Note from Chair:

This 'special meeting' is being held to hear information from Target representatives regarding the South Park Target Express. The current project, consisting of tenant improvements, is not within the purview of the GGHPC for action at this time. The GGHPC is hosting the meeting based on elevated community interest and concern. This is an opportunity for Target to present their plan and for the community to ask questions, provide input, and document support and/or opposition.
