- Section 3. The community planning area boundaries for the North Park Planning Committee are the boundaries of the North Park community, as shown on Exhibit "A".

The planning group also advises on other land use matters as requested by the City or other governmental agency.
- Section 2. In reviewing individual development projects, the North Park Planning Committee should focus such review on conformance with the adopted community plan and/or the General Plan. Preliminary comments on projects may be submitted to the City during the project review process. Whenever possible, the formal planning group recommendation should be submitted no later than the end of the public review period offered by the environmental review process. Upon receipt of plans for projects with substantive revisions, the planning group may choose to rehear the project and may choose to provide a subsequent formal recommendation to the City.
- Section 3. All activities of the North Park Planning Committee shall be nonpartisan and nonsectarian and shall not discriminate against any person or persons by reason of race, color, sex, age, creed or national origin, or sexual orientation, or physical or

mental disability. In addition, meeting facilities must be accessible to disabled persons.

- Section 4. The North Park Planning Committee shall not take part in, officially or unofficially, or lend its influence in, the election of any candidate for political office. Elected members shall not identify affiliation with a planning group when endorsing candidates for public office. The planning group may take a position on a ballot measure.

Pursuant to the provisions of City Council Policy 600-5, the North Park Planning Committee's failure to respond to the City's request for input on the preparation of, adoption of, implementation of, or amendment to, the General Plan or a community, precise, or specific plan, or failure to review and reply to the City in a timely manner on development projects shall result in the forfeiture of rights to represent the North Park community for these purposes. Such a determination resulting in the forfeiture of rights to represent the community for these purposes shall be made only by the City Council upon the recommendation of the Mayor's Office.
- Section 6. The North Park Planning Committee operates under the authority of the Ralph M. Brown Act which requires that meetings of the planning group are open and accessible to the public. On the North Park Planning Committee elected seats are filled by any eligible member identified below. There is no further restriction on the distribution of seats among interests in the community

Planning group members shall be elected by and from eligible members of the community. To be an eligible community member an individual must be at least 18 years of age, and shall be affiliated with the community as a:

- (1) property owner, who is an individual identified as the sole or partial owner of record, or their designee, of a real property (either developed or undeveloped), within the community planning area, or

Once eligibility to vote is established, an individual remains an eligible member of the community until a determination is made that the individual does not meet the planning group's criteria and formal action is taken by the planning group. However, the North Park Planning Committee shall require proof of eligibility during elections.

Section 3. Members of the North Park Planning Committee shall be elected to serve for fixed terms of two years with expiration dates during alternate years to provide continuity.

No person may serve on the planning group for more than eight consecutive years. The eight year limit refers to total maximum consecutive years of service time, not to individual seats held.

After a one-year break in service as a planning group member, an individual who had served for eight consecutive years shall again be eligible for election to the planning group.

The planning group will actively seek new members to the extent feasible. If not enough new members are found to fill all vacant seats the planning group may retain some members who have already served for: eight consecutive years to continue on the planning group without a break in service. Refer to Council Policy 600-24 Article III, Section 4 for further clarification.

- Section 4. A member of the North Park Planning Committee must retain eligibility during the entire term of service.
- Section 5. A member of the North Park Planning Committee found to be out of compliance with the provisions of Council Policy 600-24 or the planning groups adopted bylaws risks loss of indemnification [legal protection and representation] pursuant to Ordinance No. O-17086 NS, and any future amendments thereto.
- Section 6. Some provisions of these bylaws constitute requirements under the Brown Act, as outlined in Council Policy 600-24. A member of the North Park Planning Committee who participates in a meeting of the planning group where actions are alleged to have been in violation of the Brown Act may be subject to civil or criminal consequences.

#### **ARTICLE IV Vacancies**

- Section 1. The North Park Planning Committee shall find that a vacancy exists upon receipt of a resignation in writing from one of its members or upon receipt of a written report from the planning group's secretary reporting the third consecutive absence or fourth absence in the 12-month period of April through March each year, of a member(s) from the planning groups regular meetings.
- Section 2. Vacancies that may occur on the North Park Planning Committee shall be filled not later than 120 days following the date of the determination of the vacancy. The term of office of any member filling a vacancy shall be for the balance of the vacated term.

The North Park Planning Committee Chairperson shall appoint a nominating committee to prepare a list of eligible candidates to be submitted at the next regularly scheduled meeting. Vacancies shall be filled by selection by planning group members no later than 60 days from the date the vacancy is declared or an advertised general election pursuant to Article V any time there are two or more vacant seats on the North Park Planning Committee. The committee shall conduct the election no later than 120 days from the date the vacancy is declared.

Section 3. When the North Park Planning Committee is unable to fill a vacancy within 120 days, as specified above, and the planning group has more than twelve members, either the seat may remain vacant until the next planning group election, or these bylaws may be amended to permit decreased membership to a minimum of 12 members. If a vacancy remains for more than 60 days from the time a vacancy is declared, and there are less than 12 elected planning group members in good standing, the planning group shall report in writing the efforts made to fill the vacancy to the City. If, after 60 additional days, the planning group membership has not reached 12 members, the planning group will be deemed inactive until it has attained at least 12 members in good standing.

#### **ARTICLE V Elections**

Section 1. General elections of North Park Planning Committee members shall be held during the month of March in accordance with the elections procedures found in Article VIII, Section 1(e) of these bylaws.

The North Park Planning Committee's general elections shall be held annually.

The deadline to qualify for candidacy in the March general election shall be at the conclusion of the February noticed regular or special meeting of the full planning group membership preceding the election. The planning group's Election subcommittee shall be established no later than January and shall begin soliciting eligible community members to become candidates. In February, the Election subcommittee shall present to the planning group a complete list of interested candidates collected up to that point in time. Candidates may be added at the February meeting. A candidate forum may be advertised and held at the February meeting.

In order to be a candidate in the March election, an eligible member of the community [see Article III, Section 2] must have documented attendance at one of the North Park Planning Committee's last 12 meetings including the February regular meeting preceding the election.

Section 2. The North Park Planning Committee shall make a good faith effort to utilize means appropriate to publicize the planning group's eligibility requirements for candidacy and the upcoming elections.

In the election process, the planning group shall seek enough new candidates to exceed the number of seats open for election in order to allow those who have served for eight consecutive years to leave the group for at least one year.

The North Park Planning Committee holds its election at the March regular meeting.

The North Park Planning Committee will require proof of identity of those eligible community members who are seeking to vote in the election. The planning group shall ensure that voting is only by eligible members of the community.

The ballot presented to eligible community members to vote will clearly identify which seats individual candidates are running for, how many candidates can be selected, whether there are limitations on which candidates various categories of eligible community members can vote for and which candidates, if any, must receive a 2/3 majority of the vote due to service beyond eight or nine consecutive years of service.

The North Park Planning Committee planning group's policy related to write-in candidates is that write-in candidates are allowed. If it is later determined that the write-in candidate is ineligible, any vote cast for an ineligible write-in candidate is an invalid vote and will not be counted.

Section 3. Voting shall be by secret written ballot. Proxy voting for elections is not allowed under any circumstances. Development and promotion of "slates" of candidates is contrary to the intent of Council Policy 600-24 and is not allowed.

Section 4. The North Park Planning Committee's election becomes final after announcing the election results at the conclusion of the noticed, regular March monthly planning group meeting. The Chair is responsible for preparing, certifying and forwarding the election report to the City. New members shall be seated in April at the start of the regular meeting in order to allow their full participation as elected members at the April planning group meeting.

Any challenge to the election results must be filed with the Chair of the Elections subcommittee in writing within 24 hours of the counting of the ballots in order to allow enough time to resolve the issue.

Section 5. Article VIII, Section 1(e) contains all voting procedures, including: voting time; voting location; voting eligibility; candidate eligibility; election committee establishment and responsibilities; promotion of elections; counting votes; ballots; write-in candidates; counting ballots; reporting election results; and, election challenge criteria and procedures.

Section 1. **Indemnification and Representation.** The North Park Planning Committee and its duly elected or appointed members have a right to representation by the City Attorney and a right to indemnification by the City under Ordinance O-17086 NS, and any future amendments thereto, if the claim or action against them resulted from their obligation to advise and assist the City and its agencies with land use matters as specified in Policy 600-24, Article II, Section 1; their conduct was in conformance with Policy 600-24 and these bylaws; and all findings specified in the ordinance can be made.

Section 2. Brown Act Remedies. The North Park Planning Committee and its duly elected members may be subject to both Council Policy 600-24 violations as described in Section 3 below and penalties provided for in the Brown Act. The Brown Act includes criminal penalties and civil remedies. Both individual members of the planning group, as well as the planning group itself, may be subject to civil remedies. Under certain circumstances, individual planning group members may face criminal misdemeanor charges for attending a meeting where action is taken in violation of the Brown Act, and where the member intended to deprive the public of information to which the member knows or has reason to know the public is entitled. Alleged violations will be reviewed and evaluated on a case-by-case basis.

Section 3. Council Policy 600-24 Violations and Remedies.

**(a) Alleged Violations by a Member of the North Park Planning Committee**

In cases of alleged violations of the North Park Planning Committee bylaws or Council Policy 600-24 by a planning group member, the planning group may conduct an investigation consistent with the Administrative Guidelines and these bylaws.

A complaint that an individual member of a planning group violated one or more provisions of the planning group's bylaws or Council Policy 600-24 may be submitted to the planning group Chair by any individual, including another planning group member. The complaint should be filed within 90 days of the alleged violation.

If, after a thorough investigation, the planning group determines that the individual member has violated a provision of these bylaws or Council Policy 600-24, the planning group shall, where feasible, seek a remedy that corrects the violation and allows the member to remain as a member of the planning group.

If corrective action or measures are not feasible, the planning group may remove a member by a two-thirds vote of the planning group. The vote to remove the group member shall occur at a regularly scheduled public meeting subject to the procedures outlined in the Administrative Guidelines and these bylaws.

If the planning group member found to be out of compliance with the provisions of these bylaws or Council Policy 600-24, the planning group risks loss of indemnification [legal protection and representation] pursuant to Ordinance No. O-17086 NS, and any future amendments thereto.

Investigation procedures for elected member violations are outlined below:

Any action by the North Park Planning Committee to discipline or remove a member must occur at a scheduled planning group meeting and be advertised on

the agenda as an action item. Due to the significant nature of removing an elected member, and to ensure a fair and public process, the procedures for investigating a violation of a member are listed below:

Documenting a violation:

- A complaint that a violation of bylaws of Council Policy 600-24 has occurred will be presented to the planning group Chair. If the complaint is about the Chair, it may be presented to any other officer of the planning group.
- The complaint should be detailed enough to provide a description of, and timeframe within which, the alleged violation was committed and who was responsible for the violation.
- The complaint should provide a citation of the bylaws or Council Policy 600-24 provisions of which the action is claimed to violate. If the complaint is from someone other than another planning group member, the Chair [or other officer] may assist in providing appropriate citations to assist the complainant.
- The Chair will confer with the planning group officers [exception: if an officer is the subject of the grievance or has a business or personal relationship with the alleged violator] regarding the complaint.
- The Chair shall create a written record of the complaint and alleged violation to share with the alleged violator.

Procedures for administering and acting on investigating a violation: While the authority for this process rests with this planning group, City staff may be contacted for assistance at any point in the process.

- Once the information about an alleged violation is completed in writing, the Chair, with assistance from the planning group officers, will meet and talk with the planning group member against whom the violation is alleged. The allegations will be presented and the planning group member shall be given opportunity for rebuttal.
- If the Chair, with assistance from the planning group officers, determines that no violation has actually occurred, the Chair may record this in the written record of the complaint.
- If the Chair, with assistance from the planning group officers, determines that a violation has occurred but the situation can be remedied either by action of the planning group or by the planning group member, then the Chair will outline the necessary actions to achieve the remedy.
- If the Chair, with assistance from the planning group officers, determines that the situation cannot be remedied and that the interests of the community and North Park Planning Committee would best be served by the removal of the planning group member, then the Chair shall set the matter for discussion at the next planning group meeting. The planning group member who committed the violation shall be given adequate notice about the meeting discussion, and will be given the opportunity to resign prior to docketing the matter for a planning group discussion.

Presenting a violation to the planning group:

- The matter of removing a seated planning group member will be placed on the planning group's agenda as a potential action item. Supporting materials from the Chair or from the offending planning group member will be made available to the elected planning group members prior to the meeting.
- The matter will be discussed at the planning group's regular meeting with opportunity given to the planning group member who committed the violation to present their case and/or rebut documentation gathered by the Chair with the assistance of the planning group officers. The member may also request a continuance of the item to gather more information to present to the planning group.
- At the end of the discussion, the planning group may, by a 2/3 vote, choose to remove the member.

Recourse for expelled member:

- There is no appeal available to an elected planning group member removed by a 2/3 vote of their recognized community planning group.
- The planning group member's seat shall be immediately declared vacant and subject to provisions of Article IV.
- The removal of a planning group member by a 2/3 vote of their recognized community planning group will not prohibit the member from running for a planning group seat in future scheduled elections.

**(b) Alleged Violations Against the North Park Planning Committee as a Whole**

In the case of an alleged violation of the planning group's bylaws or of Council Policy 600-24 by the planning group as a whole or multiple members of the planning group, the violation shall be forwarded in writing to the City. The Mayor's Office will engage in a dialogue with the planning group, determining the validity of the complaint, and seeking resolution of the issue or dispute. The North Park Planning Committee will work with the City toward a solution and the planning group recognizes that, in accordance with Council Policy 600-24, the City may consult with the Community Planners Committee.

If a violation against the planning group as a whole is proven and there is a failure of the planning group to take corrective action, the planning group will forfeit its rights to represent its community as a community planning group recognized under Council Policy 600-24. Such a determination resulting in the forfeiture of a seated group's rights to represent its community shall be based on a recommendation by the Mayor's Office to the City Council. A planning group shall not forfeit its recognized status until there is an action by the City Council to remove the status. The City Council may also prescribe conditions under which official recognition will be reinstated.

If the planning group is found to be out of compliance with the provisions of this Policy not subject to the Brown Act or its adopted bylaws risks loss of indemnification [legal protection and representation] pursuant to Ordinance No. O-17086 NS, and any future amendments thereto.
