OPEN HOUSE

Sharing the Mobility Strategy Alternatives

You are invited to an
INTERACTIVE open house!

Thursday, November 8, 2007
4:30pm - 7:30 pm

Drop by anytime
during this 3-hour
open house!

Saint Paul's Cathedral
2750 Fifth Avenue

Please join us for the last formal community event in the Mobility Strategy public outreach process. The walk and the community workshop held on April 26, the June 30 workshop, and the comments to date have provided us with great input into the development of the Mobility Strategy alternatives. The open house provides a forum to share the outcomes of the alternatives with you!

- See the alternatives being proposed
- Review the benefits and challenges
- Ask questions of the Project Team
- Provide your input and ideas

Refreshments provided

For more information, please contact Marlon Pangilinan, Project Manager, at 619-235-5293 or visit the project website at www.hillcrestmobilityplan.com

Hillcrest Corridor Map

- Mobility Strategy Area
- St. Paul's Cathedral 2750 Fifth Avenue

The Hillcrest Mobility Strategy includes Hillcrest, Uptown, Bankers Hill, and Park West
