City Begins Series of Quarterly Forums

Community input sought to implement City of Villages strategy

SAN DIEGO – Citizens are encouraged to participate in a series of quarterly forums being held by the City’s Planning Department. Each forum will provide an opportunity to learn more about the process of updating the City’s General Plan, allow City staff to share project information and receive input on various aspects of the recently adopted City of Villages Strategy.

“Community input has been the cornerstone of this process from the beginning,” said Program Manager Coleen Clementson. “We recognize there is a lot of community interest in the City of Villages and we are committed to ensuring the strategy is implemented effectively. Providing information and ensuring continued citizen participation is essential to this effort.”

The first quarterly forum will take place on March 26, from 6:00 – 7:30 p.m. in Balboa Park Club Santa Fe Room (across from the Hall of Champions). Additional forums have been scheduled for June 26, September 25 and December 10. Each will take place at the same time and location.

For more information about each forum, call Marion Moss Hubbard at (619) 533-6199. A map showing the meeting location, the meeting agenda, and additional information about the General Plan Update can be found online at www.sandiego.gov/cityofvillages.
