SUBJECT: Planning Commission Agenda 9.26.13, Rancho Del Sol Restoration Project
No. 157399

As you are aware, the above-referenced project was continued from the Planning Commission meeting of August 8, 2013 at the request of the applicant to meet with concerned citizens. Subsequently, the applicant met with neighbors and a follow up meeting is to be scheduled. As a result of these contacts, the applicant is also in the process of conducting voluntary soils testing, the results of which must be evaluated by staff. At this time, at the owner's request, we are withdrawing the item from the September 26, 2013 Planning Commission agenda. Staff will re-notice the item for a future agenda.
