CITY HEIGHTS URBAN GREENING PLAN

What is the City Heights Urban Greening Plan?

City Heights Urban Greening Plan's purpose is to identify safe walking and cycling community corridors to schools, community resources, parks, and canyons in City Heights.

How can you help us?

Tell us how you get to school and where you go in City Heights.

Direction:

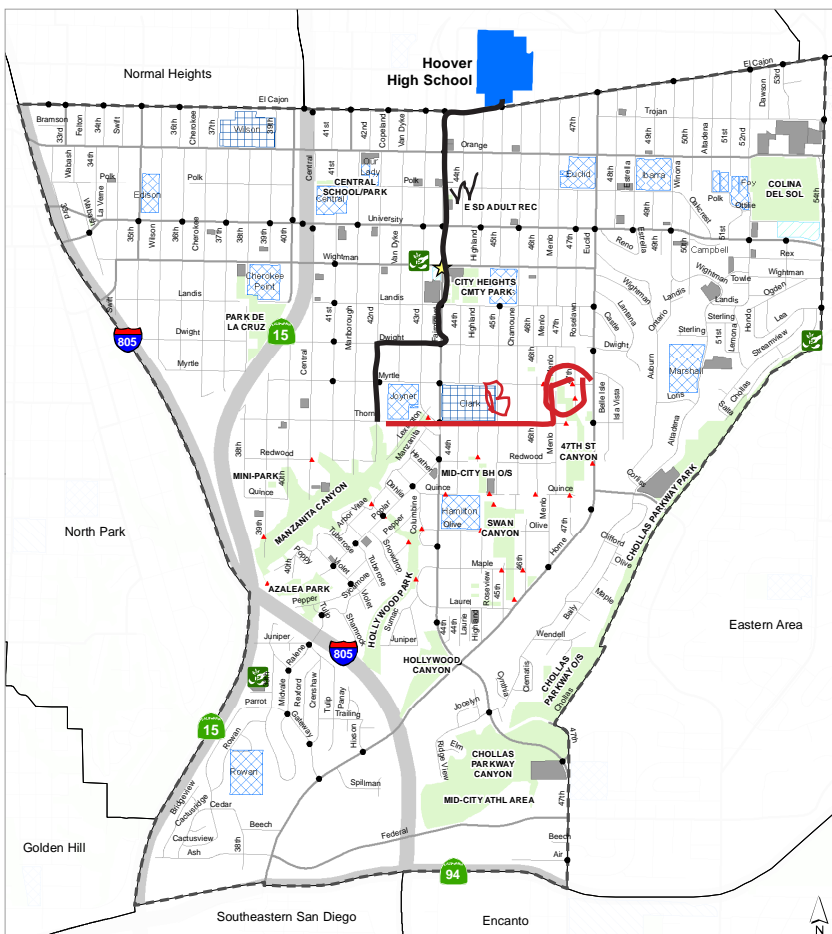

On the other side of this sheet, there is a map to identify your routes within the community.

1. Draw a line to show how you get to school and which streets you use to get to school. Write W if you walk, C if you bike, or S if you skateboard ON THE MAP.

If you take public transit, Write the bus number you take here _____.

Write B, if you take the school bus. Write P, if your parents drop you off. _____

2. Circle other places you go to in City Heights. ON THE MAP, draw a dashed line to show the streets you take to get there. Write W if you walk, C if you bike, or S if you skateboard.

3. If you're not sure how to use the map, please write the streets that you use to get to school and other places in City Heights.
