

**E. Proposer's Implementation Plan**

Work Item (as listed in Specifications of RFP)	Sub-task (as listed in RFP)	Role as Stated in Appendix	Deliverable as Stated in Specifications	Implementation Steps
<b>Project Administration</b>				
<p>a. The City is looking for a consultant who can devote a committed portion of his/her time to this project over a period of 24 month period. NOTE: CPCI anticipates that it will take approximately 24 months to reach the first public hearing to consider a formal recommendation on the Community Plan Update process.</p>		Collaborate	<p>The Consultant shall collaborate with the City Project Manager to refine the draft community plan update schedule as it relates to the public outreach component of the plan update process to reflect the anticipated 24 month processing schedule (i.e. time anticipated to reach the first public hearing to consider a formal recommendation on the Community Plan Update process).</p>	<p>Ms. Smith will be the designated Principal in Charge for this project with Mr. Strang as the lead Managing Associate who will support her and be day to day contact for the City and Project Manager. The rest of the Collaborative Services team will be able to provide additional support on various work items as assigned by the Principal and Managing Associate.</p>
<p>b. The Consultant shall manage any of his/her own staff or any necessary subconsultants if applicable and be the key point of contact for the City project manager regarding the public outreach component of the plan update process.</p>		Collaborate		<p>In conjunction with Ms. Smith, Mr. Strang will manage all staff and be the key point of contact for the City Project Manager.</p>
<p>c. The Consultant shall play an active role to maintain the project schedule and budget as it relates to the public outreach component of the plan update process. Regularly scheduled coordination and status meetings shall be held with City staff to review the project status and budget, obtain required City approval, make decisions and discuss issues that have the potential of adversely affecting the project budget, schedule, or product. The Consultant shall prepare meeting agendas in consultation with the City Project Manager, distribute agendas prior to meetings, arrange for appropriate participants to attend, and distribute meeting notes for regular project status meetings, project working group meetings, and public meetings. Meeting minutes shall be distributed within seven working days of the meeting and shall include the issues discussed, action items, and responsible parties. The Consultant shall use Microsoft Project, or equivalent software to maintain an up-to-date project schedule.</p>		<p>Collaborate - Maintain Project Schedule and Consultant Budget Lead - Prepare Meeting Agendas and Minutes</p>	<p>Consultant shall participate in regular community plan update coordination meetings with City staff, to be determined/scheduled by City Project Manager. The Consultant shall update the schedule on a bimonthly basis and provide it to the City Project Manager and other affected parties. The City Project Manager shall provide the Consultant with a draft community plan update/public outreach and involvement schedule.</p>	<p>Collaborative Services will: Review existing neighborhood community plans and City of San Diego General Plan. Attend kick-off meeting with project team. Review project status and budget with City. Establish process for obtaining information; editing, review &amp; approvals; and documentation of client or community correspondence. Review roles and responsibilities. Draft and revise project schedule for public outreach and involvement as necessary. Develop communications plan. Develop press &amp; media plan. Draft and prepare meeting agendas. Draft and prepare meeting minutes.</p>
<p>d. The Consultant shall develop, maintain, and provide to the City Project Manager monthly progress memos as well as biweekly verbal updates that address the progress of work, public outreach schedule and budget, information/decisions required to maintain the project schedule and complete deliverables, problems encountered that may affect the schedule, budget, or work products, and anticipated work, action items, and review activities for the following month.</p>		Lead	<p>Consultant shall collaborate with City Project Manager to develop and implement a media strategy for various phases of the Community update process. Consultant as part of a multi-disciplinary team dedicated to assisting City staff with the update, shall interface and collaborate with other technical consultants of the team to review, comprehend, and summarize analysis results in addition to stakeholder input so that they may be relayed in within public discussions to inform the update process.</p>	<p>Collaborative Serves will: Develop, maintain, and provide monthly progress memos. Be in contact and communicate with City Project Manager regularly (at least bi-weekly) to provide updates on the progress of work, schedule, budget or decisions. Maintain and deliver monthly progress memos to document decisions made.</p>
<p>e. The Consultant shall provide quality control of all products prior to submittal to the City, shall ensure that all work is completed and deliverables provided on time according to the project schedule, and that all progress memos, agendas, and meeting minutes are technically accurate.</p>		Collaborate		<p>Collaborative Services will review documents for spelling, grammar, and accuracy. In addition, Collaborative Services will also review and collaborate on the sections mentioned in Appendix A, but not listed in Specifications: Community Plan Update Elements, Three Alternative Land Use Concept Plans, Economic and Fiscal Analysis into Land Use Scenarios, Urban Form Analysis and Massing Studies, Visual Preference Survey, Public Facilities &amp; Park System Strategy including Phasing and Financing Plan, Mobility Analysis and Traffic Study, Rezoning Program and Workshop, Public Financing Plan, and publication of materials and documents.</p>
