The Precise Plan, which includes land not within the District, provides for 350 residential units; 495,000 square feet of educational uses; 380,000 square feet of new construction office and research park development; a mixed-use area with 324,000 square feet of commercial development a 22-acre golf course and 301,000 square feet of civic, arts and cultural uses; two hotels totaling 1,000 rooms; a 46-acre public park site and other open space and recreational uses; 130,000 square feet of ocean monitoring laboratories; a boat channel; and 351,000 square feet for a Public Safety Training Institute.

In 2001, a portion of the NTC consisting of 66 buildings and structures was listed on the National Register of Historic Places as a Historic District. These buildings and structures, a portion of which are located in Improvement Area No. 2, are required to be rehabilitated in accordance with the terms of the DDA.

Pursuant to the Reuse Plan, the DDA and the Cooperation Agreement, property within the NTC has been conveyed from the United States to the City, from the City to the Agency, from the Agency to the Developer and, as to certain of the property conveyed to it, from the Developer to third parties in a series of transactions. See “DEVELOPMENT AND PROPERTY OWNERSHIP—Property Ownership” for a summary of the current ownership.

### **The Disposition and Development Agreement**

The DDA establishes an agreement between the Agency and Developer for the redevelopment of the NTC. The DDA contemplates two general types of improvements to be constructed in connection with the redevelopment of the NTC, “horizontal improvements” and “vertical improvements.” Horizontal improvements are those that are typical of a public agency’s infrastructure, such as streets, utilities, parks and storm drains. Vertical improvements include the rehabilitation of existing buildings, the construction of new buildings and other construction activity that is typically characterized as private improvements to real property. See “—Status of Development” herein.

The DDA defines four phases in the development of each parcel within the District. Phase One is the period between execution of the DDA and conveyance of the parcel to the Agency. Phase Two is the period of time commencing upon the Agency’s acquisition of the parcel and ending upon conveyance of the parcel to the Developer. (For purposes of this Official Statement, unless otherwise indicated, the term “conveyance” shall mean the transfer of a fee simple interest in a parcel pursuant to a grant deed or a leasehold interest in a parcel pursuant to a long-term ground lease.) Phase Three is the period of time commencing upon conveyance of a parcel by the Agency to the Developer and ending upon the conveyance of the parcel by the Developer to a third party. Phase Four is the period of time commencing upon the conveyance of a parcel by the Developer to a third party and ending essentially upon the completion of the vertical improvements on the parcel as evidenced by the Agency’s issuance of a “Certificate of Completion.”

The DDA establishes various preconditions for the conveyance of a parcel from the Agency to the Developer (the “Phase Three Conditions Precedent”) and for the conveyance of a parcel from the Developer to a third party (the “Phase Four Conditions Precedent”). All of the Phase Three Conditions Precedent have been satisfied by the Developer. The Phase Four Conditions Precedent remain applicable to two parcels (Building 902 and the East Hotel District).

The Phase Four Conditions Precedent include the following conditions, among others:

- all applicable Phase Three Conditions Precedent have been satisfied;
- the Agency has approved the third party to whom the parcel is to be conveyed;
- all horizontal improvements required for the parcel and those vertical improvements in the Historic Core and in the Educational Core required to be completed or rehabilitated have been completed or bonded for;
- the Developer or third party has provided payment and performance bonds guaranteeing completion of the vertical improvements to the parcel; and
- evidence of financing to construct the vertical improvements on the parcel.

In addition, prior to the Agency's issuance of a Certificate of Completion with respect to a parcel, the parcel is subject to a right of reverter which allows the Agency to re-enter the parcel and which vests in the Agency the fee title or leasehold interest in the parcel conveyed to the Developer or any third party if the Developer, or a third party assignee, defaults or fails to perform its obligations under the DDA. The Agency and the Developer entered into a First Implementation Agreement, dated May 9, 2002, which provides that the Agency's right of reverter shall be subordinate to the Special Tax lien of the District upon the Developer posting certain security with the Agency. The Developer is required to post this security as a consideration to the issuance of the 2008 Bonds. As a result, should the Agency exercise its right of reverter as to a parcel, the parcel shall remain subject to the Special Tax lien and the Agency, or any subsequent transferee, shall remain obligated to pay the Special Tax.

All residential units in Improvement Area No. 1 have been sold to end users and are no longer subject to the right of reverter by the Agency. As of February 13, 2008, approximately 68.28 acres of the 125.38 acres in Improvement Area No. 2 that could be taxed under the IA2 RMA remained subject to the right of reverter, of which approximately 52.55 acres were owned by the Developer or its related entities. The District expects to levy Special Taxes on approximately 13.39 acres of the 68.28 acres which are subject to the right of reverter in fiscal year 2008-09.

The DDA includes a Schedule of Outside Performance Dates ("Performance Schedule") which, among other things, establishes outside dates for the completion of various vertical and horizontal improvements and the satisfaction of Phase Three Conditions Precedent and Phase Four Conditions Precedent relating to specific parcels and map areas within Liberty Station. The Developer's or its assignees' failure to satisfy its obligations in accordance with the Performance Schedule could result in the Agency's exercise of its right of reverter with respect to all parcels subject to the right of reverter at that time. The performance dates in the Performance Schedule are subject to extension by mutual agreement of the parties and pursuant to the force majeure provisions of the DDA. The Agency has represented that the Developer and the Developer's assignees are currently in compliance with the Performance Schedule and are not in breach of any obligations under the DDA.

The Agency will receive a share of the real property taxes generated from the NTC Project Area through the collection of real property tax increment pursuant to the California Redevelopment Law. The Agency has agreed to repay certain costs incurred by the Developer for horizontal improvements from such tax increment revenues. Under the California Redevelopment Law, all tax increment revenues received by the Agency from the NTC Project Area must be utilized for the benefit of the NTC Project Area. Pursuant to the DDA, the Agency may also receive a share of the Developer's profits derived from the development of Liberty Station. Neither the tax increment revenues nor profit share received by the Agency is pledged to repayment of the Bonds.

## **Property Ownership**

There are currently a number of owners of taxable property interests within the District upon which the Special Tax is expected to be levied to repay the Bonds, consisting of the Developer and entities related to the Developer, third parties unrelated to the Developer and 349 individual homeowners. See Tables 4A and 4B above. See "THE DISTRICT—Principal Taxpayers; Maximum Special Tax Capacity."

***The Developer.*** The Developer was formed in 1999 for the purpose of owning, developing, improving, and ultimately selling or leasing the property in Liberty Station. The two members of the Developer are the McMillin Companies, LLC ("McMillin Companies") and Merced Partners LP, a Delaware limited partnership. McMillin Management Services, L.P. is the managing member.

The Corky McMillin Companies ("McMillin") was founded in 1960 by Corky McMillin, who led the company until his death in September 2005. McMillin remains a privately held entity beneficially owned entirely by the McMillin family and managed by Corky's sons Mark and Scott McMillin. McMillin operates in five areas including land development, home building, commercial, realty, and mortgage. McMillin is San

Diego's largest and oldest, privately owned, locally based developer of mixed-use projects. McMillin Companies is one of the McMillin entities.

The other member of the Developer, Merced Partners LP ("Merced Partners") is an investment fund managed by EBF and Associates. EBF and Associates is an investment management firm based in Minnesota.

McMillin has developed several master planned communities in Southern California including Scripps Ranch, Rancho Del Rey, Bonita Long Canyon, Orange Crest, Temeku Hills, Calavera I and McMillin Lomas Verdes.

As of February 13, 2008, the Developer or other entities which are owned or controlled by McMillin or in which McMillin has an ownership interest have either a fee or leasehold interest in approximately 85 acres in Improvement Area No. 2. Of this acreage, 42 acres are classified as Developed Property, 11 acres are under active development by the Developer, 17 acres are in escrow for sale or sublease to third parties, and 15 acres are non-taxable common area. Although the Developer plans to develop its additional acreage within Improvement Area No. 2 in accordance with the DDA and the Precise Plan, investors should not rely on future development occurring within Improvement Areas No. 1 and 2 in the near future in evaluating an investment in the 2008 Bonds.

### **Land Use Entitlements**

The City has approved for Liberty Station all necessary zoning, the Reuse Plan, the Precise Plan, Vesting Tentative Map No. 99-1076 and a Master Plan Development Permit/Coastal Development Permit. The City has approved final maps creating all of the buildable residential lots in Improvement Area No. 1, which have subsequently been developed and sold to individual homeowners. The City has also approved final maps creating conveyable nonresidential lots in the remainder of the property included within Improvement Area No. 2 of the District.

The City Council certified an Environmental Impact Report/Environmental Impact Statement for the Reuse Plan in 1998. The City Council certified an Environmental Impact Report for the NTC Redevelopment Project Area in 2000 and adopted a Mitigated Negative Declaration for the Precise Plan and other entitlements for Liberty Station in 2000.

A Planned Development Permit for a 650-room full service hotel is in process on NTC Unit 8 (the East Hotel). In July 2007, the Airport Authority, as the ALUC, determined that the proposed hotel is conditionally consistent with the Airport Land Use Compatibility Plan for Lindbergh Field. The hearing for the approval of this hotel at Planning Commission, City Council and at the California Coastal Commission is expected to be in mid-2008. Miller Global of Denver is in escrow to purchase the 66-year ground lease and build the hotel if the project is approved and when building permits are ready to be issued. The hotel is expected to be a Nickelodeon Hotel operated by Marriott. The close of escrow and start of construction is anticipated in Fall 2008.

### **Status of Development**

**Horizontal Improvements.** The public infrastructure required to be installed consists primarily of onsite and offsite road improvements, underground water and sewer, storm drains, curbs, gutters and sidewalks and a 46-acre public park.

All in-tract infrastructure has been completed for Improvement Area No. 1. As of January 1, 2008, in-tract infrastructure for Improvement Area No. 2 was approximately 95% complete, with only storm drain outfalls and limited work in Unit 8 (the east hotel) to be completed.

The Developer has completed all of the construction of improvements to Rosecrans Street widening and landscaping and the Lytton Avenue/Rosecrans Street intersection. The Developer has also completed all

of the construction of improvements on the Harbor Drive/Lee Street intersection. No construction work has begun on improvements to the Rosecrans Street/Nimitz Boulevard intersection, or the Laning Road/Cushing Drive traffic signal improvements.

The 46-acre waterfront park will be built in two phases. The construction plans have been designed and approved for the entire park. Construction of Phase 1 consisting of 18 acres is complete and has been turned over to the City of San Diego Park and Recreation Department. The park was opened to the public in July 2007. Construction of Phase 2 of the park, consisting of the remaining 28 acres is anticipated to start 30 days after the issuance of the 2008 Bonds and be completed within 18 months of commencement of construction. Phase 2 of the park is expected to be financed, in part, from proceeds of the 2008 Bonds and from other District funds. See Table 1.

### ***Vertical Improvements***

*Improvement Area No. 1.* All 349 building permits have been issued and all 349 residential units have been built and closed to individual homeowners. See “SPECIAL RISK FACTORS—Hazardous Substances” below for a discussion regarding the existence and removal of mold in some of the condominium units in the District.

*Improvement Area No. 2.* There are numerous smaller “sub-areas” in Improvement Area No. 2 that the Developer has established. Such sub-areas include Retail/Commercial (Marketplace, Shoreline Plaza & Sellers Plaza), Office (Office District & John & Alice Finn Office Plaza), Educational and Hotel East & West.

***Mixed Use Retail/Commercial District.*** Liberty Station Marketplace is located between Roosevelt Road and Womble Road on the east side of Truxtun Road. McMillin-NTC, LLC assigned its leasehold interest in Buildings 27, 28, 29, and 208, and its fee interest in Building 30 to Liberty Station Marketplace, LLC, who is currently renovating the buildings for a community serving shopping center comprising 164,012 square feet. Building 208, the chapel, is complete and in use as a community event center. Buildings 27, 28, 29 and 30 shell improvements are complete, and Trader Joe’s, Starbucks, Coldstone Creamery, Panera Bread, Point Loma Board Room, Postal Annex, DaKine’s, La Salsa, Navy Federal Credit Union, Jacob & Spadea Jewelers, Rose’s Nails, The Candle Factory, Sammy’s Woodfired Pizza and Vons are open. As of January 1, 2008, the Marketplace is 56% opened and 62% leased.

Sail Ho Golf Course is located at the corner of Rosecrans Street and Lytton Avenue. McMillin NTC, LLC has renovated the 9-hole golf course and the two historic structures, Building 9 (3,181 square feet) and Building 10 (2,771 square feet), and closed escrow to Sail Ho Golf Course, LLC on August 15, 2007. Building 9 is leased to a Wine Steals for a term of five years. Building 10 is leased to CSC Golf Management for a period of two years. The golf course opened for public play as of September 30, 2006.

Building 193 is a 47,841 square foot building that has been transferred from McMillin NTC, LLC to McMillin-NTC 193, LLC in December 2006. The historic building is undergoing major renovation for adaptive reuse, with 50% being leased by Ace Hardware. The Precise Plan shows that Building 193 is in the RPZ for Lindbergh Field. In January 2008, the Airport Authority determined that the Ace Hardware retail use is consistent with the Airport Land Use Compatibility Plan for Lindbergh Field. The balance of the space will include retail/restaurant space and second floor office space. The Precise Plan requires that any additional future uses for Building 193 be submitted to the Airport Authority. The building is expected to be ready for occupancy in the second quarter of 2008. For a discussion of the role of the Airport Authority concerning proposed development within the District, see “SPECIAL RISK FACTORS—Proximity to the San Diego International Airport.”

Building 210 is a 41,493 square foot fitness facility which is undergoing major renovations. McMillin-NTC, LLC closed escrow with Liberty Station 210 Investors, LLC in October 2007. As of January 1, 2008, 22,914 square feet was leased to a major fitness operator, and the building is approximately 75%

leased or committed. The building is expected to include fitness and wellness related tenants. The building is expected to be fully renovated and ready for use in the second quarter of 2008.

NTC Landing includes Buildings 1, 8, 11, 23, 24, 32 and 194 at the north end of Liberty Station comprising 104,856 square feet. Buildings 1, 8, 23, 32 and 194 are in the RPZ for Lindbergh Field as shown in the Precise Plan and the Airport Layout Plan for Lindbergh Field. The historic buildings are undergoing major renovation for adaptive reuse to restaurant and retail uses. As required by the Precise Plan, any proposed uses for these buildings in the RPZ will be submitted to the Airport Authority. The property closed escrow to McMillin-NTC Landing, LLC in October 2007. This property is expected to be completed in mid-2008. As of January 1, 2008, leases or letters of intent were in place for approximately 23% of the project. For a discussion of the role of the Airport Authority concerning proposed development within the District, see “SPECIAL RISK FACTORS—Proximity to the San Diego International Airport.”

Shoreline Plaza is a group of 6 buildings (Buildings 31, 34, 153, 179, 185, and 358) comprising 31,686 square feet. McMillin NTC, LLC sold the property in two transactions to Ocean Village Associates, LLC and SEAPRO, LLC in September 2007. The buildings are undergoing renovations with completion and first occupancy expected in the second quarter of 2008. The buildings are 85% leased and will be used as a waterfront village including retail, light industrial and food uses. These six buildings are in the RPZ for Lindbergh Field as shown in the Precise Plan and Airport Layout Plan. In January 2008, the Airport Authority determined that manufacturing uses in Buildings 31, 153, and 185 are conditionally consistent with the Airport Land Use Compatibility Plan for Lindbergh Field. As part of the conditions, the Airport Authority limited the total occupancy for these buildings and required that notices be placed in the buildings to inform the occupants that the buildings are in the RPZ. The Precise Plan requires that any proposed uses for Buildings 34, 179, and 358 in Shoreline Plaza be submitted to the Airport Authority. Such buildings will likely be subject to conditions similar to those imposed on Buildings 31, 153 and 185. For a discussion of the role of the Airport Authority concerning proposed development within the District, see “SPECIAL RISK FACTORS—Proximity to the San Diego International Airport.”

**West Hotel District.** The Unit 7 site was entitled for 350 hotel rooms. McMillin-NTC, LLC sold the property to HHG Liberty Station, LLC to develop a 150-room Hilton Homewood Suites and a 200-room Marriott Courtyard. The Hilton is complete and opened in September 2007. The Marriott is under construction and is due to open in May 2008.

The Unit 7 Harbor Square Retail Center comprises 23,997 square feet of retail space in five buildings. Four buildings are complete and 100% leased to tenants that include Oggi's Pizza and Brewery, Subway, Los Primos, Dinner Studio, Starbucks, Rose's Nails and Sushiya. The fifth building is a 600 square foot retail kiosk that will be constructed in the second quarter of 2008.

Building 623 is held in a 66-year ground lease by McMillin NTC, LLC. The building comprises 32,961 square feet and was constructed in 1992 by the Navy. The property has been renovated and opened as a Conference Center.

**Office District.** Building 901 is a 53,135 square foot office building. The lot was sold from McMillin NTC, LLC to McMillin-NTC 901, LLC. The building is complete and is currently 100% leased. The building is occupied by Mitre Corporation and Cubic Defense Corporation.

Building 902 is entitled as a 109,102 square foot office building. Building permits are issued. Approximately 75% of the building is under a letter of intent with an undisclosed tenant. McMillin-NTC, LLC is in escrow with McMillin-NTC 902, LLC, with escrow expected to close and construction to start in the second quarter of 2008.

Buildings 903 and 904 are respectively 63,234 and 38,594 square foot office buildings. The lots were sold from McMillin-NTC, LLC to McMillin-NTC 903/904, LLC. Building 903 is occupied by the Corky

McMillin Companies as its corporate headquarters. Building 904 is fully leased, and was sold to CDC Small Business Finance Corp. in June 2004, which occupies approximately 33% of the building.

Building 905 is comprised of 38,594 square foot office space. The lot was sold from McMillin-NTC, LLC to McMillin-NTC 905, LLC. Construction is complete and the building is 100% leased with tenants including TriWest, Gnostech, Ir2 Squared, Aradiant, Leo Sullivan and Tactical Engineering.

Building 906 is comprised of 38,632 square foot office space. The lot was sold from McMillin-NTC, LLC to McMillin-NTC 906, LLC. Construction of the building was completed in June 2006. The law firm of Stutz Artiano Shinoff & Holt purchased a 30% interest in McMillin-NTC 906, LLC in September 2007. The building is 100% leased with tenants including Stutz Artiano, Boeing, Ovation Lifestyles, Janis Research, FGN, and The Cooke Companies.

Building 907 is comprised of 38,632 square foot office space. The lot was sold from McMillin-NTC, LLC to McMillin-NTC 907, LLC. Construction of the building was completed October 2006. San Diego Foundation purchased the building in November 2006. San Diego Foundation occupies the second floor and the first floor will be leased to other related organizations.

Buildings 6/7 (a single building) and 195, named the John and Alice Finn Office Plaza, are held in a 66-year ground lease. The historic buildings were renovated to a modern warm shell office interior. The buildings are currently 51% leased. Building 6/7 lease was sold to Truxtun, LLC and is occupied by Countywide Mortgage. Building 195 is in escrow with the Cohn Restaurant Group and expected to close early 2008.

**Education District.** High Tech High Villages has purchased and renovated Buildings 36, 37, 49, 51 and 83, for a total of 196,653 square feet. These five buildings are occupied by Explorer Elementary School, High Tech Middle School, High Tech Middle Media Arts, High Tech High School, High Tech High International and High Tech High Media Arts.

Rock Church and Academy has purchased and renovated Building 94 for a total of 206,084 square feet. It is in escrow to purchase Building 271, a former gym, and intends to close escrow and begin renovating it for physical education programs in Spring 2009.

### **Potential Limitations on Development**

The Airport Authority has recently raised objections to the development of certain parcels within the District which could slow or prevent the planned development. The District's proximity to Lindbergh Field and the Airport Authority's review of certain proposed development within the District could slow or prevent further development in Improvement Area No. 2. See "SPECIAL RISK FACTORS—Proximity to the San Diego International Airport."

### **Financing Plan**

**Developer Financing Plan.** Additional expenditures will be required to complete the planned development of the property within the District. Certain of the horizontal infrastructure improvements will be completed by the Developer, with the balance of the expenditures to complete the development of the property within the District being funded by the owners or lessees of the parcels being renovated or developed.

As of February 29, 2008 the Developer has expended approximately \$107,200,000 for horizontal infrastructure improvements within the District. The Developer expects to expend approximately an additional \$15,600,000 to complete the horizontal infrastructure improvements. The Developer expects to complete all horizontal infrastructure improvements for the District, except for the park and six storm drain outfalls, between January 1, 2008 and December 31, 2008. The Developer expects to complete the construction of six storm drain outfalls and the park by the end of 2009. The Developer has obtained an acquisition and

development loan from Indymac Bank. The loan was originally a revolving loan but has been converted to a non-revolving loan. The total commitment amount of the loan is \$15,000,000 of which \$3,800,000 was outstanding as of February 29, 2008. The loan matures June 1, 2008. The Developer expects to fund the remaining costs of the horizontal infrastructure improvements it will construct from one or a combination of the funding sources available to it, including cash on hand, 2008 Bond and 2006 Bond proceeds, Special Tax proceeds, proceeds from the sale and lease of property by the Developer, and proceeds of the existing Indymac Bank loan. The Developer believes that it will have adequate funds with which to complete the horizontal infrastructure improvements.

### **SPECIAL RISK FACTORS**

The purchase of the 2008 Bonds involves significant investment risks and, therefore, the 2008 Bonds are not suitable investments for many investors. The following is a discussion of certain risk factors which should be considered, in addition to other matters set forth herein, in evaluating the investment quality of the 2008 Bonds. This discussion does not purport to be comprehensive or definitive. The occurrence of one or more of the events discussed herein could adversely affect the ability or willingness of property owners in Improvement Area No. 1 and/or Improvement Area No. 2 to pay their Special Taxes when due. Such failures to pay Special Taxes could result in the inability of the District to make full and punctual payments of debt service on the 2008 Bonds. In addition, the occurrence of one or more of the events discussed herein could adversely affect the value of the property in Improvement Area No. 1 and Improvement Area No. 2 and the value of the 2008 Bonds in the secondary market.

#### **Principal Taxpayers**

Based on the ownership of the land within the District as of February 13, 2008, approximately 57.58% of the projected Special Taxes for fiscal year 2008-09 is expected to be payable by the owners of individual homes, 23.84% by the Developer and entities related to the Developer, 4.80% by San Diego Rock Church, 4.58% by HTH Learning and 4.54% by Liberty Station HHG Hotel LP. See “THE DISTRICT—Principal Taxpayers; Maximum Special Tax Capacity.” Any failure of these landowners, or any successor thereof, to pay the annual Special Taxes when due could result in a default in payments of the principal of, and interest on, the 2008 Bonds, when due. See “SPECIAL RISK FACTORS—Failure to Develop Properties” below.

No assurance can be given that the existing landowners, or their successors, will pay Special Taxes in the future or that they will be able to pay such Special Taxes on a timely basis. See “SPECIAL RISK FACTORS—Bankruptcy and Foreclosure” below, for a discussion of certain limitations on the District’s ability to pursue judicial proceedings with respect to delinquent parcels.

#### **Limited Obligations**

The 2008 Bonds and interest thereon are not payable from the general funds of the City. Except with respect to the Special Taxes, neither the credit nor the taxing power of the District or the City is pledged for the payment of the 2008 Bonds or the interest thereon, and, except as provided in the Bond Indenture, no owner of the 2008 Bonds may compel the exercise of any taxing power by the District or the City or force the forfeiture of any City or District property. The principal of, premium, if any, and interest on the 2008 Bonds are not a debt of the City or a legal or equitable pledge, charge, lien or encumbrance upon any of the City’s or the District’s property or upon any of the City’s or the District’s income, receipts or revenues, except the Special Taxes and other amounts pledged under the Bond Indenture.

#### **Insufficiency of Special Taxes**

Under the Rate and Method, the annual amount of Special Tax to be levied on each taxable parcel in the District will generally be based on whether such parcel is categorized as Developed Property, Undeveloped Property, or Other Taxable Property, and on the land use class to which a parcel of Developed Property is assigned. See APPENDIX A-1—“IMPROVEMENT AREA NO.1 RATE AND METHOD OF

APPORTIONMENT OF SPECIAL TAXES,” APPENDIX A-2—“IMPROVEMENT AREA NO. 2 RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAXES” and “SOURCES OF PAYMENT FOR THE BONDS—Special Taxes—*Rates and Method of Apportionment of Special Taxes.*”

The Maximum Special Taxes that may be levied within the District as well as the Maximum Special Taxes that may be levied on the property within the District are equal to at least 110% of Maximum Annual Debt Service on the Bonds. Notwithstanding that the Maximum Special Taxes that may be levied in the District exceeds debt service due on the Bonds, the Special Taxes collected could be inadequate to make timely payment of debt service either because of nonpayment or because property becomes exempt from taxation.

The Rate and Method governing the levy of the Special Tax expressly exempts up to 15.54 acres of City/Agency Property, Other Public Property and/or Property Owner Association Property in Improvement Area No. 1 and up to 122.36 acres of City/Agency Property, Free Standing Parking Property, Other Public Property and/or Property Owner Association Property in Improvement Area No. 2 that is in a Zone and up to 18.04 acres of Golf Course Property that is within a Zone. If for any reason property within the District becomes exempt from taxation by reason of ownership by a non-taxable entity such as the federal government, another public agency or other organization determined to be exempt, subject to the limitations of the maximum authorized rates, the Special Tax will be reallocated to the remaining taxable properties within the District. This could result in certain owners of property paying a greater amount of the Special Tax and could have an adverse impact upon the ability and willingness of the owners of such property to pay the Special Tax when due.

The Act provides that, if any property within the District not otherwise exempt from the Special Tax is acquired by a public entity through a negotiated transaction, or by gift or devise, the Special Tax will continue to be levied on and enforceable against the public entity that acquired the property. In addition, the Act provides that, if property subject to the Special Tax is acquired by a public entity through eminent domain proceedings, the obligation to pay the Special Tax with respect to that property is to be treated as if it were a special assessment and be paid from the eminent domain award. The constitutionality and operation of these provisions of the Act have not been tested in the courts. Due to problems of collecting taxes from public agencies, if a substantial portion of land within either Improvement Area No. 1 or Improvement Area No. 2 became exempt from the Special Tax because of public ownership, or otherwise, the Maximum Special Taxes which could be levied upon the remaining property within those areas might not be sufficient to pay principal of and interest on the 2008 Bonds when due and a default could occur with respect to the payment of such principal and interest.

### **Failure to Develop Properties**

The payment of the principal of and interest on the 2008 Bonds depends, in part, upon the receipt of Special Taxes levied on partially developed property. See “SPECIAL RISK FACTORS—Principal Taxpayers” above. Partially developed property is less valuable per unit of area than developed and completed property, especially if there are severe restrictions on the development of such property. Partially developed property also provides less security to the Owners of the 2008 Bonds should it be necessary for the District to foreclose on such property due to the nonpayment of the Special Taxes. Furthermore, the inability to develop the land within the District as currently proposed will make the Owners of the 2008 Bonds dependent upon timely payment of the Special Taxes levied on partially developed property for a longer period of time than projected. A slowdown or stoppage in the continued development of the District could reduce the willingness and ability of the owners of the partially developed property to make Special Tax payments on such property and could greatly reduce the value of such property in the event it has to be foreclosed upon. See “SPECIAL RISK FACTORS—Property Values” below.

Land development is subject to comprehensive federal, State and local regulations. Approval is required from various agencies in connection with the layout and design of developments, the nature and extent of improvements, construction activity, land use, zoning, school, safety and health requirements, as well

as numerous other matters. There is always the possibility that such approvals will not be obtained or, if obtained, will not be obtained on a timely basis. Failure to obtain any such agency approval or satisfy such governmental requirements would adversely affect planned land development. Finally, development of land is subject to economic considerations.

There can be no assurance that land development operations within the District will not be adversely affected by a future deterioration of the real estate market and economic conditions or future local, State and federal governmental policies relating to real estate development, the income tax treatment of real property ownership, or the national economy. A slowdown of the development process and the absorption rate could adversely affect property values and reduce the ability or desire of the property owners to pay the annual Special Taxes. In that event, there could be a default in the payment of principal of, and interest on, the 2008 Bonds when due.

Owners of the 2008 Bonds should assume that any event that significantly impacts the ability to develop and occupy the property within the District would cause the property values within the District to decrease substantially and could affect the willingness and ability of the owners of such land to pay the Special Taxes when due.

### **Risks Related to Adjustable Rate Mortgages, Creative Mortgage Financing Tools and Declines in Real Estate Prices**

During summer 2004 through summer 2007, many persons financed the purchase of new homes using mortgage loans that featured adjustable interest rates and 'creative' loan structures, such as interest only payments, negative amortization of principal, and introductory 'teaser' rates. Interest only payments on loans allow the borrower to pay interest only for an initial period (*e.g.*, five years) and negative amortization of principal results in lower monthly mortgage payments, but a higher aggregate principal amount of the mortgage loan. Teaser rates are mortgage interest rates that start low and are subject to being reset at higher rates on a specified date or upon the occurrence of specified conditions. Their negative amortization of principal results in lower monthly mortgage payments, but a higher aggregate principal amount of the mortgage loan.

In the opinion of some economists, including the economist retained by the District to prepare Price Trend and Mortgage Report (defined below) the significant increase in home prices during summer 2003 through summer 2007 was driven, in part, by the ability of home purchasers to access adjustable/creative rate loans and creative loans, as well as loans up to the full value of the home, in some cases with minimal documentation of purchaser income qualification. These economists predict that resets on adjustable/creative rate loans to higher interest rates (and resulting increased payments), fewer borrowers will be able to qualify for mortgage loans and, as a result, home sale prices will decrease. Additionally, under such circumstances, homeowners in the District with adjustable/creative loans and limited economic resources may be unable or unwilling to pay higher mortgage payments as well as Special Tax and *ad valorem* tax payments when due. Interest rates on adjustable mortgage rate loans have, in some instances, previously reset to higher interest rates and some financial studies predict that, nationwide, mortgage loans with teaser rates will experience significant resets in 2007 and 2008, resulting in higher levels of mortgage payments.

Some borrowers who purchased homes with adjustable/creative rate loans may refinance before the interest reset date to obtain loans with fixed interest rates. However, other borrowers who purchased homes in recent years may not be able to access replacement financing for their adjustable rate mortgage loans for a number of reasons. Recent news accounts indicate that many borrowers in recent years have financed 90% to 100% of the price of their home with adjustable rate loans. As discussed in the Price Trend and Mortgage Report, this was also true for a number of homes in the District. In the event there is a decline in home value such borrowers may not be able to obtain replacement financing because outstanding loan balances exceed the value of their homes. Additionally, according to recent articles in the financial press, there has been a tightening of underwriting criteria for mortgage loans, such that many fewer lenders offer 100% financing or other creative mortgage structures. Regulatory changes or changes in standards of practice in the mortgage

lending industry could also create requirements of stricter income verification, higher income to loan ratios, higher credit ratings, or some combination of such credit factors.

Homeowners in the District who purchased their homes with adjustable/creative rate loans may experience difficulty in making their loan payments and paying the Special Taxes levied on their property due either to a decline value of their homes or an increase in mortgage rates, or both. This would result in an increase in the Special Tax delinquency rate in the District and possible depletion of the Reserve Account. If there were significant delinquencies in Special Tax collections in the District and the Reserve Account was depleted, there could be a default in the payment of principal of and interest on the 2008 Bonds.

Some economists also report recent increases in recorded notices of default on home mortgage loans in the County and in Southern California. The filing of a notice of default reflects the failure of a homeowner to pay mortgage loan payments in a timely manner for a certain period of time, usually three consecutive months. If home prices continue to decline in the future, the number of notices of default may increase due to decreased home equity.

As reported in the Price Trend and Mortgage Report (defined below) home prices have been declining in the County and the District. Any decline in home values in the District could result in further property owner unwillingness or inability to pay mortgage payments, as well as *ad valorem* taxes and special taxes, when due. Under such circumstances, bankruptcies are likely to increase. Bankruptcy by homeowners with delinquent Special Taxes would delay the commencement and completion of foreclosure proceedings to collect delinquent Special Taxes. See “SPECIAL RISK FACTORS—Bankruptcy and Foreclosure” below.

Given the foregoing risks, the District retained Empire Economics, Inc. (“Empire”) to prepare a report entitled “Recent Housing Price Trends/Patterns and Mortgage Loan Characteristics” (the “Price Trend and Mortgage Report”) to analyze (1) recent housing price trends in the County and the District and (2) certain characteristics of the mortgage loans on the residential properties in the District. The Price Trend and Mortgage Report concludes that there is a concentration of risk in recently developed communities that is not present in the broader housing market due to homeowners with little or no equity in their homes, a greater rise of adjustable rate loans and creative loan structures and a high incidence of similar mortgage loan structures due to a number of initial purchasers using the builder’s preferred lender. A copy of the Price Trend and Mortgage Report is attached as Appendix H hereto. The Price Trend and Mortgage Report focuses on two specific characteristics of the mortgage loans: first, a comparison of the mortgage loan to sales price ratios (ML-SP) and second, the percentage of adjustable loans in the District. These two characteristics were analyzed for current homeowners for which such information was available and for parcels that have been delinquent in the payment of one or more installments of Special Taxes from fiscal year 2003-04 through the first installment for fiscal year 2007-08.

Part I of the Price Trend and Mortgage Report focuses on recent housing price trends and patterns in the County and the District. It concludes that housing prices in the County increased significantly, more than tripling, from 1998 to 2005, stabilized in 2006 and decreased in 2007. On average, prices in November 2007 were 13.4% lower than in November 2006. Subsequent to the completion of the Price Trend and Mortgage Report, Empire reported to the District that, on average, housing prices in the County in December 2007 were 15.0% lower than in December 2006. Looking at the District, the Price Trend and Mortgage Report concludes that prices for attached homes in the District increased from October 2003 to February 2007, peaked in February and March 2007 and have decreased slightly since, while prices for detached homes increased from May 2003 to June 2006, reached a peak in June 2006 and have decreased significantly since that time. Part I of the Price Trend and Mortgage Report also reviewed the resale of 19 homes in the District in 2007 and concluded that resale prices of these homes was, on average 20.1% above the January 1, 2007 assessed values for these homes. Only one resale occurred at a sales price that was below its January 1, 2007 assessed value. That sale occurred on November 30, 2007 and the sales prices was 4.3% below the January 1, 2007 assessed value.

The Price Trend and Mortgage Report concludes that the parcels with a higher ML-SP ratio tended to have a higher rate of Special Tax delinquency and such parcels also had a higher percentage of adjustable rate loans than non-delinquent parcels. The Price Trend and Mortgage Report analyzed data for 312 of the 349 units in the District for which current ownership and mortgage information was available. For the 312 homes it was determined that approximately 7% have ML-SP ratios of 100%, 22% have ratios of 90 to 99%, 30% have ratios of 80 to 89% and 41% have ratios below 80%. Of the 52 parcels that have been delinquent in one or more Special Tax installments since fiscal year 2003-04, 31.8% had ML-SP ratios of 100%, 21.2% had ratios of 90 to 99%, 18.8% had ratios of 80 to 89% and 10.2% had ratios below 80%. Of the non-delinquent parcels 77% had adjustable rate mortgages compared to 84% for the delinquent parcels. The Price Trend and Mortgage Report observes that interest rates on adjustable mortgages have risen on the average by approximately 1.51% between 2003-05 and 2006-07 and that to the extent the homeowners in the District have had rate adjustments on their loans since the end of 2005, they will likely be paying higher mortgage payments now than when the home was purchased. There can be no assurance as to whether or the extent to which rates on adjustable mortgages will increase, remain the same or decrease in the future.

The Price Trend and Mortgage Report is being provided for informational purposes only, and no statement in the Price Trend and Mortgage Report shall be construed as a prediction, or an assurance by the City or the District, that the existing landowners within the District or any successors thereof will continue making the Special Tax payments when due.

### **Fallout from Subprime Mortgage Defaults; Potential Impact on Resale of Homes in the District**

During the first half of 2007, mortgage delinquencies and defaults escalated nationwide, particularly among property owners with subprime mortgages. As a result, the secondary market for subprime and other risky home loans has declined substantially, resulting in significant financial losses and in some cases bankruptcies among subprime lenders unable to sell those loans and acquire fresh capital. The subprime lender fallout has resulted in conventional lenders tightening their lending criteria, making it more difficult to borrow when purchasing or refinancing a home. Fewer conventional lenders are offering 100% financing, second mortgages or undocumented loans; and jumbo loan rates have increased substantially.

Residential mortgage loans are either “conforming” or “non-conforming.” Conforming loans comply with the guidelines established by the two largest purchasers of home loans in the country: the Federal National Mortgage Association (“Fannie Mae”) and the Federal Home Loan Mortgage Corporation (“Freddie Mac”). Fannie Mae and Freddie Mac do not make mortgage loans. Instead, they purchase “conforming loans” from mortgage lending institutions, package the mortgages into securities (“mortgage-backed securities”) and sell the mortgage-backed securities to investors. Fannie Mae and Freddie Mac guarantee the timely payment of principal and interest on their mortgage-backed securities.

The 2007 conforming loan limit for first mortgages in the continental United States was \$417,000. Loans above the conforming loan amount are known as “jumbo” loans. Because jumbo loans are bought and sold on a much smaller scale than conforming loans, they often have higher interest rates than conforming loans; however, the spread between the interest rate on conforming and jumbo loans varies with economic conditions.

In August 2007, as a result of various economic factors, including increasing defaults on residential mortgages throughout the United States, most notably “sub-prime loans,” investor demand for uninsured loans (i.e., loans that could not be purchased by Fannie Mae or Freddie Mac) substantially decreased. This decreased investor demand for jumbo loans caused the interest rate on jumbo loans to increase relative to the interest rate on conforming loans. In some cases, lenders stopped making jumbo loans altogether. Market conditions may improve sufficiently to reduce the current difficulty in obtaining jumbo loans or legislation could be enacted to address some of the regulatory issues contributing to the current difficulties. However, there is no certainty that improvement in market conditions or regulatory changes will occur, either in the immediate future or at all. Given home prices in the District, in many cases a jumbo loan would be necessary to finance a home purchase.

On February 13, 2008, President Bush signed H.R. 5140, the Recovery Rebates and Economic Stimulus for the American People Act of 2008 (the “Stimulus Package”). The Stimulus Package provides a new provision to temporarily raise the limits for loans that may be purchased by Fannie Mae and Freddie Mac through December 31, 2008. The new limits for such loans is approximately \$729,000. While the Stimulus Package might provide some temporary relief with respect to refinancing jumbo loans, no assurance can be given that this will result in jumbo loans being available to property owners in the District seeking to refinance their homes.

As a result of the tightening credit market, homeowners in the District seeking to refinance existing loans may have difficulty finding financing, and stricter underwriting criteria and reduced availability of mortgage loans may significantly reduce the number of potential purchasers of homes in the District. This could result in a reduction in home resale prices in the District.

### **Future Land Use Regulations and Growth Control Initiatives**

It is possible that future growth control initiatives could be enacted by the voters or future local, state or federal land use regulations could be adopted by governmental agencies and be made applicable to the development of the portions of the District not yet developed or renovated with the effect of negatively impacting the ability of the owners of such land to complete the development or renovation of such land if they should desire to develop or renovate it. This possibility presents a risk to prospective purchasers of the 2008 Bonds in that an inability to complete desired development and renovation increases the risk that the 2008 Bonds will not be repaid when due. The owners of the 2008 Bonds should assume that any reduction in the permitted density, significant increase in the cost of the development or renovation planned within the District, or substantial delay in the development or renovation caused by growth and building permit restrictions, or more restrictive land use regulations, would cause the values of such land within the District to decrease. A reduction in property values increases the likelihood that in the event of a delinquency in payment of Special Taxes a foreclosure action will result in inadequate funds to repay the 2008 Bonds when due.

Completion of construction of any proposed structures on the vacant land and the rehabilitation of existing structures within the District is subject to the receipt of approvals from a number of public agencies concerning the layout and design of such structures, land use, health and safety requirements and other matters. The failure to obtain any such approval could adversely affect the planned development of such land.

Under current State law, it is generally accepted that proposed development is not exempt from future land use regulations until building permits have been issued and substantial work has been performed and substantial liabilities have been incurred in good faith reliance on the permits. It is possible that the construction of the remaining planned development and renovation could be impacted by future land use regulations and restrictions which could cause significant delays and cost increases not currently anticipated, thereby reducing the development potential of such property and the ability or willingness of owners or lessees of such property to pay Special Taxes when due, and also could cause the values of such property or leasehold interests to decrease.

### **Proximity to the San Diego International Airport**

The District is adjacent to the San Diego International Airport, Lindbergh Field. The proximity of the District to Lindbergh Field could have a variety of impacts on the existing and the proposed development in the District and presents certain risks to owners of the 2008 Bonds. These risks, summarized below, are (1) the possible negative impact to real property values, (2) a reduction in the number of taxpayers in the District and/or an early redemption of 2008 Bonds as a result of the condemnation of property in the District for airport uses, and (3) delays in or limitations on future development in Improvement Area No. 2 of the District.

A significant portion of the property within the District is subject to an air and aviation easement that grants the Airport Authority, as Airport Operator, the perpetual use of the airspace above the portion of the District affected by the easement and subjects such property to all noise, vibration, fumes, dust, fuel particles,

inconvenience, interference with the use or enjoyment of property and any reduction in market value of the property caused by any aircraft operating to or from Lindbergh Field. The aviation easement also exempts the Airport Authority from liability for nuisances resulting from airport noise impacts, as well as impacts resulting from air emissions. It is therefore possible that airport noise, and other impacts associated with aircraft operations could negatively impact real property values in the District.

The Airport Authority is in the process of updating the San Diego International Airport Master Plan (“Master Plan”). The proposed Master Plan would increase the number of aircraft gates, provide additional aircraft parking, improve the aircraft taxiways, improve roadway access to the terminals, and increase the amount of vehicle parking within the existing airport property. While the Airport Authority is not proposing to increase the length of the existing runway, due to the potential increase in aircraft operations proposed by the terminal facility expansion, it is possible that the future noise levels affecting the District could exceed existing noise levels, which could negatively impact real property values in the District.

The redevelopment planning, permitting and entitlement processes in the District have proceeded pursuant to various Federal and State statutes, including those governing military base closures and reuse, as well as airport land use compatibility planning. Part of that planning process included the adoption by the City Council of the Precise Plan in September 2001. During the planning process, City staff worked closely with the staff of the San Diego Unified Port District (“Port”), which was then the operator of Lindbergh Field, and the staff of the San Diego Association of Governments (“SANDAG”), which was the San Diego County ALUC at that time. In 2002, the Airport Authority was created by the legislature as a new agency to serve as both the Lindbergh Field Airport Operator and the ALUC.

The District is located within the Airport Influence Area (“AIA”), which defines the jurisdiction of the ALUC. In 2004, pursuant to its statutory authority, the ALUC amended the Comprehensive Land Use Plan (“CLUP”) first adopted by SANDAG, serving as the ALUC, in 1992 (and first amended by SANDAG in 1994). As part of the 2004 amendment, the CLUP was renamed as the Airport Land Use Compatibility Plan (“ALUCP”). The ALUCP contains policies and criteria addressing noise, airspace protection, over-flight, and safety that are used by the City and the Airport Authority for determining whether proposed developments or uses would be consistent with existing and future airport operations. The Airport Authority is currently in the process of drafting a new ALUCP that will contain new and updated airport land use compatibility policies and criteria.

A portion of Improvement Area No. 2 is located within the Runway Protection Zone (“RPZ”). Federal Aviation Administration (“FAA”) Guidelines prohibit residences, fuel storage facilities and places of public assembly in the RPZ. The FAA Guidelines further define churches, schools, hospitals, office buildings, shopping centers and other uses with similar concentrations of persons as places of public assembly. The location of Improvement Area No. 2 partially within the RPZ may constrain proposed development and redevelopment options. The existing RPZ utilized in the ALUCP includes only six buildings in Improvement Area No. 2 of the District (Buildings 31, 34, 153, 179, 185, and 358). The Precise Plan depicts an RPZ area which is larger than the current RPZ recognized by the FAA. The Precise Plan RPZ includes 12 existing buildings that are within Improvement Area No. 2 of the District. The Precise Plan does not permit new construction of buildings in the RPZ. Rather, the Precise Plan only permits the rehabilitation of the existing buildings within the existing structural envelopes. It also requires the City to submit all proposed development or building permits in the RPZ to the Lindbergh Field Airport Operator, the Airport Authority. The Precise Plan outlines the process whereby the Airport Authority, as the Airport Operator, can determine whether a proposed permit is consistent with the Precise Plan and request that a proposed permit be submitted to the ALUC for a consistency determination with the ALUCP.

The Airport Authority is considering enlarging the RPZ if the FAA RPZ standards can be satisfied. An enlargement of the RPZ could affect additional property in the District. In addition, as part of the ALUCP update effort, the Airport Authority, as the ALUC, is also considering adopting land use compatibility/safety zones beyond the geographic extent of the RPZ. If adopted, additional safety zones could result in additional

restrictions on the type and intensity of future land uses allowed in the District which could also slow or limit further development in Improvement Area No. 2. It is also possible that the Airport Authority, as Airport Operator, could seek to purchase or condemn property within the RPZ or any additional safety zone for the purpose of removing existing uses or preventing new uses in the RPZ. The purchase or condemnation of properties in the portion of the District within the RPZ or a safety zone could result in an early redemption of Bonds from condemnation proceeds and could also reduce the number of taxpayers within the District, thereby decreasing the diversity of ownership of the Taxable Property.

The Airport Authority has requested that all proposed development within the AIA for Lindbergh Field, including proposed development within the District, be submitted to the ALUC for a determination of whether the proposed development is consistent with the adopted ALUCP for Lindbergh Field. As stated in its July 9, 2007 letter to the General Counsel for the Airport Authority, the City Attorney's Office is of the opinion that the City must seek consistency determinations from the ALUC for proposed development projects until such time as the City submits the Precise Plan to the ALUC for a consistency determination. The City submits to the Airport Authority for a finding of consistency with the ALUCP all discretionary development proposals. In addition, the City submits ministerial building permits that result in a Certificate of Occupancy for property within the RPZ, as delineated in the Precise Plan. The City is currently considering submitting ministerial building permits outside of the RPZ to the Airport Authority for consistency determinations with the ALUCP. In January, 2008, the Airport Authority determined that a proposed retail use (Ace Hardware) in Building 193 is consistent with the ALUCP and that proposed manufacturing uses in Buildings 31, 153, 185 are conditionally consistent with the ALUCP. There can be no assurance that the Airport Authority will provide consistency determinations for various proposed developments within Improvement Area No. 2. Therefore, the ALUC review and consistency determination process could result in delays in or limitations on future development within Improvement Area No. 2.

### **Endangered Species**

Neither the District nor the Developer is aware of any endangered or threatened species within the District. This fact does not entirely eliminate the possibility that development in the District is delayed or altered due to environmental issues related to endangered or threatened species. In recent years there has been an increase in activity at the State and federal levels related to the possible listing of certain plant and animal species found in San Diego County as endangered species. The identification of an endangered or threatened species on property adjacent to the District could curtail development in the District. Any action by the State or federal governments to protect species located on or adjacent to the property within the District could negatively impact the ability of the Developer and any subsequent owners to develop the land within the District that remains undeveloped. This, in turn, could reduce the likelihood of timely payment of the Special Taxes levied against such land and would likely reduce the value of such land and the potential revenues available at the foreclosure sale for delinquent Special Taxes. See "SPECIAL RISK FACTORS—Failure to Develop Properties" above.

### **Natural Disasters**

The District, like all California communities, may be subject to unpredictable seismic activity, fires, flood, or other natural disasters. Southern California is a seismically active area. Seismic activity represents a potential risk for damage to buildings, roads, bridges and property within the District. In addition, land susceptible to seismic activity may be subject to liquefaction during the occurrence of such event. The District is located at sea level adjacent to the San Diego Bay. A rise in the sea level due to a tsunami or other factors could result in substantial flooding. In the event of a severe earthquake, fire, flood or other natural disaster, there may be significant damage to both property and infrastructure in the District. As a result, a substantial portion of the property owners and lessees may be unable or unwilling to pay the Special Taxes when due. In addition, the value of land in the District could be diminished in the aftermath of such a natural disaster, reducing the resulting proceeds of foreclosure sales in the event of delinquencies in the payment of the Special Taxes.

In the event of a major earthquake, the land within the District could be subject to moderate to severe ground shaking. According to recent geotechnical reports, the nearest known major active fault to the District is the Rose Canyon Fault approximately 2.5 miles to the east of the site. In addition to the Rose Canyon Fault, there are five other known fault zones ranging from 17 to 57 miles from the District.

The property in the District was not affected by any of the October 2007 wildfires in San Diego County.

### **Hazardous Substances**

The presence of hazardous substances on a parcel may result in a reduction in the value of a parcel. In general, the owners and operators of a parcel may be required by law to remedy conditions of the parcel relating to releases or threatened releases of hazardous substances. The Federal Comprehensive Environmental Response, Compensation and Liability Act of 1980, sometimes referred to as “CERCLA” or the “Superfund Act,” is the most well-known and widely applicable of these laws, but California laws with regard to hazardous substances are also stringent and similar. Under many of these laws, the owner or operator is obligated to remedy a hazardous substance condition of property whether or not the owner or operator has anything to do with creating or handling the hazardous substance. The effect, therefore, should any of the taxed parcels be affected by a hazardous substance, is to reduce the marketability and value of the parcel by the costs of remedying the condition, because the purchaser, upon becoming owner, will become obligated to remedy the condition just as is the seller.

Further, it is possible that liabilities may arise in the future with respect to any of the parcels resulting from the existence, currently, on the parcel of a substance presently classified as hazardous but which has not been released or the release of which is not presently threatened, or may arise in the future resulting from the existence, currently on the parcel of a substance not presently classified as hazardous but which may in the future be so classified. Further, such liabilities may arise not simply from the existence of a hazardous substance but from the method of handling it. All of these possibilities could significantly affect the value of a parcel that is realizable upon a delinquency.

#### ***United States Government Actions 1993-2001***

CERCLA provides with respect to military base closures that the federal government must covenant that any remedial action necessary to protect human health and the environment has been taken before the transfer of land within a closed base and that any future remedial action found to be necessary after the date of transfer shall be conducted by the federal government.

Prior to transfer of the Naval Training Center property by the United States to the City, it was necessary for the United States to make an affirmative determination that the property was suitable to transfer and to document such finding in a “Finding of Suitability to Transfer” (“FOST”).

By deeds recorded in 2000 and 2001, the United States transferred to the City all portions of the Naval Training Center which were the subject of a FOST. The United States warranted in each deed “that all remedial actions necessary to protect human health and the environment” had been undertaken and “that all additional remedial action found to be necessary after the date of [the] deed shall be conducted by the United States.”

#### ***Environmental Insurance***

The DDA requires that the Developer acquire and maintain a policy of Commercial Property Redevelopment Pollution insurance to provide \$50,000,000 in coverage to the Developer, the Agency and the City. Under the terms of the policy, if hazardous substances are found within the Liberty Station project, including substances that are the responsibility of the federal government, the Developer may proceed to remediate the property and be reimbursed by the insurer.

### ***Recent Developments***

In Fall 2002, the Developer uncovered a trash deposit in Improvement Area No. 1. Analysis of the materials indicated that the trash had been burned; therefore, it was classified as hazardous material. The Developer submitted a work program to the County of San Diego Office of Environmental Health, and proceeded to remediate the site by removing the materials and backfilling with clean soil. In July 2003, the County of San Diego prepared a Case Closure indicating the trash deposit had been successfully remediated.

The only area of the Naval Training Center which has not yet been conveyed to the City and with respect to which regulators have not issued a “No Further Action” concurrence is the Boat Channel. The United States Government has continued to discuss the closure of the Boat Channel with the California Regional Water Quality Control Board, as the lead agency. City staff has begun discussions with the United States Government and the Regional Water Quality Control Board regarding the environmental remediation and conveyance of the Boat Channel to the City. These discussions are currently on-going. As of January 1, 2008, no resolution had been reached as to remediation and conveyance of the Boat Channel to the City.

### ***Mold in Residential Units***

In May 2005, the homebuilder within the District discovered evidence of mold stains on a vanity located along a common wall in Anchor Cover, which comprises the condominium project section of Improvement Area No. 1. This led to the homebuilder investigating approximately 140 condominium units. Impacts were found in 54 units. The mold was caused from use by the homebuilder of a cellulose insulation product sold under the name Green Fiber. The homebuilder hired experts to investigate the mold, and successfully completed a remediation program to remove the mold by March 2006. The City makes no representation as to whether any mold exists in the District. Neither the Developer nor the City has received any further requests from homeowners related to the presence of mold.

### **Parity Taxes, Special Assessments and Land Development Costs**

Property within the District is subject to taxes and assessments imposed by public agencies also having jurisdiction over the land within the District. See “THE DISTRICT—Estimated Direct and Overlapping Indebtedness.”

The Special Taxes and any penalties thereon will constitute a lien against the parcels of land and leasehold interests on which they will be annually imposed until they are paid. Such lien is on a parity with all special taxes and special assessments levied by the City and other agencies and is co-equal to and independent of the lien for general property taxes regardless of when they are imposed upon the same property. The Special Taxes have priority over all existing and future private liens imposed on the property except, possibly, for liens or security interests held by the Federal Deposit Insurance Corporation. See “SPECIAL RISK FACTORS—Bankruptcy and Foreclosure” below.

Development and renovation of the land and existing improvements within the District is contingent upon construction or acquisition of major public improvements such as arterial streets, water distribution facilities, sewage collection and transmission facilities, drainage and flood protection facilities, gas, telephone and electrical facilities, parks and street lighting, as well as local in-tract improvements and on-site grading and related improvements. Certain of these improvements have been acquired and/or completed; however, there can be no assurance that the remaining improvements will be constructed or will be constructed in time for development to proceed as currently expected. The cost of these additional improvements plus the public and private in-tract, on-site and off-site improvements could increase the public and private debt for which the property within the District is security. This increased debt could reduce the ability or desire of the property owners and lessees to pay the annual Special Taxes levied on their property interest. In that event there could be a default in the payment of principal of, and interest on, the 2008 Bonds when due.

Neither the City nor the District has control over the ability of other entities to issue indebtedness secured by special taxes, *ad valorem* taxes or assessments payable from all or a portion of the property within the District. In addition, the property owners within the District may, without the consent or knowledge of the City, petition other public agencies to issue public indebtedness secured by special taxes, and *ad valorem* taxes or assessments. Any such special taxes, and *ad valorem* taxes or assessments may have a lien on such property on a parity with the Special Taxes and could reduce the estimated value-to-lien ratios for property within the District described herein.

### **Disclosures to Future Purchasers**

The willingness or ability of an owner or lessee of a parcel to pay the Special Tax even if the value of the parcel is sufficient may be affected by whether or not the owner or lessee was given due notice of the Special Tax authorization at the time the owner purchased the parcel or entered into the lease, was informed of the amount of the Special Tax on the parcel should the Special Tax be levied at the maximum tax rate and the risk of such a levy, and, at the time of such a levy, has the ability to pay it as well as pay other expenses and obligations. The City has caused a notice of the Special Tax lien to be recorded in the Office of the Recorder for the County against each parcel. While title companies normally refer to such notices in title reports, there can be no guarantee that such reference will be made or, if made, that a prospective purchaser or lender will consider such Special Tax obligation in the purchase of a property within the District or lending of money thereon.

The Act requires the subdivider (or its agent or representative) of a subdivision to notify a prospective purchaser or long-term lessor of any lot, parcel, or unit subject to a Mello-Roos special tax of the existence and maximum amount of such special tax using a statutorily prescribed form. California Civil Code Section 1102.6b requires that in the case of transfers other than those covered by the above requirement, the seller must at least make a good faith effort to notify the prospective purchaser of the special tax lien in a format prescribed by statute. Failure by an owner of the property to comply with the above requirements, or failure by a purchaser or lessor to consider or understand the nature and existence of the Special Tax, could adversely affect the willingness and ability of the purchaser or lessor to pay the Special Tax when due.

### **Special Tax Delinquencies**

Under provisions of the Act, the Special Taxes, from which funds necessary for the payment of principal of, and interest on, the 2008 Bonds are derived, are customarily billed to the properties within the District on the *ad valorem* property tax bills sent to owners or lessees of such properties. The Act currently provides that such Special Tax installments are due and payable, and bear the same penalties and interest for non-payment, as do *ad valorem* property tax installments. The Special Taxes securing payment of the 2008 Bonds do not include any penalties or interest collected in connection with delinquent installments.

See “SOURCES OF PAYMENT FOR THE BONDS—Proceeds of Foreclosure Sales,” for a discussion of the provisions which apply, and procedures which the District is obligated to follow under the Bond Indenture, in the event of delinquencies in the payment of Special Taxes. See “—Bankruptcy and Foreclosure” below, for a discussion of the policy of the Federal Deposit Insurance Corporation regarding the payment of special taxes and assessment and limitations on the District’s ability to foreclose on the lien of the Special Taxes in certain circumstances.

### **Non-Cash Payments of Special Taxes**

Under the Act, the City Council as the legislative body of the District may reserve to itself the right and authority to allow the owner or lessee of any taxable parcel to tender a Bond or Parity Bond in full or partial payment of any installment of the Special Taxes. A Bond or Parity Bond so tendered is to be accepted at par and credit is to be given for any interest accrued thereon to the date of the tender. Thus, if Bonds or Parity Bonds can be purchased in the secondary market at a discount, it may be to the advantage of the owner or lessee of a taxable parcel to pay the Special Taxes applicable thereto by tendering a Bond or Parity Bond.

Such a practice would decrease the cash flow available to the District to make payments with respect to other Bonds or Parity Bonds then outstanding; and, unless the practice was limited by the District, the Special Taxes paid in cash could be insufficient to pay the debt service due with respect to such other Bonds or Parity Bonds. In order to provide some protection against the potential adverse impact on cash flows which might be caused by the tender of Bonds or Parity Bonds in payment of Special Taxes, the Bond Indenture includes a covenant pursuant to which the District will not authorize owners of taxable parcels to satisfy Special Tax obligations by the tender of Bonds or Parity Bonds unless the District shall have first obtained a report of an Independent Financial Consultant certifying that doing so would not result in the District having insufficient Special Tax revenues to pay the principal of and interest on all Outstanding Bonds and any Parity Bonds when due.

### **Payment of the Special Tax is not a Personal Obligation of the Owners or Lessees**

An owner or lessee of a taxable parcel or leasehold interest is not personally obligated to pay the Special Tax. Rather, the Special Tax is an obligation which is secured only by a lien against the taxable parcel or leasehold interest in a parcel. If the value of a taxable parcel or leasehold interest is not sufficient, taking into account other liens imposed by public agencies, to secure fully the Special Tax, the District has no recourse against the owner or lessee.

### **Property Values**

The value of the property within the District is a critical factor in determining the investment quality of the 2008 Bonds. If a property owner is delinquent in the payment of Special Taxes, the District's only remedy is to commence foreclosure proceedings against the delinquent parcel or leasehold interest in an attempt to obtain funds to pay the Special Taxes. Reductions in property values, including leasehold interests, due to a downturn in the economy, physical events such as earthquakes, fires or floods, stricter land use regulations, delays in development or other events will adversely impact the security underlying the Special Taxes and would reduce the estimated value-to-lien ratios set forth in Table 6 above.

The assessed values set forth in this Official Statement do not represent market values arrived at through an appraisal process and generally reflect only the sales price of a parcel when acquired by its current owner or the value of a leasehold interest established by the San Diego County Assessor, adjusted annually by an amount determined by the San Diego County Assessor, generally not to exceed an increase of more than 2% per fiscal year. No assurance can be given that a parcel or leasehold interest subject to foreclosure could actually be sold for its assessed value.

Prospective purchasers of the 2008 Bonds should not assume that the property within the District could be sold for its assessed or market value at a foreclosure sale for delinquent Special Taxes. No assurance can be given that any bid will be received for an Assessor's Parcel with delinquent Special Taxes offered for sale at foreclosure or, if a bid is received, that such bid will be sufficient to pay all delinquent Special Taxes. See "SOURCES OF PAYMENT FOR THE BONDS—Special Tax—*Proceeds of Foreclosure Sales.*"

### **Assessment Appeals**

There are two basic types of assessment appeals provided for under California law. The first type of appeal, commonly referred to as a base year assessment appeal, involves a dispute on the valuation assigned by the Assessor immediately subsequent to a change in ownership or completion of new construction. If the base year value assigned by the Assessor is reduced, the valuation of the property cannot increase in subsequent years more than two percent annually unless and until another change in ownership and/or additional new construction activity occurs. The second type of appeal, commonly referred to as a Proposition 8 appeal, can result if factors occur causing a decline in the market value of the property to a level below the property's then current taxable value.

As of February 13, 2008, there were base year assessment appeals pending for four non-residential parcels expected to be taxed in Fiscal Year 2008-09 within the District seeking a reduction of \$8,281,268 in

assessed value. As of January 28, 2008, the County Assessor had recommended a reduction of \$7,664,653 in assessed value for these four parcels. Once approved, the County Assessor's recommended value for three of the four parcels will be applied retroactively to Fiscal Year 2006-07 to reduce the assessed value for these parcels to \$2,225,000 and will thereafter be escalated by 2% for Fiscal Year 2007-08 to \$2,269,500. The County Assessor's recommended value for the remaining parcel will be applied to Fiscal Year 2007-08 to reduce the assessed value to \$3,000,000. See Table 6 herein. In addition, Proposition 8 assessment appeals were filed by two homeowners in November 2007. As of February 1, 2008, the County had not yet set a date to hear these appeals. Therefore, Table 6 does not reflect any changes to assessed value for these two homeowner properties. Additional assessment appeals have also been filed for Undeveloped Properties in Improvement Area No. 2, which are not currently taxed. Proposition 8 appeals do not affect the amount of Special Taxes levied against a parcel.

Given the ongoing decline in real estate prices in San Diego it is likely that the number of appeals under Proposition 8 will increase which could result in reductions in assessed values which adversely impacts the security underlying the Special Taxes and would reduce the estimated value-to-lien ratios set forth in Table 6 above. In addition, the County Assessor can initiate reductions in assessed values on its own determination. Such determination would not reduce the amount of Special Taxes authorized to be levied on any parcel within the District. The District cannot provide any assurance as to the likelihood, extent or success of any assessment appeal by an property owner in the District in the future.

### **FDIC/Federal Government Interests in Properties**

The ability of the District to foreclose the lien of delinquent unpaid Special Tax installments may be limited with regard to properties in which the Federal Deposit Insurance Corporation (the "FDIC") has an interest. In the event that any financial institution making any loan which is secured by real property within the District is taken over by the FDIC, and prior thereto or thereafter the loan or loans go into default, then the ability of the District to collect interest and penalties specified by State law and to foreclose the lien of delinquent unpaid Special Taxes may be limited.

The FDIC's policy statement regarding the payment of state and local real property taxes (the "Policy Statement") provides that property owned by the FDIC is subject to state and local real property taxes only if those taxes are assessed according to the property's value, and that the FDIC is immune from real property taxes assessed on any basis other than property value. According to the Policy Statement, the FDIC will pay its property tax obligations when they become due and payable and will pay claims for delinquent property taxes as promptly as is consistent with sound business practice and the orderly administration of the institution's affairs, unless abandonment of the FDIC's interest in the property is appropriate. The FDIC will pay claims for interest on delinquent property taxes owed at the rate provided under state law, to the extent the interest payment obligation is secured by a valid lien. The FDIC will not pay any amounts in the nature of fines or penalties and will not pay nor recognize liens for such amounts. If any property taxes (including interest) on FDIC-owned property are secured by a valid lien (in effect before the property became owned by the FDIC), the FDIC will pay those claims. The Policy Statement further provides that no property of the FDIC is subject to levy, attachment, garnishment, foreclosure or sale without the FDIC's consent. In addition, the FDIC will not permit a lien or security interest held by the FDIC to be eliminated by foreclosure without the FDIC's consent.

The Policy Statement states that the FDIC generally will not pay non-*ad valorem* taxes, including special assessments, on property in which it has a fee interest unless the amount of tax is fixed at the time that the FDIC acquires its fee interest in the property, nor will it recognize the validity of any lien to the extent it purports to secure the payment of any such amounts. Special taxes imposed under the Mello-Roos Act and a special tax formula which determines the special tax due each year are specifically identified in the Policy Statement as being imposed each year and therefore covered by the FDIC's federal immunity.

The District is unable to predict what effect the application of the Policy Statement would have in the event of a delinquency in the payment of Special Taxes on a parcel or leasehold interest within the District in

which the FDIC has or obtains an interest, although prohibiting the lien of the FDIC to be foreclosed out at a judicial foreclosure sale could reduce or eliminate the number of persons willing to purchase a parcel or leasehold interest at a foreclosure sale. Such an outcome could cause a draw on the Reserve Account and perhaps, ultimately, a default in payment on the 2008 Bonds.

### **Bankruptcy and Foreclosure**

Bankruptcy, insolvency and other laws generally affecting creditors rights could adversely impact the interests of Owners of the 2008 Bonds in at least three ways. First, the payment by a taxpayer of Special Taxes and the ability of the District to foreclose the lien of a delinquent unpaid Special Tax pursuant to its covenant to pursue judicial foreclosure proceedings may be limited by bankruptcy, insolvency or other laws generally affecting creditors' rights or by the laws of the State relating to judicial foreclosure. See "SOURCES OF PAYMENT FOR THE BONDS—Special Taxes—*Proceeds of Foreclosure Sales*." In addition, the prosecution of a foreclosure could be delayed due to many reasons, including crowded local court calendars or lengthy procedural delays.

Secondly, the Bankruptcy Code might prevent moneys on deposit in the Project Account of the Acquisition and Construction Fund from being applied to pay interest on the 2008 Bonds and/or to redeem 2008 Bonds if bankruptcy proceedings were brought by or against the Developer or its related entities or successors and if the court found that any of such landowners had an interest in such moneys within the meaning of Section 541(a)(1) of the Bankruptcy Code.

Thirdly, a bankruptcy involving the County and the County Treasurer's Investment Pool (the "Pool") might cause Special Taxes held in the Pool to be temporarily unavailable to the District and, in turn, the Trustee. The County assesses property and collects secured and unsecured property taxes for the cities, school districts, and special districts within the County, including the City. Once the property taxes are collected, the County conducts its internal reconciliation for accounting purposes and distributes the City's share of such taxes to the City, generally within a couple of weeks. Prior to distribution, the moneys are deposited in an account established on behalf of the City in the Pool. See APPENDIX B—"SUPPLEMENTAL INFORMATION CONCERNING THE CITY OF SAN DIEGO."

Although a bankruptcy proceeding involving a property owner would not cause the Special Taxes to become extinguished, the amount of any Special Tax lien could be modified if the value of the interest against which such Special Taxes were levied falls below the value of the lien. If the value of the interest against which such Special Taxes were levied is less than the lien, such excess amount could be treated as an unsecured claim by the bankruptcy court. In addition, bankruptcy of a property owner could result in a delay in prosecuting Superior Court foreclosure proceedings. Such delay would increase the likelihood of a delay or default in payment of delinquent Special Tax installments and the possibility of delinquent Special Tax installments not being paid in full.

On July 30, 1992, the United States Court of Appeals for the Ninth Circuit issued its opinion in a bankruptcy case entitled In re Glasply Marine Industries. In that case, the court held that *ad valorem* property taxes levied by Snohomish County in the State of Washington after the date that the property owner filed a petition for bankruptcy were not entitled to priority over a secured creditor with a prior lien on the property. Although the court upheld the priority of unpaid taxes imposed before the bankruptcy petition, unpaid taxes imposed after the filing of the bankruptcy petition were declared to be "administrative expenses" of the bankruptcy estate, payable after all secured creditors. As a result, the secured creditor was able to foreclose on the property and retain all the proceeds of the sale except the amount of the pre-petition taxes.

The Bankruptcy Reform Act of 1994 (the "Bankruptcy Reform Act") included a provision which exempts from the Bankruptcy Code's automatic stay provisions, "the creation of a statutory lien for an *ad valorem* property tax imposed by . . . a political subdivision of a state if such tax comes due after the filing of the petition [by a debtor in bankruptcy court]." This amendment effectively makes the Glasply holding inoperative as it relates to *ad valorem* real property taxes. However, it is possible that the original rationale of

the Glasply ruling could still result in the treatment of post-petition special taxes as “administrative expenses,” rather than as tax liens secured by real property, at least during the pendency of bankruptcy proceedings.

According to the court’s ruling, as administrative expenses, post petition taxes would be paid, assuming that the debtor had sufficient assets to do so. In certain circumstances, payment of such administrative expenses may be allowed to be deferred. Once the property is transferred out of the bankruptcy estate (through foreclosure or otherwise), it would at that time become subject to current *ad valorem* taxes.

The Act provides that the Special Taxes are secured by a continuing lien which is subject to the same lien priority in the case of delinquency as *ad valorem* taxes. No case law exists with respect to how a bankruptcy court would treat the lien for Special Taxes levied after the filing of a petition in bankruptcy. Glasply is controlling precedent on bankruptcy courts in the State. If the Glasply precedent was applied to the levy of the Special Taxes, the amount of Special Taxes received from parcels whose owners or lessees declare bankruptcy could be reduced.

The various legal opinions to be delivered concurrently with the delivery of the 2008 Bonds (including Bond Counsel’s approving legal opinion) will be qualified, as to the enforceability of the various legal instruments, by moratorium, bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally.

#### **No Acceleration Provision**

The 2008 Bonds do not contain a provision allowing for the acceleration of the 2008 Bonds in the event of a payment default or other default under the 2008 Bonds or the Bond Indenture.

#### **Loss of Tax Exemption**

As discussed under the caption “LEGAL MATTERS—Tax Exemption,” the interest on the 2008 Bonds could become includable in gross income for federal income tax purposes retroactive to the date of issuance of the 2008 Bonds as a result of a failure of the District to comply with certain provisions of the Internal Revenue Code of 1986, as amended or other factors. Should such an event of taxability occur, the 2008 Bonds are not subject to early redemption and will remain outstanding to maturity or until redeemed under the redemption provisions of the Bond Indenture.

#### **Limitations on Remedies**

Remedies available to the Owners of the 2008 Bonds may be limited by a variety of factors and may be inadequate to assure the timely payment of principal of and interest on the 2008 Bonds or to preserve the tax-exempt status of the 2008 Bonds.

Bond Counsel has limited its opinion as to the enforceability of the 2008 Bonds and of the Bond Indenture to the extent that enforceability may be limited by bankruptcy, insolvency, reorganization, fraudulent conveyance or transfer, moratorium, or other similar laws affecting generally the enforcement of creditors’ rights, by equitable principles and by the exercise of judicial discretion. The lack of availability of certain remedies or the limitation of remedies may entail risks of delay, limitation or modification of the rights of the owners of the 2008 Bonds.

#### **Limited Secondary Market**

There can be no guarantee that there will be a secondary market for the 2008 Bonds or, if a secondary market exists, that such 2008 Bonds can be sold for any particular price. Although the District and the Developer have committed to provide certain financial and operating information on an annual basis, there can be no assurance that such information will be available to Owners of the 2008 Bonds on a timely basis. See “CONTINUING DISCLOSURE.” The failure to provide the required annual financial information does not

give rise to monetary damages but merely an action for specific performance. Occasionally, because of general market conditions, lack of current information, or because of adverse history or economic prospects connected with a particular issue, secondary marketing practices in connection with a particular issue are suspended or terminated. Additionally, prices of issues for which a market is being made will depend upon then prevailing circumstances. Such prices could be substantially different from the original purchase price.

### **Certain Investigations Regarding City**

The City has been under investigation by various governmental agencies stemming from misstatements and/or omissions concerning the City's pension system in the City's 2002 and 2003 financial statements and/or related securities offerings disclosure. The Securities and Exchange Commission (the "SEC") concluded its investigation into the City on November 14, 2006 by entering a Cease-and-Desist Order (the "Order") against the City wherein the SEC found that the City had violated the fraud provisions of the securities laws in failing to accurately disclose the City's growing pension liability in relation to several City bond offerings in 2002 and 2003. Investigations by the SEC into entities other than the City, including current and former City officials, are ongoing. To date, neither the investigations nor the Order involve any special tax bonds issued by community facilities districts within the City or any bonds issued by the District. Nonetheless, the District can provide no assurance that a significant negative development with respect to the City's overall financial condition or the pending investigations would not have a negative impact on the value of the Bonds in the secondary market. It is uncertain when the investigations will be completed, and the District can provide no assurance as to whether any new investigations will be initiated. The District has no reason to believe that any pending or future investigation would adversely interfere with the timely payment of principal and interest on the Bonds.

### **Proposition 218**

An initiative measure commonly referred to as the "Right to Vote on Taxes Act" (the "Initiative") was approved by the voters of the State of California at the November 5, 1996 general election. The Initiative added Article XIII C and Article XIII D to the California Constitution. According to the "Title and Summary" of the Initiative prepared by the California Attorney General, the Initiative limits "the authority of local governments to impose taxes and property-related assessments, fees and charges." The Initiative could potentially impact the Special Taxes available to the District to pay the principal of and interest on the 2008 Bonds as described below.

Among other things, Section 3 of Article XIII states that ". . . the initiative power shall not be prohibited or otherwise limited in matters of reducing or repealing any local tax, assessment, fee or charge." The Act provides for a procedure which includes notice, hearing, protest and voting requirements to alter the rate and method of apportionment of an existing special tax. However, the Act prohibits a legislative body from adopting any resolution to reduce the rate of any special tax or terminate the levy of any special tax pledged to repay any debt incurred pursuant to the Act unless such legislative body determines that the reduction or termination of the special tax would not interfere with the timely retirement of that debt. On July 1, 1997, a bill was signed into law by the Governor of the State enacting Government Code Section 5854, which states that:

"Section 3 of Article XIII C of the California Constitution, as adopted at the November 5, 1996, general election, shall not be construed to mean that any owner or beneficial owner of a municipal security, purchased before or after that date, assumes the risk of, or in any way consents to, any action by initiative measure that constitutes an impairment of contractual rights protected by Section 10 of Article I of the United States Constitution."

Accordingly, although the matter is not free from doubt, it is likely that the Initiative has not conferred on the voters the power to repeal or reduce the Special Taxes if such reduction would interfere with the timely retirement of the 2008 Bonds. The provisions of the Initiative relating to the exercise of the initiative power have not been interpreted by the courts, and no assurance can be given as to the outcome of any such litigation.

It may be possible, however, for voters or the City Council acting as the legislative body of the District to reduce the Special Taxes in a manner which does not interfere with the timely repayment of the 2008 Bonds, but which does reduce the maximum amount of Special Taxes that may be levied in any year below the existing levels. Furthermore, no assurance can be given with respect to the future levy of the Special Taxes in amounts greater than the amount necessary for the timely retirement of the 2008 Bonds. Therefore, no assurance can be given with respect to the levy of Special Taxes for Administrative Expenses. Nevertheless, to the maximum extent that the law permits it to do so, the District has covenanted that it will not initiate proceedings under the Act to reduce the maximum Special Tax rates on parcels of Developed Property within the District to less than an amount equal to 110% of Maximum Annual Debt Service on the Outstanding 2008 Bonds and Parity Bonds. In connection with the foregoing covenant, the District has made a legislative finding and determination that any elimination or reduction of Special Taxes below the foregoing level would interfere with the timely retirement of the 2008 Bonds. The District also has covenanted that, in the event an initiative is adopted which purports to alter the Rate and Method, it will commence and pursue legal action in order to preserve its ability to comply with the foregoing covenant. However, no assurance can be given as to the enforceability of the foregoing covenants.

The interpretation and application of the Initiative will ultimately be determined by the courts with respect to a number of the matters discussed above, and it is not possible at this time to predict with certainty the outcome of such determination or the timeliness of any remedy afforded by the courts. See “SPECIAL RISK FACTORS—Limitations on Remedies.”

### **Ballot Initiatives**

Article XIII A, XIII B, XIII C and XIII D were adopted pursuant to measures qualified for the ballot pursuant to California’s constitutional initiative process. From time to time, other initiative measures could be adopted by California voters. The adoption of any such initiative might place limitations on the ability of the State, the City, or local districts to increase revenues or to increase appropriations or on the ability of the property owners within the District to complete the remaining proposed development. See “SPECIAL RISK FACTORS—Failure to Develop Properties” herein.

### **CONTINUING DISCLOSURE**

Pursuant to the Continuing Disclosure Certificate of the District (the “Disclosure Certificate”), the District has agreed to provide, or cause to be provided, to each nationally recognized municipal securities information repository and any public or private repository or entity designated by the State as a state repository for purposes of Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission (each, a “Repository”) certain annual financial information and operating data concerning the District. Any filings required to be made by the District under the Disclosure Certificate may be made through the Central Post Office as defined in Appendix D hereto. The Annual Report to be filed by the District is to be filed not later than April 1 of each year, beginning April 1, 2009, and is to include audited financial statements of the City. The requirement that the District file the audited financial statements of the City as a part of the Annual Report has been included in the Disclosure Certificate solely to satisfy the provisions of Rule 15c2-12. The inclusion of this information does not mean that the 2008 Bonds are secured by any resources or property of the City. See “SOURCES OF PAYMENT FOR THE 2008 BONDS” and “SPECIAL RISK FACTORS—Limited Obligations.” The District has not entered into any previous undertakings. The full text of the Disclosure Certificate is set forth in Appendix D.

Prior to March 2004, the City had never failed to comply with its previous undertakings with regard to Rule 15c2-12 to provide annual reports or notices of material events. Since that date the City has failed to comply with various filing deadlines for a number of previous undertakings due to the lack of availability of the City’s audited financial statements, as described in greater detail below.

In September 2003, the City found errors in various financial statements for the year ended June 30, 2002. As a result of the discovery of the errors regarding the results in certain 2002 financial statements, the

City retained the accounting firm of KPMG LLP to perform a full scope audit on the 2003 financial statements, and on March 16, 2007 KPMG released an unqualified opinion regarding the City's 2003 financial statements. On May 11, 2007, Macias, the City's current auditing firm, released an unqualified opinion on the City's financial statements for fiscal year 2004. On October 26, 2007, Macias released an unqualified opinion on the City's financial statements for fiscal year 2005. On December 13, 2007, the Chief Financial Officer of the City announced that the City was reopening the 2005 financial statements for the limited purpose of reviewing Note 18 of such financial statements with respect to issues related to the City's pension system. On February 8, 2008, Macias issued an unqualified audit opinion on the City's 2005 financial statements incorporating the opinion of October 26 and covering the subsequent revisions to the 2005 financial statements. The 2005 financial statements were reviewed by the City's Audit Committee and received and filed by the City Council on March 25, 2008. On March 21, 2008, Macias issued an unqualified audit opinion on the City's 2006 financial statements. The 2006 financial statements are awaiting further action by the City's Audit Committee and the City Council. It is unknown at this time when the City's financial statements for fiscal year 2007 will be completed.

On February 8, 2008, the City filed annual reports (including financial statements) on securities issued by the Public Facilities Financing Authority of the City of San Diego that are secured by either the Water Utility Fund or Sewer Revenue Fund for the 2003 and 2004 fiscal years. In addition, on December 11, 2007 the City filed the annual report (including financial statements) relating to 8 securities that are secured directly or indirectly by the City's General Fund for the fiscal years 2003 and 2004. With regard to special tax and assessment bonds, the various districts filed reports for fiscal year ended June 30, 2003 on time without financial statements, did not file reports for fiscal year ended June 30, 2004 when due, filed reports for fiscal years ended June 30, 2004 and June 30, 2005 prior to the filing deadline for the report due June 30, 2005 without financial statements, filed the reports for fiscal years ended June 30, 2006 on time without financial statements and anticipate filing the reports for the fiscal year ended June 30, 2007 on time without financial statements. The 2003 and 2004 financial statements have been filed with the Repositories.

The City is not current with respect to the following continuing disclosure reports for the fiscal years ended June 30, 2005 and 2006 and anticipates not being current with respect to the following reports for the fiscal year ended June 30, 2007 due to the unavailability of the financial statements for the 2007 fiscal year:

To assist the Underwriters in complying with Rule 15c2-12(b)(5), the Developer will enter into a Continuing Disclosure Agreement (the “Developer Disclosure Agreement”) covenanting to provide an Annual Report not later than May 15 of each year beginning May 15, 2008, a Semiannual Report on each November 15 commencing November 15, 2008, and notice of certain material events as they occur. The Annual Report provided by the Developer is to contain the audited financial statements of the Developer if the Developer and its Affiliates (as defined therein), in the aggregate, own property upon which 20% or more of the Special Taxes have been levied in the Fiscal Year for which the Annual Report is being provided, and the additional financial and operating data outlined in Section 4 of the Developer Disclosure Agreement attached in Appendix E. The Semiannual Report will contain certain operating data as set forth in Section 4 of the Developer Disclosure Agreement. The Developer has not previously entered into an agreement to provide continuing disclosure in accordance with Rule 15c2-12 but did agree with the purchasers of the 2006 Bonds to provide certain operating and financial data annually, which it has provided on a timely basis.

The obligations of the Developer under the Developer Disclosure Agreement will terminate upon the earliest to occur of: (i) the legal defeasance, prior redemption or payment in full of all the 2008 Bonds; (ii) the date on which the Developer (and all Affiliates of Developer (as defined in the Developer Disclosure Agreement) owning property in the District) are no longer responsible for the payment of 20 percent or more of the annual Special Tax levy and not less than 95% of the infrastructure improvements to be constructed by the Developer have been completed; or (iii) the date on which the Developer delivers to the District an opinion of nationally-recognized bond counsel to the effect that the continuing disclosure is no longer required under the Rule. The Developer has also agreed that, if an ownership interest in any property in the District is sold by the Developer which will result in the transferee becoming responsible for the payment of 20 percent or more of the annual Special Tax levy in the fiscal year following such transfer, the Developer will cause any such transferee to enter into a disclosure agreement described in Section 12 of the Developer Disclosure Agreement attached hereto in Appendix E.

The Developer Disclosure Agreement will inure solely to the benefit of the District, any Dissemination Agent, the Underwriters and Owners of the 2008 Bonds.

Any filings required to be made by the District under its Disclosure Certificate or by the Developer under the Developer Disclosure Agreement may be made through the Central Post Office as defined in Appendices D and E hereto.

## **LEGAL MATTERS**

### **Tax Exemption**

In the opinion of Stradling Yocca Carlson & Rauth, a Professional Corporation, Bond Counsel, under existing statutes, regulations, rulings and judicial decisions, interest on the 2008 Bonds (including any original issue discount) is excluded from gross income for federal income tax purposes, and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations. In the further opinion of Bond Counsel, interest on the 2008 Bonds (including any original issue discount) will be included as an adjustment in the calculation of alternative minimum taxable income, which may affect the alternative minimum tax liability of such corporations.

In the opinion of Bond Counsel, the difference between the issue price of a 2008 Bond (the first price at which a substantial amount of the 2008 Bonds of a maturity is to be sold to the public) and the stated redemption price at maturity of such 2008 Bond constitutes original issue discount. Original issue discount accrues under a constant yield method, and original issue discount will accrue to an Owner of the 2008 Bonds before receipt of cash attributable to such excludable income. The amount of original issue discount deemed received by an Owner of the 2008 Bonds will increase such owner’s basis in the applicable 2008 Bond. The amount of original issue discount that accrues to the Owner of the 2008 Bonds is excluded from the gross

income of such Owner of the 2008 Bonds for federal income tax purposes, is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, and is exempt from State of California personal income tax.

Bond Counsel's opinion as to the exclusion from gross income for federal income tax purposes of interest on the 2008 Bonds (including any original issue discount) is based upon certain representations of fact and certifications made by the District, the Underwriters and others and is subject to the condition that the District complies with all requirements of the Internal Revenue Code of 1986, as amended (the "Code") that must be satisfied subsequent to the issuance of the 2008 Bonds to assure that interest on the 2008 Bonds (including any original issue discount) will not become includable in gross income for federal income tax purposes. Failure to comply with such requirements of the Code might cause interest on the 2008 Bonds (including any original issue discount) to be included in gross income for federal income tax purposes retroactive to the date of issuance of the 2008 Bonds. The District has covenanted to comply with all such requirements.

Should interest on the 2008 Bonds (including any original issue discount) become includable in gross income for federal income tax purposes, the 2008 Bonds are not subject to early redemption and will remain outstanding until maturity or until redeemed in accordance with the Bond Indenture.

On May 17, 2006, the President signed the Tax Increase Prevention and Reconciliation Act of 2005 (the "Tax Increase Prevention Act"). Under Section 6049 of the Internal Revenue Code of 1986, as amended by the Tax Increase Prevention Act, interest paid on tax-exempt obligations will be subject to information reporting in a manner similar to interest paid on taxable obligations. The effective date for this provision is for interest paid after December 31, 2005, regardless of when the tax-exempt obligation were issued. The purpose of this change was to assist in relevant information-gathering for the IRS relating to other applicable tax provisions. The Tax Increase Prevention Act provides that backup withholding may apply to such interest payments made after March 31, 2007, to any bondholder who fails to file an accurate Form W-9 or who meets certain other criteria. The information reporting and backup withholding requirements of the Tax Increase Prevention Act do not affect the excludability of such interest from gross income for federal income tax purposes.

It is possible that subsequent to the issuance of the 2008 Bonds there might be federal, State, or local statutory changes (or judicial or regulatory interpretations of federal, State, or local law) that affect the federal, State, or local tax treatment of the 2008 Bonds or the market value of the 2008 Bonds. No assurance can be given that subsequent to the issuance of the 2008 Bonds such changes or interpretations will not occur. On November 5, 2007, the U.S. Supreme Court heard an appeal in the matter of Kentucky v. Davis, a Kentucky state court decision, on the issue of whether the U.S. Constitution commerce clause precludes states from giving more favorable tax treatment to state and local government bonds issued within that state than the tax treatment given bonds issued outside that state. The outcome of this or any similar case cannot be predicted, but the ultimate result could be a change in the treatment for state tax purposes of interest on the 2008 Bonds. If the Kentucky v. Davis decision is affirmed by the United States Supreme Court, states such as California may be required to eliminate the disparity between the income tax treatment of out-of-state tax-exempt obligations and the income tax treatment of in-state tax-exempt obligations, such as the 2008 Bonds. Although there will be no change in the exemption from State of California personal income taxation of interest on the 2008 Bonds, the impact of such a United States Supreme Court decision may affect the market price for, or the marketability of the 2008 Bonds. Prospective purchasers of the 2008 Bonds should consult their tax advisors regarding this matter.

The Internal Revenue Service (the "IRS") has initiated an expanded program for the auditing of tax-exempt bond issues, including both random and targeted audits. It is possible that the 2008 Bonds will be selected for audit by the IRS. It is also possible that the market value of the 2008 Bonds might be affected as a result of such an audit of the 2008 Bonds (or by an audit of similar bonds).

The amount by which an owner's original basis for determining loss on sale or exchange in the applicable 2008 Bond (generally, the purchase price) exceeds the amount payable on maturity (or on an earlier call date) constitutes amortizable 2008 Bond premium, which must be amortized under Section 171 of the Code; such amortizable 2008 Bond premium reduces the owner's basis in the applicable 2008 Bond (and the amount of tax-exempt interest received), and is not deductible for federal income tax purposes. The basis reduction as a result of the amortization of 2008 Bond premium may result in an Owner of the 2008 Bonds realizing a taxable gain when a 2008 Bond is sold by the owner for an amount equal to or less (under certain circumstances) than the original cost of the 2008 Bond to the owner. Purchasers of the 2008 Bonds should consult their own tax advisors as to the treatment, computation and collateral consequences of amortizable 2008 Bond premium.

Bond Counsel's opinions may be affected by actions taken (or not taken) or events occurring (or not occurring) after the date hereof. Bond Counsel has not undertaken to determine, or to inform any person, whether any such actions or events are taken or do occur. The Bond Indenture and the Tax Certificate relating to the 2008 Bonds permit certain actions to be taken or to be omitted if a favorable opinion of Bond Counsel is provided with respect thereto. Bond Counsel expresses no opinion as to the effect on the exclusion from gross income for federal income tax purposes of interest (and original issue discount) with respect to any 2008 Bond if any such action is taken or omitted based upon the advice of counsel other than Stradling Yocca Carlson & Rauth, a Professional Corporation.

Although Bond Counsel has rendered an opinion that interest (and original issue discount) on the 2008 Bonds is excluded from gross income for federal income tax purposes provided that the District continues to comply with certain requirements of the Code, the ownership of the 2008 Bonds and the accrual or receipt of interest (and original issue discount) with respect to the 2008 Bonds may otherwise affect the tax liability of certain persons. Bond Counsel expresses no opinion regarding any such tax consequences. Accordingly, before purchasing any of the 2008 Bonds, all potential purchasers should consult their tax advisors with respect to collateral tax consequences relating to the 2008 Bonds.

The form of Bond Counsel's opinion with respect to the 2008 Bonds is attached as Appendix F.

### **Litigation**

No litigation is pending or threatened concerning the validity of the 2008 Bonds, the pledge of Special Taxes to repay the 2008 Bonds, the powers or authority of the District with respect to the 2008 Bonds, or seeking to restrain or enjoin development of the land within the District and a certificate of the District to that effect will be furnished to the Underwriters at the time of the original delivery of the 2008 Bonds.

### **Legal Opinion**

The validity of the 2008 Bonds and certain other legal matters are subject to the approving opinion of Stradling Yocca Carlson & Rauth, a Professional Corporation, Newport Beach, California, Bond Counsel. A complete copy of the proposed form of Bond Counsel opinion is contained in Appendix F hereto and will accompany the 2008 Bonds. Certain legal matters will be passed upon for the City and the District by the City Attorney, and for the District by Stradling Yocca Carlson & Rauth, a Professional Corporation, Newport Beach, California, as Disclosure Counsel. Bond Counsel and Disclosure Counsel undertake no responsibility to the Owners of the 2008 Bonds for the accuracy, completeness or fairness of this Official Statement and expressly disclaims any duty to advise the Owners of the 2008 Bonds as to matters related to this Official Statement.

### **No Rating**

The District has not made and does not contemplate making application to any rating agency for the assignment of a rating of the 2008 Bonds.

## **Underwriting**

The 2008 Bonds are being purchased by Stone & Youngberg LLC and E. J. De La Rosa & Co. (together, the "Underwriters"). The Underwriters have agreed to purchase the 2008 Bonds at a price of \$3,831,379.20 (being \$3,950,000.00 aggregate principal amount thereof, less Underwriters' discount of \$91,862.00 and less original issue discount of \$26,758.80). The purchase agreement relating to the 2008 Bonds provides that the Underwriters will purchase all but not less than all of the 2008 Bonds. The obligation to make such purchase is subject to certain terms and conditions set forth in such purchase agreement, the approval of certain legal matters by counsel and certain other conditions.

The Underwriters may offer and sell the 2008 Bonds to certain dealers and others at prices lower than the offering price stated on the cover page hereof. The offering price may be changed from time to time by the Underwriters.

## **Financial Interests**

The fees being paid to the Underwriters and Underwriters' Counsel and in part to Bond Counsel are contingent upon the issuance and delivery of the 2008 Bonds. From time to time, Bond Counsel represents the Underwriters on matters unrelated to the 2008 Bonds.

## **Pending Legislation**

The District is not aware of any significant pending legislation which would have material adverse consequences on the 2008 Bonds or the ability of the District to pay the principal of and interest on the 2008 Bonds when due.

## **Additional Information**

The purpose of this Official Statement is to supply information to prospective buyers of the 2008 Bonds. Quotations and summaries and explanations of the 2008 Bonds and documents contained in this Official Statement do not purport to be complete, and reference is made to such documents for full and complete statements and their provisions.

The execution and delivery of this Official Statement by the Chief Financial Officer of the City has been duly authorized by the City Council acting in its capacity as the legislative body of the District.

Chief Financial Officer of the City of San Diego

## APPENDIX A-1

### IMPROVEMENT AREA NO. 1 RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAXES

A Special Tax as hereinafter defined shall be levied on all Assessor's Parcels in Improvement Area No. 1 of Community Facilities District No. 3 ("IA No. 1") and collected each Fiscal Year commencing in Fiscal Year 2002-2003, in an amount determined by the Council through the application of the appropriate Special Tax for "Developed Property," "Other Taxable Property," and "Undeveloped Property" as described below. All of the real property in IA No. 1, unless exempted by law or by the provisions hereof, shall be taxed for the purposes, to the extent and in the manner herein provided.

#### A. DEFINITIONS

This Rate and Method of Apportionment employs terms defined below and terms defined in the Rate and Method of Apportionment for Improvement Area No. 2. When necessary, terms defined in the latter shall be distinguished from terms defined in the former by including the words "IA No. 2" prior to the defined term. The terms hereinafter set forth have the following meanings:

**"Acre or Acreage"** means the land area of an Assessor's Parcel as shown on an Assessor's Parcel Map, or if the land area is not shown on an Assessor's Parcel Map, the land area shown on the applicable final map, parcel map, condominium plan, or other recorded County parcel map. The square footage of an Assessor's Parcel is equal to the Acreage multiplied by 43,560.

**"Act"** means the Mello-Roos Community Facilities Act of 1982, as amended, being Chapter 2.5, Division 2 of Title 5 of the California Government Code.

**"Administrative Expenses"** means the following actual or reasonably estimated costs directly related to the administration of CFD No. 3: the costs of computing the Special Taxes and IA No. 2 Special Taxes; the costs of preparing the annual Special Tax and IA No. 2 Special Tax collection schedules (whether by the City or designee thereof or both); the costs of collecting the Special Taxes and IA No. 2 Special Taxes (whether by the City, the County or otherwise); the costs of remitting the Special Taxes and IA No. 2 Special Taxes to the Trustee; the costs of the Trustee (including its legal counsel) in the discharge of the duties required of it under the Indenture; the costs to the City, CFD No. 3 or any designee thereof of complying with arbitrage rebate requirements; the costs to the City, CFD No. 3 or any designee thereof of complying with disclosure requirements of the City, CFD No. 3 or obligated persons associated with applicable federal and state securities laws and the Act; the costs associated with preparing Special Tax and/or IA No. 2 Special Tax disclosure statements and responding to public inquiries regarding the Special Taxes and/or IA No. 2 Special Taxes; the costs of the City, of CFD No. 3 or any designee thereof related to an appeal of the Special Tax and/or the IA No. 2 Special Tax; the costs associated with the release of funds from an escrow account; and the City's annual administration fees and third party expenses. Administrative Expenses shall also include amounts estimated or advanced by the City or CFD No. 3 for any other administrative purposes of CFD No. 3, including attorney's fees and other costs related to commencing and pursuing to completion any foreclosure of delinquent Special Taxes and/or IA No. 2 Special Taxes.

**"Agency"** means the Redevelopment Agency of the City.

**"Assessor's Parcel"** means a lot or parcel shown in an Assessor's Parcel Map with an assigned Assessor's parcel number.

**"Assessor's Parcel Map"** means an official map of the Assessor of the County designating parcels by Assessor's Parcel number.

**“Assigned Special Tax”** means the Special Tax for each Land Use Class of Developed Property, as determined in accordance with Section C below.

**“Backup Special Tax”** means the Special Tax applicable to each Assessor’s Parcel of Developed Property, as determined in accordance with Section C below.

**“CFD Administrator”** means an official of the City, or designee thereof, responsible for determining the Special Tax Requirement and for levying and collecting the Special Taxes.

**“CFD No. 3”** means Community Facilities District No. 3 of the City.

**“CFD No. 3 Bonds”** means any bonds or other debt (as defined in Section 53317(d) of the Act), whether in one or more series, issued by CFD No. 3 under the Act.

**“City”** means the City of San Diego.

**“City/Agency Property”** means any Assessor’s Parcel or other property within the boundaries of IA No. 1 that is owned by the City or the Agency, provided however that so long as any such Assessor’s Parcel is conveyed through a leasehold interest to an entity other than the City or the Agency such Assessor’s Parcel shall not be considered City/Agency Property, but during the duration of the leasehold interest shall be classified and taxed according to its development status and land use. In the event that an Assessor’s Parcel that was conveyed in fee to an entity other than the City or the Agency includes an existing residential or non-residential building or a Planned Building, and is subsequently acquired by the City or the Agency pursuant to Section 9.10 of the Disposition and Development Agreement or otherwise, that Assessor’s Parcel shall not be considered City/Agency Property, but shall remain subject to the Special Tax obligation and shall be classified and taxed according to its development status and land use.

**“City Clerk”** means the city clerk of the City.

**“City Manager”** means the city manager of the City.

**“Council”** means the City Council of the City, acting as the legislative body of CFD No. 3.

**“County”** means the County of San Diego.

**“Developed Property”** means for each Fiscal Year, all Taxable Property, exclusive of Other Taxable Property, which (i) was within a Final Map that was recorded prior to January 1 of the previous Fiscal Year, and (ii) for which a building permit for new construction was issued after March 1, 2001 but prior to March 1 of the previous Fiscal Year.

**“Disposition and Development Agreement”** means the Disposition and Development Agreement between the Agency and the Master Developer that was approved by the Council and Agency on June 26, 2000, as it may be modified or supplemented from time to time.

**“Final Map”** means (i) a final map, lot line adjustment, or parcel map, or portion thereof, approved by the City pursuant to the Subdivision Map Act (California Government Code Section 66410 *et seq.*) and recorded with the County Recorder that creates individual lots for which building permits may be issued, or (ii) for condominiums, a final map, or portion thereof, approved by the City and a condominium plan recorded pursuant to California Civil Code Section 1352 that creates individual lots for which building permits may be issued. The term “Final Map” shall not include any Assessor’s Parcel Map or subdivision map or portion

thereof, that does not create individual lots for which a building permit may be issued, including Assessor's Parcels that are designated as remainder parcels.

**“Fiscal Year”** means the period starting July 1 and ending on the following June 30.

**“Floor Area”** means for Residential Property, all of the square footage of living area within the perimeter of a residential structure, not including any carport, walkway, garage, overhang, patio, enclosed patio, or similar area. The amount of Floor Area shall be determined by reference to the building permit(s) issued by the City for each building.

**“Indenture”** means the indenture, fiscal agent agreement, resolution or other instrument pursuant to which CFD No. 3 Bonds are issued, as modified, amended and/or supplemented from time to time, and any instrument replacing or supplementing the same.

**“Improvement Area No. 1”** or **“IA No. 1”** means Improvement Area No. 1 of CFD No. 3, as identified on the boundary map for CFD No. 3.

**“Improvement Area No. 2”** or **“IA No. 2”** means Improvement Area No. 2 of CFD No. 3, as identified on the boundary map for CFD No. 3.

**“Land Use Class”** means any of the classes listed in Table 1.

**“Lot”** means an individual legal lot created by a Final Map for which a building permit for residential construction has been or could be issued.

**“Lot Map(s)”** means the map(s) identifying the location and lot number of each Lot and proposed residential lot located within IA No. 1 included in the Backup Special Tax Appendix.

**“Master Developer”** means McMillin-NTC, LLC and/or any assignee(s) or successor(s) serving as the master developer of infrastructure within CFD No. 3.

**“Maximum Special Tax”** means the maximum Special Tax, determined in accordance with Section C below, that can be levied in any Fiscal Year on any Assessor's Parcel.

**“Non-Residential Property”** means all Developed Property for which a building permit(s) was issued for a non-residential use.

**“Outstanding Bonds”** means all CFD No. 3 Bonds which are deemed to be outstanding under the Indenture.

**“Other Public Property”** means any Assessor's Parcel within the boundaries of IA No. 1 that is owned in fee or through a leasehold interest by any agency of the federal government, the State, the County, or any other public agency except the City or the Agency, provided however that any such Assessor's Parcel that includes an existing residential or non-residential building or a Planned Building shall not be considered Other Public Property, but shall be classified and taxed according to its development status and land use.

**“Other Taxable Property”** means Taxable City/Agency Property, Taxable Property Owner Association Property, and Taxable Other Public Property.

**“Planned Building”** means with respect to an Assessor's Parcel that the Precise Plan contemplates the rehabilitation or construction of a residential or non-residential building within all or a portion of such Assessor's Parcel, as determined by the CFD Administrator.

**“Precise Plan”** means the NTC Precise Plan dated October 3, 2000, approved by the Agency and the City, as it may be amended or superseded.

**“Property Owner Association Property”** means any property within the boundaries of IA No. 1 owned in fee or by easement or irrevocably offered for dedication to a property owner association, including any master or sub-association. However, notwithstanding the above, any of such property which constitutes the “pad-area” located directly under a residential or occupied non-residential building shall not be considered Property Owner Association Property.

**“Proportionately”** or **“Proportionate”** means, (i) for Developed Property, that the ratio of the actual Special Tax levy to the Assigned Special Tax is equal for all Assessor’s Parcels of Developed Property and for IA No. 2 Developed Property that the ratio of the actual IA No. 2 Special Tax levy to the IA No. 2 Assigned Special Tax is equal for all Assessor’s Parcels of IA No. 2 Developed Property; (ii) for Undeveloped Property, that the ratio of the actual Special Tax levy per Acre to the Maximum Special Tax per Acre is equal for all Assessor’s Parcels of Undeveloped Property and the ratio of the actual IA No. 2 Special Tax per Acre to the IA No. 2 Maximum Special Tax per Acre is equal for all Assessor’s Parcels of IA No. 2 Undeveloped Property; and (iii) for Other Taxable Property that the ratio of the actual Special Tax levy per Acre to the Maximum Special Tax per Acre is equal for all Assessor’s Parcels of Other Taxable Property and for IA No. 2 Other Taxable Property that the ratio of the actual IA No. 2 Special Tax levy per Acre to the IA No. 2 Maximum Special Tax per Acre is equal for all Assessor’s Parcels of IA No. 2 Other Taxable Property. Where this RMA requires pursuant to the fourth and fifth steps in Section D.1, the second, third and fourth steps in Section D.2, and/or Section D.3, that the levy of Special Taxes and IA No. 2 Special Taxes be “Proportionate” for a category of property described in (i), (ii) or (iii) above, then the foregoing ratios shall be equal as between IA No. 1 and IA No. 2 for such category.

**“Purchase and Finance Agreement”** means the Purchase and Finance Agreement for CFD No. 3 that was approved by the Council on May 7, 2002, as it may be modified or supplemented from time to time.

**“Residential Property”** means all Developed Property for which a building permit has been issued for purposes of constructing one or more residential dwelling units.

**“RMA”** means Rate and Method of Apportionment.

**“Special Tax”** means the special tax to be levied in each Fiscal Year on each Assessor’s Parcel of Developed Property, Other Taxable Property, and Undeveloped Property to fund the Special Tax Requirement.

**“Special Tax Requirement”** means that amount required in any Fiscal Year to: (i) pay debt service due in the calendar year which commences in such Fiscal year on all Outstanding Bonds; (ii) pay periodic costs on the CFD No. 3 Bonds, including but not limited to, credit enhancement and rebate payments on the CFD No. 3 Bonds; (iii) pay Administrative Expenses; (iv) pay any amounts required to establish or replenish any reserve funds for all Outstanding Bonds; (v) accumulate funds to pay directly for acquisition or construction of facilities identified on Exhibit A to the Purchase and Finance Agreement to the extent that the inclusion of such amount does not increase the Special Tax levy on Undeveloped Property or the IA No. 2 Special Tax levy on Undeveloped Property; and (vi) pay for reasonably anticipated delinquent Special Taxes and IA No. 2 Special Taxes based on the delinquency rate for Special Taxes and IA No. 2 Special Taxes levied in the previous Fiscal Year; less (vii) a credit for funds available to reduce the annual Special Tax levy and IA No. 2 Special Tax levy, as determined by the CFD Administrator pursuant to the Indenture. The Special Tax Requirement represents the total amount to be levied in any Fiscal Year within IA No. 1 and IA No. 2.

**“State”** means the State of California.

**“Taxable City/Agency Property”** means all Assessor’s Parcels of City/Agency Property that are not exempt pursuant to Section E below.

“**Taxable Other Public Property**” means all Assessor’s Parcels of Other Public Property that are not exempt pursuant to Section E below.

“**Taxable Property**” means all of the Assessor’s Parcels within the boundaries of IA No. 1 which (i) have been conveyed in fee ownership or leasehold interest from the City and/or the Agency to an entity other than the City or the Agency, or that were so conveyed in fee ownership by the City and/or the Agency and were subsequently reacquired by the City and/or the Agency, and (ii) are not exempt from the Special Tax pursuant to law or Section E below.

“**Taxable Property Owner Association Property**” means all Assessor’s Parcels of Property Owner Association Property that are not exempt pursuant to Section E below.

“**Trustee**” means the trustee or fiscal agent under the Indenture.

“**Undeveloped Property**” means, for each Fiscal Year, all Taxable Property not classified as Developed Property or Other Taxable Property.

**B. ASSIGNMENT TO LAND USE CATEGORIES**

Each Fiscal Year, all Taxable Property within IA No. 1 shall be classified as Developed Property, Other Taxable Property, or Undeveloped Property, and shall be subject to Special Taxes in accordance with the rate and method of apportionment determined pursuant to Sections C and D below. Residential Property shall be assigned to Land Use Class 1. Non-Residential Property shall be assigned to Land Use Class 2. Each Assessor’s Parcel classified as Developed Property shall be further classified as one of the Lots depicted in the Lot Map included in the Backup Special Tax Appendix attached as Attachment A, as it may be modified from time to time strictly in conformance with Section C.1(c) below.

**C. MAXIMUM SPECIAL TAX RATE**

**1. Developed Property**

a. Maximum Special Tax

The Maximum Special Tax for each Assessor’s Parcel classified as Developed Property shall be the greater of (i) the amount derived by application of the Assigned Special Tax or (ii) the amount derived by application of the Backup Special Tax.

b. Assigned Special Tax

The Assigned Special Tax for each Land Use Class is shown below in Table 1.

**TABLE 1**

**Assigned Special Taxes for Developed Property  
Improvement Area No. 1**

| <i>Land Use Class</i> | <i>Land Use</i>          | <i>Assigned Special Tax</i>   |
|-----------------------|--------------------------|---|
| 1                     | Residential Property     | \$792.63 per dwelling unit plus<br>\$1.2385 per square foot of Floor Area |
| 2                     | Non-Residential Property | \$54,485 per Acre   |

c. Backup Special Tax

The Backup Special Tax for an Assessor's Parcel of Developed Property shall be the amount set forth in the Backup Special Tax table included in the Backup Special Tax Appendix for the corresponding Lot, as such Backup Special Tax Appendix is amended from time to time.

Prior to the issuance of CFD No. 3 Bonds, the Backup Special Tax Appendix shall be modified by the CFD Administrator upon the written request of the Master Developer in order to (i) conform the Lot Maps to the Lots designated in the most current Final Maps approved within IA No. 1 and (ii) the amounts in the Backup Special Tax table to the most current building product plans for those Lots. Upon receipt of the Master Developer's written request, the CFD Administrator shall assign a Backup Special Tax to each Lot in an amount equal to the Assigned Special Tax for each Lot based upon the most current building product plan for the Lot.

The Master Developer shall notify the CFD Administrator in writing each time a Final Map is approved or amended for property within IA No. 1.

Subsequent to the issuance of CFD No. 3 Bonds, the Backup Special Tax Appendix shall be modified by the CFD Administrator only to reflect any changes in the Lots pursuant to Final Maps approved or amended subsequent to the issuance of CFD No. 3 Bonds and to specify the Backup Special Tax amounts for the new Lots calculated as follows:

- (i) determine the aggregate Backup Special Taxes anticipated to apply to the changed Lots prior to the approval of the new or amended Final Maps;
- (ii) divide the result of (i) by the number of new Lots; and
- (iii) the amount determined in (ii) shall be the Backup Special Tax amount for each of the new Lots reflected in the modified Backup Special Tax table.

The modified Backup Special Tax Appendix shall be attached to an Amended Notice of Special Tax Lien recorded within sixty (60) days of the CFD Administrator's receipt of the Master Developer's written request and, in the case of a modification based on Final Maps approved or amended subsequent to the issuance of CFD No. 3 Bonds, within sixty (60) days of the CFD Administrator being notified, by the Master Developer or otherwise, of the recordation of a new Final Map.

d. Multiple Land Use Classes

In some instances an Assessor's Parcel of Developed Property may contain more than one Land Use Class. The Assigned Special Tax levied on an Assessor's Parcel shall be the sum of the Assigned Special Taxes for all Land Use Classes located on that Assessor's Parcel. The Maximum Special Tax that can be levied on an Assessor's Parcel shall be the sum of the Maximum Special Taxes that can be levied for all Land Use Classes located on that Assessor's Parcel. For an Assessor's Parcel that contains both Residential Property and Non-Residential Property, the Acreage of such Assessor's Parcel shall be allocated to each type of property based on the amount of Acreage designated for each Land Use Class as determined by reference to the site plan approved for such Assessor's Parcel. The CFD Administrator's allocation to each type of property shall be final.

**2. Other Taxable Property and Undeveloped Property**

The Maximum Special Tax for Other Taxable Property and Undeveloped Property shall be \$54,485 per Acre.

**D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX**

For each Fiscal Year the Council shall determine the Special Tax Requirement and levy the Special Tax, taking into consideration the levy of the IA No. 2 Special Tax, until the amount of Special Taxes and IA No. 2 Special Taxes equals the Special Tax Requirement. The Special Tax shall be levied each Fiscal Year as follows. The steps indicated in Section D.1 shall be applied in each Fiscal Year prior to and including the Fiscal Year in which a second series of CFD No. 3 Bonds is sold to finance facilities identified on Exhibit A to the Purchase and Finance Agreement. The steps indicated in Section D.2 shall be applied in the first Fiscal Year after the issuance of such second series of CFD No. 3 Bonds, and each Fiscal Year thereafter. A series of CFD No. 3 Bonds that is issued solely to refund a prior series of CFD No. 3 Bonds shall not be considered a second series of CFD No. 3 Bonds for purposes of this section.

**1. Prior to the Issuance of the Second Series of CFD No. 3 Bonds**

First: The Special Tax shall be levied on each Assessor's Parcel of Developed Property in an amount equal to 100% of the applicable Assigned Special Tax; and the Council shall be notified that under the terms of the IA No. 2 RMA, the IA No. 2 Special Tax shall be levied on each Assessor's Parcel of IA No. 2 Developed Property in an amount equal to 100% of the applicable IA No. 2 Assigned Special Tax;

Second: If additional monies are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property at up to 100% of the Maximum Special Tax for Undeveloped Property;

Third: If additional monies are needed to satisfy the Special Tax Requirement after the first two steps have been completed, the Council shall be notified that under the terms of the IA No. 2 RMA, the IA No. 2 Special Tax shall be levied Proportionately on each Assessor's Parcel of IA No. 2 Undeveloped Property at up to 100% of the IA No. 2 Maximum Special Tax for Undeveloped Property;

Fourth: If additional monies are needed to satisfy the Special Tax Requirement after the first three steps have been completed, then the levy of the Special Tax on each Assessor's Parcel of Developed Property whose Maximum Special Tax is determined through the application of the Backup Special Tax shall be increased in equal percentages from the Assigned Special Tax up to the Maximum Special Tax for each such Assessor's Parcel; and the Council shall be notified that under the terms of the IA No. 2 RMA, the levy of the IA No. 2 Special Tax on each Assessor's Parcel of IA No. 2 Developed Property whose IA No. 2 Maximum Special Tax is determined through the application of the IA No. 2 Backup Special Tax shall be increased in equal percentages from the IA No. 2 Assigned Special Tax up to the IA No. 2 Maximum Special Tax for each such Assessor's Parcel, with the levy on Developed Property and IA No. 2 Developed Property being Proportionate;

Fifth: If additional monies are needed to satisfy the Special Tax Requirement after the first four steps have been completed, then the Special Tax shall be levied on each Assessor's Parcel of Other Taxable Property at up to the Maximum Special Tax for Other Taxable Property; and the Council shall be notified that under the terms of the IA No. 2 RMA, the IA No. 2 Special Tax shall be levied on each Assessor's Parcel of IA No. 2 Other Taxable Property at up to the IA No. 2 Maximum Special Tax for Other Taxable Property, with the levy on Other Taxable Property and IA No. 2 Other Taxable Property being Proportionate.

**2. After the Issuance of the Second Series of CFD No. 3 Bonds**

First: The Special Tax shall be levied on each Assessor's Parcel of Developed Property in an amount equal to 100% of the applicable Assigned Special Tax; and the Council shall be notified that under the terms of the IA No. 2 RMA, the IA No. 2 Special Tax shall be levied on each Assessor's Parcel of IA No. 2 Developed Property in an amount equal to 100% of the applicable IA No. 2 Assigned Special Tax;

Second: If additional monies are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied on each Assessor's Parcel of Undeveloped Property at up to 100% of the Maximum Special Tax for Undeveloped Property; and the Council shall be notified that under the terms of the IA No. 2 RMA, the IA No. 2 Special Tax shall be levied on each Assessor's Parcel of IA No. 2 Undeveloped Property at up to 100% of the IA No. 2 Maximum Special Tax for Undeveloped Property, with the levy on Undeveloped Property and IA No. 2 Undeveloped Property being Proportionate;

Third: If additional monies are needed to satisfy the Special Tax Requirement after the first two steps have been completed, then the levy of the Special Tax on each Assessor's Parcel of Developed Property whose Maximum Special Tax is determined through the application of the Backup Special Tax shall be increased in equal percentages from the Assigned Special Tax up to the Maximum Special Tax for each such Assessor's Parcel; and the Council shall be notified that under the terms of the IA No. 2 RMA, the levy of the IA No. 2 Special Tax on each Assessor's Parcel of IA No. 2 Developed Property whose IA No. 2 Maximum Special Tax is determined through the application of the IA No. 2 Backup Special Tax shall be increased in equal percentages from the IA No. 2 Assigned Special Tax up to the IA No. 2 Maximum Special Tax for each such Assessor's Parcel, with the levy on Developed Property and IA No. 2 Developed Property being Proportionate;

Fourth: If additional monies are needed to satisfy the Special Tax Requirement after the first three steps have been completed, then the Special Tax shall be levied on each Assessor's Parcel of Other Taxable Property at up to the Maximum Special Tax for Other Taxable Property; and the Council shall be notified that under the terms of the IA No. 2 RMA, the IA No. 2 Special Tax shall be levied on each Assessor's Parcel of IA No. 2 Other Taxable Property at up to the IA No. 2 Maximum Special Tax for Other Taxable Property, with the levy on Other Taxable Property and IA No. 2 Other Taxable Property being Proportionate.

**3. Additional Levy Guidelines**

Notwithstanding the above the Council may, in any Fiscal Year, levy Proportionately less than 100% of the Assigned Special Tax in step one of Section D.1 or D.2 (above) and the IA No. 2 Assigned Special Tax in step one of Section D.1 or D.2 (of the IA No. 2 RMA), when (i) the Council is no longer required to levy a Special Tax pursuant to step two in Section D.1 or D.2 (above) and the Council is no longer required to levy an IA No. 2 Special Tax pursuant to step two in Section D.2 of the IA No. 2 RMA in order to meet the Special Tax Requirement; (ii) all authorized CFD No. 3 Bonds have already been issued or the Council has covenanted that it will not issue any additional CFD No. 3 Bonds (except refunding bonds) to be supported by Special Taxes and IA No. 2 Special Taxes; and (iii) all facilities identified on Exhibit A to the Purchase and Finance Agreement have been acquired.

Further notwithstanding the above, under no circumstances will the Special Tax levied against any Assessor's Parcel of Residential Property for which an occupancy permit for private residential use has been issued be increased by more than ten percent as a consequence of delinquency or default by the owner of any other Assessor's Parcel within CFD No. 3.

**E. EXEMPTIONS**

No Special Tax shall be levied on up to 15.54 Acres of City/Agency Property, Other Public Property, and/or Property Owner Association Property. However, the Acreage of any City/Agency Property that has never been conveyed in fee ownership or leasehold interest from the City and/or the Agency to an entity other than the City or the Agency shall not be included in the 15.54 Acres, and such property shall be considered exempt. Tax-exempt status for all other property will be assigned by the CFD Administrator in the chronological order in which property becomes City/Agency Property, Other Public Property, or Property Owner Association Property. However, should an Assessor's Parcel no longer be classified as City/Agency Property, Other Public Property, or Property Owner Association Property its tax-exempt status will be revoked.

City/Agency Property, Other Public Property, or Property Owner Association Property that is not exempt from Special Taxes under this section shall be subject to the levy of the Special Tax and shall be taxed as described in Section D above, at up to 100% of the applicable Maximum Special Tax for Other Taxable Property.

**F. APPEALS AND INTERPRETATIONS**

Any tax payer may file a written appeal of the Special Tax on his/her property with the CFD Administrator, provided that the appellant is current in his/her payments of Special Taxes. During the pendency of an appeal, all Special Taxes previously levied must be paid on or before the payment date established when the levy was made. The appeal must specify the reasons why the appellant claims the Special Tax is in error. The CFD Administrator shall review the appeal, meet with the appellant if the CFD Administrator deems necessary, and advise the appellant of its determination. If the CFD Administrator agrees with the appellant, the CFD Administrator shall make a recommendation to the City Manager or designee to eliminate or reduce the Special Tax on the appellant's property and/or to provide a refund to the appellant. The approval of the City Manager or designee must be obtained prior to any such elimination or reduction. If the CFD Administrator disagrees with the appellant and the appellant is dissatisfied with the determination, the appellant then has 30 days in which to appeal to the City Manager or designee by filing a written notice of appeal with the City Clerk, provided that the appellant is current in his/her payments of Special Taxes. The second appeal must specify the reasons for its disagreement with the CFD Administrator's determination. Interpretations may be made by the Council by ordinance or resolution for purposes of clarifying any vagueness or ambiguity in this Rate and Method of Apportionment.

**G. MANNER OF COLLECTION**

The Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes; provided, however, that CFD No. 3 may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations, and may covenant to foreclose and may actually foreclose on delinquent Assessor's Parcels as permitted by the Act.

**H. PREPAYMENT OF SPECIAL TAX**

**1. Prepayment in Full**

The following definition applies to this Section H:

“CFD Public Facilities” means either \$20,780,000 in 2001 dollars, which shall increase by the Construction Inflation Index on July 1, 2002, and on each July 1 thereafter, or such lower number as (i) shall be determined by the CFD Administrator as sufficient to provide the public facilities to be provided by CFD No. 3 under the authorized Mello-Roos financing program for CFD No. 3, or (ii) shall be determined by the Council concurrently with a covenant that it will not issue any more

CFD No. 3 Bonds (except refunding bonds) to be supported by Special Taxes and IA No. 2 Special Taxes.

**“Construction Fund”** means the account (regardless of its name) identified in the Indenture to hold funds which are currently available for expenditure to acquire or construct public facilities eligible under the Act.

**“Construction Inflation Index”** means the annual percentage change in the Engineering News-Record Building Cost Index for the City of Los Angeles, measured as of the calendar year which ends in the previous Fiscal Year. In the event this index ceases to be published, the Inflation Index shall be another index as determined by the CFD Administrator that is reasonably comparable to the Engineering News-Record Building Cost Index for the City of Los Angeles.

**“Future Facilities Costs”** means the CFD Public Facilities minus (i) public facility costs previously paid from the Construction Fund, (ii) moneys currently on deposit in the Construction Fund, and (iii) moneys currently on deposit in an escrow fund that are expected to be available to finance public facility costs.

**“Outstanding Bonds”** means all Previously Issued Bonds which remain outstanding as of the first interest and/or principal payment date following the current Fiscal Year.

**“Previously Issued Bonds”** means all CFD No. 3 Bonds that have been issued prior to the date of prepayment.

Only an Assessor’s Parcel of Developed Property, or an Assessor’s Parcel of Undeveloped Property for which a building permit has been issued, may prepay its Special Tax obligation. The Special Tax obligation applicable to an Assessor’s Parcel in CFD No. 3 may be prepaid and the obligation of the Assessor’s Parcel to pay any Special Tax permanently satisfied as described herein, provided that a prepayment may be made with respect to a particular Assessor’s Parcel only if there are no delinquent Special Taxes with respect to such Assessor’s Parcel at the time of prepayment. An owner of an Assessor’s Parcel intending to prepay the Special Tax obligation shall provide the CFD Administrator with written notice of intent to prepay. The CFD Administrator shall provide the owner with a statement of the prepayment amount for such Assessor’s Parcel within thirty (30) days of the request and may charge a reasonable fee for providing this service. Prepayment must be made not less than 60 days prior to any redemption date for the CFD No. 3 Bonds to be redeemed with the proceeds of such prepaid Special Taxes.

The Prepayment Amount (defined below) shall be calculated as summarized below (capitalized terms as defined below):

|        |                                    |
|--------|------------------------------------|
|        | Bond Redemption Amount             |
| plus   | Redemption Premium                 |
| plus   | Future Facilities Amount           |
| plus   | Defeasance Amount                  |
| plus   | Administrative Fees and Expenses   |
| less   | Reserve Fund Credit                |
| less   | <u>Capitalized Interest Credit</u> |
| Total: | equals Prepayment Amount           |

As of the proposed date of prepayment, the Prepayment Amount (defined below) shall be calculated as follows:

**Paragraph No.:**

1. Confirm that no Special Tax delinquencies apply to such Assessor's Parcel.
2. For Assessor's Parcels of Developed Property, compute the Assigned Special Tax and Backup Special Tax. For Assessor's Parcels of Undeveloped Property for which a building permit has been issued, compute the Assigned Special Tax and Backup Special Tax for that Assessor's Parcel as though it was already designated as Developed Property, based upon the building permit which has already been issued for that Assessor's Parcel.
3. (a) Divide the Assigned Special Tax computed pursuant to paragraph 2 by the total estimated Assigned Special Taxes for the entire CFD No. 3 based on the Developed Property Special Taxes and IA No. 2 Developed Property Special Taxes which could be charged in the current Fiscal Year on all expected development through buildout of CFD No. 3 as determined by the CFD Administrator based on the Precise Plan and other information currently available, excluding any Assessor's Parcels which have been prepaid, and (b) Divide the Backup Special Tax computed pursuant to paragraph 2 by the total estimated Backup Special Taxes and IA No. 2 Backup Special Taxes at buildout for the entire CFD No. 3 as determined by the CFD Administrator based on the Precise Plan and other information currently available, excluding any Assessor's Parcels which have been prepaid.
4. Multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid (the "Bond Redemption Amount").
5. Multiply the Bond Redemption Amount computed pursuant to paragraph 4 by the applicable redemption premium (expressed as a percentage), if any, on the Outstanding Bonds to be redeemed (the "Redemption Premium").
6. Compute the current Future Facilities Costs.
7. Multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the amount determined pursuant to paragraph 6 to compute the amount of Future Facilities Costs to be prepaid (the "Future Facilities Amount").
8. Compute the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the earliest redemption date for the Outstanding Bonds.
9. Determine the Special Taxes levied on the Assessor's Parcel in the current Fiscal Year which have not yet been paid.
10. Compute the minimum amount the CFD Administrator reasonably expects to derive from the reinvestment of the Prepayment Amount less the Future Facilities Amount and the Administrative Fees and Expenses from the date of prepayment until the redemption date for the Outstanding Bonds to be redeemed with the prepayment.
11. Add the amounts computed pursuant to paragraphs 8 and 9 and subtract the amount computed pursuant to paragraph 10 (the "Defeasance Amount").
12. Verify the administrative fees and expenses of CFD No. 3, including the costs of computation of the prepayment, the costs to invest the prepayment proceeds, the costs of redeeming CFD

No. 3 Bonds, and the costs of recording any notices to evidence the prepayment and the redemption (the “Administrative Fees and Expenses”).

13. The reserve fund credit (“Reserve Fund Credit”) shall equal the lesser of: (a) the expected reduction in the reserve requirement (as defined in the Indenture), if any, associated with the redemption of Outstanding Bonds as a result of the prepayment, or (b) the amount derived by subtracting the new reserve requirement (as defined in the Indenture) in effect after the redemption of Outstanding Bonds as a result of the prepayment from the balance in the reserve fund on the prepayment date, but in no event shall such amount be less than zero.
14. If any capitalized interest for the Outstanding Bonds will not have been expended at the time of the first interest and/or principal payment following the current Fiscal Year, a capitalized interest credit shall be calculated by multiplying the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the expected balance in the capitalized interest fund after such first interest and/or principal payment (the “Capitalized Interest Credit”).
15. The Special Tax prepayment is equal to the sum of the amounts computed pursuant to paragraphs 4, 5, 7, 11 and 12, less the amounts computed pursuant to paragraphs 13 and 14 (the “Prepayment Amount”).
16. From the Prepayment Amount, the amounts computed pursuant to paragraphs 4, 5, 11, 13 and 14 shall be deposited into the appropriate fund as established under the Indenture and be used to retire Outstanding Bonds or make debt service payments. The amount computed pursuant to paragraph 7 shall be deposited into the Construction Fund. The amount computed pursuant to paragraph 12 shall be retained by CFD No. 3.

The Prepayment Amount may be sufficient to redeem other than a \$5,000 increment of CFD No. 3 Bonds. In such cases, the increment above \$5,000 or integral multiple thereof will be retained in the appropriate fund established under the Indenture to be used with the next prepayment of CFD No. 3 Bonds or to make debt service payments.

As a result of the payment of the current Fiscal Year’s Special Tax levy as determined under paragraph 9 (above), the CFD Administrator shall remove the current Fiscal Year’s Special Tax levy for such Assessor’s Parcel from the County tax rolls. With respect to any Assessor’s Parcel that is prepaid in full, the CFD Administrator shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of Special Taxes and the release of the Special Tax lien on such Assessor’s Parcel, and the obligation of such Assessor’s Parcel to pay the Special Tax shall cease.

Notwithstanding the foregoing, no Special Tax prepayment shall be allowed unless the amount of Maximum Special Taxes and IA No. 2 Maximum Special Taxes that may be levied on Taxable Property and IA No. 2 Taxable Property, respectively, after the proposed prepayment is at least 1.1 times the maximum annual debt service on all Outstanding Bonds.

## **2. Prepayment in Part**

The Special Tax on an Assessor’s Parcel of Developed Property or an Assessor’s Parcel of Undeveloped Property for which a building permit has been issued may be partially prepaid. The amount of the prepayment shall be calculated as in Section H.1; except that a partial prepayment shall be calculated according to the following formula:

$$PP = P_E \times F.$$

These terms have the following meaning:

- PP = the partial prepayment
- P<sub>E</sub> = the Prepayment Amount calculated according to Section H.1
- F = the percentage by which the owner of the Assessor's Parcel(s) is partially prepaying the Special Tax.

The owner of any Assessor's Parcel who desires such prepayment shall notify the CFD Administrator of (i) such owner's intent to partially prepay the Special Tax, (ii) the percentage by which the Special Tax shall be prepaid, and (iii) the company or agency that will be acting as the escrow agent, if any. The CFD Administrator shall provide the owner with a statement of the amount required for the partial prepayment of the Special Tax for an Assessor's Parcel within thirty (30) days of the request and may charge a reasonable fee for providing this service.

With respect to any Assessor's Parcel that is partially prepaid, the City shall (i) distribute the funds remitted to it according to Section H.1, and (ii) indicate in the records of CFD No. 3 that there has been a partial prepayment of the Special Tax and that a portion of the Special Tax with respect to such Assessor's Parcel, equal to the outstanding percentage (1.00 - F) of the remaining Maximum Annual Special Tax, shall continue to be levied on such Assessor's Parcel pursuant to Section D.

**I. TERM OF SPECIAL TAX**

The Special Tax shall be levied for a period not to exceed forty years commencing with Fiscal Year 2002-2003, provided however that Special Taxes will cease to be levied in an earlier Fiscal Year if the CFD Administrator has determined (i) that all required interest and principal payments on the CFD No. 3 Bonds have been paid; (ii) all facilities have been acquired and all reimbursements to the Master Developer have been paid pursuant to the Purchase and Finance Agreement; and (iii) all required Administrative Expenses have been paid.

## APPENDIX A-2

### IMPROVEMENT AREA NO. 2 RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAXES

A Special Tax as hereinafter defined shall be levied on all Assessor's Parcels in Improvement Area No. 2 of Community Facilities District No. 3 ("IA No. 2") and collected each Fiscal Year commencing in Fiscal Year 2002-2003, in an amount determined by the Council through the application of the appropriate Special Tax for "Developed Property," "Other Taxable Property," and "Undeveloped Property" as described below. All of the real property in IA No. 2, unless exempted by law or by the provisions hereof, shall be taxed for the purposes, to the extent and in the manner herein provided.

#### A. DEFINITIONS

This Rate and Method of Apportionment employs terms defined below and terms defined in the Rate and Method of Apportionment for Improvement Area No. 1. When necessary, terms defined in the latter shall be distinguished from terms defined in the former by including the words "IA No. 1" prior to the defined term. The terms hereinafter set forth have the following meanings:

**"Acre or Acreage"** means the land area of an Assessor's Parcel as shown on an Assessor's Parcel Map, or if the land area is not shown on an Assessor's Parcel Map, the land area shown on the applicable final map, parcel map, condominium plan, or other recorded County parcel map. The square footage of an Assessor's Parcel is equal to the Acreage multiplied by 43,560.

**"Act"** means the Mello-Roos Community Facilities Act of 1982, as amended, being Chapter 2.5, Division 2 of Title 5 of the California Government Code.

**"Administrative Expenses"** means the following actual or reasonably estimated costs directly related to the administration of CFD No. 3: the costs of computing the Special Taxes and IA No. 1 Special Taxes; the costs of preparing the annual Special Tax and IA No. 1 Special Tax collection schedules (whether by the City or designee thereof or both); the costs of collecting the Special Taxes and IA No. 1 Special Taxes (whether by the City, the County or otherwise); the costs of remitting the Special Taxes and IA No. 1 Special Taxes to the Trustee; the costs of the Trustee (including its legal counsel) in the discharge of the duties required of it under the Indenture; the costs to the City, CFD No. 3 or any designee thereof of complying with arbitrage rebate requirements; the costs to the City, CFD No. 3 or any designee thereof of complying with disclosure requirements of the City, CFD No. 3 or obligated persons associated with applicable federal and state securities laws and the Act; the costs associated with preparing Special Tax and/or IA No. 1 Special Tax disclosure statements and responding to public inquiries regarding the Special Taxes and/or IA No. 1 Special Taxes; the costs of the City, of CFD No. 3 or any designee thereof related to an appeal of the Special Tax and/or the IA No. 1 Special Tax; the costs associated with the release of funds from an escrow account; and the City's annual administration fees and third party expenses. Administrative Expenses shall also include amounts estimated or advanced by the City or CFD No. 3 for any other administrative purposes of CFD No. 3, including attorney's fees and other costs related to commencing and pursuing to completion any foreclosure of delinquent Special Taxes and/or IA No. 1 Special Taxes.

**"Agency"** means the Redevelopment Agency of the City.

**"Agency Certificate of Completion"** shall have the meaning set forth in the Disposition and Development Agreement.

**"Assessor's Parcel"** means a lot or parcel shown in an Assessor's Parcel Map with an assigned Assessor's parcel number.

**“Assessor’s Parcel Map”** means an official map of the Assessor of the County designating parcels by Assessor’s Parcel number.

**“Assigned Special Tax”** means the Special Tax for each Land Use Class of Developed Property, as determined in accordance with Section C below.

**“Backup Special Tax”** means the Special Tax applicable to each Assessor’s Parcel of Developed Property, as determined in accordance with Section C below.

**“CFD Administrator”** means an official of the City, or designee thereof, responsible for determining the Special Tax Requirement and for levying and collecting the Special Taxes.

**“CFD No. 3”** means Community Facilities District No. 3 of the City.

**“CFD No. 3 Bonds”** means any bonds or other debt (as defined in Section 53317(d) of the Act), whether in one or more series, issued by CFD No. 3 under the Act.

**“City”** means the City of San Diego.

**“City/Agency Property”** means any Assessor’s Parcel or other property within the boundaries of IA No. 2 that is owned by the City or the Agency, provided however that so long as any such Assessor’s Parcel is conveyed through a leasehold interest to an entity other than the City or the Agency such Assessor’s Parcel shall not be considered City/Agency Property, but during the duration of the leasehold interest shall be classified and taxed according to its development status and land use. In the event that an Assessor’s Parcel that was conveyed in fee to an entity other than the City or the Agency includes an existing residential or non-residential building or a Planned Building, and is subsequently acquired by the City or the Agency pursuant to Section 9.10 of the Disposition and Development Agreement or otherwise, that Assessor’s Parcel shall not be considered City/Agency Property, but shall remain subject to the Special Tax obligation and shall be classified and taxed according to its development status and land use.

**“City Clerk”** means the city clerk of the City.

**“City Manager”** means the city manager of the City.

**“Council”** means the City Council of the City, acting as the legislative body of CFD No. 3.

**“County”** means the County of San Diego.

**“Developed Property”** means for each Fiscal Year, all Taxable Property, exclusive of Other Taxable Property, which (a) was within a Final Map that was recorded prior to January 1 of the previous Fiscal Year, and either (b1) for which a building permit for new construction was issued after March 1, 2001 but prior to March 1 of the previous Fiscal Year or (b2) for which an Agency Certificate of Completion was executed prior to March 1 of the previous Fiscal Year.

**“Disposition and Development Agreement”** means the Disposition and Development Agreement between the Agency and the Master Developer that was approved by the Council and Agency on June 26, 2000, as it may be modified or supplemented from time to time.

**“Final Map”** means (i) a final map, lot line adjustment, or parcel map, or portion thereof, approved by the City pursuant to the Subdivision Map Act (California Government Code Section 66410 *et seq.*) and recorded with the County Recorder that creates individual lots for which building permits may be issued, or (ii) for condominiums, a final map, or portion thereof, approved by the City and a condominium plan recorded

pursuant to California Civil Code Section 1352 that creates individual lots for which building permits may be issued.

The term “Final Map” shall not include any Assessor’s Parcel Map or subdivision map or portion thereof, that does not create individual lots for which a building permit may be issued, including Assessor’s Parcels that are designated as remainder parcels.

“**Fiscal Year**” means the period starting July 1 and ending on the following June 30.

“**Floor Area**” means for Non-Residential Property, the total of the gross area of the floor surfaces within the exterior wall of the building, not including space devoted to stairwells, basement storage, required corridors, public restrooms, elevator shafts, light courts, vehicle parking and areas incident thereto, mechanical equipment incidental to the operation of such building, and covered public pedestrian circulation areas, including atriums, lobbies, plazas, patios, decks, arcades and similar areas, except such public circulation areas or portions thereof that are used solely for commercial purposes. For Residential Property, Floor Area means all of the square footage of living area within the perimeter of a residential structure, not including any carport, walkway, garage, overhang, patio, enclosed patio, or similar area.

The amount of Floor Area shall be determined by reference to the building permit(s) issued by the City or Agency Certificate of Completion(s), as applicable, issued for each building, or if square footage is not available from those sources, as otherwise determined by the CFD Administrator.

“**Free Standing Parking Property**” means any Assessor’s Parcel within IA No. 2 that is not Public Property and for which a building permit has been issued for the construction of, or on which is located, a garage, parking lot or parking structure, provided however that any such Assessor’s parcel that includes an existing residential or non-residential building or a Planned Building shall not be considered Free Standing Parking Property, but shall be classified and taxed according to its development status and land use.

“**Golf Course Property**” means any Assessor’s Parcel within Zone 1 that is used for golf course purposes, including fairways, greens and driving ranges. Any Developed Property (other than buildings used solely for restrooms, storage, or maintenance) located on such Assessor’s Parcel shall not be considered Golf Course Property, but shall be taxed and classified in accordance with its Land Use Class.

“**Hotel Property**” means all Developed Property within Zone 3 for which a building permit or an Agency Certificate of Completion has been issued for building a non-residential structure that constitutes a place of lodging that is intended to provide sleeping accommodations and related facilities for travelers.

“**Indenture**” means the indenture, fiscal agent agreement, resolution or other instrument pursuant to which CFD No. 3 Bonds are issued, as modified, amended and/or supplemented from time to time, and any instrument replacing or supplementing the same.

“**Improvement Area No. 1**” or “**IA No. 1**” means Improvement Area No. 1 of CFD No. 3, as identified on the boundary map for CFD No. 3.

“**Improvement Area No. 2**” or “**IA No. 2**” means Improvement Area No. 2 of CFD No. 3, as identified on the boundary map for CFD No. 3.

“**Land Use Class**” means any of the classes listed in Tables 1 through 3.

“**Master Developer**” means McMillin-NTC, LLC and/or any assignee(s) or successor(s) serving as the master developer of infrastructure within CFD No. 3.

**“Maximum Special Tax”** means the maximum Special Tax, determined in accordance with Section C below, that can be levied in any Fiscal Year on any Assessor’s Parcel.

**“Non-Residential Property”** means all Developed Property for which a building permit(s) or Agency Certificate of Completion was issued for a non-residential use, excluding Hotel Property.

**“Outstanding Bonds”** means all CFD No. 3 Bonds which are deemed to be outstanding under the Indenture.

**“Other Public Property”** means any Assessor’s Parcel within the boundaries of IA No. 2 that is owned in fee or through a leasehold interest by any agency of the federal government, the State, the County, or any other public agency except the City or the Agency, provided however that any such Assessor’s Parcel that includes an existing residential or non-residential building or a Planned Building shall not be considered Other Public Property, but shall be classified and taxed according to its development status and land use.

**“Other Taxable Property”** means Taxable City/Agency Property, Taxable Free Standing Parking Property, Taxable Golf Course Property, Taxable Property Owner Association Property, and Taxable Other Public Property.

**“Planned Building”** means with respect to an Assessor’s Parcel that the Precise Plan contemplates the rehabilitation or construction of a residential or non-residential building within all or a portion of such Assessor’s Parcel, as determined by the CFD Administrator.

**“Precise Plan”** means the NTC Precise Plan dated October 3, 2000, approved by the Agency and the City, as it may be amended or superseded.

**“Property Owner Association Property”** means any property within the boundaries of IA No. 2 owned in fee or by easement or irrevocably offered for dedication to a property owner association, including any master or sub-association. However, notwithstanding the above, any of such property which constitutes the “pad-area” located directly under a residential or occupied non-residential building shall not be considered Property Owner Association Property.

**“Proportionately”** or **“Proportionate”** means, (i) for Developed Property, that the ratio of the actual Special Tax levy to the Assigned Special Tax is equal for all Assessor’s Parcels of Developed Property and for IA No. 1 Developed Property that the ratio of the actual IA No. 1 Special Tax levy to the IA No. 1 Assigned Special Tax is equal for all Assessor’s Parcels of IA No. 1 Developed Property; (ii) for Undeveloped Property, that the ratio of the actual Special Tax levy per Acre to the Maximum Special Tax per Acre is equal for all Assessor’s Parcels of Undeveloped Property and the ratio of the actual IA No. 1 Special Tax per Acre to the IA No. 1 Maximum Special Tax per Acre is equal for all Assessor’s Parcels of IA No. 1 Undeveloped Property; and (iii) for Other Taxable Property that the ratio of the actual Special Tax levy per Acre to the Maximum Special Tax per Acre is equal for all Assessor’s Parcels of Other Taxable Property and for IA No. 1 Other Taxable Property that the ratio of the actual IA No. 1 Special Tax levy per Acre to the IA No. 1 Maximum Special Tax per Acre is equal for all Assessor’s Parcels of IA No. 1 Other Taxable Property. Where this RMA requires pursuant to the fourth and fifth steps in Section D.1, the second, third and fourth steps in Section D.2, and/or Section D.3, that the levy of Special Taxes and IA No. 1 Special Taxes be “Proportionate” for a category of property described in (i), (ii) or (iii) above, then the foregoing ratios shall be equal as between IA No. 1 and IA No. 2 for such category.

**“Purchase and Finance Agreement”** means the Purchase and Finance Agreement for CFD No. 3 that was approved by the Council on May 7, 2002, as it may be modified or supplemented from time to time.

**“Residential Property”** means all Developed Property for which a building permit or Agency Certificate of Completion was issued for one or more residential dwelling units.

“**RMA**” means Rate and Method of Apportionment.

“**Special Tax**” means the special tax to be levied in each Fiscal Year on each Assessor’s Parcel of Developed Property, Other Taxable Property, and Undeveloped Property to fund the Special Tax Requirement.

“**Special Tax Requirement**” means that amount required in any Fiscal Year to: (i) pay debt service due in the calendar year which commences in such Fiscal Year on all Outstanding Bonds; (ii) pay periodic costs on the CFD No. 3 Bonds, including but not limited to, credit enhancement and rebate payments on the CFD No. 3 Bonds; (iii) pay Administrative Expenses; (iv) pay any amounts required to establish or replenish any reserve funds for all Outstanding Bonds; (v) accumulate funds to pay directly for acquisition or construction of facilities identified on Exhibit A to the Purchase and Finance Agreement to the extent that the inclusion of such amount does not increase the Special Tax levy on Undeveloped Property or the IA No. 1 Special Tax levy on Undeveloped Property; and (vi) pay for reasonably anticipated delinquent Special Taxes and IA No. 1 Special Taxes based on the delinquency rate for Special Taxes and IA No. 1 Special Taxes levied in the previous Fiscal Year; less (vii) a credit for funds available to reduce the annual Special Tax levy and IA No. 1 Special Tax levy, as determined by the CFD Administrator pursuant to the Indenture. The Special Tax Requirement represents the total amount to be levied in any Fiscal Year within IA No. 1 and IA No. 2.

“**State**” means the State of California.

“**Taxable City/Agency Property**” means all Assessor’s Parcels of City/Agency Property that are not exempt pursuant to Section E below.

“**Taxable Other Public Property**” means all Assessor’s Parcels of Other Public Property that are not exempt pursuant to Section E below.

“**Taxable Property**” means all of the Assessor’s Parcels within the boundaries of IA No. 2 which (i) have been conveyed in fee ownership or leasehold interest from the City and/or the Agency to an entity other than the City or the Agency, or that were so conveyed in fee ownership by the City and/or the Agency and were subsequently reacquired by the City and/or the Agency, and (ii) are not exempt from the Special Tax pursuant to law or Section E below.

“**Taxable Free Standing Parking Property**” means all Assessor’s Parcels of Free Standing Parking Property that are not exempt pursuant to Section E below.

“**Taxable Golf Course Property**” means all Assessor’s Parcels of Golf Course Property that are not exempt pursuant to Section E below.

“**Taxable Property Owner Association Property**” means all Assessor’s Parcels of Property Owner Association Property that are not exempt pursuant to Section E below.

“**Trustee**” means the trustee or fiscal agent under the Indenture.

“**Undeveloped Property**” means, for each Fiscal Year, all Taxable Property not classified as Developed Property or Other Taxable Property.

“**Zone**” means Zone 1, Zone 2, or Zone 3, as applicable.

“**Zone 1**” means all property within Zone 1 (Existing Non-Residential), as identified on the Zone Map.

“**Zone 2**” means all property within Zone 2 (Future Non-Residential), as identified on the Zone Map.

“Zone 3” means all property within Zone 3 (Hotel), as identified on the Zone Map.

“Zone Map” means Attachment A to this RMA.

**B. ASSIGNMENT TO LAND USE CATEGORIES**

Each Fiscal Year, each Assessor’s Parcel of Taxable Property within IA No. 2 shall be assigned to a Zone and further classified as Developed Property, Other Taxable Property, or Undeveloped Property, and shall be subject to Special Taxes in accordance with the rate and method of apportionment determined pursuant to Sections C and D below. Residential Property shall be assigned to Land Use Class 1. Non-Residential Property shall be assigned to Land Use Class 2. Hotel Property shall be assigned to Land Use Class 3.

**C. MAXIMUM SPECIAL TAX RATE**

**1. Developed Property**

a. Maximum Special Tax

The Maximum Special Tax for each Assessor’s Parcel classified as Developed Property shall be the greater of (i) the amount derived by application of the Assigned Special Tax or (ii) the amount derived by application of the Backup Special Tax.

iii. Zone 3

The Backup Special Tax for an Assessor's Parcel of Developed Property within Zone 3 shall equal \$9,592 per Acre.

d. Multiple Land Use Classes

In some instances an Assessor's Parcel of Developed Property may contain more than one Land Use Class. The Assigned Special Tax levied on an Assessor's Parcel shall be the sum of the Assigned Special Taxes for all Land Use Classes located on that Assessor's Parcel. The Maximum Special Tax that can be levied on an Assessor's Parcel shall be the sum of the Maximum Special Taxes that can be levied for all Land Use Classes located on that Assessor's Parcel. For an Assessor's Parcel that contains both Residential Property and Non-Residential Property, the Acreage of such Assessor's Parcel shall be allocated to each

type of property based on the amount of Acreage designated for each Land Use Class as determined by reference to the site plan approved for such Assessor's Parcel. The CFD Administrator's allocation to each type of property shall be final.

**2. Other Taxable Property and Undeveloped Property**

a. Zone 1

The Maximum Special Tax for Other Taxable Property and Undeveloped Property within Zone 1 shall be \$14,882 per Acre.

b. Zone 2

The Maximum Special Tax for Other Taxable Property and Undeveloped Property within Zone 2 shall be \$53,053 per Acre.

c. Zone 3

The Maximum Special Tax for Other Taxable Property and Undeveloped Property within Zone 3 shall be \$9,592 per Acre.

**D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX**

For each Fiscal Year the Council shall determine the Special Tax Requirement and levy the Special Tax, taking into consideration the levy of the IA No. 1 Special Tax, until the amount of Special Taxes and IA No. 1 Special Taxes equals the Special Tax Requirement. The Special Tax shall be levied each Fiscal Year as follows. The steps indicated in Section D.1 shall be applied in each Fiscal Year prior to and including the Fiscal Year in which a second series of CFD No. 3 Bonds is sold to finance facilities identified on Exhibit A to the Purchase and Finance Agreement. The steps indicated in Section D.2 shall be applied in the first Fiscal Year after the issuance of such second series of CFD No. 3 Bonds, and each Fiscal Year thereafter. A series of CFD No. 3 Bonds that is issued solely to refund a prior series of CFD No. 3 Bonds shall not be considered a second series of CFD No. 3 Bonds for purposes of this section.

**1. Prior to the Issuance of the Second Series of CFD No. 3 Bonds**

First: The Special Tax shall be levied on each Assessor's Parcel of Developed Property in an amount equal to 100% of the applicable Assigned Special Tax; and the Council shall be notified that under the terms of the IA No. 1 RMA, the IA No. 1 Special Tax shall be levied on each Assessor's Parcel of IA No. 1 Developed Property in an amount equal to 100% of the applicable IA No. 1 Assigned Special Tax;

Second: If additional monies are needed to satisfy the Special Tax Requirement after the first step has been completed, the Council shall be notified that under the terms of the IA No. 1 RMA, the IA No. 1 Special Tax shall be levied Proportionately on each Assessor's Parcel of IA No. 1 Undeveloped Property at up to 100% of the IA No. 1 Maximum Special Tax for Undeveloped Property;

Third: If additional monies are needed to satisfy the Special Tax Requirement after the first two steps have been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property at up to 100% of the Maximum Special Tax for Undeveloped Property;

Fourth: If additional monies are needed to satisfy the Special Tax Requirement after the first three steps have been completed, then the levy of the Special Tax on each Assessor's Parcel of Developed Property whose Maximum Special Tax is determined through the application of the Backup Special Tax shall be increased in equal percentages from the Assigned Special Tax up to the Maximum Special Tax for each such Assessor's Parcel; and the Council shall be notified that under the terms of the IA No. 1 RMA, the levy of the IA No. 1 Special Tax on each Assessor's Parcel of IA No. 1 Developed Property whose IA No. 1 Maximum Special Tax is determined through the application of the IA No. 1 Backup Special Tax shall be increased in equal percentages from the IA No. 1 Assigned Special Tax up to the IA No. 1 Maximum Special Tax for each such Assessor's Parcel, with the levy on Developed Property and IA No. 1 Developed Property being Proportionate;

Fifth: If additional monies are needed to satisfy the Special Tax Requirement after the first four steps have been completed, then the Special Tax shall be levied on each Assessor's Parcel of Other Taxable Property at up to the Maximum Special Tax for Other Taxable Property; and the Council shall be notified that under the terms of the IA No. 1 RMA, the IA No. 1 Special Tax shall be levied on each Assessor's Parcel of IA No. 1 Other Taxable Property at up to the IA No. 1 Maximum Special Tax for Other Taxable Property, with the levy on Other Taxable Property and IA No. 1 Other Taxable Property being Proportionate.

## **2. After the Issuance of the Second Series of CFD No. 3 Bonds**

First: The Special Tax shall be levied on each Assessor's Parcel of Developed Property in an amount equal to 100% of the applicable Assigned Special Tax; and the Council shall be notified that under the terms of the IA No. 1 RMA, the IA No. 1 Special Tax shall be levied on each Assessor's Parcel of IA No. 1 Developed Property in an amount equal to 100% of the applicable IA No. 1 Assigned Special Tax;

Second: If additional monies are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied on each Assessor's Parcel of Undeveloped Property at up to 100% of the Maximum Special Tax for Undeveloped Property; and the Council shall be notified that under the terms of the IA No. 1 RMA, the IA No. 1 Special Tax shall be levied on each Assessor's Parcel of IA No. 1 Undeveloped Property at up to 100% of the IA No. 1 Maximum Special Tax for Undeveloped Property, with the levy on Undeveloped Property and IA No. 1 Undeveloped Property being Proportionate;

Third: If additional monies are needed to satisfy the Special Tax Requirement after the first two steps have been completed, then the levy of the Special Tax on each Assessor's Parcel of Developed Property whose Maximum Special Tax is determined through the application of the Backup Special Tax shall be increased in equal percentages from the Assigned Special Tax up to the Maximum Special Tax for each such Assessor's Parcel; and the Council shall be notified that under the terms of the IA No. 1 RMA, the levy of the IA No. 1 Special Tax on each Assessor's Parcel of IA No. 1 Developed Property whose IA No. 1 Maximum Special Tax is determined through the application of the IA No. 1 Backup Special Tax shall be increased in equal percentages from the IA No. 1 Assigned Special Tax up to the IA No. 1 Maximum Special Tax for each such Assessor's Parcel, with the levy on Developed Property and IA No. 1 Developed Property being Proportionate;

Fourth: If additional monies are needed to satisfy the Special Tax Requirement after the first three steps have been completed, then the Special Tax shall be levied on each Assessor's Parcel of Other Taxable Property at up to the Maximum Special Tax for Other Taxable Property; and the Council shall be notified that under the terms of the IA No. 1 RMA, the IA No. 1 Special Tax shall be levied on each Assessor's Parcel of IA No. 1 Other Taxable Property at up to the IA No. 1 Maximum Special Tax for Other Taxable Property, with the levy on Other Taxable Property and IA No. 1 Other Taxable Property being Proportionate.

### **3. Additional Levy Guidelines**

Notwithstanding the above the Council may, in any Fiscal Year, levy Proportionately less than 100% of the Assigned Special Tax in step one of Section D.1 or D.2 (above) and the IA No. 1 Assigned Special Tax in step one of Section D.1 or D.2 (of the IA No. 1 RMA), when (i) the Council is no longer required to levy a Special Tax pursuant to step two in Section D.2 (above) and the Council is no longer required to levy an IA No. 1 Special Tax pursuant to step two in Section D.1 or D.2 of the IA No. 1 RMA in order to meet the Special Tax Requirement; (ii) all authorized CFD No. 3 Bonds have already been issued or the Council has covenanted that it will not issue any additional CFD No. 3 Bonds (except refunding bonds) to be supported by Special Taxes and IA No. 1 Special Taxes; and (iii) all facilities identified on Exhibit A to the Purchase and Finance Agreement have been acquired.

Further notwithstanding the above, under no circumstances will the Special Tax levied against any Assessor's Parcel of Residential Property for which an occupancy permit for private residential use has been issued be increased by more than ten percent as a consequence of delinquency or default by the owner of any other Assessor's Parcel within CFD No. 3.

#### **E. EXEMPTIONS**

No Special Tax shall be levied on property that is not located in a Zone. No Special Tax shall be levied on up to 122.36 Acres of City/Agency Property, Free Standing Parking Property, Other Public Property, and/or Property Owner Association Property that is within a Zone and up to 18.04 Acres of Golf Course Property that is within a Zone. However, the Acreage of any City/Agency Property that has never been conveyed in fee ownership or leasehold interest from the City and/or the Agency to an entity other than the City or the Agency shall not be included in the 122.36 Acres, and such property shall be considered exempt. For all other property that is within a Zone, tax-exempt status will be assigned by the CFD Administrator in chronological order in which property becomes City/Agency Property, Free Standing Parking Property, Other Public Property, Property Owner Association Property, or Golf Course Property. However, should an Assessor's Parcel that is within a Zone no longer be classified as City/Agency Property, Free Standing Parking Property, Other Public Property, Property Owner Association Property, Public Property, or Golf Course Property its tax-exempt status will be revoked.

City/Agency Property, Free Standing Parking Property, Other Public Property, Property Owner Association Property, or Golf Course Property that is within a Zone that is not exempt from Special Taxes under this section shall be subject to the levy of the Special Tax and shall be taxed as described in Section D above, at up to 100% of the applicable Maximum Special Tax for Other Taxable Property.

#### **F. APPEALS AND INTERPRETATIONS**

Any tax payer may file a written appeal of the Special Tax on his/her property with the CFD Administrator, provided that the appellant is current in his/her payments of Special Taxes. During the pendency of an appeal, all Special Taxes previously levied must be paid on or before the payment date established when the levy was made. The appeal must specify the reasons why the appellant claims the Special Tax is in error. The CFD Administrator shall review the appeal, meet with the appellant if the CFD Administrator deems necessary, and advise the appellant of its determination. If the CFD Administrator agrees with the appellant, the CFD Administrator shall make a recommendation to the City Manager or designee to eliminate or reduce the Special Tax on the appellant's property and/or to provide a refund to the appellant. The approval of the City Manager or designee must be obtained prior to any such elimination or reduction. If the CFD Administrator disagrees with the appellant and the appellant is dissatisfied with the determination, the appellant then has 30 days in which to appeal to the City Manager or designee by filing a written notice of appeal with the City Clerk, provided that the appellant is current in his/her payments of Special Taxes. The second appeal must specify the reasons for its disagreement with the CFD Administrator's determination.

Interpretations may be made by the Council by ordinance or resolution for purposes of clarifying any vagueness or ambiguity in this Rate and Method of Apportionment.

**G. MANNER OF COLLECTION**

The Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes; provided, however, that CFD No. 3 may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations, and may covenant to foreclose and may actually foreclose on delinquent Assessor's Parcels as permitted by the Act.

**H. PREPAYMENT OF SPECIAL TAX**

**1. Prepayment in Full**

The following definition applies to this Section H:

**“CFD Public Facilities”** means either \$20,780,000 in 2001 dollars, which shall increase by the Construction Inflation Index on July 1, 2002, and on each July 1 thereafter, or such lower number as (i) shall be determined by the CFD Administrator as sufficient to provide the public facilities to be provided by CFD No. 3 under the authorized Mello-Roos financing program for CFD No. 3, or (ii) shall be determined by the Council concurrently with a covenant that it will not issue any more CFD No. 3 Bonds (except refunding bonds) to be supported by Special Taxes and IA No. 1 Special Taxes.

**“Construction Fund”** means the account (regardless of its name) identified in the Indenture to hold funds which are currently available for expenditure to acquire or construct public facilities eligible under the Act.

**“Construction Inflation Index”** means the annual percentage change in the Engineering News-Record Building Cost Index for the City of Los Angeles, measured as of the calendar year which ends in the previous Fiscal Year. In the event this index ceases to be published, the Inflation Index shall be another index as determined by the CFD Administrator that is reasonably comparable to the Engineering News-Record Building Cost Index for the City of Los Angeles.

**“Future Facilities Costs”** means the CFD Public Facilities minus (i) public facility costs previously paid from the Construction Fund, (ii) moneys currently on deposit in the Construction Fund, and (iii) moneys currently on deposit in an escrow fund that are expected to be available to finance public facility costs.

**“Outstanding Bonds”** means all Previously Issued Bonds which remain outstanding as of the first interest and/or principal payment date following the current Fiscal Year.

**“Previously Issued Bonds”** means all CFD No. 3 Bonds that have been issued prior to the date of prepayment.

Only an Assessor's Parcel of Developed Property, or an Assessor's Parcel of Undeveloped Property for which a building permit has been issued, may prepay its Special Tax obligation. The Special Tax obligation applicable to an Assessor's Parcel in CFD No. 3 may be prepaid and the obligation of the Assessor's Parcel to pay any Special Tax permanently satisfied as described herein, provided that a prepayment may be made with respect to a particular Assessor's Parcel only if there are no delinquent Special Taxes with respect to such Assessor's Parcel at the time of prepayment. An owner of an Assessor's Parcel intending to prepay the Special Tax obligation shall provide the CFD Administrator with written notice of intent to prepay. The CFD Administrator shall provide the owner with a statement of the prepayment amount

for such Assessor’s Parcel within thirty (30) days of the request and may charge a reasonable fee for providing this service. Prepayment must be made not less than 60 days prior to any redemption date for the CFD No. 3 Bonds to be redeemed with the proceeds of such prepaid Special Taxes.

The Prepayment Amount (defined below) shall be calculated as summarized below (capitalized terms as defined below):

|        |                        |                                    |
|--------|------------------------|------------------------------------|
|        | Bond Redemption Amount |                                    |
|        | plus                   | Redemption Premium                 |
|        | plus                   | Future Facilities Amount           |
|        | plus                   | Defeasance Amount                  |
|        | plus                   | Administrative Fees and Expenses   |
|        | less                   | Reserve Fund Credit                |
|        | <u>less</u>            | <u>Capitalized Interest Credit</u> |
| Total: | equals                 | Prepayment Amount                  |

As of the proposed date of prepayment, the Prepayment Amount (defined below) shall be calculated as follows:

**Paragraph No.:**

1. Confirm that no Special Tax delinquencies apply to such Assessor’s Parcel.
2. For Assessor’s Parcels of Developed Property, compute the Assigned Special Tax and Backup Special Tax. For Assessor’s Parcels of Undeveloped Property for which a building permit has been issued, compute the Assigned Special Tax and Backup Special Tax for that Assessor’s Parcel as though it was already designated as Developed Property, based upon the building permit which has already been issued for that Assessor’s Parcel.
3. (a) Divide the Assigned Special Tax computed pursuant to paragraph 2 by the total estimated Assigned Special Taxes for the entire CFD No. 3 based on the Developed Property Special Taxes and IA No. 1 Developed Property Special Taxes which could be charged in the current Fiscal Year on all expected development through buildout of CFD No. 3 as determined by the CFD Administrator based on the Precise Plan and other information currently available, excluding any Assessor’s Parcels which have been prepaid, and  
 (b) Divide the Backup Special Tax computed pursuant to paragraph 2 by the total estimated Backup Special Taxes and IA No. 1 Backup Special Taxes at buildout for the entire CFD No. 3 as determined by the CFD Administrator based on the Precise Plan and other information currently available, excluding any Assessor’s Parcels which have been prepaid.
4. Multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid (the “Bond Redemption Amount”).
5. Multiply the Bond Redemption Amount computed pursuant to paragraph 4 by the applicable redemption premium (expressed as a percentage), if any, on the Outstanding Bonds to be redeemed (the “Redemption Premium”).
6. Compute the current Future Facilities Costs.

7. Multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the amount determined pursuant to paragraph 6 to compute the amount of Future Facilities Costs to be prepaid (the "Future Facilities Amount").
8. Compute the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the earliest redemption date for the Outstanding Bonds.
9. Determine the Special Taxes levied on the Assessor's Parcel in the current Fiscal Year which have not yet been paid.
10. Compute the minimum amount the CFD Administrator reasonably expects to derive from the reinvestment of the Prepayment Amount less the Future Facilities Amount and the Administrative Fees and Expenses from the date of prepayment until the redemption date for the Outstanding Bonds to be redeemed with the prepayment.
11. Add the amounts computed pursuant to paragraphs 8 and 9 and subtract the amount computed pursuant to paragraph 10 (the "Defeasance Amount").
12. Verify the administrative fees and expenses of CFD No. 3, including the costs of computation of the prepayment, the costs to invest the prepayment proceeds, the costs of redeeming CFD No. 3 Bonds, and the costs of recording any notices to evidence the prepayment and the redemption (the "Administrative Fees and Expenses").
13. The reserve fund credit ("Reserve Fund Credit") shall equal the lesser of: (a) the expected reduction in the reserve requirement (as defined in the Indenture), if any, associated with the redemption of Outstanding Bonds as a result of the prepayment, or (b) the amount derived by subtracting the new reserve requirement (as defined in the Indenture) in effect after the redemption of Outstanding Bonds as a result of the prepayment from the balance in the reserve fund on the prepayment date, but in no event shall such amount be less than zero.
14. If any capitalized interest for the Outstanding Bonds will not have been expended at the time of the first interest and/or principal payment following the current Fiscal Year, a capitalized interest credit shall be calculated by multiplying the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the expected balance in the capitalized interest fund after such first interest and/or principal payment (the "Capitalized Interest Credit").
15. The Special Tax prepayment is equal to the sum of the amounts computed pursuant to paragraphs 4, 5, 7, 11 and 12, less the amounts computed pursuant to paragraphs 13 and 14 (the "Prepayment Amount").
16. From the Prepayment Amount, the amounts computed pursuant to paragraphs 4, 5, 11, 13 and 14 shall be deposited into the appropriate fund as established under the Indenture and be used to retire Outstanding Bonds or make debt service payments.

The amount computed pursuant to paragraph 7 shall be deposited into the Construction Fund. The amount computed pursuant to paragraph 12 shall be retained by CFD No. 3.

The Prepayment Amount may be sufficient to redeem other than a \$5,000 increment of CFD No. 3 Bonds. In such cases, the increment above \$5,000 or integral multiple thereof will be retained in the appropriate fund established under the Indenture to be used with the next prepayment of CFD No. 3 Bonds or to make debt service payments.

As a result of the payment of the current Fiscal Year's Special Tax levy as determined under paragraph 9 (above), the CFD Administrator shall remove the current Fiscal Year's Special Tax levy for such Assessor's Parcel from the County tax rolls. With respect to any Assessor's Parcel that is prepaid in full, the CFD Administrator shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of Special Taxes and the release of the Special Tax lien on such Assessor's Parcel, and the obligation of such Assessor's Parcel to pay the Special Tax shall cease.

Notwithstanding the foregoing, no Special Tax prepayment shall be allowed unless the amount of Maximum Special Taxes and IA No. 1 Maximum Special Taxes that may be levied on Taxable Property and IA No. 1 Taxable Property, respectively, after the proposed prepayment is at least 1.1 times the maximum annual debt service on all Outstanding Bonds.

## **2. Prepayment in Part**

The Special Tax on an Assessor's Parcel of Developed Property or an Assessor's Parcel of Undeveloped Property for which a building permit has been issued may be partially prepaid. The amount of the prepayment shall be calculated as in Section H.1; except that a partial prepayment shall be calculated according to the following formula:

$$PP = P_E \times F.$$

These terms have the following meaning:

PP = the partial prepayment  
P<sub>E</sub> = the Prepayment Amount calculated according to Section H.1  
F = the percentage by which the owner of the Assessor's Parcel(s) is partially prepaying the Special Tax.

The owner of any Assessor's Parcel who desires such prepayment shall notify the CFD Administrator of (i) such owner's intent to partially prepay the Special Tax, (ii) the percentage by which the Special Tax shall be prepaid, and (iii) the company or agency that will be acting as the escrow agent, if any. The CFD Administrator shall provide the owner with a statement of the amount required for the partial prepayment of the Special Tax for an Assessor's Parcel within thirty (30) days of the request and may charge a reasonable fee for providing this service.

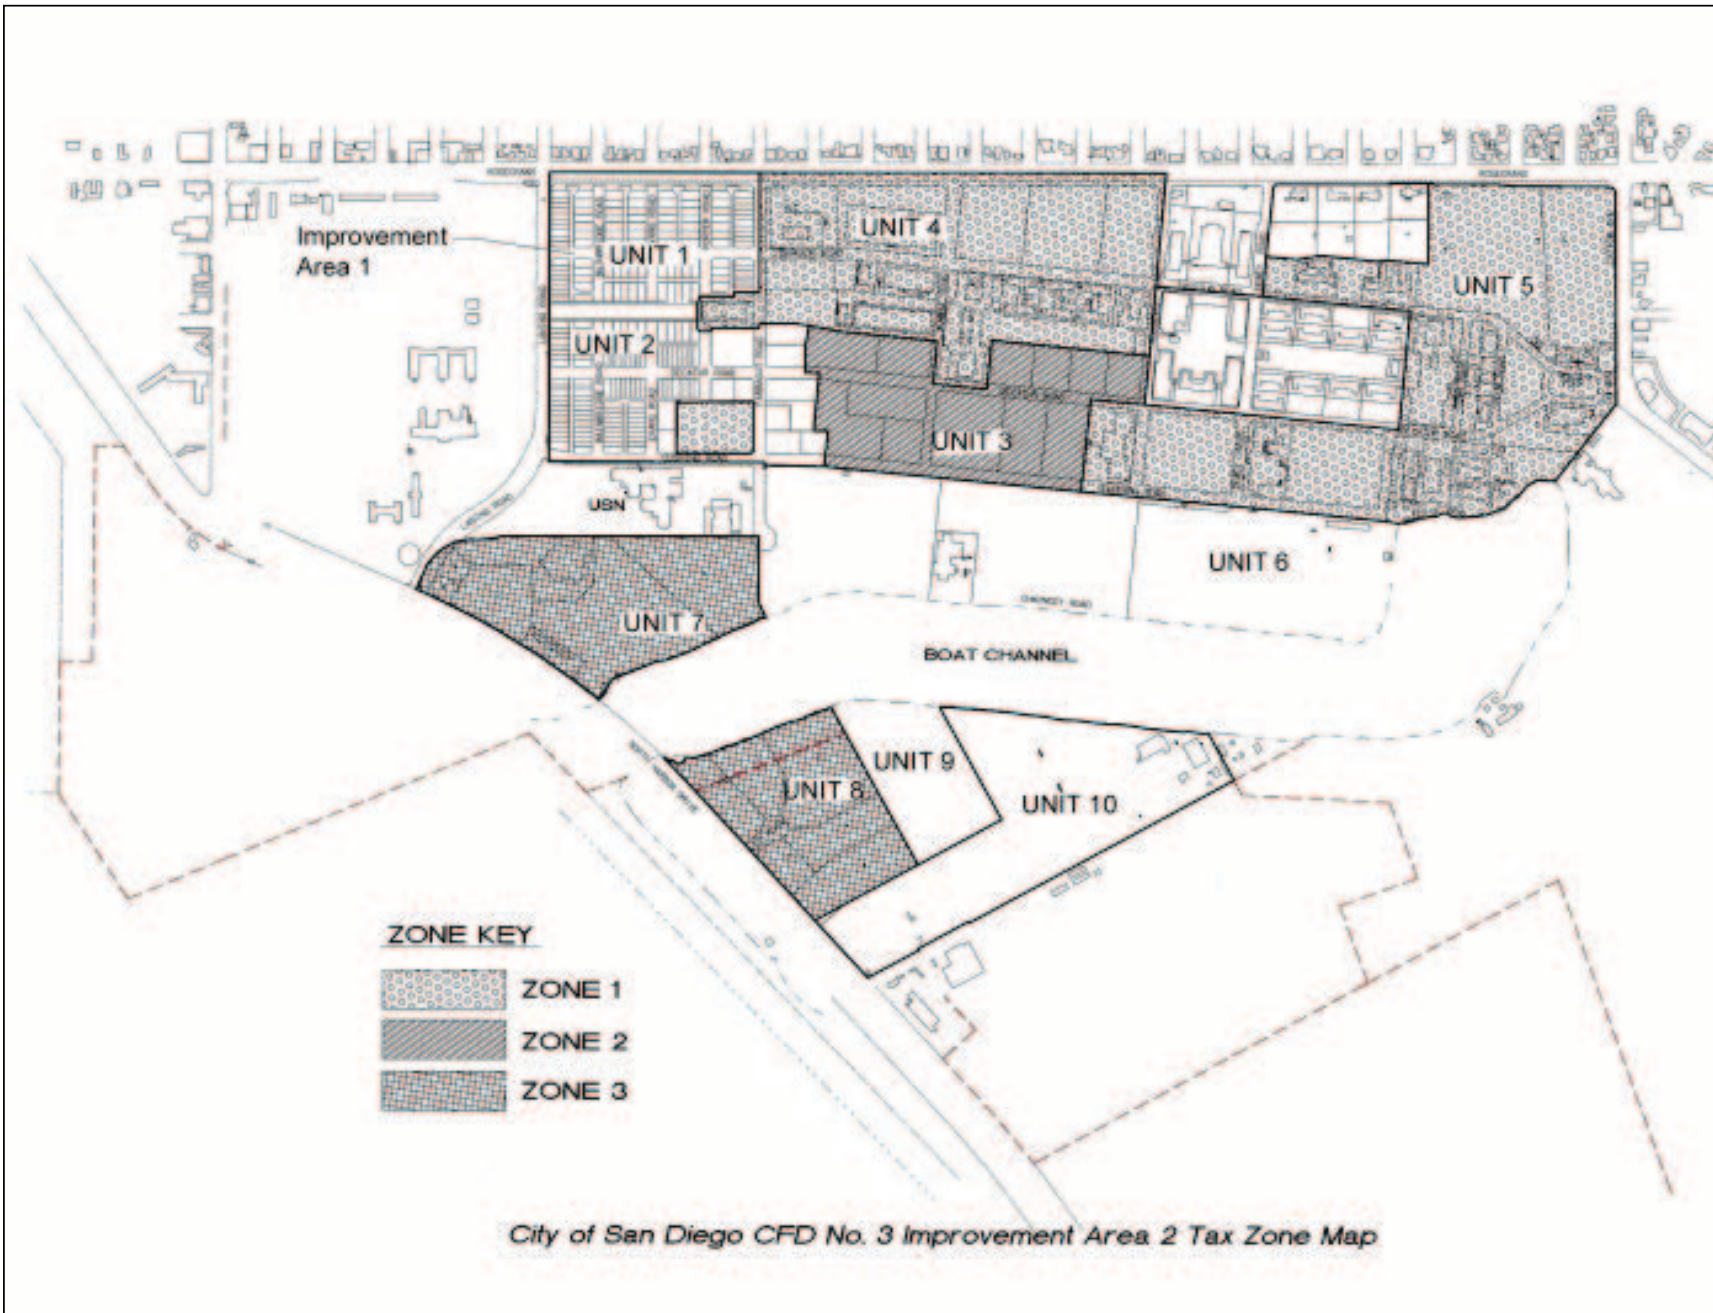

With respect to any Assessor's Parcel that is partially prepaid, the City shall (i) distribute the funds remitted to it according to Section H.1, and (ii) indicate in the records of CFD No. 3 that there has been a partial prepayment of the Special Tax and that a portion of the Special Tax with respect to such Assessor's Parcel, equal to the outstanding percentage (1.00 - F) of the remaining Maximum Annual Special Tax, shall continue to be levied on such Assessor's Parcel pursuant to Section D.

## **I. TERM OF SPECIAL TAX**

The Special Tax shall be levied for a period not to exceed forty years commencing with Fiscal Year 2002-2003, provided however that Special Taxes will cease to be levied in an earlier Fiscal Year if the CFD Administrator has determined (i) that all required interest and principal payments on the CFD No. 3 Bonds have been paid; (ii) all facilities have been acquired and all reimbursements to the Master Developer have been paid pursuant to the Purchase and Finance Agreement; and (iii) all required Administrative Expenses have been paid.

## APPENDIX B

### SUPPLEMENTAL INFORMATION CONCERNING THE CITY OF SAN DIEGO

*This Appendix contains principally economic and demographic information relating to the City of San Diego. Neither the faith and credit nor the taxing power of the City, the County of San Diego, the State of California or any political subdivision thereof is pledged to the payment of the 2008 Bonds. The 2008 Bonds are special tax obligations of the District payable solely from a portion of the Special Taxes and other amounts pledged under the Bond Indenture, as more fully described in the Official Statement to which this Appendix is appended. The information set forth herein has been obtained from sources believed to be reliable, but such information is not guaranteed as to accuracy or completeness. Statements contained herein which involve estimates, forecasts, or matters of opinion, whether or not expressly so described herein, are intended solely as such and are not to be construed as representations of facts.*

*This Appendix may make “forward-looking statements” by using forward-looking words such as “may,” “will,” “should,” “expects,” “believes,” “anticipates,” “estimates,” or others. Forward-looking statements are subject to a variety of uncertainties that could cause actual results to differ from the projected results. The information and expressions of opinion herein are subject to change without notice, and neither delivery of this Official Statement nor any sale thereafter of the securities offered hereby shall under any circumstances create any implication that there has been no change in the affairs of the City or in any other information contained herein since the date of the Official Statement.*

*Data contained under this caption is intended to portray economic, demographic, and business trends within the City. All the information presented in the following tables and other specific data references is the latest information available from the respective data sources.*

#### **Introduction**

The City of San Diego (the “City”), with a total population of approximately 1.3 million in 2007 and a land area of approximately 340 square miles, is the eighth largest city in the nation and the second largest city in California. The City is the county seat for the County of San Diego (the “County”). In addition to having a favorable climate, the City offers a wide range of cultural and recreational services to both residents and visitors. The City has a diversified economy. Major components of this diversified economy include international trade, high-tech manufacturing and research, professional services, tourism and defense. The City has historically benefited from manufacturing (ship building, industrial machinery, television and video equipment, and printing and publishing), public and private higher education, health services, military, and local government employment.

## ECONOMIC AND DEMOGRAPHIC INFORMATION

### Population

As set forth in Table 1 below, between January 1, 1998 and January 1, 2007, the City's population has increased by 11.9% (or by approximately 15,549 new residents annually during this period).

## Property Taxes

The County assesses property and collects secured and unsecured property taxes for the cities, school districts, and special districts within the County, including the City. Once the property taxes are collected, the County conducts its internal reconciliation for accounting purposes and distributes the City's share of such taxes to the City, generally within a couple of weeks. Prior to distribution, the moneys are deposited in an account established on behalf of the City in the County Treasurer's Investment Pool (the "Pool"). If the County and/or the Pool were at any time to become subject to bankruptcy proceedings, it is possible that City property taxes, including Special Taxes levied by the District, held in the Pool, if any, could be temporarily unavailable to the City. In the event of such an occurrence, General Fund revenue requirements could be met through the use of other City funds. *Ad valorem* taxes are subject to constitutional limits.

Taxes are levied for each fiscal year on taxable real and personal property which is situated in the City as of the preceding January 1. For assessment and collection purposes, property is classified either as "secured" or "unsecured" and is listed accordingly on separate parts of the assessment roll. The "secured roll" is that part of the assessment roll containing the taxes on which there is a lien on real property sufficient, in the opinion of the County Assessor, to secure payment of the taxes. Other property is assessed on the "unsecured roll."

Property taxes on the secured roll are due in two installments, on November 1 and February 1 of the fiscal year. If unpaid, such taxes become delinquent on December 10 and April 10, respectively, and a 10% penalty attaches to any delinquent payment. If not paid, the property is subject to default. Such property may be redeemed by payment of the delinquent taxes and the delinquent penalty, plus a redemption penalty of 1.5% per month from July 1 of the following year to the time of redemption. If taxes are unpaid for a period of five years or more, the property is subject to sale by the County Tax Collector.

Property taxes on the unsecured roll are due as of the March 1 lien date and become delinquent, if unpaid, on August 31 of the fiscal year. A 10% penalty attaches to delinquent taxes on property on the unsecured roll, and an additional penalty of 1.5% per month begins to accrue beginning November 1 of the

fiscal year. The taxing authority has four ways of collecting unsecured personal property taxes: (a) a civil action against the taxpayer; (b) filing a certificate in the office of the County Clerk specifying certain facts in order to obtain a judgment lien on certain property of the taxpayer; (c) filing a certificate of delinquency for record in the County Recorder's Office, in order to obtain a lien on certain property of the taxpayer; and (d) seizure and sale of personal property, improvements or possessory interests belonging or assessed to the assessee.

A supplemental assessment occurs upon a change of ownership of existing property and for new construction upon completion. A supplemental tax bill is issued for the difference in property value resulting from the increase in assessed value prorated for the remainder of the year.

Effective July 1, 1988, Assembly Bill 454, Chapter 921, eliminated the reporting of the unitary valuations pertaining to public utilities such as San Diego Gas and Electric and SBC Communications, Inc. In lieu of the property tax on these previously included assessed valuations, the City now receives from the State (through the County) an amount of unitary revenue based upon the unitary property tax received in the prior year.

Table 7 presents the assessed valuation within the City for each of the last five Fiscal Years.

“Authorized Representative of the City” means the Mayor of the City, the Chief Operating Officer of the City, the Chief Financial Officer of the City or any other person or persons designated by the Mayor of the City, the Chief Operating Officer of the City or the Chief Financial Officer of the City by a written certificate signed by one of such officers of the City and containing the specimen signature of each such person.

“Authorized Representative of the District” means the Mayor of the City, the Chief Operating Officer of the City, the Chief Financial Officer of the City or any other person or persons designated by the Mayor of the City, the Chief Operating Officer of the City or the Chief Financial Officer of the City by a written certificate signed by one of such officers of the City and containing the specimen signature of each such person.

“Bond Counsel” means an attorney at law or a firm of attorneys selected by the District of nationally recognized standing in matters pertaining to the tax-exempt nature of interest on bonds issued by states and their political subdivisions.

“Bond Indenture” means the Bond Indenture, together with any Supplemental Indenture approved pursuant to the Bond Indenture.

“Bond Register” means the books which the Trustee shall keep or cause to be kept on which the registration and transfer of the Bonds and any Parity Bonds shall be recorded.

“Bondowner” or “Owner” or “Registered Owner” means the person or persons in whose name or names any Bond or Parity Bond is registered.

“Bonds” means the Community Facilities District No. 3 Special Tax Bonds Series A of 2008.

“Bond Year” means the twelve month period commencing on March 1 of each year and ending on February 28 of the following year, except that the first Bond Year for the Bonds and each issue of Parity Bonds shall begin on the Delivery Date and end on the following February 28.

“Business Day” means a day which is not a Saturday or Sunday or a day of the year on which banks in New York, New York, Los Angeles, California, or the city where the corporate trust office of the Trustee is located, are not required or authorized to remain closed.

“Certificate of an Authorized Representative” means a written certificate or warrant request executed by an Authorized Representative of the City.

“Certificate of the Special Tax Administrator” means a certificate of an Authorized Representative of the District, or any successor entity appointed by the City, to administer the calculation and collection of the Special Taxes.

“City” means the City of San Diego, California.

“Code” means the Internal Revenue Code of 1986, as amended, and any Regulations, rulings, judicial decisions, and notices, announcements, and other releases of the United States Treasury Department or Internal Revenue Service interpreting and construing it.

“Costs of Issuance” means the costs and expenses incurred in connection with the formation of the District and the issuance and sale of the Bonds or any Parity Bonds, including, but not limited to, the acceptance and initial annual fees and expenses of the Trustee, legal fees and expenses, costs of printing the Bonds and Parity Bonds and the preliminary and final official statements for the Bonds and Parity Bonds, fees of financial consultants, special tax consultants and appraisers and all other related fees and expenses, as set forth in a Certificate of an Authorized Representative of the City.

“Delivery Date” means, with respect to the Bonds and each issue of Parity Bonds, the date on which the bonds of such issue were issued and delivered to the initial purchasers thereof.

“Depository” means The Depository Trust Company, New York, New York, and its successors and assigns as securities depository for the Bonds and Parity Bonds, or any other securities depository acting as Depository under the Bond Indenture.

“Developed Property” shall have the meaning set forth in the Rate and Method of Apportionment of Special Taxes

“Direct Debt for Developed Property” means that portion of the aggregate principal amount of the Outstanding Bonds and Parity Bonds (including for purposes of this calculation any Parity Bonds proposed to be issued) which is allocable to the Developed Property as described below. For this purpose, there will be allocated to the Developed Property the largest principal amount of Bonds and Parity Bonds Outstanding

(including for purposes of this calculation any Parity Bonds proposed to be issued) that results in (a) the maximum Special Taxes that may be levied on Developed Property (not including any parcels of Developed Property with delinquent Special Taxes and assuming taxation as “Developed Property” as defined in the Rate and Method of Apportionment of Special Taxes for each of Improvement Area No. 1 and Improvement Area No. 2) in each Fiscal Year until the final maturity of the Bonds and Parity Bonds being at least equal to the sum of 110% of Annual Debt Service on such Bonds and Parity Bonds in the Bond Year beginning on the March 1 of such Fiscal Year of taxation plus the share of Administrative Expenses allocable to the Developed Property for such Fiscal Year of taxation; and (b) a Value of Developed Property at least four (4) times the sum of Direct Debt for Developed Property plus Overlapping Debt allocable to Developed Property. Administrative Expenses in each Fiscal Year shall be deemed to be equal to actual Administrative Expenses for the last Fiscal Year ending prior to the date of calculation of Direct Debt for Developed Property and the portion of the total Administrative Expenses allocable to Developed Property shall be the same portion that Special Taxes on Developed Property represent of the total Special Taxes levied in the District in the then current Fiscal Year.

“Direct Debt for District Property” means that portion of the aggregate principal amount of the Outstanding Bonds and Parity Bonds (including for purposes of this calculation any Parity Bonds proposed to be issued) which is allocable to the property in the District as described below. For this purpose there will be allocated to the property in the District the largest principal amount of Bonds and Parity Bonds (including for purposes of this calculation any Parity Bonds proposed to be issued) that results in a Value of District Property at least four (4) times the sum of Direct Debt for District Property plus Overlapping Debt allocable to all property in the District subject to the Special Tax.

“Direct Debt for Undeveloped Property” means that portion of the aggregate principal amount of the Outstanding Bonds and Parity Bonds (including for purposes of this calculation any Parity Bonds proposed to be issued) which is allocable to the Undeveloped Property as described below. For this purpose, there will be allocated to the Undeveloped Property the remaining principal amount of Bonds and Parity Bonds (including for purposes of this calculation any Parity Bonds proposed to be issued) not previously allocated to Developed Property that results in:

(a) the maximum Special Taxes that may be levied on Undeveloped Property (assuming taxation as “Undeveloped Property” as defined in and according to the levy priority set forth in the Rate and Method of Apportionment of Special Taxes for each of Improvement Area No. 1 and 2) in each Fiscal Year until the final maturity of the Bonds and Parity Bonds being at least equal to the sum of 110% of Annual Debt Service on such Bonds and Parity Bonds in the Bond Year beginning on the March 1 of such Fiscal Year of taxation plus the share of Administrative Expenses allocable to the Undeveloped Property for such Fiscal Year of taxation, which for purposes of such calculation shall be the remainder of the Administrative Expenses not allocated in the calculation of Direct Debt for Developed Property; and

(b) a Value of Undeveloped Property at least three (3) times the sum of Direct Debt for Undeveloped Property plus Overlapping Debt for Undeveloped Property; provided, however, there shall be excluded from the calculations under (a) above and this paragraph (b) any parcel of Undeveloped Property with delinquent Special Taxes and any parcel for which the Value of Undeveloped Property is less than two (2) times the sum of the Direct Debt for Undeveloped Property and Overlapping Debt allocable thereto. The Direct Debt for Undeveloped Property allocable to each parcel of Undeveloped Property shall be determined by multiplying the aggregate principal amount of the Bonds and Parity Bonds proposed to be allocated to Undeveloped Property by a fraction, the numerator of which is the maximum amount of Special Taxes that may be levied on such parcel and the denominator of which is the maximum amount of Special Taxes that may be levied on all parcels of Undeveloped Property.

“District” means Community Facilities District No. 3 (Liberty Station) established pursuant to the Act and the Resolution of Formation.

“Event of Default” means the “event of default” described in the Bond Indenture.

“Fair Market Value” means the value of each Assessor’s Parcel of Developed Property and Undeveloped Property as determined by the appraiser selected by the District, which value shall be of (i) the fee simple estate for all Assessor’s Parcels owned in fee by the entity subject to the Special Tax; and (ii) the leasehold estate for all Assessor’s Parcels where the interest subject to the Special Tax is a leasehold estate.

“Final Map” means (a) a final map, lot line adjustment, or parcel map, or portion thereof, approved by the City pursuant to the Subdivision Map Act (California Government Code Section 66410 et seq.) and recorded with the County Recorder that creates individual lots for which building permits may be issued; or (b) for condominiums, a final map, or portion thereof, approved by the City and a condominium plan recorded pursuant to California Civil Code Section 1352 that creates individual lots for which building permits may be issued.

“Fiscal Year” means the period beginning on July 1 of each year and ending on the next following June 30.

“Fitch” means Fitch Ratings, Inc., a corporation organized and existing under the laws of the State of New York, its successors and assigns.

“Gross Taxes” means the amount of all Special Taxes received by the District, including any Special Taxes collected from the sale of property pursuant to the foreclosure provisions of the Bond Indenture for the delinquency of such Special Taxes remaining after the payment of all costs related to such foreclosure actions.

## **BOND TERMS**

**Type and Nature of Bonds and Parity Bonds.** Neither the faith and credit nor the taxing power of the City, the State of California, or any political subdivision thereof other than the District is pledged to the payment of the Bonds or any Parity Bonds. Except for the Net Taxes, no other taxes are pledged to the payment of the Bonds or any Parity Bonds. The Bonds and any Parity Bonds are not general or special obligations of the City nor general obligations of the District, but are limited obligations of the District payable solely from certain amounts deposited by the District in the Special Tax Fund (exclusive of the Administrative Expense Account), as more fully described in the Bond Indenture. The District’s limited obligation to pay the principal of, premium, if any, and interest on the Bonds and any Parity Bonds from amounts in the Special Tax Fund (exclusive of the Administrative Expense Account) is absolute and unconditional, free of deductions and without any abatement, offset, recoupment, diminution or set-off whatsoever. No Owner of the Bonds or any Parity Bonds may compel the exercise of the taxing power by the District (except as pertains to the Special Taxes) or the City or the forfeiture of any of their property. The principal of and interest on the Bonds and any Parity Bonds and premiums upon the redemption thereof, if any, are not a debt of the City, the State of California or any of its political subdivisions within the meaning of any constitutional or statutory limitation or

restriction. The Bonds and any Parity Bonds are not a legal or equitable pledge, charge, lien, or encumbrance upon any of the District's property, or upon any of its income, receipts or revenues, except the Net Taxes and other amounts in the Special Tax Fund (exclusive of the Administrative Expense Account) which are, under the terms of the Bond Indenture and the Act, set aside for the payment of the Bonds, any Parity Bonds and interest thereon and neither the members of the legislative body of the District or the City Council of the City nor any persons executing the Bonds or any Parity Bonds, are liable personally on the Bonds or any Parity Bonds, by reason of their issuance.

Notwithstanding anything to the contrary contained in the Bond Indenture, the District shall not be required to advance any money derived from any source of income other than the Net Taxes for the payment of the interest on or the principal of the Bonds or any Parity Bonds, or for the performance of any covenants contained therein. The District may, however, advance funds for any such purpose, provided that such funds are derived from a source legally available for such purpose.

**Equality of Bonds and Parity Bonds and Pledge of Net Taxes.** Pursuant to the Act and the Bond Indenture, the Bonds and any Parity Bonds shall be equally payable from the Net Taxes and other amounts in the Special Tax Fund (exclusive of the Administrative Expense Account), without priority for number, date of the Bonds or Parity Bonds, date of sale, date of execution, or date of delivery, and the payment of the interest on and principal of the Bonds and any Parity Bonds and any premiums upon the redemption thereof, shall be exclusively paid from the Net Taxes and other amounts in the Special Tax Fund (exclusive of the Administrative Expense Account), which are pledged and set aside for the payment of the Bonds and any Parity Bonds. Amounts in the Special Tax Fund (other than the Administrative Expense Account therein) shall constitute a trust fund held for the benefit of the Owners to be applied to the payment of the interest on and principal of the Bonds and any Parity Bonds and so long as any of the Bonds and any Parity Bonds or interest thereon remain Outstanding shall not be used for any other purpose, except as permitted by the Bond Indenture or any Supplemental Indenture. Notwithstanding any provision contained in the Bond Indenture to the contrary, Net Taxes deposited in the Rebate Fund and the Surplus Fund shall no longer be considered to be pledged to the Bonds or any Parity Bonds, and none of the Rebate Fund, the Surplus Fund, the Acquisition and Construction Fund or the Administrative Expense Account of the Special Tax Fund shall be construed as a trust fund held for the benefit of the Owners.

Nothing in the Bond Indenture or any Supplemental Indenture shall preclude: (i) subject to the limitations contained under the Bond Indenture, the redemption prior to maturity of any Bonds or Parity Bonds subject to call and redemption and payment of said Bonds or Parity Bonds from proceeds of refunding bonds issued under the Act or under any other law of the State of California; or (ii) the issuance, subject to the limitations contained in the Bond Indenture, of Parity Bonds which shall be payable from Net Taxes.

**Mutilated, Lost, Destroyed or Stolen Bonds or Parity Bonds.** If any Bond or Parity Bond shall become mutilated, the District shall execute, and the Trustee shall authenticate and deliver, a new Bond or Parity Bond of like tenor, date, issue and maturity in exchange and substitution for the Bond or Parity Bond so mutilated, but only upon surrender to the Trustee of the Bond or Parity Bond so mutilated. Every mutilated Bond or Parity Bond so surrendered to the Trustee shall be cancelled by the Trustee pursuant to the Bond Indenture. If any Bond or Parity Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence is satisfactory to the Trustee and, if any indemnity satisfactory to the Trustee shall be given, the District shall execute and the Trustee shall authenticate and deliver, a new Bond or Parity Bond, as applicable, of like tenor, maturity and issue, numbered and dated as the Trustee shall determine in lieu of and in substitution for the Bond or Parity Bond so lost, destroyed or stolen. Any Bond or Parity Bond issued in lieu of any Bond or Parity Bond alleged to be mutilated, lost, destroyed or stolen, shall be equally and proportionately entitled to the benefits of the Bond Indenture with all other Bonds and Parity Bonds issued under the Bond Indenture. The Trustee shall not treat both the original Bond or Parity Bond and any replacement Bond or Parity Bond as being Outstanding for the purpose of determining the principal amount of Bonds or Parity Bonds which may be executed, authenticated and delivered under the Bond Indenture or for the purpose of determining any percentage of Bonds or Parity Bonds Outstanding under

the Bond Indenture, but both the original and replacement Bond or Parity Bond shall be treated as one and the same. Notwithstanding any other provision of this paragraph, in lieu of delivering a new Bond or Parity Bond which has been mutilated, lost, destroyed or stolen, and which has matured, the Trustee may make payment with respect to such Bonds or Parity Bonds.

**Validity of Bonds and Parity Bonds.** The validity of the authorization and issuance of the Bonds and any Parity Bonds shall not be affected in any way by any defect in any proceedings taken by the District for the financing of the Project, or by the invalidity, in whole or in part, of any contracts made by the District in connection therewith, and shall not be dependent upon the completion of the financing of the Project or upon the performance by any Person of his obligation with respect to the Project, and the recital contained in the Bonds or any Parity Bonds that the same are issued pursuant to the Act and other applicable laws of the State shall be conclusive evidence of their validity and of the regularity of their issuance.

**Transfers Outside Book-Entry System.** In the event (a) the Depository determines not to continue to act as securities depository for the Bonds; or (b) the District determines that the Depository shall no longer so act, then the District will discontinue the book-entry system with the Depository. If an Authorized Representative of the District fails to identify another qualified securities depository to replace the Depository then the Bonds so designated shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of the Nominee, but shall be registered in whatever name or names Persons transferring or exchanging Bonds shall designate, in accordance with the provisions of the Bond Indenture.

**Payments to the Nominee.** Notwithstanding any other provisions of the Bond Indenture to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to principal, premium, if any, and interest due with respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the Representation Letter or as otherwise instructed by the Depository.

#### **CREATION OF FUNDS AND APPLICATION OF PROCEEDS**

**Creation of Funds; Application of Proceeds.** The following funds and accounts are created and established and shall be maintained by the Trustee:

(a) The Community Facilities District No. 3 Special Tax Fund (the “Special Tax Fund”) (in which there shall be established and created an Interest Account a Principal Account, a Redemption Account, a Reserve Account (in which there shall be established a 2006 Subaccount and a 2008 Subaccount) and an Administrative Expense Account (in which there shall be established a 2006 Subaccount and a 2008 Subaccount)).

(b) The Community Facilities District No. 3 Rebate Fund (the “Rebate Fund”) (in which there shall be established a Rebate Account and an Alternative Penalty Account).

(c) The Community Facilities District No. 3 Acquisition and Construction Fund (the “Acquisition and Construction Fund”) (in which there shall be established a Costs of Issuance Account and a Project Account).

(d) The Community Facilities District No. 3 Surplus Fund (the “Surplus Fund”).

The amounts on deposit in the foregoing funds, accounts and subaccounts shall be held by the Trustee and the Trustee shall invest and disburse the amounts in such funds, accounts and subaccounts in accordance with the provisions of the Bond Indenture and shall disburse investment earnings thereon in accordance with the provisions of the Bond Indenture.

In connection with the issuance of any Parity Bonds, the Trustee, at the direction of an Authorized Representative of the City, may create new funds, accounts or subaccounts, or may create additional accounts and subaccounts within any of the foregoing funds and accounts for the purpose of separately accounting for the proceeds of the Bonds and any Parity Bonds.

The proceeds of the sale of the Bonds shall be received by the Trustee on behalf of the District and deposited and transferred as set forth in the Bond Indenture.

**Deposits to and Disbursements from Special Tax Fund.**

(a) Except for the portion of any Prepayment to be deposited to the Redemption Account as specified in a Certificate of an Authorized Representative, the Trustee shall, on each date on which the Special Taxes are received from the District, deposit the Special Taxes in the Special Tax Fund to be held in trust for the Owners, other than as to amounts transferred to the Administrative Expense Account, the Rebate Fund and the Surplus Fund. The Trustee shall transfer the Special Taxes on deposit in the Special Tax Fund on the dates and in the amounts set forth in the following, in the following order of priority, to:

- (1) the Administrative Expense Account of the Special Tax Fund;
- (2) the Interest Account of the Special Tax Fund;
- (3) the Principal Account of the Special Tax Fund;
- (4) the Redemption Account of the Special Tax Fund;
- (5) the Reserve Account of the Special Tax Fund;
- (6) the Rebate Fund; and
- (7) the Surplus Fund.

(b) At maturity of all of the Bonds and Parity Bonds and, after all principal and interest then due on the Bonds and Parity Bonds then Outstanding has been paid or provided for and any amounts owed to the Trustee have been paid in full, moneys in the Special Tax Fund and any accounts in the Bond Indenture may be used by the District for any lawful purpose.

**Administrative Expense Account of the Special Tax Fund.** The Trustee shall transfer from the Special Tax Fund and deposit in the Administrative Expense Account of the Special Tax Fund from time to time amounts necessary to make timely payment of Administrative Expenses as set forth in a Certificate of an Authorized Representative of the District; provided, however, that, except as set forth in the following sentence, the total amount transferred in a Bond Year shall not exceed the Administrative Expenses Cap until such time as there has been deposited to the Interest Account and the Principal Account an amount, together with any amounts already on deposit in the Bond Indenture, that is sufficient to pay the interest and principal on all Bonds and Parity Bonds due in such Bond Year and to restore the Reserve Account to the Reserve Requirement. Notwithstanding the foregoing, amounts in excess of the Administrative Expenses Cap may be transferred to the Administrative Expense Account to the extent necessary to collect delinquent Special Taxes. Moneys in the Administrative Expense Account of the Special Tax Fund may be invested in any Authorized Investments as directed in writing by an Authorized Representative of the District and shall be disbursed as directed in a Certificate of an Authorized Representative.

**Interest Account and Principal Account of the Special Tax Fund.** The principal of and interest due on the Bonds and any Parity Bonds until maturity, other than principal due upon redemption, shall be paid by the Trustee from the Principal Account and the Interest Account of the Special Tax Fund, respectively. For

the purpose of assuring that the payment of principal of and interest on the Bonds and any Parity Bonds will be made when due, after making the transfer required by the Bond Indenture, at least one Business Day prior to each March 1 and September 1, the Trustee shall make the following transfers from the Special Tax Fund first to the Interest Account and then to the Principal Account; provided, however, that to the extent that deposits have been made in the Interest Account or the Principal Account from the proceeds of the sale of an issue of the Bonds, any Parity Bonds, or otherwise, the transfer from the Special Tax Fund need not be made; and provided, further, that, if amounts in the Special Tax Fund (exclusive of the Reserve Account) are inadequate to make the foregoing transfers, then any deficiency shall be made up by transfers from the Reserve Account:

(a) To the Interest Account, an amount such that the balance in the Interest Account one Business Day prior to each Interest Payment Date shall be equal to the installment of interest due on the Bonds and any Parity Bonds on said Interest Payment Date and any installment of interest due on a previous Interest Payment Date which remains unpaid. Moneys in the Interest Account shall be used for the payment of interest on the Bonds and any Parity Bonds as the same become due.

(b) To the Principal Account, an amount such that the balance in the Principal Account one Business Day prior to September 1 of each year, commencing September 1, 2008, shall equal the principal payment due on the Bonds and any Parity Bonds maturing on such September 1 and any principal payment due on a previous September 1 which remains unpaid. Moneys in the Principal Account shall be used for the payment of the principal of such Bonds and any Parity Bonds as the same become due at maturity.

#### **Redemption Account of the Special Tax Fund.**

(a) With respect to each September 1 on which a Sinking Fund Payment is due, after the deposits have been made to the Administrative Expense Account, the Interest Account and the Principal Account of the Special Tax Fund as required by the Bond Indenture, the Trustee shall next transfer into the Redemption Account of the Special Tax Fund from the Special Tax Fund the amount needed to make the balance in the Redemption Account one Business Day prior to each September 1 equal to the Sinking Fund Payment due on any Outstanding Bonds and Parity Bonds on such September 1; provided, however, that, if amounts in the Special Tax Fund are inadequate to make the foregoing transfers, then any deficiency shall be made up by an immediate transfer from the Reserve Account pursuant to the Bond Indenture. Moneys so deposited in the Redemption Account shall be used and applied by the Trustee to call and redeem Term Bonds in accordance with the Sinking Fund Payment schedules set forth in the Bond Indenture, and to redeem Parity Bonds in accordance with any Sinking Fund Payment schedule in the Supplemental Indenture for such Parity Bonds.

(b) After making the deposits to the Administrative Expense Account, the Interest Account and the Principal Account of the Special Tax Fund and to the Redemption Account for Sinking Fund Payments then due pursuant to the preceding paragraph, and in accordance with the District's election to call Bonds for optional redemption as set forth in the Bond Indenture, or to call Parity Bonds for optional redemption as set forth in any Supplemental Indenture for Parity Bonds, the Trustee shall transfer from the Special Tax Fund and deposit in the Redemption Account moneys available for the purpose and sufficient to pay the principal and the premiums, if any, payable on the Bonds or Parity Bonds called for optional redemption; provided, however, that amounts in the Special Tax Fund (other than the Administrative Expense Account in the Bond Indenture) may be applied to optionally redeem Bonds and Parity Bonds only if immediately following such redemption the amount in the Reserve Account will equal the Reserve Requirement.

(c) Prepayments deposited to the Redemption Account shall be applied on the redemption date established pursuant to the Bond Indenture for the use of such Prepayments to the payment of the principal of, premium, and interest on the Bonds and Parity Bonds to be redeemed with such Prepayments.

(d) Moneys set aside in the Redemption Account shall be used solely for the purpose of redeeming Bonds and Parity Bonds and shall be applied on or after the redemption date to the payment of principal of and premium, if any, on the Bonds or Parity Bonds to be redeemed upon presentation and surrender of such Bonds or Parity Bonds and in the case of an optional redemption or an extraordinary redemption from Prepayments to pay the interest thereon; provided, however, that in lieu or partially in lieu of such call and redemption, moneys deposited in the Redemption Account may be used to purchase Outstanding Bonds or Parity Bonds in the manner provided in the Bond Indenture. Purchases of Outstanding Bonds or Parity Bonds may be made by the District at public or private sale as and when and at such prices as the District may in its discretion determine but only at prices (including brokerage or other expenses) not more than par plus accrued interest, plus, in the case of moneys set aside for an optional redemption or an extraordinary redemption, the premium applicable at the next following call date according to the premium schedule established pursuant to the Bond Indenture, or in the case of Parity Bonds the premium established in any Supplemental Indenture. Any accrued interest payable upon the purchase of Bonds or Parity Bonds may be paid from the amount reserved in the Interest Account of the Special Tax Fund for the payment of interest on the next following Interest Payment Date.

**Reserve Account of the Special Tax Fund.** There shall be maintained in the Reserve Account of the Special Tax Fund an amount equal to the Reserve Requirement. The amounts in the Reserve Account shall be applied as follows:

(a) Moneys in the Reserve Account shall be used solely for the purpose of paying the principal of, including Sinking Fund Payments, and interest on the Bonds and any Parity Bonds when due in the event that the moneys in the Interest Account and the Principal Account of the Special Tax Fund are insufficient therefor or moneys in the Redemption Account of the Special Tax Fund are insufficient to make a Sinking Fund Payment when due and for the purpose of making any required transfer to the Rebate Fund upon written direction from the District. If the amounts in the Interest Account, the Principal Account or the Redemption Account of the Special Tax Fund are insufficient to pay the principal of, including Sinking Fund Payments, or interest on the Bonds or Parity Bonds when due, or amounts in the Special Tax Fund are insufficient to make transfers to the Rebate Fund when required, the Trustee shall withdraw from the Reserve Account for deposit in the Interest Account, the Principal Account or the Redemption Account of the Special Tax Fund or the Rebate Fund, as applicable, moneys necessary for such purposes.

(b) Whenever moneys are withdrawn from the Reserve Account, after making the required transfers to the Administrative Expense Account, the Interest Account, the Principal Account and the Redemption Account, the Trustee shall transfer to the Reserve Account from available moneys in the Special Tax Fund, or from any other legally available funds which the District elects to apply to such purpose, the amount needed to restore the amount of the Reserve Account to the Reserve Requirement. Moneys in the Special Tax Fund shall be deemed available for transfer to the Reserve Account only if the Trustee determines that such amounts will not be needed to make the deposits required to be made to the Administrative Expense Account, the Interest Account, the Principal Account or the Redemption Account of the Special Tax Fund on or before the next September 1. If amounts in the Special Tax Fund together with any other amounts transferred to replenish the Reserve Account are inadequate to restore the Reserve Account to the Reserve Requirement, then the District shall include the amount necessary fully to restore the Reserve Account to the Reserve Requirement in the next annual Special Tax levy to the extent of the maximum permitted Special Tax rates.

(c) In connection with an optional or extraordinary redemption of Bonds pursuant the Bond Indenture or Parity Bonds in accordance with any Supplemental Indenture, or a partial defeasance of Bonds in accordance with the Bond Indenture, or Parity Bonds, amounts in the Reserve Account may be applied to such redemption or partial defeasance so long as the amount on deposit in the Reserve Account following such redemption or partial defeasance equals the Reserve Requirement. The District shall set forth in a Certificate of an Authorized Representative the amount in the Reserve Account to be transferred to the Redemption Account on a redemption date or to be transferred pursuant to the Bond Indenture to partially

defeasance Bonds, and the Trustee shall make such transfer on the applicable redemption or defeasance date, subject to the limitation in the preceding sentence.

(d) To the extent that the Reserve Account is at the Reserve Requirement as of the first day of the final Bond Year for the Bonds or an issue of Parity Bonds, amounts in the Reserve Account may be applied to pay the principal of and interest due on the Bonds and Parity Bonds, as applicable, in the final Bond Year for such issue. Moneys in the Reserve Account in excess of the Reserve Requirement not transferred in accordance with the preceding provisions of the Bond Indenture shall be withdrawn from the Reserve Account on the Business Day before each March 1 and September 1 and shall be transferred for deposit in the Project Account of the Acquisition and Construction Fund until all amounts have been disbursed from the Acquisition and Construction Fund, and the Trustee has received a Certificate of an Authorized Representative of the District pursuant to the Bond Indenture, and thereafter to the Interest Account of the Special Tax Fund.

**Rebate Fund.** The Trustee shall establish and maintain a fund separate from any other fund established and maintained under the Bond Indenture designated as the Rebate Fund and shall establish a separate Rebate Account and Alternative Penalty Account in the Bond Indenture. All money at any time deposited in the Rebate Account or the Alternative Penalty Account of the Rebate Fund shall be held by the Trustee in trust, for payment to the United States Treasury. A separate subaccount of the Rebate Account and the Alternate Penalty Account shall be established for the Bonds and each issue of Parity Bonds the interest on which is excluded from gross income for federal income tax purposes. All amounts on deposit in the Rebate Fund with respect to the Bonds or an issue of Parity Bonds shall be governed by the Bond Indenture and the Tax Certificate for such issue, unless the District obtains an opinion of Bond Counsel that the exclusion from gross income for federal income tax purposes of interest payments on the Bonds and Parity Bonds will not be adversely affected if such requirements are not satisfied.

**Surplus Fund.** After making the transfers required by the Bond Indenture, as soon as practicable after each September 1, and in any event prior to each October 1, the Trustee shall transfer all remaining amounts in the Special Tax Fund to the Surplus Fund, unless on or prior to such date it has received a Certificate of an Authorized Representative directing, (a) that certain amounts be retained in the Special Tax Fund because the District has included such amounts as being available in the Special Tax Fund in calculating the amount of the levy of Special Taxes for such Fiscal Year pursuant to the Bond Indenture; or (b) that certain amounts be transferred to the Project Account of the Acquisition and Construction Fund because such amounts were included in the levy of Special Taxes for the previous Fiscal Year to pay for the acquisition or construction of the Project; provided, however, that, if a transfer is made to the Project Account and unexpended proceeds of the Bonds or an issue of Parity Bonds remain in the Project Account, the Trustee shall establish a Subaccount of the Project Account for amounts transferred from the Surplus Fund. Moneys deposited in the Surplus Fund will be transferred by the Trustee at the direction of an Authorized Representative of the District (i) to the Interest Account, the Principal Account or the Redemption Account of the Special Tax Fund to pay the principal of, including Sinking Fund Payments, premium, if any, and interest on the Bonds and any Parity Bonds when due in the event that moneys in the Special Tax Fund and the Reserve Account of the Special Tax Fund are insufficient therefor; (ii) to the Reserve Account in order to replenish the Reserve Account to the Reserve Requirement; (iii) to the Administrative Expense Account of the Special Tax Fund to pay Administrative Expenses to the extent that the amounts on deposit in the Administrative Expense Account of the Special Tax Fund are insufficient to pay Administrative Expenses; (iv) to the Project Account of the Acquisition and Construction Fund to pay Project Costs; or (v) for any other lawful purpose of the District.

The amounts in the Surplus Fund are not pledged to the repayment of the Bonds or the Parity Bonds and may be used by the District for any lawful purpose. In the event that the District reasonably expects to use any portion of the moneys in the Surplus Fund to pay debt service on any Outstanding Bonds or Parity Bonds, the District will notify the Trustee in a Certificate of an Authorized Representative and the Trustee will segregate such amount into a separate subaccount and the moneys on deposit in such subaccount of the Surplus Fund shall be invested at the written direction of the District in Authorized Investments the interest on which is

excludable from gross income under the Code (other than bonds the interest on which is a tax preference item for purposes of computing the alternative minimum tax of individuals and corporations under the Code) or in Authorized Investments at a yield not in excess of the yield on the issue of Bonds or Parity Bonds to which such amounts are to be applied, unless, in the opinion of Bond Counsel, investment at a higher yield will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds or any Parity Bonds which were issued on a tax-exempt basis for federal income tax purposes.

#### **Acquisition and Construction Fund.**

(a) The moneys in the Costs of Issuance Account of the Acquisition and Construction Fund shall be disbursed by the Trustee pursuant to a Certificate of an Authorized Representative of the District. On the earlier of six months after the Delivery Date, or the date of receipt by the Trustee of written direction by an Authorized Representative of the District, any balance remaining in the Cost of Issuance Account shall be transferred for deposit in the Project Account.

(b) The Trustee shall hold the moneys in the Project Account of the Acquisition and Construction Fund and shall apply such moneys to pay the Project Costs. Amounts for Project Costs shall be disbursed by the Trustee on behalf of the District from the Project Account of the Acquisition and Construction Fund as specified in a Request for Disbursement of Project Costs, substantially in the form of attached to the Bond Indenture, which must be submitted by an Authorized Representative of the District to the Trustee in connection with each requested disbursement.

(c) Upon receipt of a Certificate of an Authorized Representative of the District stating that all or a specified portion of the amount remaining in the Acquisition and Construction Fund is no longer needed to pay Project Costs, the District shall transfer all or such specified portion, as applicable, of the moneys remaining on deposit in the Project Account to the Principal Account or Redemption Account of the Special Tax Fund or to the Surplus Fund, as directed in the Certificate, provided that in connection with any direction to transfer amounts to the Surplus Fund there shall have been delivered to the Trustee with such Certificate an opinion of Bond Counsel to the effect that such transfer to the Surplus Fund will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds or any Parity Bonds which were issued on a tax-exempt basis for federal income tax purposes.

**Investments.** Moneys held in any of the Funds, Accounts and Subaccounts under the Bond Indenture shall be invested at the written direction of an Authorized Representative of the District in accordance with the limitations set forth below only in Authorized Investments which shall be deemed at all times to be a part of such Funds, Accounts and Subaccounts. Any loss resulting from such Authorized Investments shall be credited or charged to the Fund, Account or Subaccount from which such investment was made, and any investment earnings on a Fund, Account or Subaccount shall be applied as follows: (i) investment earnings on all amounts deposited in the Acquisition and Construction Fund, the Special Tax Fund, the Surplus Fund and the Rebate Fund and each Account therein (other than the Reserve Account of the Special Tax Fund) shall be deposited in those respective Funds and Accounts, and (ii) investment earnings on all amounts deposited in the Reserve Account shall be applied as set forth in the Bond Indenture. Moneys in the Funds, Accounts and Subaccounts held under the Bond Indenture may be invested by the Trustee as directed in writing by the District, from time to time, in Authorized Investments subject to the following restrictions:

(a) Moneys in the Acquisition and Construction Fund shall be invested in the Authorized Investments which will by their terms mature, or in the case of an Investment Agreement are available for withdrawal without penalty, as close as practicable to the date the District estimates the moneys represented by the particular investment will be needed for withdrawal from the Acquisition and Construction Fund. Notwithstanding anything in the Bond Indenture to the contrary, amounts in the Acquisition and Construction Fund three years after the Delivery Date for the Bonds, and the proceeds of each issue of Parity Bonds issued on a tax-exempt basis which are remaining on deposit in the Acquisition and Construction Fund on the date which is three years following the Delivery Date of such issue of Parity Bonds, shall be invested by the District

only in Authorized Investments, the interest on which is excluded from gross income under Section 103 of the Code (other than bonds the interest on which is a tax preference item for purposes of computing the alternative minimum tax of individuals and corporations under the Code), or in Authorized Investments at a yield not in excess of the yield on the issue of Bonds or Parity Bonds from which such proceeds were derived; unless in the opinion of Bond Counsel such restriction is not necessary to prevent interest on the Bonds or any Parity Bonds which were issued on a tax-exempt basis for federal income tax purposes from being included in gross income for federal income tax purposes.

(b) Moneys in the Interest Account, the Principal Account and the Redemption Account of the Special Tax Fund shall be invested only in Authorized Investments which will by their terms mature, or in the case of an Investment Agreement are available for withdrawal without penalty, on such dates so as to ensure the payment of principal of, premium, if any, and interest on the Bonds and any Parity Bonds as the same become due.

(c) Monies in the Reserve Account of the Special Tax Fund may be invested only in Authorized Investments which, taken together, have a weighted average maturity not in excess of five years; provided that such amounts may be invested in an Investment Agreement to the later of the final maturity of the Bonds or any Parity Bonds so long as such amounts may be withdrawn at any time, without penalty, for application in accordance with the Bond Indenture; and provided that no such Authorized Investment of amounts in the Reserve Account allocable to the Bonds or an issue of Parity Bonds shall mature later than the respective final maturity date of the Bonds or the issue of Parity Bonds, as applicable.

(d) Moneys in the Rebate Fund shall be invested only in Authorized Investments of the type described in clause (a) of the definition thereof which by their terms will mature, as nearly as practicable, on the dates such amounts are needed to be paid to the United States Government or in Authorized Investments of the type described in clause (d) of the definition thereof.

(e) In the absence of written investment directions from the District, the Trustee shall invest solely in Authorized Investments specified in clause (d) or (m) of the definition thereof.

The Trustee shall sell, or present for redemption, any Authorized Investment whenever it may be necessary to do so in order to provide moneys to meet any payment or transfer to the Funds and Accounts established under the Bond Indenture or from such Funds and Accounts. For the purpose of determining at any given time the balance in any such Funds and Accounts, any such investments constituting a part of such Funds and Accounts shall be valued at their cost, except that amounts in the Reserve Account shall be valued at the market value thereof at least semiannually on or before each Interest Payment Date. In making any valuations under the Bond Indenture, the Trustee may utilize such computerized securities pricing services as may be available to it, including, without limitation, those available through its regular accounting system, and conclusively rely thereon. Notwithstanding anything in the Bond Indenture to the contrary, the Trustee shall not be responsible for any loss from investments, sales or transfers undertaken in accordance with the provisions of the Bond Indenture.

The Trustee or an affiliate may act as principal or agent in the making or disposing of any investment and shall be entitled to its customary fee for such investment. The Trustee may sell at the best market price obtainable, or present for redemption, any Authorized Investment so purchased whenever it shall be necessary to provide moneys to meet any required payment, transfer, withdrawal or disbursement from the Fund or Account to which such Authorized Investment is credited, and, subject to the provisions of the Bond Indenture, the Trustee shall not be liable or responsible for any loss resulting from such investment. For investment purposes, the Trustee may commingle the Funds and Accounts established under the Bond Indenture, but shall account for each separately.

The District acknowledges that, to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the District the right to receive brokerage confirmations of security

transactions as they occur, the District specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the District periodic cash transaction statements which include detail for all investment transactions made by the Trustee under the Bond Indenture.

## **COVENANTS AND WARRANTY**

**Warranty.** The District shall preserve and protect the security pledged under the Bond Indenture to the Bonds and any Parity Bonds against all claims and demands of all persons.

**Covenants.** So long as any of the Bonds or Parity Bonds issued under the Bond Indenture are Outstanding and unpaid, the District has made the following covenants with the Bondowners under the provisions of the Act and the Bond Indenture (to be performed by the District or its proper officers, agents or employees), which covenants are necessary and desirable to secure the Bonds and Parity Bonds and tend to make them more marketable; provided, however, that said covenants do not require the District to expend any funds or moneys other than the Special Taxes and other amounts deposited to the Special Tax Fund:

Punctual Payment; Against Encumbrances. The District has covenanted that it will receive all Special Taxes in trust for the Owners and will deposit all Special Taxes with the Trustee promptly following their apportionment to the District, and the District shall have no beneficial right or interest in the amounts so deposited except as provided by the Bond Indenture. All such Special Taxes shall be disbursed, allocated and applied solely to the uses and purposes set forth in the Bond Indenture, and shall be accounted for separately and apart from all other money, funds, accounts or other resources of the District.

The District has covenanted that it will duly and punctually pay or cause to be paid the principal of and interest on every Bond and Parity Bond issued under the Bond Indenture, together with the premium, if any, thereon on the date, at the place and in the manner set forth in the Bonds and the Parity Bonds and in accordance with the Bond Indenture to the extent that Net Taxes and other amounts pledged under the Bond Indenture are available therefor, and that the payments into the Funds and Accounts created under the Bond Indenture will be made, all in strict conformity with the terms of the Bonds, any Parity Bonds, and the Bond Indenture, and that it will faithfully observe and perform all of the conditions, covenants and requirements of the Bond Indenture and all Supplemental Indentures and of the Bonds and any Parity Bonds issued under the Bond Indenture.

The District will not mortgage or otherwise encumber, pledge or place any charge upon any of the Net Taxes except as provided in the Bond Indenture, and will not issue any obligation or security having a lien or charge upon the Net Taxes superior to or on a parity with the Bonds, other than Parity Bonds. Nothing in the Bond Indenture shall prevent the District from issuing or incurring indebtedness which is payable from a pledge of Net Taxes which is subordinate in all respects to the pledge of Net Taxes to repay the Bonds and the Parity Bonds.

Levy of Special Tax. So long as any Bonds or Parity Bonds issued under the Bond Indenture are Outstanding, the legislative body of the District covenants to levy the Special Tax up to the maximum permitted rate as specified in the Rate and Method of Apportionment of Special Taxes in an amount sufficient, together with other amounts on deposit in the Special Tax Fund and available for such purpose, to pay (i) the principal of and interest on the Bonds and any Parity Bonds when due; (ii) the Administrative Expenses; and (iii) any amounts required to replenish the Reserve Account of the Special Tax Fund to the Reserve Requirement. The District has further covenanted that it will take no actions that would discontinue or cause the discontinuance of the Special Tax levy or the District's authority to levy the Special Tax for so long as the Bonds and any Parity Bonds are Outstanding.

Commence Foreclosure Proceedings. The District has covenanted for the benefit of the Owners of the Bonds and any Parity Bonds that it (i) will commence judicial foreclosure proceedings against Assessor's Parcels with delinquent Special Taxes in excess of \$10,000 by the October 1 following the close of each Fiscal

Year in which such Special Taxes were due; and (ii) will commence judicial foreclosure proceedings against all Assessor's Parcels with delinquent Special Taxes by the October 1 following the close of each Fiscal Year in which it receives Special Taxes in an amount which is less than 95% of the total Special Tax levied and the amount on deposit in the Reserve Account is at less than the Reserve Requirement; and (iii) will diligently pursue such foreclosure proceedings until the delinquent Special Taxes are paid.

The District has covenanted that it will deposit the net proceeds of any foreclosure in the Special Tax Fund (other than penalty and interest proceeds relating to any such delinquency) and will apply such proceeds remaining after the payment of Administrative Expenses to make payments of principal and interest on the Bonds and any Parity Bonds then due and owing and to bring the amount on deposit in the Reserve Account up to the Reserve Requirement.

Payment of Claims. The District will pay and discharge any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien or charge upon the Net Taxes or other funds in the Special Tax Fund (other than the Administrative Expense Account therein) or which might impair the security of the Bonds or any Parity Bonds then Outstanding; provided, however, that nothing contained in the Bond Indenture shall require the District to make any such payments so long as the District in good faith shall contest the validity of any such claims.

Books and Accounts. The District will keep proper books of records and accounts, separate from all other records and accounts of the District, in which complete and correct entries shall be made of all transactions relating to the Project, the levy of the Special Tax and the deposits to the Special Tax Fund. Such books of records and accounts shall at all times during business hours be subject to the inspection of the Trustee or of the Owners of not less than 10% of the principal amount of the Bonds or the Owners of not less than 10% of any issue of Parity Bonds then Outstanding or their representatives authorized in writing.

Federal Tax Covenants. Notwithstanding any other provision of the Bond Indenture, and absent an opinion of Bond Counsel that the exclusion from gross income for federal income tax purposes of interest on the Bonds and any Parity Bonds issued on a tax-exempt basis for federal income tax purposes will not be adversely affected, the District has covenanted to comply with all applicable requirements of the Code necessary to preserve such exclusion from gross income and specifically covenants, without limiting the generality of the foregoing, as follows:

(a) Private Activity. The District will take no action or refrain from taking any action or make any use of the proceeds of the Bonds or any Parity Bonds or of any other monies or property which would cause the Bonds or any Parity Bonds issued on a tax-exempt basis for federal income tax purposes to be "private activity bonds" within the meaning of Section 141 of the Code.

(b) Arbitrage. The District will make no use of the proceeds of the Bonds or any Parity Bonds or of any other amounts or property, regardless of the source, or take any action or refrain from taking any action which will cause the Bonds or any Parity Bonds issued on a tax-exempt basis for federal income tax purposes to be "arbitrage bonds" within the meaning of Section 148 of the Code.

(c) Federal Guaranty. The District will make no use of the proceeds of the Bonds or any Parity Bonds or take or omit to take any action that would cause the Bonds or any Parity Bonds issued on a tax-exempt basis for federal income tax purposes to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

(d) Information Reporting. The District will take or cause to be taken all necessary action to comply with the informational reporting requirement of Section 149(e) of the Code.

(e) Hedge Bonds. The District will make no use of the proceeds of the Bonds or any Parity Bonds or any other amounts or property, regardless of the source, or take any action or refrain from

taking any action that would cause the Bonds or any Parity Bonds issued on a tax-exempt basis for federal income tax purposes to be considered “hedge bonds” within the meaning of Section 149(g) of the Code unless the District takes all necessary action to assure compliance with the requirements Section 149(g) of the Code to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds and any applicable Parity Bonds,

(f) Miscellaneous. The District will take no action or refrain from taking any action inconsistent with its expectations stated in the Tax Certificate executed on the Delivery Date by the District in connection with the Bonds and any issue of Parity Bonds and will comply with the covenants and requirements stated in the Bond Indenture and incorporated by reference in the Bond Indenture.

(g) Other Tax Exempt Issues. The District will not use proceeds of other tax exempt securities to redeem any Bonds or Parity Bonds without first obtaining the written opinion of Bond Counsel that doing so will not impair the exclusion from gross income for federal income tax purposes of interest on the Bonds and any Parity Bonds issued on a tax-exempt basis.

(h) Subsequent Opinions. If the District obtains a subsequent opinion of Bond Counsel other than Stradling Yocca Carlson & Rauth, a Professional Corporation (“SYCR”), where such opinion is required in connection with a change or amendment to the Bond Indenture or the procedures set forth in the Tax Certificate, it will obtain an opinion substantially to the effect originally delivered by SYCR that interest on the Bonds is excluded from gross income for federal income tax purposes.

Reduction of Maximum Special Taxes. The District has covenanted, that it shall not initiate proceedings to reduce the maximum Special Tax rates for the District, unless, in connection therewith, (i) the District receives a certificate from one or more Independent Financial Consultants which, when taken together, certify that, on the basis of the parcels of land and improvements existing in the District as of the July 1 preceding the reduction, the maximum amount of the Special Tax which may be levied on then existing Developed Property (as defined in the Rate and Method of Apportionment of Special Taxes then in effect each of Improvement Area No. 1 and Improvement Area No. 2 of the District) in each Bond Year for any Bonds and Parity Bonds Outstanding and expected to be issued in the future will equal at least 110% of the sum of the estimated Administrative Expenses and gross debt service in each Bond Year on all Bonds and Parity Bonds to remain Outstanding and any Parity Bonds expected to be issued after the reduction is approved; (ii) the District finds that any reduction made under such conditions will not adversely affect the interests of the Owners of the Bonds and Parity Bonds; and (iii) the District is not delinquent in the payment of the principal of or interest on the Bonds or any Parity Bonds. For purposes of estimating Administrative Expenses for the foregoing calculation, the Independent Financial Consultants shall compute the Administrative Expenses for the current Fiscal Year and escalate that amount by 2% in each subsequent Fiscal Year through Fiscal Year 2013-14.

Covenants to Defend. The District has covenanted that, in the event that any initiative is adopted by the qualified electors in the District which purports to reduce the maximum Special Tax below the levels specified in the Bond Indenture or to limit the power of the District to levy the Special Taxes for the purposes set forth in the Bond Indenture, it will commence and pursue legal action in order to preserve its ability to comply with such covenants.

Limitation on Right to Tender Bonds. The District has covenanted that it will not adopt any policy pursuant to Section 53341.1 of the Act permitting the tender of Bonds or Parity Bonds in full payment or partial payment of any Special Taxes unless the District shall have first received a certificate from an Independent Financial Consultant that the acceptance of such a tender will not result in the District having insufficient Special Tax revenues to pay the principal of and interest on the Bonds and Parity Bonds when due.

## AMENDMENTS TO INDENTURE

**Supplemental Indentures or Orders Not Requiring Bondowner Consent.** The District may from time to time, and at any time, without notice to or consent of any of the Bondowners, adopt Supplemental Indentures for any of the following purposes:

(a) to cure any ambiguity, to correct or supplement any provisions in the Bond Indenture which may be inconsistent with any other provision in the Bond Indenture, or to make any other provision with respect to matters or questions arising under the Bond Indenture or in any Supplemental Indenture, additional resolution or order, provided that such action is not materially adverse to the interests of the Bondowners;

(b) to add to the covenants and agreements of and the limitations and the restrictions upon the District contained in the Bond Indenture, other covenants, agreements, limitations and restrictions to be observed by the District which are not contrary to or inconsistent with the Bond Indenture as theretofore in effect or which further secure Bond or Parity Bond payments;

(c) to provide for the issuance of any Parity Bonds, and to provide the terms and conditions under which such Parity Bonds may be issued, subject to and in accordance with the provisions of the Bond Indenture;

(d) to modify, amend or supplement the Bond Indenture in such manner as to permit the qualification thereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute in effect, or to comply with the Code or regulations issued under the Bond Indenture, and to add such other terms, conditions and provisions as may be permitted by said act or similar federal statute, and which shall not materially adversely affect the interests of the Owners of the Bonds or any Parity Bonds then Outstanding;

(e) to modify, alter or amend the Rate and Method of Apportionment of the Special Taxes in any manner so long as such changes do not reduce the maximum Special Taxes that may be levied in each year on property within the District to an amount which is less than that required by the Bond Indenture; or

(f) to modify, alter, amend or supplement the Bond Indenture in any other respect which is not materially adverse to the Bondowners.

**Supplemental Indentures or Orders Requiring Bondowner Consent.** Exclusive of the Supplemental Indentures described in the Bond Indenture, the Owners of not less than a majority in aggregate principal amount of the Bonds and Parity Bonds Outstanding shall have the right to consent to and approve the adoption by the District of such Supplemental Indentures as shall be deemed necessary or desirable by the District for the purpose of waiving, modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in the Bond Indenture; provided, however, that nothing in the Bond Indenture shall permit, or be construed as permitting; (i) an extension of the maturity date of the principal, or the payment date of interest on, any Bond or Parity Bond; (ii) a reduction in the principal amount of, or redemption premium on, any Bond or Parity Bond or the rate of interest thereon; (iii) a preference or priority of any Bond or Parity Bond over any other Bond or Parity Bond; or (iv) a reduction in the aggregate principal amount of the Bonds and Parity Bonds the Owners of which are required to consent to such Supplemental Indenture, without the consent of the Owners of all Bonds and Parity Bonds then Outstanding.

If at any time the District shall desire to adopt a Supplemental Indenture, which pursuant to the terms of the Bond Indenture shall require the consent of the Bondowners, the District shall so notify the Trustee and shall deliver to the Trustee a copy of the proposed Supplemental Indenture. The Trustee shall, at the expense of the District, cause notice of the proposed Supplemental Indenture to be mailed, by first class mail, postage prepaid, to all Bondowners at their addresses as they appear in the Bond Register. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that a copy thereof is on file at the

office of the Trustee for inspection by all Bondowners. The failure of any Bondowners to receive such notice shall not affect the validity of such Supplemental Indenture when consented to and approved by the Owners of not less than a majority in aggregate principal amount of the Bonds and Parity Bonds Outstanding as required by the Bond Indenture. Whenever at any time within one year after the date of the first mailing of such notice, the Trustee shall receive an instrument or instruments purporting to be executed by the Owners of not less than a majority in aggregate principal amount of the Bonds and Parity Bonds Outstanding, which instrument or instruments shall refer to the proposed Supplemental Indenture described in such notice, and shall specifically consent to and approve the adoption thereof by the District substantially in the form of the copy referred to in such notice as on file with the Trustee, such proposed Supplemental Indenture, when duly adopted by the District, shall thereafter become a part of the proceedings for the issuance of the Bonds and any Parity Bonds. In determining whether the Owners of a majority of the aggregate principal amount of the Bonds and Parity Bonds have consented to the adoption of any Supplemental Indenture, provisions of the Bond Indenture shall apply.

Upon the adoption of any Supplemental Indenture and the receipt of consent to any such Supplemental Indenture from the Owners of not less than a majority in aggregate principal amount of the Outstanding Bonds and Parity Bonds in instances where such consent is required pursuant to the provisions of the Bond Indenture, the Bond Indenture shall be, and shall be deemed to be, modified and amended in accordance therewith, and the respective rights, duties and obligations under the Bond Indenture of the District and all Owners of Outstanding Bonds and Parity Bonds shall thereafter be determined, exercised and enforced under the Bond Indenture, subject in all respects to such modifications and amendments.

**Notation of Bonds or Parity Bonds; Delivery of Amended Bonds or Parity Bonds.** After the effective date of any action taken as provided in the Bond Indenture, the District may determine that the Bonds or any Parity Bonds may bear a notation, by endorsement in form approved by the District, as to such action, and in that case upon demand of the Owner of any Outstanding Bond or Parity Bond at such effective date and presentation of his Bond or Parity Bond for the purpose at the office of the Trustee or at such additional offices as the Trustee may select and designate for that purpose, a suitable notation as to such action shall be made on such Bonds or Parity Bonds. If the District shall so determine, new Bonds or Parity Bonds so modified as, in the opinion of the District, shall be necessary to conform to such action shall be prepared and executed, and in that case upon demand of the Owner of any Outstanding Bond or Parity Bond at such effective date such new Bonds or Parity Bonds shall be exchanged at the office of the Trustee or at such additional offices as the Trustee may select and designate for that purpose, without cost to each Owner of Outstanding Bonds or Parity Bonds, upon surrender of such Outstanding Bonds or Parity Bonds.

## **TRUSTEE**

**Appointment and Powers of Trustee.** Wells Fargo Bank, National Association shall be the Trustee for the Bonds and any Parity Bonds unless and until another Trustee is appointed by the District under the Bond Indenture. The District may, at any time, appoint a successor Trustee satisfying the requirements of the Bond Indenture for the purpose of receiving all money which the District is required to deposit with the Trustee under the Bond Indenture and to allocate, use and apply the same as provided in the Bond Indenture.

The Trustee is authorized to and shall mail by first class mail, postage prepaid, or wire transfer in accordance with the Bond Indenture, interest payments to the Bondowners, to select Bonds and Parity Bonds for redemption, and to maintain the Bond Register. The Trustee is authorized to pay the principal of and premium, if any, on the Bonds and Parity Bonds when the same are duly presented to it for payment at maturity or on call and redemption, to provide for the registration of transfer and exchange of Bonds and Parity Bonds presented to it for such purposes, to provide for the cancellation of Bonds and Parity Bonds all as provided in the Bond Indenture, and to provide for the authentication of Bonds and Parity Bonds, and shall perform all other duties assigned to or imposed on it as provided in the Bond Indenture. The Trustee shall keep accurate records of all funds administered by it and all Bonds and Parity Bonds paid, discharged and cancelled by it.

The Trustee is authorized to redeem the Bonds and Parity Bonds when duly presented for payment at maturity, or on redemption prior to maturity. The Trustee shall cancel all Bonds and Parity Bonds upon payment thereof in accordance with the provisions of the Bond Indenture.

The District shall indemnify and save the Trustee, its officers, directors, employees and agents, harmless against costs, claims, expenses and liabilities, including, without limitation, fees and expenses of its attorneys, not arising from its own negligence or willful misconduct which it may incur in the exercise and performance of its powers and duties under the Bond Indenture. The foregoing obligation of the District to indemnify the Trustee shall survive the removal or resignation of the Trustee or the discharge of the Bonds.

**Removal of Trustee.** The District may at any time at its sole discretion remove the Trustee initially appointed, and any successor thereto, by delivering to the Trustee a written notice of its decision to remove the Trustee and may appoint a successor or successors thereto; provided that any such successor shall be a bank or trust company having a combined capital (exclusive of borrowed capital) and surplus of at least \$100,000,000, and subject to supervision or examination by federal or state authority. Any removal shall become effective only upon acceptance of appointment by the successor Trustee. If any bank or trust company appointed as a successor publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of the Bond Indenture the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. Any removal of the Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee and notice being sent by the successor Trustee to the Bondowners of the successor Trustee's identity and address.

**Resignation of Trustee.** The Trustee may at any time resign by giving written notice to the District and by giving to the Owners notice of such resignation, which notice shall be mailed to the Owners at their addresses appearing in the registration books in the office of the Trustee. Upon receiving such notice of resignation, the District shall promptly appoint a successor Trustee satisfying the criteria in the Bond Indenture by an instrument in writing. Any resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee.

**Liability of Trustee.** The recitals of fact and all promises, covenants and agreements contained in the Bond Indenture and in the Bonds and any Parity Bonds shall be taken as statements, promises, covenants and agreements of the District, and the Trustee assumes no responsibility for the correctness of the same and makes no representations as to the validity or sufficiency of the Bond Indenture, the Bonds or any Parity Bonds, and shall incur no responsibility in respect thereof, other than in connection with its duties or obligations specifically set forth in the Bond Indenture, in the Bonds and any Parity Bonds, or in the certificate of authentication assigned to or imposed upon the Trustee. The Trustee shall not be liable in connection with the performance of its duties under the Bond Indenture, except for its own negligence or willful misconduct.

The Trustee shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, Bond, Parity Bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel, who may be counsel to the District, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered under the Bond Indenture in good faith and in accordance therewith.

The Trustee shall not be bound to recognize any person as the Owner of a Bond or Parity Bond unless and until such Bond or Parity Bond is submitted for inspection, if required, and his title thereto satisfactorily established, if disputed.

Whenever in the administration of its duties under the Bond Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under the

Bond Indenture, such matter (unless other evidence in respect thereof be in the Bond Indenture specifically prescribed) may, in the absence of bad faith on the part of the Trustee, be deemed to be conclusively proved and established by a written certificate of the District, and such certificate shall be full warrant to the Trustee for any action taken or suffered under the provisions of the Bond Indenture upon the faith thereof, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

The Trustee shall have no duty or obligation whatsoever to enforce the collection of Special Taxes or other funds to be deposited with it under the Bond Indenture, or as to the correctness of any amounts received, but its liability shall be limited to the proper accounting for such funds as it shall actually receive. No provision in the Bond Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties under the Bond Indenture, or in the exercise of its rights or powers.

The Trustee shall not be deemed to have knowledge of any default or event of default until an officer at the Trustee's corporate trust office responsible for the administration of its duties under the Bond Indenture shall have actual knowledge thereof or the Trustee shall have received written notice thereof at its corporate trust office.

**Merger or Consolidation.** Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, shall be the successor to the Trustee without the execution or filing of any paper or further act, anything in the Bond Indenture to the contrary notwithstanding. The Trustee shall provide written notice to the District in advance of any such merger, conversion or consolidation.

**Fees of the Trustee.** The Trustee shall receive as compensation for its services under the Bond Indenture such fees as set forth on the fee schedule, and the Trustee shall be entitled to be reimbursed by the District for its other reasonable expenses under the Bond Indenture, including the reasonable compensation, expenses and disbursements of such agents, representatives, experts and counsel as the Trustee may employ in connection with the exercise and performance of its rights and its duties under the Bond Indenture. All such fees and reimbursements shall be paid solely from amounts held in the Administrative Expense Account, pursuant to a Certificate of an Authorized Representative.

## **EVENTS OF DEFAULT; REMEDIES**

**Events of Default.** Any one or more of the following events shall constitute an "event of default":

(a) default in the due and punctual payment of the principal of or redemption premium, if any, on any Bond or Parity Bond when and as the same shall become due and payable, whether at maturity as therein expressed, by declaration or otherwise;

(b) default in the due and punctual payment of the interest on any Bond or Parity Bond when and as the same shall become due and payable; or

(c) except as described in (a) or (b), default shall be made by the District in the observance of any of the agreements, conditions or covenants on its part contained in the Bond Indenture, the Bonds or any Parity Bonds, and such default shall have continued for a period of 30 days after the District shall have been given notice in writing of such default by the Trustee or the Owners of 25% in aggregate principal amount of the Outstanding Bonds and Parity Bonds.

The Trustee has agreed to give notice to the Owners as soon as practicable upon the occurrence of an Event of Default under (a) or (b) above and within 30 days of the Trustee's knowledge of an event of default under (c) above.

**Remedies of Owners.** Upon the occurrence of an Event of Default, the Trustee may pursue any available remedy at law or in equity to enforce the payment of the principal of, premium, if any, and interest on the Outstanding Bonds and Parity Bonds, and to enforce any rights of the Trustee under or with respect to the Bond Indenture, including:

(a) by mandamus or other suit or proceeding at law or in equity to enforce its rights against the District and any of the members, officers and employees of the District, and to compel the District or any such members, officers or employees to perform and carry out their duties under the Act and their agreements with the Owners as provided in the Bond Indenture;

(b) by suit in equity to enjoin any actions or things which are unlawful or violate the rights of the Owners; or

(c) by a suit in equity to require the District and its members, officers and employees to account as the trustee of an express trust.

If an Event of Default shall have occurred and be continuing and if requested so to do by the Owners of at least 25% in aggregate principal amount of Outstanding Bonds and Parity Bonds and if indemnified to its satisfaction, the Trustee shall be obligated to exercise one or more of the rights and powers conferred by the Bond Indenture, as the Trustee, being advised by counsel, shall deem most expedient in the interests of the Owners of the Bonds and Parity Bonds.

No remedy conferred in the Bond Indenture upon or reserved to the Trustee or to the Owners is intended to be exclusive of any other remedy. Every such remedy shall be cumulative and shall be in addition to every other remedy given under the Bond Indenture or now or later existing, at law or in equity or by statute or otherwise, and may be exercised without exhausting and without regard to any other remedy conferred by the Act or any other law.

**Application of Revenues and Other Funds After Default.** All amounts received by the Trustee pursuant to any right given or action taken by the Trustee under the provisions of the Bond Indenture relating to the Bonds and Parity Bonds shall be applied by the Trustee in the following order upon presentation of the several Bonds and Parity Bonds:

First, to the payment of the fees, costs and expenses of the Trustee in declaring such Event of Default and in carrying out the provisions of the Bond Indenture, including reasonable compensation to its agents, attorneys and counsel, and to the payment of all other outstanding fees and expenses of the Trustee; and

Second, to the payment of the whole amount of interest on and principal of the Bonds and Parity Bonds then due and unpaid, with interest on overdue installments of principal and interest to the extent permitted by law at the net effective rate of interest then borne by the Outstanding Bonds and Parity Bonds; provided, however, that in the event such amounts shall be insufficient to pay the full amount of such interest and principal, then such amounts shall be applied in the following order of priority:

(1) first to the payment of all installments of interest on the Bonds and Parity Bonds then due and unpaid on a pro rata basis based on the total amount then due and owing,

(2) second, to the payment of all installments of principal, including Sinking Fund Payments, of the Bonds and Parity Bonds then due and unpaid on a pro rata basis based on the total amount then due and owing, and

(3) third, to the payment of interest on overdue installments of principal and interest on the Bonds and Parity Bonds on a pro rata basis based on the total amount then due and owing.

**Power of Trustee to Control Proceedings.** In the event that the Trustee, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or otherwise, pursuant to its duties under the Bond Indenture, whether upon its own discretion or upon the request of the Owners of 25% in aggregate principal amount of the Bonds and Parity Bonds then Outstanding, it shall have full power, in the exercise of its discretion for the best interests of the Owners of the Bonds and Parity Bonds, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action; provided, however, that the Trustee shall not, unless there no longer continues an Event of Default, discontinue, withdraw, compromise or settle, or otherwise dispose of any litigation pending at law or in equity, if at the time there has been filed with it a written request signed by the Owners of a majority in aggregate principal amount of the Outstanding Bonds and Parity Bonds under the Bond Indenture opposing such discontinuance, withdrawal, compromise, settlement or other such litigation. Any suit, action or proceeding which any Owner of Bonds or Parity Bonds shall have the right to bring to enforce any right or remedy under the Bond Indenture may be brought by the Trustee for the equal benefit and protection of all Owners of Bonds and Parity Bonds similarly situated and the Trustee has been appointed (and the successive respective Owners of the Bonds and Parity Bonds issued under the Bond Indenture, by taking and holding the same, shall be conclusively deemed so to have appointed it) the true and lawful attorney in fact of the respective Owners of the Bonds and Parity Bonds for the purposes of bringing any such suit, action or proceeding and to do and perform any and all acts and things for and on behalf of the respective Owners of the Bonds and Parity Bonds as a class or classes, as may be necessary or advisable in the opinion of the Trustee as such attorney-in-fact.

**Appointment of Receivers.** Upon the occurrence of an Event of Default under the Bond Indenture, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Owners of the Bonds and Parity Bonds under the Bond Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Net Taxes and other amounts pledged under the Bond Indenture, pending such proceedings, with such powers as the court making appointment shall confer.

**Non-Waiver.** Nothing in the Bond Indenture, or in the Bonds or the Parity Bonds, shall affect or impair the obligation of the District, which is absolute and unconditional, to pay the interest on and principal of the Bonds and Parity Bonds to the respective Owners of the Bonds and Parity Bonds at the respective dates of maturity, as provided in the Bond Indenture, out of the Net Taxes and other moneys pledged in the Bond Indenture for such payment.

A waiver of any default or breach of duty or contract by the Trustee or any Owners shall not affect any subsequent default or breach of duty or contract, or impair any rights or remedies on any such subsequent default or breach. No delay or omission of the Trustee or any Owner of any of the Bonds or Parity Bonds to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy conferred upon the Trustee or the Owners by the Act or by the Bond Indenture may be enforced and exercised from time to time and as often as shall be deemed expedient by the Trustee or the Owners, as the case may be.

**Limitations on Rights and Remedies of Owners.** No Owner of any Bond or Parity Bond issued under the Bond Indenture shall have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon the Bond Indenture, unless (a) such Owner shall have previously given to the Trustee written notice of the occurrence of an Event of Default; (b) the Owners of a majority in aggregate principal amount of all the Bonds and Parity Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers granted in the Bond Indenture or to institute such action, suit or proceeding in its own name; (c) said Owners shall have tendered to the Trustee indemnity reasonably acceptable to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request; and (d) the

Trustee shall have refused or omitted to comply with such request for a period of sixty (60) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

Such notification, request, tender of indemnity and refusal or omission are declared, in every case, to be conditions precedent to the exercise by any Owner of Bonds and Parity Bonds of any remedy under the Bond Indenture; it being understood and intended that no one or more Owners of Bonds and Parity Bonds shall have any right in any manner whatever by his or their action to enforce any right under the Bond Indenture, except in the manner provided in the Bond Indenture, and that all proceedings at law or in equity to enforce any provision of the Bond Indenture shall be instituted, had and maintained in the manner provided in the Bond Indenture and for the equal benefit of all Owners of the Outstanding Bonds and Parity Bonds.

The right of any Owner of any Bond and Parity Bond to receive payment of the principal of and interest and premium (if any) on such Bond and Parity Bond as provided in the Bond Indenture or to institute suit for the enforcement of any such payment, shall not be impaired or affected without the written consent of such Owner, notwithstanding any other provision of the Bond Indenture.

**Termination of Proceedings.** In case the Trustee shall have proceeded to enforce any right under the Bond Indenture by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case, the District, the Trustee and the Owners shall be restored to their former positions and rights under the Bond Indenture, respectively, with regard to the property subject to the Bond Indenture, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

#### **DEFEASANCE AND PARITY BONDS**

**Defeasance.** If the District shall pay or cause to be paid, or there shall otherwise be paid, to the Owner of an Outstanding Bond or Parity Bond the interest due thereon and the principal thereof, at the times and in the manner stipulated in the Bond Indenture or any Supplemental Indenture, then the Owner of such Bond or Parity Bond shall cease to be entitled to the pledge of Net Taxes, and, other than as set forth below, all covenants, agreements and other obligations of the District to the Owner of such Bond or Parity Bond under the Bond Indenture and any Supplemental Indenture relating to such Parity Bond shall thereupon cease, terminate and become void and be discharged and satisfied.

Any Outstanding Bond or Parity Bond shall be deemed to have been paid within the meaning expressed in the preceding paragraph if such Bond or Parity Bond is paid in any one or more of the following ways:

(a) by paying or causing to be paid the principal of, premium, if any, and interest on such Bond or Parity Bond, as and when the same become due and payable;

(b) by depositing with the Trustee, in trust, at or before maturity, money which, together with the amounts then on deposit in the Special Tax Fund (exclusive of the Administrative Expense Account) and available for such purpose, is fully sufficient to pay the principal of, premium, if any, and interest on such Bond or Parity Bond, as and when the same shall become due and payable; or

(c) by depositing with the Trustee or another escrow bank appointed by the District, in trust, Defeasance Securities, in which the District may lawfully invest its money, in such amount as will be sufficient, together with the interest to accrue thereon and moneys then on deposit in the Special Tax Fund (exclusive of the Administrative Expense Account) and available for such purpose, together with the interest to accrue thereon, to pay and discharge the principal of, premium, if any, and interest on such Bond or Parity Bond, as and when the same shall become due and payable.

If paid as provided above, then, at the election of the District, and notwithstanding that any Outstanding Bonds and Parity Bonds shall not have been surrendered for payment, all obligations of the District under the Bond Indenture and any Supplemental Indenture with respect to such Bond or Parity Bond shall cease and terminate, except for the obligation of the Trustee to pay or cause to be paid to the Owners of any such Bond or Parity Bond not so surrendered and paid, all sums due thereon and except for the federal tax covenants of the District contained in the Bond Indenture or any covenants in a Supplemental Indenture relating to compliance with the Code. Notice of such election shall be filed with the Trustee not less than ten days prior to the proposed defeasance date, or such shorter period of time as may be acceptable to the Trustee. In connection with a defeasance under (b) or (c) above, there shall be provided to the District a verification report from an independent nationally recognized certified public accountant stating its opinion as to the sufficiency of the moneys or securities deposited with the Trustee or the escrow bank to pay and discharge the principal of, premium, if any, and interest on all Outstanding Bonds and Parity Bonds to be defeased in accordance with the Bond Indenture, as and when the same shall become due and payable, and an opinion of Bond Counsel (which may rely upon the opinion of the certified public accountant) to the effect that the Bonds or Parity Bonds being defeased have been legally defeased in accordance with the Bond Indenture and any applicable Supplemental Indenture.

Upon a defeasance, the Trustee, upon request of the District, shall release the rights of the Owners of such Bonds and Parity Bonds which have been defeased under the Bond Indenture and any Supplemental Indenture and execute and deliver to the District all such instruments as may be desirable to evidence such release, discharge and satisfaction. In the case of a defeasance under the Bond Indenture of all Outstanding Bonds and Parity Bonds, the Trustee shall pay over or deliver to the District any funds held by the Trustee at the time of a defeasance, which are not required for the purpose of paying and discharging the principal of or interest on the Bonds and Parity Bonds when due. The Trustee shall, at the written direction of the District, mail, first class, postage prepaid, a notice to the Bondowners whose Bonds or Parity Bonds have been defeased, in the form directed by the District, stating that the defeasance has occurred.

**Conditions for the Issuance of Parity Bonds and Other Additional Indebtedness.** The District may at any time after the issuance and delivery of the Bonds under the Bond Indenture issue Parity Bonds payable from the Net Taxes and other amounts deposited in the Special Tax Fund (other than in the Administrative Expense Account in the Bond Indenture) and secured by a lien and charge upon such amounts equal to the lien and charge securing the Outstanding Bonds and any other Parity Bonds theretofore issued under the Bond Indenture or under any Supplemental Indenture; provided, however, that Parity Bonds may only be issued in accordance with the Bond Indenture. Parity Bonds may be issued only to refund Outstanding Bonds or Parity Bonds as described below subject to the following specific conditions, which are conditions precedent to the issuance of any such Parity Bonds:

(a) The District shall be in compliance with all covenants set forth in the Bond Indenture and any Supplemental Indenture then in effect and a certificate of the District to that effect shall have been filed with the Trustee; provided, however, that Parity Bonds may be issued notwithstanding that the District is not in compliance with all such covenants so long as immediately following the issuance of such Parity Bonds the District will be in compliance with all such covenants.

(b) The issuance of such Parity Bonds shall have been duly authorized pursuant to the Act and all applicable laws, and the issuance of such Parity Bonds shall have been provided for by a Supplemental Indenture duly adopted by the District which shall specify the following:

(i) the purpose for which such Parity Bonds are to be issued and the fund or funds into which the proceeds thereof are to be deposited, including payment of all costs and the funding of all reserves incidental to or connected with such issuance;

(ii) the authorized principal amount of such Parity Bonds;

(iii) the date and the maturity date or dates of such Parity Bonds; provided that (A) each maturity date shall fall on a September 1; (B) all such Parity Bonds of like maturity shall be identical in all respects, except as to number; and (C) fixed serial maturities or Sinking Fund Payments, or any combination thereof, shall be established to provide for the retirement of all such Parity Bonds on or before their respective maturity dates;

(iv) the description of the Parity Bonds, the place of payment thereof and the procedure for execution and authentication;

(v) the denominations and method of numbering of such Parity Bonds;

(vi) the amount and due date of each mandatory Sinking Fund Payment, if any, for such Parity Bonds;

(vii) the amount, if any, to be deposited from the proceeds of such Parity Bonds in the Reserve Account of the Special Tax Fund to increase the amount in the Bond Indenture to the Reserve Requirement;

(viii) the form of such Parity Bonds; and

(ix) such other provisions as are necessary or appropriate and not inconsistent with the Bond Indenture.

(c) The District shall have received the following documents or money or securities, all of such documents dated or certified, as the case may be, as of the date of delivery of such Parity Bonds by the Trustee (unless the Trustee shall accept any of such documents bearing a prior date):

(i) a certified copy of the Supplemental Indenture authorizing the issuance of such Parity Bonds;

(ii) a written request of the District as to the delivery of such Parity Bonds;

(iii) an opinion of Bond Counsel and/or general counsel to the District to the effect that (A) the District has the right and power under the Act to adopt the Bond Indenture and the Supplemental Indentures relating to such Parity Bonds, and the Bond Indenture and all such Supplemental Indentures have been duly and lawfully adopted by the District, are in full force and effect and are valid and binding upon the District and enforceable in accordance with their terms (except as enforcement may be limited by bankruptcy, insolvency, reorganization and other similar laws relating to the enforcement of creditors' rights); (B) the Bond Indenture creates the valid pledge which it purports to create of the Net Taxes and other amounts as provided in the Bond Indenture, subject to the application thereof to the purposes and on the conditions permitted by the Bond Indenture; and (C) such Parity Bonds are valid and binding limited obligations of the District, enforceable in accordance with their terms (except as enforcement may be limited by bankruptcy, insolvency, reorganization and other similar laws relating to the enforcement of creditors' rights) and the terms of the Bond Indenture and all Supplemental Indentures thereto and are entitled to the benefits of the Bond Indenture and all such Supplemental Indentures, and such Parity Bonds have been duly and validly authorized and issued in accordance with the Act (or other applicable laws) and the Bond Indenture and all such Supplemental Indentures; and a further opinion of Bond Counsel to the effect that, assuming compliance by the District with certain tax covenants, the issuance of the Parity Bonds will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds and any Parity Bonds theretofore issued on a tax-exempt basis, or the exemption from State of California personal income taxation of interest on any Outstanding Bonds and Parity Bonds theretofore issued;

(iv) a certificate of an Authorized Representative of the District containing such statements as may be reasonably necessary to show compliance with the requirements of the Bond Indenture;

(v) a certificate of an Independent Financial Consultant certifying that in each Bond Year, in which the Parity Bonds proposed to be issued will be Outstanding, the Annual Debt Service on the Bonds and Parity Bonds to remain Outstanding following the issuance of the Parity Bonds proposed to be issued is less than the Annual Debt Service on the Bonds and Parity Bonds Outstanding prior to the issuance of such Parity Bonds; and

(vi) such further documents, money and securities as are required by the provisions of the Bond Indenture and the Supplemental Indenture providing for the issuance of such Parity Bonds.

## MISCELLANEOUS

**Cancellation of Bonds and Parity Bonds.** All Bonds and Parity Bonds surrendered to the Trustee for payment upon maturity or for redemption shall be upon payment therefor, and any Bond or Parity Bond purchased by the District as authorized in the Bond Indenture and delivered to the Trustee for such purpose shall be, cancelled forthwith and shall not be reissued. The Trustee shall destroy such Bonds and Parity Bonds, as provided by law, and, upon request of the District, furnish to the District a certificate of such destruction.

**Unclaimed Moneys.** Anything in the Bond Indenture to the contrary notwithstanding, any money held by the Trustee in trust for the payment and discharge of any of the Outstanding Bonds and Parity Bonds which remain unclaimed for two years after the date when such Outstanding Bonds or Parity Bonds have become due and payable, if such money was held by the Trustee at such date, or for two years after the date of deposit of such money if deposited with the Trustee after the date when such Outstanding Bonds or Parity Bonds become due and payable, shall be repaid by the Trustee to the District, as its absolute property and free from trust, and the Trustee shall thereupon be released and discharged with respect thereto and the Owners shall look only to the District for the payment of such Outstanding Bonds or Parity Bonds; provided, however, that, before being required to make any such payment to the District, the Trustee at the expense of the District, shall cause to be mailed by first-class mail, postage prepaid, to the Registered Owners of such Outstanding Bonds or Parity Bonds at their addresses as they appear on the registration books of the Trustee a notice that said money remains unclaimed and that, after a date named in said notice, which date shall not be less than 30 days after the date of the mailing of such notice, the balance of such money then unclaimed will be returned to the District.

**Provisions Constitute Contract.** The provisions of the Bond Indenture shall constitute a contract between the District and the Bondowners and the provisions of the Bond Indenture shall be construed in accordance with the laws of the State of California. Nothing in the Bond Indenture, expressed or implied, is intended to give any other person other than the District, the Trustee and the Owners of the Bonds any right, remedy or claim under or by reason of the Bond Indenture.

In case any suit, action or proceeding to enforce any right or exercise any remedy shall be brought or taken and, should said suit, action or proceeding be abandoned, or be determined adversely to the Bondowners or the Trustee, then the District, the Trustee and the Bondowners shall be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

After the issuance and delivery of the Bonds the Bond Indenture shall be irrevocable, but shall be subject to modifications to the extent and in the manner provided in the Bond Indenture, but to no greater extent and in no other manner.

**Future Contracts.** Nothing contained in the Bond Indenture shall be deemed to restrict or prohibit the District from making contracts or creating bonded or other indebtedness payable from a pledge of the Net Taxes which is subordinate to the pledge under the Bond Indenture, or which is payable from the general fund of the District or from taxes or any source other than the Net Taxes and other amounts pledged under the Bond Indenture.

**Further Assurances.** The District will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of the Bond Indenture, and for the better assuring and confirming unto the Owners of the Bonds or any Parity Bonds the rights and benefits provided in the Bond Indenture.

**Severability.** If any covenant, agreement or provision, or any portion thereof, contained in the Bond Indenture, or the application thereof to any person or circumstance, is held to be unconstitutional, invalid or unenforceable, the remainder of the Bond Indenture and the application of any such covenant, agreement or provision, or portion thereof, to other persons or circumstances, shall be deemed severable and shall not be affected thereby, and the Bond Indenture, the Bonds and any Parity Bonds issued pursuant to the Bond Indenture shall remain valid and the Bondowners shall retain all valid rights and benefits accorded to them under the laws of the State of California.

**Payment Due on Other than a Business Day.** If the date for making any payment or the last date for performance of any act or the exercising of any right, as provided in the Bond Indenture, is not a Business Day, such payment, with no interest accruing for the period after such nominal date, may be made or act performed or right exercised on the next succeeding Business Day with the same force and effect as if done on the nominal date provided in the Bond Indenture.

**Disqualified Bonds.** In determining whether the Owners of the requisite aggregate principal amount of Bonds have concurred in any demand, request, direction, consent or waiver under the Bond Indenture, Bonds which are owned or held by or for the account of the City or the District (but excluding Bonds held in any employees' or retirement fund) shall be disregarded and deemed not to be Outstanding for the purpose of any such determination, provided, however, that for the purpose of determining whether the Trustee shall be protected in relying on any such demand, request, direction, consent or waiver, only Bonds which the Trustee knows to be so owned or held shall be disregarded. Upon request, the District shall specify to the Trustee those Bonds disqualified pursuant to this paragraph.

**Waiver of Certain Provisions.** The legislative body of the District has authorized the provisions in the second paragraph of the section in the Bond Indenture entitled "Registration of Exchange or Transfer" to be waived as permitted therein with respect to transfers of the Bonds that comply with this paragraph. The provisions of such second shall no longer be applicable to the transfer of a Bond provided that in connection with the first transfer of such Bond following the issuance of the Bonds, the Owner of such Bond has executed and delivered to the District an Agreement Regarding Removal of Transfer Restrictions and has provided to the Trustee a written certificate as required by such agreement. Upon the surrender of a Bond by an Owner pursuant to the terms of such agreement, the Trustee shall register the transfer of such Bond to the purchaser designated by the Owner by removing the transfer legend on the face of the Bond.

**Restriction on Issuance of Parity Bonds.** The District has covenanted that, notwithstanding the provisions of the Bond Indenture, following the issuance of the Bonds, it will issue Parity Bonds only for the purpose of refunding all or a portion of the Bonds, the Bonds and other Parity Bonds issued for refunding purposes.

## APPENDIX D

### CONTINUING DISCLOSURE CERTIFICATE OF THE DISTRICT

This Continuing Disclosure Certificate dated as of April 1, 2008 (the “Disclosure Certificate”) is executed and delivered by Community Facilities District No. 3 (Liberty Station) (the “Issuer”) in connection with the issuance and delivery by the Issuer of its \$3,950,000.00 Liberty Station Special Tax Bonds Series A of 2008 (the “2008 Bonds”). The 2008 Bonds are being issued pursuant to a Bond Indenture, dated as of June 1, 2006 by and between the Issuer and Wells Fargo Bank, National Association, as trustee (the “Trustee”), as amended and supplemented by a First Supplemental Bond Indenture, dated as of April 1, 2008 (as amended, the “Bond Indenture”). The Issuer covenants as follows:

SECTION 1. Purpose of the Disclosure Certificate. This Disclosure Certificate is being executed and delivered by the Issuer, for the benefit of the Owners and Beneficial Owners of the 2008 Bonds and in order to assist the Participating Underwriters in complying with the Rule (as defined below).

SECTION 2. Definitions. In addition to the definitions set forth in the Bond Indenture, which apply to any capitalized term used in this Disclosure Certificate unless otherwise defined in this Section, the following capitalized terms shall have the following meanings:

“Annual Report” shall mean any Annual Report provided by the Issuer pursuant to, and as described in, Sections 3 and 4 of this Disclosure Certificate.

“Beneficial Owner” shall mean any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any 2008 Bonds (including persons holding 2008 Bonds through nominees, depositories or other intermediaries); or (b) is treated as the owner of any 2008 Bonds for federal income purposes.

“Central Post Office” means the DisclosureUSA website maintained by the Municipal Advisory Council of Texas or any successor thereto, or any other organization or method approved by the staff or members of the Securities and Exchange Commission as an intermediary through which issuers may, in compliance with the Rule, make filings required by this District Continuing Disclosure Agreement.

“City” shall mean the City of San Diego.

“Disclosure Representative” shall mean the Mayor, the Chief Operating Officer of the City or the Chief Financial Officer of the City, or their designees, or such other officer or employee as the Issuer shall designate in writing to the Dissemination Agent from time to time.

“Dissemination Agent” shall mean, initially, the Issuer, or any successor Dissemination Agent designated in writing by the Issuer which has filed with the then current Dissemination Agent a written acceptance of such designation.

“District” shall mean Community Facilities District No. 3 (Liberty Station) established by the City of San Diego.

“Listed Events” shall mean any of the events listed in Section 5(a) of this Disclosure Certificate.

“National Repository” shall mean any Nationally Recognized Municipal Securities Information Repository for purpose of the Rule.

“Official Statement” means the Official Statement for the 2008 Bonds dated March 27, 2008.

“Participating Underwriters” shall mean Stone & Youngberg LLC and E. J. De La Rosa & Co., Inc.

“Rate and Method of Apportionment” means together, the Rate and Method of Apportionment of Special Taxes for the 2008 Bonds.

“Repository” shall mean each National Repository and each State Repository.

“Rule” shall mean Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as the same may be amended from time to time.

“State Repository” shall mean any public or private repository or entity designated by the State of California as a state repository for the purpose of the Rule and recognized as such by the Securities and Exchange Commission. As of the date of this Disclosure Certificate, there is no State Repository.

### SECTION 3. Provision of Annual Reports.

(a) The Issuer shall, or shall cause the Dissemination Agent by written direction to such Dissemination Agent to, not later than the April 1 after the end of the Issuer’s fiscal year (which currently ends on June 30), commencing with the report for the fiscal year ending June 30, 2008, provide to each Repository and the Participating Underwriters an Annual Report which is consistent with the requirements of Section 4 of this Disclosure Certificate. The Annual Report may be submitted as a single document or as separate documents comprising a package, and may include by reference other information as provided in Section 4 of this Disclosure Certificate; provided that the audited financial statements of the Issuer may be submitted separately from and later than the balance of the Annual Report if they are not available by the date required above for the filing of the Annual Report.

An Annual Report shall be provided at least annually notwithstanding any fiscal year longer than 12 calendar months. The Issuer’s fiscal year is currently effective from July 1 to the immediately succeeding June 30 of the following year. The Issuer will promptly notify each Repository or the Municipal Securities Rulemaking Board, and in either case the Dissemination Agent and the Participating Underwriters of a change in the fiscal year dates.

(b) In the event that the Dissemination Agent is an entity other than the Issuer, then the provisions of this Section 3(b) shall apply. Not later than fifteen (15) Business Days prior to the date specified in subsection (a) for providing the Annual Report to Repositories and the Participating Underwriters, the Issuer shall provide the Annual Report to the Dissemination Agent. If by fifteen (15) Business Days prior to the due date for an Annual Report the Dissemination Agent has not received a copy of the Annual Report, the Dissemination Agent shall contact the Issuer to determine if the Issuer will be filing the Annual Report in compliance with subsection (a). The Issuer shall provide a written certification with each Annual Report furnished to the Dissemination Agent to the effect that such Annual Report constitutes the Annual Report required to be furnished by it hereunder. The Dissemination Agent may conclusively rely upon such certification of the Issuer and shall have no duty or obligation to review such Annual Report.

(c) If the Dissemination Agent is other than the Issuer and if the Dissemination Agent is unable to verify that an Annual Report has been provided to Repositories and the Participating Underwriters by the date required in subsection (a), the Dissemination Agent shall send a notice to each Repository and the Participating Underwriters, in substantially the form attached as Exhibit A.

(d) The Dissemination Agent shall:

(i) determine each year prior to the date for providing the Annual Report the name and address of each National Repository and each State Repository, if any; and

(ii) promptly after receipt of the Annual Report, file a report with the Issuer certifying that the Annual Report has been provided pursuant to this Disclosure Certificate, stating the date it was provided and listing all the Repositories to which it was provided.

(e) Any filing required under this Section 3 may be made through the Central Post Office.

SECTION 4. Content of Annual Reports.

(a) Financial Statements. The audited financial statements of the Issuer for the most recent fiscal year of the Issuer then ended shall be provided in the Annual Report. If the Issuer prepares audited financial statements and if the audited financial statements are not available by the time the Annual Report is required to be filed, the Annual Report shall contain any unaudited financial statements of the Issuer in a format similar to the financial statements, and the audited financial statements shall be filed in the same manner as the Annual Report when they become available. Audited financial statements of the Issuer shall be audited by such auditor as shall then be required or permitted by State law or the Bond Indenture. Audited financial statements, if prepared by the Issuer, shall be prepared in accordance with generally accepted accounting principles as prescribed for governmental units by the Governmental Accounting Standards Board; provided, however, that the Issuer may from time to time, if required by federal or state legal requirements, modify the basis upon which its financial statements are prepared. In the event that the Issuer shall modify the basis upon which its financial statements are prepared, the Issuer shall provide the information referenced in Section 8(d) below.

(b) Financial and Operating Data. In addition to the financial statements, the Annual Report shall contain or incorporate by reference the following information:

(i) the principal amount of 2008 Bonds outstanding as of the September 2 preceding the filing of the Annual Report;

(ii) the balance in each fund under the Bond Indenture as of the September 2 preceding the filing of the Annual Report;

(iii) any changes to the Rate and Method of Apportionment of the Special Taxes approved or submitted to the qualified electors for approval prior to the filing of the Annual Report and a summary of the facts related to the collection of any Backup Special Tax and a description of any parcels for which the Special Taxes have been prepaid, including the amount prepaid, since the date of the last Annual Report;

(iv) a statement of the assessed value-to-lien ratio of all Developed Property within Improvement Area No. 1 upon which Special Taxes were most recently levied and the assessed value-to-lien ratio of all Developed Property and each parcel of Undeveloped Property within Improvement Area No. 2 upon which Special Taxes were most recently levied, in each case based on the most recent equalized Assessor's Roll;

(v) an update of Table 4A of the Official Statement entitled "Principal Taxpayers for Fiscal Year 2007-08" including a list of all taxpayers within the District which own property in the District upon which 5% or more of the total Special Taxes for the current fiscal year have been levied, and a statement as to whether any of such taxpayers is delinquent in the payment of Special Taxes;

(vi) any event known to the Issuer which results in a moratorium on future building within the District;

(vii) an update of Table 5 of the Official Statement entitled "Special Tax Delinquency History" including information for the five most recent fiscal years in which Special Taxes were levied;

(viii) any information not already included under (i) through (vii) above that the Issuer is required to file in its annual report to the California Debt and Investment Advisory Commission pursuant to the provisions of the Mello-Roos Community Facilities Act of 1982, as amended.

(c) Any or all of the items listed in (a) or (b) above may be included by specific reference to other documents, including official statements of debt issues of the Issuer or related public entities, which have been submitted to each of the Repositories or the Securities and Exchange Commission. If the document included by reference is a final official statement, it must be available from the Municipal Securities Rulemaking Board. The Issuer shall clearly identify each such other document so included by reference.

SECTION 5. Reporting of Significant Events.

(a) Pursuant to the provisions of this Section 5, the Issuer shall give, or cause the Dissemination Agent to give, notice of the occurrence of any of the following events with respect to the 2008 Bonds, if material:

- (i) principal and interest payment delinquencies;
- (ii) an event of default under the Bond Indenture other than as described in (i) above;
- (iii) unscheduled draws on the Reserve Account reflecting financial difficulties;
- (iv) unscheduled draws on any credit enhancements securing the 2008 Bonds reflecting financial difficulties;
- (v) any change in the provider of any letter of credit or any municipal bond insurance policy securing the 2008 Bonds or any failure by the providers of such letters of credit or municipal bond insurance policies to perform on the letter of credit or municipal bond insurance policy;
- (vi) adverse tax opinions or events adversely affecting the tax-exempt status of the 2008 Bonds;
- (vii) modifications to the rights of Bond Owners;
- (viii) unscheduled redemption of any 2008 Bond;
- (ix) defeasances;
- (x) any release, substitution, or sale of property securing repayment of the 2008 Bonds; and
- (xi) rating changes.

(b) Whenever the Issuer obtains knowledge of the occurrence of a Listed Event, the Issuer shall as soon as possible determine if such event would be material under applicable federal securities laws.

(c) If the Issuer has determined that knowledge of the occurrence of a Listed Event would be material under applicable federal securities laws and if the Dissemination Agent is other than the Issuer, the Issuer shall promptly notify the Dissemination Agent in writing. Such notice shall instruct the Dissemination Agent to report the occurrence pursuant to subsection (e).

(d) If in response to a request under subsection (b), the Issuer determines that the Listed Event would not be material under applicable federal securities laws and if the Dissemination Agent is other than the

Issuer, the Issuer shall so notify the Dissemination Agent in writing and instruct the Dissemination Agent not to report the occurrence pursuant to subsection (e).

(e) If the Issuer is acting as Dissemination Agent and determines that knowledge of the occurrence of a Listed Event would be material under applicable federal securities laws, the Issuer shall promptly file a notice of such occurrence with (i) the Municipal Securities Rulemaking Board or (ii) each National Repository and, in either case, with the Participating Underwriters and each State Repository. If the Dissemination Agent has been instructed by the Issuer to report the occurrence of a Listed Event, the Dissemination Agent shall file a notice of such occurrence with (i) the Municipal Securities Rulemaking Board or (ii) each National Repository, and in either case, with the Participating Underwriters and each State Repository. Notwithstanding the foregoing, notice of Listed Events described in subsections (a)(viii) and (ix) need not be given under this subsection any earlier than the notice (if any) of the underlying event is given to Owners of affected 2008 Bonds pursuant to the Bond Indenture. In each case of the Listed Event, the Dissemination Agent shall not be obligated to file a notice as required in this subsection (e) prior to the occurrence of such Listed Event.

(f) The Issuer hereby agrees that the undertaking set forth in this Disclosure Agreement is the responsibility of the Issuer and that the Trustee or the Dissemination Agent shall not be responsible for determining whether the Issuer's instructions to the Dissemination Agent under this Section 5 comply with the requirements of the Rule.

(g) Any filing required under this Section 5 may be made through the Central Post Office.

SECTION 6. Termination of Reporting Obligation. The obligations of the Issuer and the Dissemination Agent under this Disclosure Certificate shall terminate upon the legal defeasance, prior redemption or payment in full of all of the 2008 Bonds. If such termination occurs prior to the final maturity of the 2008 Bonds, the Issuer shall give notice of such termination in the same manner as for a Listed Event under Section 5.

SECTION 7. Dissemination Agent. The Issuer may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Certificate, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. The initial Dissemination Agent shall be the Issuer. The Dissemination Agent may resign by providing (i) thirty days written notice to the Issuer, and (ii) upon appointment of a new Dissemination Agent hereunder.

SECTION 8. Amendment.

(a) This Disclosure Certificate may be amended, by written agreement of the parties, without the consent of the Owners, if all of the following conditions are satisfied: (i) such amendment is made in connection with a change in circumstances that arises from a change in legal (including regulatory) requirements, a change in law, or a change in the identity, nature or status of the Issuer or the type of business conducted thereby; (ii) this Disclosure Certificate as so amended would have complied with the requirements of the Rule as of the date of this Disclosure Certificate, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; (iii) the Issuer shall have delivered to the Dissemination Agent an opinion of a nationally recognized bond counsel or counsel expert in federal securities laws, addressed to the Issuer, to the same effect as set forth in clause (ii) above; (iv) the Issuer shall have delivered to the Dissemination Agent an opinion of nationally recognized bond counsel or counsel expert in federal securities laws, addressed to the Issuer, to the effect that the amendment does not materially impair the interests of the Owners or Beneficial Owners; and (v) the Issuer shall have delivered copies of such opinion and amendment to each Repository and the Participating Underwriters.

(b) This Disclosure Certificate also may be amended by written agreement of the parties upon obtaining consent of Owners in the same manner as provided in the Bond Indenture for amendments to the Indenture with the consent of the Owners of the 2008 Bonds; provided that the conditions set forth in Section 8(a)(i), (ii), (iii) and (v) have been satisfied.

(c) To the extent any amendment to this Disclosure Certificate results in a change in the type of financial information or operating data provided pursuant to this Disclosure Certificate, the first Annual Report provided thereafter shall include a narrative explanation of the reasons for the amendment and the impact of the change in the type of operating data or financial information being provided.

(d) If an amendment is made to the basis on which financial statements are prepared, the Annual Report for the year in which the change is made shall present a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. Such comparison shall include a quantitative and, to the extent reasonably feasible, qualitative discussion of the differences in the accounting principles and the impact of the change in the accounting principles on the presentation of the financial information.

SECTION 9. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the Issuer chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the Issuer shall have no obligation under this Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

SECTION 10. Default. In the event of a failure of the Issuer or the Dissemination Agent to comply with any provision of this Disclosure Certificate, any Owner or Beneficial Owner of the 2008 Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Issuer and/or the Dissemination Agent to comply with their respective obligations under this Disclosure Certificate. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Bond Indenture, and the sole remedy under this Disclosure Certificate in the event of any failure of the Issuer or the Dissemination Agent to comply with this Disclosure Certificate shall be an action to compel performance.

SECTION 11. Duties, Immunities and Liabilities of Dissemination Agent. Where an entity other than the Issuer is acting as the Dissemination Agent, the Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Certificate, and the Issuer agrees to indemnify and save the Dissemination Agent and its officers, directors, employees and agents, harmless against any loss, expense and liabilities which they may incur arising out of or in the exercise or performance of their powers and duties hereunder, including the costs and expenses (including attorneys fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. Any Dissemination Agent other than the Issuer shall be paid (i) compensation by the Issuer for its services provided hereunder in accordance with a schedule of fees to be mutually agreed to; and (ii) all expenses, legal fees and advances made or incurred by the Dissemination Agent in the performance of its duties hereunder. The Dissemination Agent shall have no duty or obligation to review any information provided to it by the Issuer pursuant to this Disclosure Certificate. The obligations of the Issuer under this Section shall survive resignation or removal of the Dissemination Agent and payment of the 2008 Bonds. No person shall have any right to commence any action against the Dissemination Agent seeking any remedy other than to compel specific performance of this Disclosure Certificate. The Dissemination Agent shall not be liable under any circumstances for monetary damages to any person for any breach under this Disclosure Certificate.

SECTION 12. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the Issuer, the Dissemination Agent, the Participating Underwriters and Owners and Beneficial Owners from time to time of the 2008 Bonds, and shall create no rights in any other person or entity.

SECTION 13. Notices. Notices with respect to this Disclosure Certificate should be sent in writing to:

## APPENDIX E

### CONTINUING DISCLOSURE AGREEMENT OF THE DEVELOPER

This Continuing Disclosure Agreement (the “Disclosure Agreement”) dated as of April 1, 2008 is executed and delivered by McMillin-NTC, LLC, a Delaware limited liability company (the “Developer”), and Wells Fargo Bank, National Association, as trustee (the “Trustee”) and as dissemination agent (the “Dissemination Agent”), in connection with the execution and delivery by Community Facilities District No. 3 (Liberty Station) (the “Issuer”) of its \$3,950,000 Special Tax Bonds Series A of 2008 (the “2008 Bonds”). The 2008 Bonds are being executed and delivered pursuant to a Bond Indenture, dated as of June 1, 2006, by and between the Issuer and Wells Fargo Bank, National Association, as trustee (the “Trustee”), as amended and supplemented by a First Supplemental Bond Indenture, dated as of April 1, 2008 (as amended, the “Bond Indenture”).

SECTION 1. Purpose of the Disclosure Agreement. This Disclosure Agreement is being executed and delivered by the Developer for the benefit of the Bondowners and Beneficial Owners and in order to assist the Participating Underwriters in complying with S.E.C. Rule 15c2-12(b)(5). Pursuant to this Disclosure Agreement, the Developer agrees to provide the information required to be provided by the Developer hereunder at the time and in the manner required hereunder and as otherwise required to comply with the Rule as specified in a written opinion of counsel to the Participating Underwriters or a nationally recognized bond counsel.

SECTION 2. Definitions. In addition to the definitions set forth in the Bond Indenture, which apply to any capitalized term used in this Disclosure Agreement unless otherwise defined in this Section, the following capitalized terms shall have the following meanings:

“Affiliate” shall mean, with respect to any Person, (a) each Person that, directly or indirectly, owns or controls, whether beneficially or as an agent, guardian or other fiduciary, twenty-five percent (25%) or more of any class of Equity Securities of such Person; (b) each Person that controls, is controlled by or is under common control with such Person; (c) each of such Person’s executive officers, directors, and general partners; or (d) each Person that is, directly or indirectly, owned by McMillin Companies, LLC, a Delaware limited liability company. As of the date of this Disclosure Agreement, Affiliates of the Developer owning property or leasehold interests in property within the District include McMillin-NTC 193, LLC, McMillin-NTC Landing, LLC, Liberty Station-Harbor Retail, LLC, Liberty Station 210 Investors, LLC, Liberty Station 195 Historical Rehab, LLC, McMillin-NTC 901, LLC, McMillin-NTC 903/904, LLC, McMillin-NTC 905, LLC, and McMillin-NTC 906, LLC and Sail Ho Golf Course, LLC.

“Annual Report” shall mean any Annual Report provided by the Developer pursuant to, and as described in, Sections 3 and 4 of this Disclosure Agreement.

“Beneficial Owner” shall mean any person which has or shares the power, directly or indirectly, to make investment decisions concerning ownership of the 2008 Bonds (including persons holding 2008 Bonds through nominees, depositories or other intermediaries).

“Bondowner” shall mean the person or persons in whose name or names any 2008 Bond is registered.

“Central Post Office” means the DisclosureUSA website maintained by the Municipal Advisory Council of Texas or any successor thereto, or any other organization or method approved by the staff or members of the Securities and Exchange Commission as an intermediary through which issuers may, in compliance with the Rule, make filings required by this District Continuing Disclosure Agreement.

“Disclosure Representative” shall mean such officer or employee of the Developer as the Developer shall designate in writing to the Dissemination Agent from time to time.

“Dissemination Agent” shall mean Wells Fargo Bank, National Association acting in its capacity as Dissemination Agent hereunder, or any successor Dissemination Agent designated in writing by the Developer and which has filed with the Developer and the City a written acceptance of such designation.

“District” shall mean Community Facilities District No. 3 (Liberty Station) established by the City of San Diego.

“Equity Securities” of any Person shall mean (a) all common stock, preferred stock, participations, shares, general partnership interests or other equity interests in and of such Person (regardless of how designated and whether or not voting or non-voting); and (b) all warrants, options and other rights to acquire any of the foregoing.

“Fiscal Year” shall mean the period beginning on July 1 of each year and ending on the next succeeding June 30.

“Government Authority” shall mean any national, state or local government, any political subdivision thereof, any department, agency, authority or bureau of any of the foregoing, or any other Person exercising executive, legislative, judicial, regulatory or administrative functions of or pertaining to government.

“Listed Event” shall mean any of the events listed in Section 5(a) of this Disclosure Agreement.

“National Repository” shall mean any Nationally Recognized Municipal Securities Information Repository for purposes of the Rule.

“Official Statement” shall mean the Official Statement, dated March 27, 2008, relating to the 2008 Bonds.

“Parity Bonds” shall mean bonds of the Issuer issued under the Bond Indenture that are secured on a parity with the 2008 Bonds.

“Participating Underwriters” shall mean any of the original Underwriters of the 2008 Bonds required to comply with the Rule in connection with the offering of the 2008 Bonds.

“Person” shall mean any natural person, corporation, partnership, firm, association, Government Authority or any other Person whether acting in an individual fiduciary, or other capacity.

“Repository” shall mean each National Repository and the State Repository.

“Rule” shall mean Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as the same may be amended from time to time.

“Semiannual Report” shall mean any report to be provided by the Developer on or prior to November 15 of each year pursuant to, and as described in, Sections 3 and 4 of this Disclosure Agreement.

“State” shall mean the State of California.

“State Repository” shall mean any public or private repository or entity designed by the State as a state repository for the purpose of the Rule and recognized as such by the Securities and Exchange Commission. As of the date of this Disclosure Agreement, there is no State Repository.

SECTION 3. Provision of Annual Reports.

(a) The Disclosure Representative shall, or upon its receipt of the Annual Report the Dissemination Agent shall, not later than May 15 of each year, commencing May 15, 2008, provide to each Repository, the Participating Underwriters and the Issuer an Annual Report which is consistent with the requirements of Section 4 of this Disclosure Agreement. The Annual Report may be submitted as a single document or as separate documents comprising a package, and may include by reference other information as provided in Section 4 of this Disclosure Agreement provided that the audited financial statements, if any, of the Developer may be submitted separately from the balance of the Annual Report and later than the date required for the filing of the Annual Report if they are not available by that date. In addition, the Developer shall, or upon its receipt of the Semiannual Report the Dissemination Agent shall, not later than November 15 of each year, commencing November 15, 2008, provide to each Repository, the Participating Underwriters and the District a Semiannual Report which is consistent with the requirements of Section 4 of this Disclosure Agreement.

(b) Not later than fifteen (15) Business Days prior to the date specified in subsection (a) for providing the Annual Report and Semiannual Report to Repositories, the Developer shall provide the Annual Report or the Semiannual Report, as applicable, to the Dissemination Agent or shall provide notification to the Dissemination Agent that the Disclosure Representative is preparing, or causing to be prepared, the Annual Report or the Semiannual Report, as applicable, and the date which the Annual Report or the Semiannual Report, as applicable, is expected to be available. If by such date, the Dissemination Agent has not received a copy of the Annual Report or the Semiannual Report, as applicable, or notification as described in the preceding sentence, the Dissemination Agent shall contact the Developer to determine if the Developer is in compliance with the requirements of this subsection (b).

(c) If the Dissemination Agent is unable to provide an Annual Report or Semiannual Report to Repositories by the date required in subsection (a) or to verify that an Annual Report or Semiannual Report has been provided to Repositories by the date required in subsection (a), the Dissemination Agent shall send a notice to each Repository in substantially the form attached as Exhibit A.

(d) The Dissemination Agent shall:

(i) determine each year prior to the date for providing the Annual Report and the Semiannual Report the name and address of each National Repository and the State Repository, if any; and

(ii) file a report with the Disclosure Representative and the Issuer certifying that the Annual Report or the Semiannual Report, as applicable, has been provided pursuant to this Disclosure Agreement, stating the date it was provided and listing all the Repositories to which it was provided.

(e) Any filing required under this Section 3 may be made through the Central Post Office.

SECTION 4. Content of Annual Report and Semiannual Report.

(a) The Developer's Annual Report and Semiannual Report shall contain or include by reference the information which is available as of the date of the filing of the Annual Report or the Semiannual Report, as applicable, relating to the following:

(i) a discussion of the sources of funds to finance development of property owned or leased by the Developer and its Affiliates within the District, and whether any material defaults exist under any loan arrangement related to such financing;

(ii) a summary of development activity by the Developer and its Affiliates within the District, including: (a) the number of commercial parcels for which building permits have been issued and the square footage of improvements listed thereon; (b) the number of parcels for which land sales have closed, and, in the case of a purchase of a parcel by an entity other than the purchaser of a residential unit, the name of the purchaser of the parcel and the sales price; and (c) a description of any ground lease and/or operating agreements executed in connection with property owned or leased by the Developer and its Affiliates within the District;

(iii) status of any major governmentally-imposed preconditions for commencement or continuation of development of the parcels owned or leased by the Developer and its Affiliates within the District;

(iv) status of completion of the development being undertaken by the Developer and its Affiliates and any major legislative, administrative and judicial challenges known to the Developer adversely affecting the construction of the development as planned or the time for construction of any public or private improvements to be made by the Developer or any Affiliates within the District other than the public improvements described in (v) below (the “Landowner Improvements”);

(v) status of completion of the public improvements to be acquired with proceeds of the 2008 Bonds (the “District Improvements”) and a description of any major legislative, administrative and judicial challenges known to the Developer and materially affecting the construction of the District Improvements;

(vi) any significant amendments to land use entitlements with respect to parcels within the District owned or leased by the Developer and its Affiliates that are known to the Developer;

(vii) status of Special Tax payments on all parcels owned by the Developer and its Affiliates; and

(viii) in the Annual Report only and only if the Developer and its Affiliates, in the aggregate, own property upon which 20% or more of the Special Taxes have been levied in the Fiscal Year for which the Annual Report is being provided, the audited financial statements of the Developer, if any, for most recently completed fiscal year, prepared in accordance with generally accepted accounting principles as promulgated to apply to private entities from time to time by the Financial Accounting Standards Board.

(b) In the event that as a result of subsequent amendment of the Rule, interpretive releases, no-action letters or other official guidance from the Securities and Exchange Commission or its staff, the information required to satisfy the Rule shall differ from the information described above, the Developer shall provide to the Dissemination Agent such other information as is available to the Developer and not otherwise readily available to the District.

(c) Any and all of the items listed above may be included by specific reference to other documents, including official statements of debt issues which have been submitted to each of the Repositories or the Securities and Exchange Commission. If the document included by reference is a final official statement, it must be available from the Municipal Securities Rulemaking Board. The Developer shall clearly identify each such other document so included by reference.

SECTION 5. Reporting of Significant Events.

(a) Pursuant to the provisions of this Section 5, the Developer shall give, or cause to be given, notice of the occurrence of any of the following events with respect to the 2008 Bonds, if material under paragraphs (b) and (c):

(i) failure to pay any real property taxes, special taxes or assessments levied within the District on a parcel owned by the Developer or any Affiliates;

(ii) damage to or destruction of any of the Landowner Improvements or the District Improvements which has a material adverse effect on the value of the parcels owned by the Developer or any Affiliates;

(iii) material default by the Developer or any Affiliate on any loan with respect to the construction or permanent financing of the Landowner Improvements;

(iv) material default by the Developer or any Affiliate on any loan secured by property within the District owned or leased by the Developer or any Affiliates;

(v) material payment default by the Developer or any Affiliate on any loan of the Developer or any Affiliate (whether or not such loan is secured by property in the District) which is beyond any applicable cure period in such loan;

(vi) the filing of any proceedings with respect to the Developer or any Affiliate, in which the Developer or any Affiliate, may be adjudicated as bankrupt or discharged from any or all of their respective debts or obligations or granted an extension of time to pay debts or a reorganization or readjustment of debts;

(vii) the filing of any lawsuit against the Developer or any of its Affiliates which, in the reasonable judgment of the Developer, will adversely affect the completion of the District Improvements, the Landowner Improvements or the development of parcels owned or leased by the Developer or its Affiliates within the District, or litigation which if decided against the Developer or any of its Affiliates, in the reasonable judgment of the Developer, would materially adversely affect the financial condition of the Developer or its Affiliates; and

(viii) A change in the identity of the manager of the Developer to an entity that is not an Affiliate of McMillin Companies, LLC, or McMillin Management Services, L.P.

(b) Whenever the Developer obtains knowledge of the occurrence of a Listed Event, the Developer shall as soon as possible determine if such event would be material under applicable federal securities laws.

(c) If the Developer determines that knowledge of the occurrence of a Listed Event would be material under applicable federal securities laws, the Developer shall promptly file a notice of such occurrence with the Dissemination Agent which shall then distribute such notice to the Municipal Securities Rulemaking Board and each State Repository, with a copy to the Issuer.

SECTION 6. Termination of Reporting Obligation. The Developer' obligations under this Disclosure Agreement shall terminate upon the earliest of the following events:

(a) the legal defeasance, prior redemption or payment in full of all of the 2008 Bonds;

(b) the date on which all of the Special Taxes attributable to the parcels owned by the Developer and its Affiliates are paid or prepaid in full,

(c) if as of the date for filing the Annual Report or Semiannual Report the Developer and its Affiliates own or lease property within the District which is responsible, in the current Fiscal Year, for less than twenty percent (20%) of the Special Taxes levied in the Fiscal Year for which the Annual Report or Semiannual Report is being prepared and not less than 95% of the District Improvements to be acquired with proceeds of the 2008 Bonds have been acquired and completed,

(d) if, as of the date for filing the Annual Report or Semiannual Report (1) the Developer and its Affiliates own property within the District which is in the current Fiscal Year or would be in the next Fiscal Year responsible for between twenty percent (20%) and thirty-five percent (35%) of the Special Tax levied at the time for which the Annual Report or Semiannual Report is being prepared, (2) not less than 95% of the District Improvements to be acquired with proceeds of the Bonds have been acquired and completed, and (3) each building in the District owned by the Developer and its Affiliates and intended for lease has been, since completion of construction of such building, at least 80% occupied at one time or another; or

(e) upon the delivery by the Developer to the Issuer of an opinion of nationally recognized bond counsel to the effect that the information required by this Disclosure Agreement is no longer required. Such opinion shall be based on information publicly provided by the Securities and Exchange Commission or a private letter ruling obtained by the Developer or a private letter ruling obtained by a similar entity to the Developer. If such termination occurs prior to the final maturity of the 2008 Bonds, the Developer shall give notice of such termination in the same manner as for an Annual Report hereunder.

SECTION 7. Dissemination Agent. The Developer may from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. If the Dissemination Agent is not the Developer, the Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the Developer pursuant to this Disclosure Agreement.

SECTION 8. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the Developer may amend this Disclosure Agreement, and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) if the amendment or waiver relates to the provisions of Sections 3(a), 4 or 5, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the 2008 Bonds, or the type of business conducted;

(b) this Disclosure Agreement, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel addressed to the Issuer, the Trustee and the Participating Underwriters, have complied with the requirements of the Rule at the time of the original issuance of the 2008 Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances;

(c) the amendment or waiver either (i) is approved by the Bondowners in the same manner as provided in the Bond Indenture for amendments to the Bond Indenture with the consent of Bondowners, or (ii) does not, in the opinion of nationally recognized bond counsel addressed to the Issuer and the Trustee, materially impair the interests of the Bondowners or Beneficial Owners of the 2008 Bonds; and

(d) the Developer, or the Dissemination Agent, shall have delivered copies of the amendment and any opinions delivered under (b) and (c) above.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Developer shall describe such amendment in the next Annual Report or Semiannual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Developer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given to the Municipal Securities Rulemaking Board, the State Repository, if any, and the Repositories; and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. The comparison of financial data described in clause (ii) of the preceding sentence shall be provided at the time financial statements, if any, are filed under Section 4(a)(viii) hereof.

SECTION 9. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Developer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report, Semiannual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Developer choose to include any information in any Annual Report, Semiannual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Developer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report, Semiannual Report or notice of occurrence of a Listed Event.

The Developer acknowledge and understands that other state and federal laws, including but not limited to the Securities Act of 1933 and Rule 10b-5 promulgated under the Securities Exchange Act of 1934, may apply to the Developer, and that under some circumstances compliance with this Disclosure Agreement, without additional disclosures or other action, may not fully discharge all duties and obligations of the Developer under such laws.

SECTION 10. Default. In the event of a failure of the Developer to comply with any provision of this Disclosure Agreement, any Participating Underwriters or any Bondowner or Beneficial Owner of the 2008 Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Developer or the Dissemination Agent to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Bond Indenture, and the sole remedy under this Disclosure Agreement in the event of any failure of the Developer to comply with this Disclosure Agreement shall be an action to compel performance. Neither the Dissemination Agent nor the Developer shall have any liability to the Bondowners or any other party for any monetary damages or financial liability of any kind arising from or relating to this Disclosure Agreement.

SECTION 11. Duties, Immunities and Liabilities of Dissemination Agent. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement and the Developer agree to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which they may incur arising out of or in the exercise or performance of theirs powers and duties hereunder, including the costs and expenses (including attorneys fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The Dissemination Agent shall not be deemed to be acting in any fiduciary capacity for the Developer, the Participating Underwriters, Bondowners or Beneficial Owners or any other party. The Dissemination Agent may rely and shall be protected in acting or refraining from acting upon a direction from the Developer or an opinion of nationally recognized bond counsel. The obligations of the Developer under this Section shall survive resignation or removal of the Dissemination Agent and payment of the 2008 Bonds. No person shall have any right to commence any action against the Dissemination Agent seeking any remedy other than to compel specific performance of this Disclosure Agreement.

The Dissemination Agent will not, without the Developer's prior written consent, settle, compromise or consent to the entry of any judgment in any pending or threatened claim, action or proceeding in respect of which indemnification may be sought hereunder unless such settlement, compromise or consent includes an unconditional release of the Developer and its controlling persons from all liability arising out of such claim, action or proceedings. If a claim, action or proceeding is settled with the consent of the Developer or if there is a final judgment (other than a stipulated final judgment without the approval of the Developer) for the plaintiff in any such claim, action or proceeding, with or without the consent of the Developer, the Developer agree to indemnify and hold harmless the Dissemination Agent to the extent described herein.

SECTION 12. Reporting Obligation of Developer's Transferees. The Developer shall, in connection with any sale or transfer of ownership of land within the District to a person or entity other than an Affiliate which will result in the transferee (which term shall include any successors and assigns of the Developer) becoming responsible (i) for the payment of more than 20 percent of the Special Taxes levied on property within the District in the Fiscal Year following such transfer and (ii) for the construction and/or installation of some or all of the Landowner Improvements or the District Improvements, cause such transferee to enter into a disclosure agreement with terms substantially similar to the terms of this Disclosure Agreement, whereby such transferee agrees to be bound by the obligations of the Developer under this Disclosure Agreement as an additional obligated party, after which the Developer's obligations under this Disclosure Agreement assumed by such transferee shall terminate. Additionally, the Developer shall, in connection with any sale or transfer of ownership of land within the District to a person or entity other than an Affiliate which will result in the transferee becoming responsible for the payment of 20 percent or more of the Special Taxes levied on property within the District in the Fiscal Year following such transfer, but where the transferee is not responsible for the construction or installation of some or all of the Landowner Improvements or the District Improvements, cause such transferee to enter into a disclosure agreement with terms substantially similar to the terms of this Disclosure Agreement, whereby such transferee agrees to provide its audited financial statements, if any, and, as to the property owned by it, the information of the type described in Section 4(a)(ii), (iii), (vi) (vii) and (viii) and Section 5 of this Disclosure Agreement; provided that such transferee's obligations under such disclosure agreement shall terminate upon the land owned by the transferee becoming responsible for the payment of less than 20 percent of the annual Special Taxes.

SECTION 13. Developer as Independent Contractor. In performing under this Disclosure Agreement, it is understood that the Developer is not an agent of the District.

SECTION 14. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the Developer, the District, the Dissemination Agent, the Participating Underwriters and Bondowners and Beneficial Owners from time to time of the 2008 Bonds, and shall create no rights in any other person or entity.

### FORM OF OPINION OF BOND COUNSEL

[Closing Date]

Community Facilities District No. 3 (Liberty Station)  
San Diego, California

Re: \$3,950,000 Community Facilities District No. 3 (Liberty Station) Special Tax Bonds  
Series A of 2008

Ladies and Gentlemen:

We have examined the Constitution and the laws of the State of California, a certified record of the proceedings of the City of San Diego taken in connection with the formation of Community Facilities District No. 3 (Liberty Station) (the "District") and the authorization and issuance of the District's Special Tax Bonds Series A of 2008 in the aggregate principal amount of \$3,950,000 (the "2008 Bonds") and such other information and documents as we consider necessary to render this opinion. In rendering this opinion, we have relied upon certain representations of fact and certifications made by the District, the initial purchasers of the 2008 Bonds and others. We have not undertaken to verify through independent investigation the accuracy of the representations and certifications relied upon by us.

The 2008 Bonds have been issued pursuant to the Mello-Roos Community Facilities Act of 1982, as amended (comprising Chapter 2.5 of Part 1 of Division 2 of Title 5 of the Government Code of the State of California), and a Bond Indenture, dated as of June 1, 2006, by and between the Issuer and Wells Fargo Bank, National Association, as trustee (the "Trustee"), as amended and supplemented by a First Supplemental Bond Indenture, dated as of April 1, 2008 (as amended, the "Bond Indenture"). All capitalized terms not defined herein shall have the meaning set forth in the Bond Indenture.

The 2008 Bonds are dated their date of delivery and mature on the dates and in the amounts set forth in the Bond Indenture. The 2008 Bonds bear interest payable semiannually on each March 1 and September 1, commencing on September 1, 2008, at the rates per annum set forth in the Bond Indenture. The 2008 Bonds are registered 2008 Bonds in the form set forth in the Bond Indenture, redeemable in the amounts, at the times and in the manner provided for in the Bond Indenture.

Based upon our examination of the foregoing, and in reliance thereon and on all matters of fact as we deem relevant under the circumstances, and upon consideration of applicable laws, we are of the opinion that:

(1) The 2008 Bonds have been duly and validly authorized by the District and are legal, valid and binding limited obligations of the District, enforceable in accordance with their terms and the terms of the Bond Indenture, except as the same may be limited by bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and other similar laws affecting creditors' rights generally, or by the exercise of judicial discretion in accordance with general principles of equity or otherwise in appropriate cases, or by the limitations on legal remedies against public agencies in the State of California. The 2008 Bonds are limited obligations of the District but are not a debt of the City of San Diego, the State of California or any other political subdivision thereof within the meaning of any constitutional or statutory limitation, and, except for the Special Taxes, neither the faith and credit nor the taxing power of the City of San Diego, the State of California, or any of its political subdivisions is pledged for the payment thereof.

(2) The execution and delivery of the Bond Indenture has been duly authorized by the District, and the Bond Indenture is valid and binding upon the District and is enforceable in accordance with its terms, except to the extent that enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and other similar laws affecting creditors' rights generally, and by the exercise of judicial discretion in accordance with general principles of equity or otherwise in appropriate cases, and by the limitations on legal remedies against public agencies in the State of California; provided, however, we express no opinion as to the enforceability of the covenant of the District contained in the Bond Indenture to levy Special Taxes for the payment of Administrative Expenses or as to any indemnification, contribution, choice of law, choice of forum, penalty or waiver provisions contained therein.

(3) The Bond Indenture creates a valid pledge of that which the Bond Indenture purports to pledge, subject to the provisions of the Bond Indenture, except to the extent that enforceability of the Bond Indenture may be limited by bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and other similar laws affecting creditors' rights generally, or by the exercise of judicial discretion in accordance with general principles of equity or otherwise in appropriate cases, or by the limitations on legal remedies against public agencies in the State of California.

(4) Under existing statutes, regulations, rulings and judicial decisions, interest (and original issue discount) on the 2008 Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of calculating the federal alternative minimum tax imposed on individuals and corporations; however, it should be noted that, with respect to corporations, such interest (and original issue discount) will be included as an adjustment in the calculation of alternative minimum taxable income, which may affect the alternative minimum tax liability of corporations.

(5) Interest (and original issue discount) on the 2008 Bonds is exempt from State of California personal income tax.

(6) The difference between the issue price of a 2008 Bond (the first price at which a substantial amount of the 2008 Bonds of a maturity are to be sold to the public) and the stated redemption price at maturity with respect to such 2008 Bond constitutes original issue discount. Original issue discount accrues under a constant yield method, and original issue discount will accrue to an Owner of the 2008 Bonds before receipt of cash attributable to such excludable income. The amount of original issue discount deemed received by an Owner of the 2008 Bonds will increase such owner's basis in the applicable 2008 Bond. Original issue discount that accrues for the Owner of the 2008 Bonds is excluded from the gross income of such owner for federal income tax purposes, is not an item of tax preference for purposes of calculating the federal alternative minimum tax imposed on individuals or corporations (as described in paragraph 4 above) and is exempt from State of California personal income tax.

(7) The amount by which an owner's original basis for determining loss on sale or exchange in the applicable 2008 Bond (generally the purchase price) exceeds the amount payable on maturity (or on an earlier call date) constitutes amortizable 2008 Bond premium which must be amortized under Section 171 of the Code; such amortizable 2008 Bond premium reduces the owner's basis in the applicable 2008 Bond (and the amount of tax-exempt interest received), and is not deductible for federal income tax purposes. The basis reduction as a result of the amortization of 2008 Bond premium may result in an Owner of the 2008 Bonds realizing a taxable gain when a 2008 Bond is sold by the owner for an amount equal to or less (under certain circumstances) than the original cost of the 2008 Bond to the owner.

The opinions expressed in paragraphs (4) and (6) above as to the exclusion from gross income for federal income tax purposes of interest (and original issue discount) on the 2008 Bonds is subject to the condition that the District complies with all requirements of the Internal Revenue Code of 1986, as amended (the "Code"), that must be satisfied subsequent to the issuance of the 2008 Bonds to assure that such interest (and original issue discount) will not become includable in gross income for federal income tax purposes. Failure to comply with such requirements of the Code might cause interest (and original issue discount) on the

2008 Bonds to be included in gross income for federal income tax purposes retroactive to the date of issuance of the 2008 Bonds. The District has covenanted to comply with all such requirements. Except as set forth in paragraphs (4), (5), (6) and (7) above, we express no opinion as to any tax consequences related to the 2008 Bonds.

Certain requirements and procedures contained or referred to in the Bond Indenture may be changed, and certain actions may be taken, under the circumstances and subject to the terms and conditions set forth in the Bond Indenture, upon the advice or with the approving opinion of counsel nationally recognized in the area of tax-exempt obligations. We express no opinion as to the effect on exclusion of interest on the 2008 Bonds from gross income for federal income tax purposes on and after the date on which any such change occurs or action is taken upon the advice or approval of counsel other than Stradling Yocca Carlson & Rauth, a Professional Corporation.

We are admitted to the practice of law only in the State of California and our opinion is limited to matters governed by the laws of the State of California and federal law. We assume no responsibility with respect to the applicability or the effect of the laws of any other jurisdiction and express no opinion as to the enforceability of the choice of law provisions contained in the Bond Indenture.

The opinions expressed herein are based upon an analysis of existing statutes, regulations, rulings and judicial decisions and cover certain matters not directly addressed by such authorities. We call attention to the fact that the foregoing opinions may be affected by actions taken (or not taken) or events occurring (or not occurring) after the date hereof. We have not undertaken to determine, or to inform any person, whether such actions or events are taken (or not taken) or do occur (or do not occur).

We express no opinion herein as to the accuracy, completeness or sufficiency of the Official Statement or other offering material relating to the 2008 Bonds and expressly disclaim any duty to advise the owners of the 2008 Bonds with respect to the matters contained in the Official Statement.

Respectfully submitted,

## APPENDIX G

### BOOK ENTRY ONLY SYSTEM

*The information in this section concerning DTC and DTC's book-entry only system has been obtained from sources that the District believes to be reliable, but the District takes no responsibility for the completeness or accuracy thereof. The following description of the procedures and record keeping with respect to beneficial ownership interests in the 2008 Bonds, payment of principal, premium, if any, accreted value and interest on the 2008 Bonds to DTC Participants or Beneficial Owners, confirmation and transfers of beneficial ownership interests in the 2008 Bonds and other related transactions by and between DTC, the DTC Participants and the Beneficial Owners is based solely on information provided by DTC.*

The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the 2008 Bonds (the "2008 Bonds"). The 2008 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered 2008 Bond certificate will be issued for each maturity of the 2008 Bonds, in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 2.2 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Fixed Income Clearing Corporation and Emerging Markets Clearing Corporation (NSCC, FICC, and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com) and [www.dtc.org](http://www.dtc.org).

Purchases of 2008 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the 2008 Bonds on DTC's records. The ownership interest of each actual purchaser of each 2008 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the 2008 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in 2008 Bonds, except in the event that use of the book-entry system for the 2008 Bonds is discontinued.

To facilitate subsequent transfers, all 2008 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of 2008 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the 2008 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such 2008 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of 2008 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the 2008 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the 2008 Bond documents. For example, Beneficial Owners of 2008 Bonds may wish to ascertain that the nominee holding the 2008 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the 2008 Bonds within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to 2008 Bonds unless authorized by a Direct Participant in accordance with DTC's procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts 2008 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, redemption price and interest payments on the 2008 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, redemption price and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the 2008 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, 2008 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, 2008 Bond certificates will be printed and delivered.

## INTRODUCTION

The purpose of this report is to discuss the recent housing price trends/patterns as well as the mortgage loan characteristics of the parcels owned by the homeowners in Community Facilities District No. 3 (Liberty Station); additionally, the mortgage loan characteristics are related to the timeliness of the special tax payments for these parcels.

This report is intended to provide prospective bond purchasers with information relevant in their consideration of whether to invest in the bonds; however, this report should not be construed as a recommendation to invest in, or make a purchase of the Bonds.

**This report does not intend to arrive at any predictions of future special tax delinquencies for homeowners in CFD No. 3.**

During Summer-2004 through Summer-2007 there was a fundamental shift in the driving force underlying housing price appreciation, from the historical role of employment growth to adjustable rate and creative financing structures. During this time period, these financing structures and related financing factors were the primary driving forces underlying the extraordinary rate of housing price appreciation for Southern California, by approximately 50% and also for San Diego County, by approximately 48%.

Recently, there has been a considerable amount of discussion regarding the softening of the residential real estate market, as a whole, and how this may impact special tax delinquencies, in particular. Furthermore, recent purchasers of new homes in newly developing communities may be at a higher risk of having mortgage loan delinquencies as well as tax delinquencies due to the following factors:

- Recent purchasers of homes pay current market prices, and so they typically have not accumulated much equity.
- Recent purchasers of homes often utilize adjustable loan structures (which include, in some cases, aggressive, creative mortgage loan structures)/
- Many of the recent purchasers of new homes in a specific project have similar mortgage structures, since most of them used the builder's preferred lender.

So, for recent purchasers of homes in newly developing communities, there is a concentration of risk as compared to the broader housing market which has homeowners who are much more diverse, with regards to the time of purchase and hence amount of equity as well as various types of mortgage structures and geographical locations.

Although residential projects that have their homes built and occupied by homeowners are typically viewed as providing bondholders with strong credits, some of the homeowners, due to their adjustable loan structures (which include, in some cases, aggressive, creative mortgage loan structures), may face challenges in making their mortgage and tax payments on a timely basis.

### Site Visit of CFD No. 3 – Liberty Station

Based upon a visit to the project site on December 19, 2007, Empire observed that the homes appeared to be constructed in a high quality fashion and they are well maintained by the homeowners; additionally, casual observations revealed that only a few of the homes had for-sale signs.

## **PART I: RECENT HOUSING PRICE TRENDS/PATTERNS**

### **OVERVIEW / EXECUTIVE SUMMARY**

The purpose of this section is to perform an analysis of the recent housing price trends/patterns for San Diego County and also the homes in CFD No. 3 and, additionally, to “test” the Assessed Values for the homes in CFD No. 3 that have recently sold during 2007, using recent sales prices; accordingly, the primary results are as follows:

#### **San Diego County Housing Price Trends/Patterns**

- The analysis of the recent housing price trends/patterns for the San Diego County, as a whole, starts with an overview of the various price indices, and then selects the index which is regarded as having the highest degree of accuracy/reliability.
- With regards to the selection of a specific index, Empire regards the S&P/Case-Schiller Index as having the highest degree of accuracy-reliability, since it uses paired sales (the recent and prior sales prices of the same homes).
- During the 1998 to 2005 time period, housing prices in San Diego County increased significantly, but then, due to the softness in the real estate market, prices stabilized in 2006 and then declined in 2007.
- Further analysis of prices on a monthly basis reveals that there have been substantial price declines during October and November 2007, some -11.1% to -13.4%, as compared to October and November 2006, respectively.

#### **Price Trends/Patterns for Homes in CFD No. 3**

- The purpose of this analysis is to gauge the trends for the changes in housing prices for the homes in CFD No. 3, in particular.
- The housing sales were partitioned into two groups, in order to remove price aberrations that may occur as a result of difference in product types, attached and detached.
- Based upon an analysis of the sales dates and value ratios for the 94 attached homes in CFD No. 3, the trend line reflects the following: prices increased from October 2003 to February 2007, reached a peak level in February-March 2007, and since then decreased slightly.
- Based upon an analysis of the sales dates and value ratios for the 238 detached homes in CFD No. 3, the trend line reflects the following: prices increase from May 2003 to June 2006, prices reached a peak level in June 2006, and then prices decreased significantly thereafter.

#### **CFD Recent Resales: Assessed Values vs. Recent Sales Prices:**

The purpose of this section is to “test” the Assessed Values (AVs) for the homes in CFD No. 3 that have been resold during 2007.

Empire identified 19 homes that sold in CFD No. 3 during January – December 2007; their Recent Sales Prices during 2007 and their Assessed Values (AVs) as of January 1, 2007 are as follows:

- The Recent Sales Prices are higher than their AVs as of January 1, 2007 by some \$151,951, or +20.1%, on the average.
- Further detailed analysis of the 19 recent home sales revealed that 18 of them had Recent Sales Prices that were higher than their AV as of January 1, 2007. However, for 1 sale, the Recent Sales Price was lower than its AV as of January 1, 2007 by some -\$35,523, or -4.3%.

## SECTION I

### SAN DIEGO COUNTY PRICE TRENDS/PATTERNS

The analysis of the recent housing price trends/patterns for the San Diego County, as a whole, starts with an overview of the various price indices, and then selects the index which is regarded as having the highest degree of accuracy/reliability. Next, the recent changes in housing prices are analyzed on an annual basis during 1988-2007 as well as on monthly basis for 2006-2007.

#### Description of the Four Major Price Indices and Selection of an Index

Based upon extensive research on various measures of housing prices, Empire has identified four major housing price indices; accordingly, their characteristics are set-forth in the following table:

|                                  | S&P/Case-Schiller                        | DataQuick                                     | Office of Federal Housing<br>Enterprise Oversight (OFHEO) | Board of Realtors        |
|----------------------------------|--|---|---|--------------------------|
| <b>Entity</b>                    | Private Company                          | Private Company                               | Federal Government Agency                                 | Private Company          |

With regards to the selection of a specific index, Empire regards the S&P/Case-Schiller Index as having the highest degree of accuracy-reliability, due to the following:

- This index uses paired sales and so the index accurately reflects changes in housing prices by using repeat sales of the same homes at different times, thereby controlling for their specific characteristics.

Paired Sale: The most recent sales price of a home, as compared to the prior sales price of the same home.

- By comparison, most other indices use the median price for homes that sell in a specific time period, and so part of the changes in housing prices may be due to differences in the characteristics of the homes in different time periods – product types, lot sizes, sizes of living areas, etc.

Finally, it is worthwhile to note that the S&P/Case-Schiller Index, in the context of the current housing market downturn, probably represents a somewhat conservative estimate of actual housing price declines. This is because the index does not include new housing sales, and these have recently been subject to sharper price declines than existing homes, as builders have liquidated their levels of standing inventory.

### Recent Changes in Housing Prices - Annually: Case-Schiller Index

The recent changes in housing prices during the 1988-2007 time period, according to the Case Schiller Index, are shown on the following graph:

Note: Data for 2007 include information through November 2007; December 2007 has not yet been reported.

- During the 1998 to 2005 time period, when the housing market was robust, housing prices in San Diego County increased by a total of 228%, more than tripling, for a compounded rate of growth of some 14.7% per year, on the average, during these eight years.
- In 2006, housing prices stabilized, with an increase of only 1.2% from their 2005 levels.
- For 2007, based upon data through November 2007, housing prices decreased by approximately -7.8% from their 2006 levels.

Finally, it is worthwhile to note that according to the DataQuick Index, which already reported prices for December 2007, prices declined by more in December 2007 than in November 2007.

### Recent Changes in Housing Prices - Monthly: Case-Schiller Index

The above analysis of changes in housing price on a yearly basis represents changes for the current year as compared to the prior year, for all of the months in each year, on the average. However, due to the dramatic shifts that have recently occurred in the housing market, the changes in prices on a monthly basis may provide further insight on emerging trends. Accordingly, the changes in housing prices on a monthly basis during the 2006-2007 time period, according to the Case Schiller Index, are shown on the following graph:

Note: Monthly changes reflect price changes over the past 12 months, using the current month vs. the same month of the prior year.

During the January 2006 to November 2007 time period, the rates of changes in housing prices exhibited a generally declining trend, with the rate of decrease accelerating in recent months:

- Price rose by 5.9% in January 2006, as compared to their level in January 2005.
- Prices were virtually stable in July 2006, an increase of only 0.7%, as compared to July 2005.
- Prices fell by -13.4% in November 2007, as compared to November 2006.

So, the analysis of prices on a monthly basis reveals that there have been substantial price declines during October and November 2007, some -11.1% to -13.4%, as compared to October and November 2006, respectively.

## SECTION II

### PRICE TRENDS/PATTERNS FOR HOMES IN CFD NO. 3

The analysis of the recent housing price trends/patterns for homes in CFD No. 3 starts with a discussion of the methodology, and then provides statistics on the recent housing price trends/patterns first for “smaller” sized homes and then for “larger” sized homes.

#### Methodology Underlying the Formulation of a Price Index

For all of the home sales that have occurred in CFD No. 3, including the original sales as well as the resales, information was compiled on the following:

- Sales Date
- Sales Price
- Size of Living Area
- Product Types: Attached vs. Detached

After making some adjustments for sales that did not have complete information, the number of sales amounted to 332; of these, 239 were original sales and the other 93 were resales.

Next, the sales were partitioned into two groups, in order to remove price aberrations that may occur as a result of difference in product types, and these are as follows:

- Attached Products; those that have relatively smaller living areas: 1,086 to 1,593 sq.ft.; 94 sales
- Detached Products: those that have relatively larger living areas: 1,931 to 3,189 sq.ft.; 238 sales

Finally, to reduce price differences as a result of variations in the sizes of living areas, the value ratios for all of the homes were calculated, using the following formula:

$$\text{Value Ratio} = \text{Sales Price} / \text{Living Area}$$

The following analysis uses a trend line for gauging changes in housing prices, based upon their value ratios (prices divided by sizes of living areas) as well as their times of sale. However, actual sales prices also depend upon numerous other factors such as the specific location of a home, interior improvements and landscaping enhancements, among many others. Empire does not have sufficient information to incorporate these other factors into its analysis, since such information is not readily available from public records.

**Accordingly, the trend line represents changes for prices for homes, on a generalized basis, and, as such should not be used to measure price changes for specific homes, in particular.**

### Price Trends for Attached Homes

Based upon an analysis of the sales dates and value ratios for the 94 attached homes in CFD No. 3, the trend line reflects the following:

- Prices increased from October 2003 to February 2007, with value ratios rising from some \$305 to some \$486.
- Prices reached a peak level in February-March 2007, with value ratios at some \$486.
- Since February-March 2007, prices have decreased slightly, with value ratios declining from \$486 to \$470.

### Price Trends for Detached Homes

Based upon an analysis of the sales dates and value ratios for the 238 detached homes in CFD No. 3, the trend line reflects the following:

- Prices increased from May 2003 to June 2006, with value ratios rising from some \$305 to some \$430.
- Prices reached a peak level in June 2006, with value ratios of some \$430.
- Since June 2006, prices have decreased significantly, with value ratios declining from \$430 to \$370.

## SECTION III

### CFD RECENT RESALES: ASSESSED VALUES VS. RECENT SALES PRICES

The CFD No. 3 Bond Offering uses Assessed Values as of January 1, 2007 as a representation of the value of the parcels within the CFD.

The various homes in the CFD were originally sold primarily during the 2003-2005 time period. During the 2003 through Summer 2006 time period, San Diego County, as a whole, has experienced some significant increases in housing prices. However, since Summer 2006, and continuing through November 2007, housing prices have declined somewhat from their recent peak levels.

Accordingly, the purpose of this section is to “test” the Assessed Values for the homes in CFD No. 3 that have been resold during 2007. Specifically, for each of the homes that have been resold, information is available on the following:

- Recent Actual Sales Prices, for homes sold during January 1, 2007 through December 31, 2007
- Assessed Values (AVs) as of January 1, 2007, for these same homes

Thus, a comparison of the Recent Sales Price and the Assessed Value for a home reveals whether the former is higher, similar or lower than the latter.

- If the Recent Sales Price is higher than the Current AV as of January 1, 2007, then the revised AV as of January 1, 2008 is likely to be higher than the Current AV. This is because the Assessor’s Office, in setting the new AV as of January 1, 2008, will consider the recent, higher sales price.
- However, if the Recent Sales Price is lower than the Current AV as of January 1, 2007, then the revised AV as of January 1, 2008 is likely to be lower than the Current AV. This is because the Assessors Office, in setting the new AV as of January 1, 2008, will consider the recent, lower sales price.

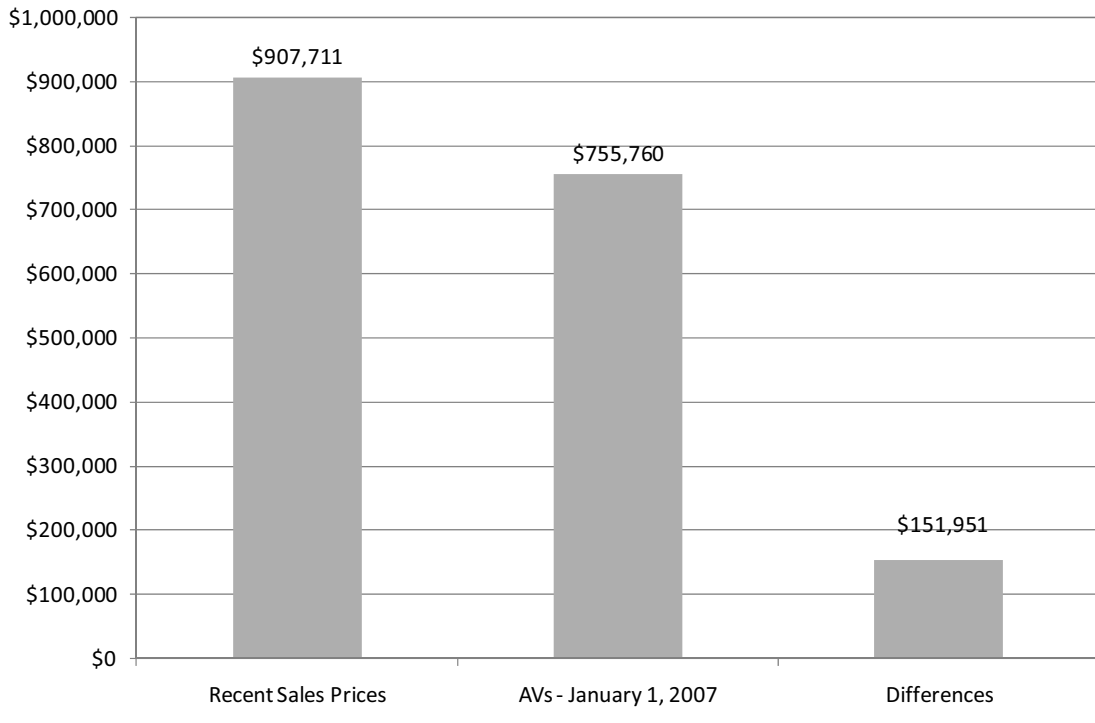

(Note: Some purchasers of homes qualify for reduced AVs due to their ability to transfer the AV from their prior residences; the analysis herein identified two such situations where the original AVs were significantly lower than the original purchase prices, and so these were excluded in the analysis.)

Accordingly, Empire identified 19 homes that sold in CFD No. 3 during January – December 2007; their Recent Sales Prices during 2007 and their Assessed Values as of January 1, 2007 are as follows:

- The Recent Sales Prices of the homes amounted to \$907,711, on the average, and they had a range of \$527,500 to \$1,430,000.
- The Assessed Values as of January 1, 2007 of the homes amounted to \$755,760, on the average, and they had a range of \$381,662 to \$1,074,544.
- So, the Recent Sales Prices are higher than their AVs as of January 1, 2007 by some \$151,951, or +20.1%, on the average.
- Further detailed analysis of the 19 recent home sales revealed that 18 of them had Recent Sales Prices that were higher their AV as of January 1, 2007. However, for 1 sale, the Recent Sales Price was lower than its AV as of January 1, 2007 by some -\$35,523, or -4.3%. Finally, it is of interest to note that this home was the last sale that occurred in 2007, on November 30, 2007.

**The result of Recent Sales Prices being higher than the AV as of January 1, 2007 by +20.1% should NOT be extrapolated to the AV of the remaining homes in CFD No. 3, since the specific characteristics of the homes sold during 2007 probably differs from those that did not sell – such as date of original sales, etc.**

## PART II: MORTGAGE LOAN CHARACTERISTICS OF HOMEOWNERS

### OVERVIEW / EXECUTIVE SUMMARY

The study focuses on two specific characteristics of the mortgage loans in CFD No. 3: first, a comparison of the mortgage loan to sales price ratios (ML-SP) and, secondly, the percentage of adjustable rate loans.

- Section I below provides this information for all of the current homeowners for which such information is available.
- Section II provides this information for parcels that have been delinquent in the payment of their taxes and also for those parcels that have not been delinquent.

As revealed by an analysis of the comparative categories of ML-SP, those parcels with higher ML-SP tended to have a higher rate of delinquency; furthermore, such parcels also had a higher percentage of adjustable rate loans as well.

So, the proportion of homeowners that have been delinquent in the payment of their special taxes represents some 16.7% of all of the homeowners.

- For the highest ML-SP category, 31.8% of these homeowners have been delinquent, approximately double the overall average.
- By comparison, for the lowest ML-SP category, only 10.2% of those homeowners have been delinquent.

Thus, the incidence of special tax delinquencies is approximately three times higher for the 100% category as compared to the below 80% category.

## Description of Data Sources for Mortgage Loans and Special Tax Payments

The credibility of the statistical analysis on the mortgage loan characteristics and tax delinquencies depends upon the accuracy/reliability of the data utilized.

### **Sources of Data**

Accordingly, Empire Economics (Empire) compiled data on mortgage loan characteristics and tax delinquencies from a broad set of sources, in order to maximize the accuracy/reliability of the data, and these included the following;

- McMillin Companies, the builder of the project, provided information on the original sales of the homes, specifically for those purchasers that had mortgage loans with their preferred lender; of the 349 homes, 195 used their preferred lender. The data provided included the sales dates and the sales prices as well as the mortgage loan characteristics, such as the amount of the loan and the type of the mortgage structure, fixed or adjustable.  
195 homes with 6 types of data
- First American Core Logic, a major provider of real estate data that Empire has utilized for more than ten years, was used to compile information on the mortgage loan characteristics for the homeowners, including original sales as well as resales. The data provided included the sales dates and the sales prices as well as the mortgage loan characteristics such as the amount of the loan and the type of the mortgage structure, fixed or adjustable, among other factors such as the sizes of the homes, etc.  
349 homes with 36 types of data
- Real Quest, another major provider of real estate data that Empire has utilized for more than ten years, was also utilized to compile information on the mortgage loan characteristics for the homeowners, including original sales as well as resales. Although the types of data were similar to First American, Empire was able to cross-check the data, and further refine the accuracy/reliability.  
349 homes with 35 types of data
- Special Tax Administrator provided information on the features of the homes, such as the sizes of living area, and also the homes that have had Special Tax delinquencies.  
349 homes with 5 types of data
- The City of San Diego provided information on the special tax delinquencies that occurred during the 2003-2004 FY through 2006-2007 FY, for both the first and the second installments as well as for the 2007-2008 FY, the first installment; this information was provided to the City of San Diego by the San Diego County Assessor's Office.

Considering the number of homes in CFD No. 3 along with the number of variables for which information was compiled on each of them, the database contained approximately 26,000 data cells.

The data were compiled from the various sources during the mid to latter part of December 2007.

## **Consolidation of Databases**

Empire has spent significant time consolidating these databases, in order to arrive at the most accurate/reliable data set for the mortgage/tax analysis, and this included the following procedures:

- The database from the Special Tax Administrator included, for each of the homes, their Assessor Parcel Numbers, or APNs.
  - These APNs were used to link the other databases which also had APNs, and this included First American Core Logic and Real Quest.
  - However, for the McMillin database, APNs were not provided, and so, alternatively, street addresses and unit numbers were utilized for the linkages – a time consuming task since many homes had a similar street address which required the use of the unit number.
- After linking the various databases, the next step was to cross-check data and also maximize the amount of data:
  - The cross-checking involved comparing the data among the various databases for consistency, such as sales prices, sales dates, mortgage amounts and so forth.
  - The maximizing process involved selecting data from the various databases to compile the most comprehensive data set.
    - For instance, the McMillin database, which covered 195 of the 349 homes, provided mortgage rate information on most of these whereas the other databases were missing some mortgage data, and so the McMillin data was used to fill in some of these gaps.
    - On the other hand, the First American and Real Quest databases had information on homes that had resales, whereas McMillin had only original sales, and so the former were used to fill in such gaps.

So, the result of this process was the formulation of a database that is comprehensive as well as accurate/reliable and, as such, provides a substantive foundation of the mortgage/tax analysis.

Further information on the various databases, including full details on all on the parcels, are included in Appendix I and also Appendix II, filed under separate cover with the City of San Diego.

**SECTION I:**  
**MORTGAGE LOAN CHARACTERISTICS FOR**  
**ALL CURRENT HOMEOWNERS**

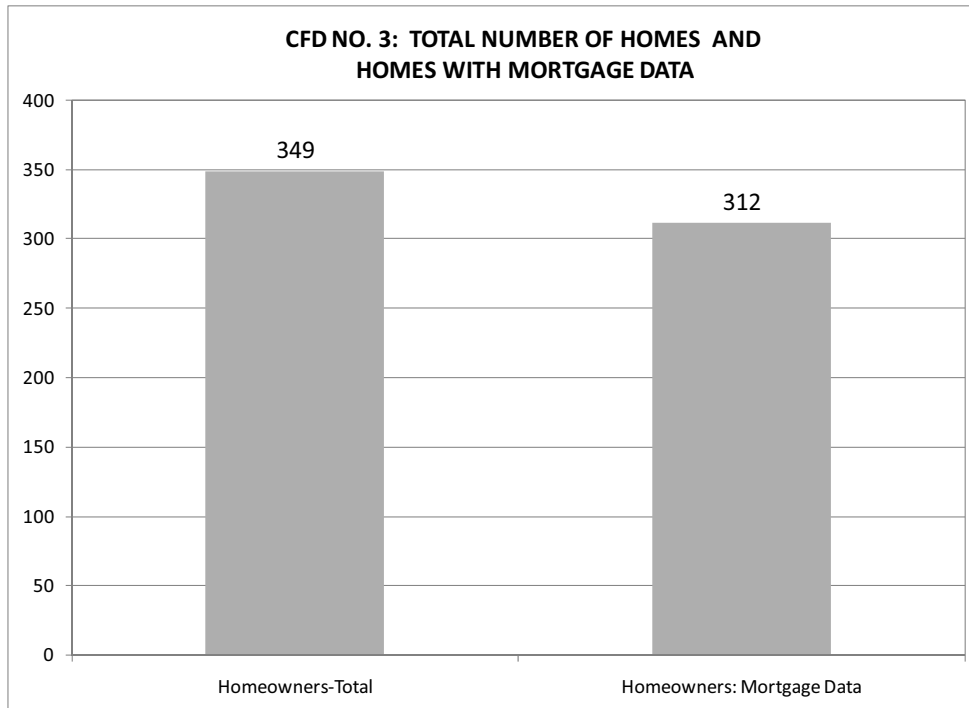

This section performs an analysis of the mortgage loan characteristics of the all of the current homeowners in CFD No. 3, using the most recent sales prices as well as the most recent mortgage loan characteristics. Consequently, for homes that have been resold, the following analysis uses the resale prices as well as the most recent mortgage loan characteristics.

**Number of Homes with Sufficient Data for Analysis**

CFD No. 3 has a total of 349 housing units, and all of these have been constructed and sold to homeowners.

With regards to selecting specific homes for the mortgage analysis, Empire’s primary criteria was whether there was sufficient information to calculate the Mortgage Loan to Sales Price Ratio (ML-SP), which requires the sales price of the home as well as the amount of the mortgage loan(s).

Based upon a review of the data available for each of the homes in the database, the number of homes that had sufficient information for calculating the ML-SP amounted to 312 of the homeowners, or 89% of all the homes in the CFD. From a statistical perspective, this is regarded as being an excellent sample for performing the mortgage loan analysis for the homeowners in CFD No. 3.

**For the remainder of this section, references to “all” homeowners refers to the 312 homeowners for which there are sufficient data to calculate their ML-SP.**

### Housing Prices and Mortgage Loan Amounts

As a starting point for the analysis, it is useful to provide an overview of the components underlying the calculation of the ML-SP, the sales prices of the homes and mortgage loan amounts.

- The sales prices for all of the homeowners, covering the entire 2002-2007 time period during which the homes were purchased, amounts to \$717,197, on the average.
- The mortgage loans for all of the homeowners, again covering the entire 2002-2007 time period during which the loans were originated, amounts to \$515,042, on the average.

### Mortgage Loan to Sales Price Ratios for Homeowners

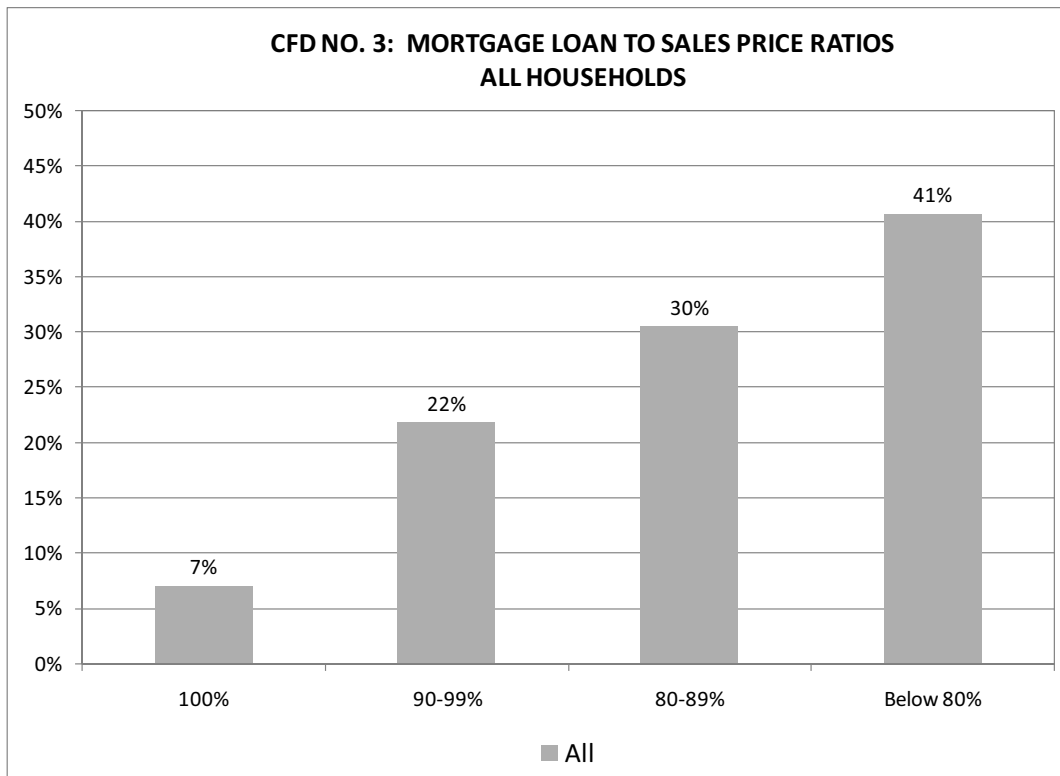

The Mortgage Loan to Sales Price Ratios (ML-SP) for the homeowners were calculated using the following formula:

$$\frac{\text{First and Second Loans}}{\text{Sales Price}}$$

(Note: The data compiled from the various sources reports only the first and second loans on a parcel, and so additional loans are not included in this analysis; however, in general, such additional loans are not common occurrences.)

Accordingly, for each of the ML-SP categories, the proportions of homeowners in the various categories are as follows:

- 100% ML-SP: 7% of all homeowners
- 90-99% ML-SP: 22% of all homeowners
- 80-89% ML-SP: 30% of all homeowners
- Below-80% ML-SP: 41% of all homeowners

### Types of Loans for Homeowners: Adjustable vs. Fixed

The following analysis computes the types of mortgage loans for the households that had mortgage loans; of the 312 households, there were 299 that had mortgage loans, and the remaining 13 were cash purchasers.

The types of mortgage loans that the homeowners utilize can generally be classified as either fixed (level payment and fully amortized) or adjustable (payments vary according to changes in interest rates and also types of mortgage loan structures). Accordingly, these were compiled for all of the current homeowners, and these reflect the mortgage loans that were in place at the time of the purchase of the homes.

Although it would be desirable to further classify the adjustable mortgage loans by various categories, such as sub-prime, teaser rates, and option ARMs, among others, the public records do not provide sufficient information to perform such classifications.

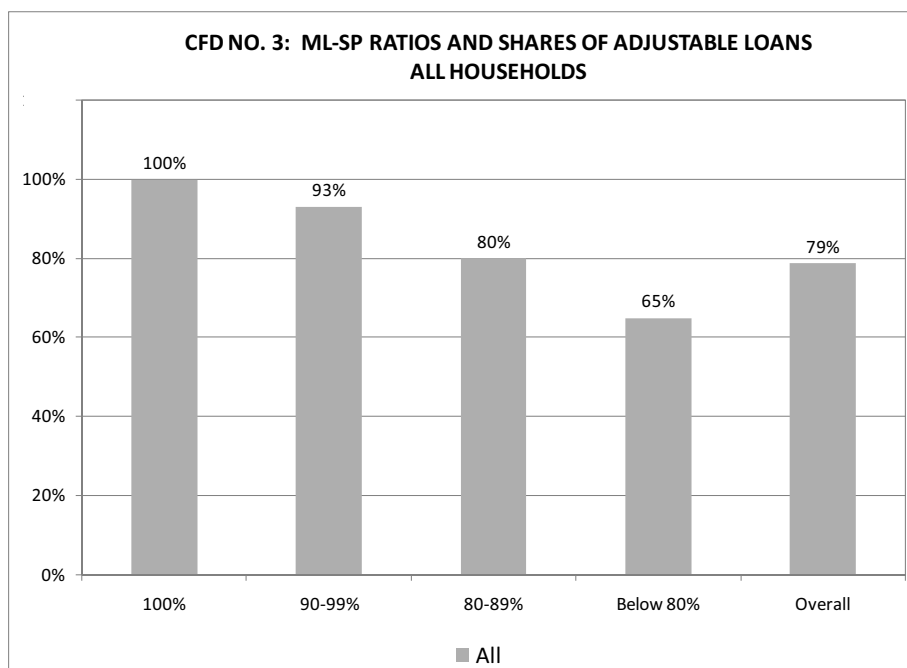

The share of adjustable rate loans amounted to 79% for all of the homeowners, and the distribution by the ML-SP categories is as follows:

100% ML-SP: 100% of all homeowners with adjustable rate loans.

90-99% ML-SP: 93% of all homeowners with adjustable rate loans.

80-89% ML-SP: 80% of all homeowners with adjustable rate loans.

Below-80% ML-SP: 65% of all homeowners with adjustable rate loans.

### Recent Trends in Interest Rates for Adjustable Rate Loans for New/Existing Homes

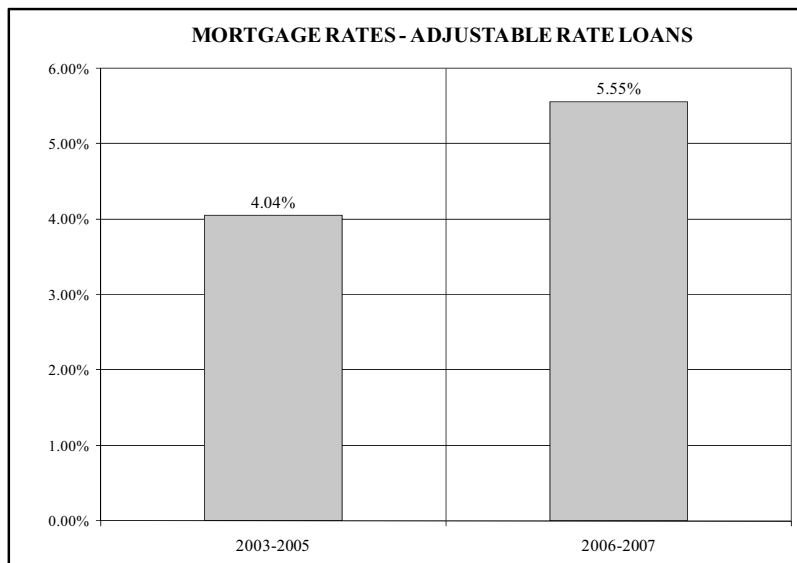

The above statistics reveal that homeowners that have relatively high ML-SP ratios also tend to have adjustable rate mortgages as well. Accordingly, the purpose of this section is to discuss the recent trends in interest rates for adjustable rate mortgages.

Before proceeding, it is significant to note that there are many types of adjustable rate mortgages, from those that may adjust on a monthly basis to others that adjust only after a designated number of years, such as 3, 5 or 10 years. So, the following analysis is not meant to imply that all of the homeowners that have adjustable rate mortgages have had certain changes in their levels of mortgage loan payments, but rather to provide an indication of the overall financial trends.

Additionally, adjustable loans may, over time, change to fixed rate loans, as the time period over which such loans are subject to rate adjustments switches to fixed rates; however, such data is not readily available from public records.

To compare changes in the interest rates on one-year adjustable mortgages, two time periods are selected; the rates on such mortgages were compiled from Freddie Mac, a major provider of statistics on mortgages loans.

- **Initial Purchase Interest Rates:** This represents the 2003-2005 time period, when most of the homes in CFD No. 3 were initially sold to homeowners: during this time, adjustable rates averaged approximately 4.04%.
- **Recent Interest Rates:** This represents the 2006 – 2007 time period, during which adjustable rates were relatively stable: during this time, adjustable rates averaged approximately 5.55%.

So, considering the increase in the adjustable rates by approximately 1.51% between these two time period, those homeowners whose rate adjusted, on the average, would have 19% higher monthly payments as compared to their monthly payment during the 2003-2005 time period. As mentioned above, homeowners may have their rates fixed for a number of years, and in such cases, the adjustments to current market rates would not yet have occurred.

## SECTION II:

### COMPARISON OF MORTGAGE LOAN CHARACTERISTICS: DELINQUENT VS. NON-DELINQUENT HOMEOWNERS

This section performs an analysis of the mortgage loan characteristics of the property owners by two categories: delinquent and non-delinquent, with regards to the payment of their Special Taxes; accordingly their characteristics are described below.

**Delinquent Homeowners:** This group represents homeowners that were reported to have been delinquent in the payment of their Special Taxes for any of the 2003-2004 through 2007-2008 fiscal years; such delinquencies include missing at least one tax payment, either the first and/or the second installment.

(Note: For the 2007/2008 FY, only the first installment was utilized, since the second installment is not yet due.)

**For the homeowners in this group, the information on their mortgage characteristics reflect the loan amounts, loan types and interest rates that existed at the time of the delinquency.** However, it is worthwhile to note that some of these properties were resold thereafter, and so their mortgage characteristics have changed, based upon the new homeowners.

The City of San Diego provided Empire with information that it obtained from the San Diego County Assessor Office, and this showed that as of January 4, 2008, there were six parcels that had outstanding delinquencies through the 2006/2007 FY (this excludes the first installment payment that were delinquent for the 2007/2008 FY.)

**Non-Delinquent Homeowners:** This group represents homeowners that were reported to have made all of their Special Tax payments for the 2003-2004 through 2007-2008 fiscal years in a timely manner.

Accordingly, the mortgage loan characteristics of the homeowners in these two groups are now discussed.

### Number of Homes with Sufficient Data for Analysis

CFD No. 3 has a total of 349 housing units, and all of these have been constructed and sold to homeowners.

With regards to selecting specific homes for the mortgage analysis, Empire's primary criteria was whether there was sufficient information to calculate the Mortgage Loan to Sales Price Ratio (ML-SP), which requires the sales price of the home as well as the amount of the mortgage loan(s).

Within CFD No. 3, there were 58 homeowners/residences that have had Special Tax delinquencies during the 2003-2004 FY through 2006-2007 FY, for both the first and the second installments as well as for the 2007-2008 FY, the first installment. Furthermore, of these, 52 homeowners, or 90%, had sufficient data to calculate the ML-SP, and so these are utilized herein.

So, for purposes of the following analysis, Empire calculates statistics for the following two groups:

Homeowners with no Tax Delinquencies; 260

Homeowners with Tax Delinquencies: 52

**For the remainder of this section, references to “non-delinquent” and “delinquent” homeowners refers to the 312 homeowners for which there are sufficient data to calculate their ML-SP.**

### Number of Homeowners with Tax Delinquencies

The following statistics represent only those homeowners for which there was sufficient data to calculate their ML-SP.

With regards to the 52 homeowners in the delinquent group, they have had 74 occurrences of not paying their Special Taxes in a timely manner during the 2003-2004 FY through 2006-2007 FY, for both the first and the second installments as well as for the 2007-2008 FY, the first installment. Specifically, a delinquency occurs if a homeowner misses either the first or second installment, and this applies to all of the fiscal years.

- There was an increasing trend for Special Tax delinquencies, with occurrences rising from 4 for 2003-2004 FY to 23 for the 2006-2007 FY; **additionally, during this time period, there was a significant increase in the number of homeowners as well.**
- For the current 2007-2008 FY, delinquencies amounted to approximately 15, and this is for the first installment only.

With regards to the number of Special Tax delinquencies, there were a total of 74 missed tax payments.

To estimate the aggregate number of payments that the homeowners have made, Empire considered the following factors:

- With regards to the potential number of special tax payments that could be made, this includes four complete fiscal years, with two payments per year, and, additionally, for the current fiscal year, 2007-2008, the first installment payment.
- Next, the mortgage analysis covers 312 of the 349 parcels, since there was not sufficient mortgage information available for the 37 remaining parcels.
- Finally, although parcels are levied as developed property once a building permit is issued, parcels are not ready for occupancy until the residences are constructed; Empire assumed that this process would take an additional twelve months.

Based upon a consideration of these factors, Empire has conservatively estimated that there were some 1,250 tax payments for occupied homeowners/parcels during the 2003-2004 FY to 2007-2008 FY (first installment).

### Housing Prices and Mortgage Loan Amounts

As a starting point for the analysis, it is useful to provide an overview of the components underlying the calculation of the ML-SP, the sales prices of the homes and mortgage loan amounts.

- The sales prices for the homeowners in the non-delinquent group amount to \$706,400 while prices for the homeowners in the delinquent group amount to \$721,509, on the average. So, sales prices for the homeowners in the delinquent group are similar for the non-delinquent group, a difference of approximately +2.14%.
- The mortgage loans for the homeowners in the non-delinquent group amount to \$497,644 while mortgage loans for the homeowners in the delinquent group amount to \$602,205. So, mortgage loans for the homeowners in the delinquent group are significantly higher than for the homeowners in the non-delinquent group, by approximately +21.0%.

Although the sales prices were generally similar for the delinquent and non-delinquent homeowners, their mortgage amounts were substantially different, with the delinquent group being significantly higher.

### Mortgage Loan to Sales Price Ratios for Homeowners

The Mortgage Loan to Sales Price Ratios (ML-SP) for the homeowners were calculated using the following formula:

First and Second Mortgage Loans

-----  
Sales Price

(Note: The data compiled from the various sources reports only the first and second loans on a parcel, and so additional loans are not included in this analysis; however, in general, such additional loans are not common occurrences.)

Accordingly, for each of the ML-SP categories, the proportions of homeowners in the various categories are as follows:

- 100% ML-SP:       6% of non-delinquent homeowners  
                          13% of the delinquent homeowners
  
- 90-99% ML-SP:    20% of non-delinquent homeowners  
                          27% of the delinquent homeowners
  
- 80-89% ML-SP:    30% of non-delinquent homeowners  
                          35% of the delinquent homeowners
  
- Below-80% ML-SP: 44% of non-delinquent homeowners  
                          25% of the delinquent homeowners

So, for the homeowners that have been delinquent, they have a significantly higher proportion of ML-SP in the higher groups (100% and 90%-99%), as compared to the non-delinquent homeowners: 40% vs. 26%. On the other hand, for the homeowners that have not been delinquent, they have a much higher proportion in the lower ML-SP groups (80%-89% and Below-80%) as compared to the delinquent homeowners: 74% vs. 60%.

### Types of Loans for Homeowners: Adjustable vs. Fixed

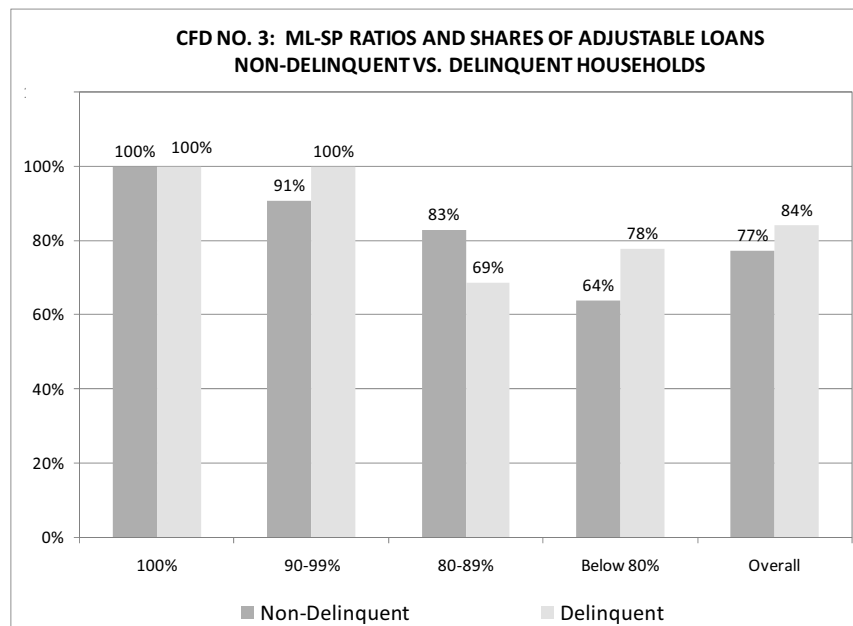

The types of mortgage loans that the homeowners utilize can generally be classified as either fixed (level payment and fully amortized) or adjustable (payments vary according to changes in interest rates and also types of mortgage loan structures). Accordingly, these were compiled for the various groups of homeowners according to the ML-SP categories.

Although it would be desirable to further classify the adjustable mortgage loans by various categories, such as sub-prime, Teaser Rates, and Option ARMs, among others, the public records do not provide sufficient information to perform such classifications.

The share of adjustable rate loans amounted to 77%, on the average, for the non-delinquent group and a much higher 84%, on the average, for the delinquent group.

|                  |  |
|------------------|--|
| 100% ML-SP:      | 100% of non-delinquent homeowners have adjustable rates<br>100% of the delinquent homeowners have adjustable rates |
| 90-99% ML-SP:    | 91% of non-delinquent homeowners<br>100% of the delinquent homeowners  |
| 80-89% ML-SP:    | 83% of non-delinquent homeowners<br>69% of the delinquent homeowners   |
| Below-80% ML-SP: | 64% of non-delinquent homeowners<br>78% of the delinquent homeowners   |

So, for the homeowners with the highest ML-SP, 100%, all of the groups had adjustable rate loans, for both the delinquent as well as the non-delinquent groups. For homeowners in the 90-99% ML-SP category, the proportion with adjustable loans was higher for the delinquent as compared to the non-delinquent group.

**Current Non-Delinquent Households with High ML-SP**

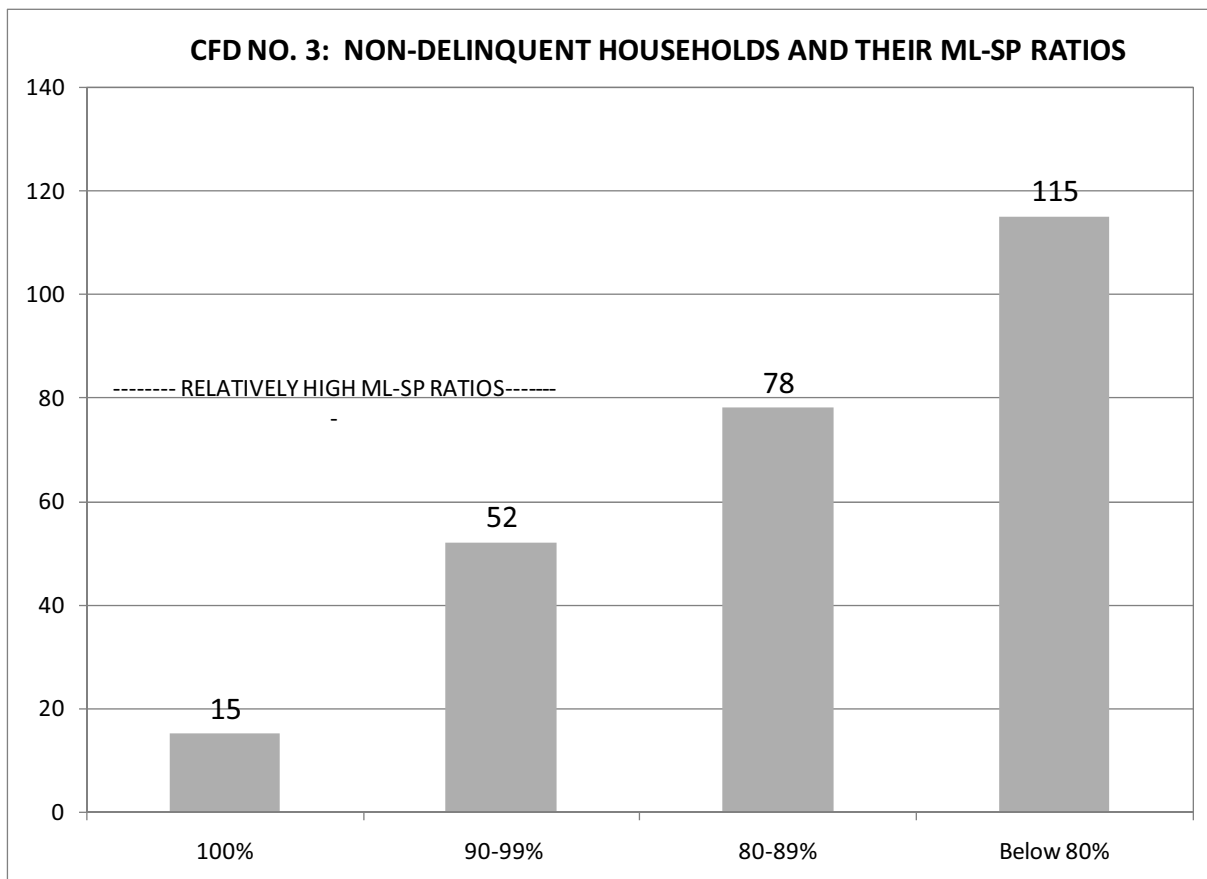

The above analysis has revealed that households which are delinquent on the payment of their Special Taxes typically have high ML-SP, due to their higher loan amounts as well as higher percentage of adjustable rate loans as compared to the mortgage loans of the non-delinquent group.

**As mentioned above, the analysis performed herein does not attempt to arrive at a prediction of future Notices of Default for mortgage loans or tax delinquencies for homeowners in CFD No. 3; its purpose is to describe the characteristics of the mortgage loans for the non-delinquent or delinquent homeowners.**

Accordingly, out of the 312 homeowners, there were 260 that were NOT delinquent on the payment of any of their Special Taxes during the 2003-2004 FY through 2007-2008 FY (first installment), the number that have relatively high ML-SP are as follows:

100% ML-SP: 15 homeowners

90-99% ML-SP: 52 homeowners

### **PART III: ASSUMPTIONS AND LIMITING CONDITIONS**

The above analysis of the mortgage characteristics of homeowners is meant to serve as a starting point to better understand the potential relationship between mortgage structures and tax delinquencies.

With regards to potential future mortgage loan Notices of Default and/or tax delinquencies, in general, as well as for CFD No. 3, in particular, these will be determined by a complex set of financial and economic factors, with some of the most significant factors being as follows:

- **Future macroeconomic financial factors are difficult to predict:** For instance, significantly lower levels of mortgage rates could benefit homeowners, especially those with adjustable rate mortgages; however, higher rates would, of course, have an adverse impact.
  
- **The microeconomic financial resources of these homeowners can vary significantly:** For instance, homeowners that have investments in financial securities or other real estate could utilize these to assist with making their mortgage payments; however, homeowners without such alternative resources could be challenged in keeping pace with escalating mortgage payments.

**The analysis performed herein does not attempt to arrive at a prediction of future Notices of Default for mortgage loans or tax delinquencies for homeowners in CFD No. 3; its purpose is to describe the characteristics of the mortgage loans for the homeowners.**
