Request the opportunity to provide an informational presentation to the Planning Commission about the City of San Diego's draft Climate Mitigation and Adaptation Plan (CMAP). This is a companion document to the City's General Plan and aims to advance the goals for a more sustainable city. Specifically, it will:

- quantify the level of greenhouse gas emissions (GHG) from the community and City operations;
- establish reduction targets for 2020 and 2035;
- identify measures to reduce GHG levels;
- track and report progress each year;
- be modified as needed to reach reduction targets; and
- highlight adaptation strategies.
