

• tree lining  
 • Bicycle lanes  
 • Pedestrian walkways  
 • Side walk.

color distinction will help with pedestrian + bicycle friendliness.

also hospital given major Medical Faculty of ER access into and out of should be as easy as possible.

It is not necessarily bad. Trade offs. Maximize open space with public/private partnerships

use canyon space make need necessary/inviting

CONNECTIONS ARE IMPORTANT.  
 Provide map of all canyons.  
 Increase use.  
 CONNECTIONS.
