POLICE MAKE ARREST IN OAK PARK MURDER

San Diego Police Department Homicide Unit detectives have arrested a suspect for the stabbing death of a female in Oak Park this morning.

On August 10, 2010, at 11:20 p.m., officers responded to a report of a stabbing at a residence in the 5100 block of De Burn Drive. When officers arrived, they found a 27 year-old female suffering from a stab wound to the chest. Paramedics arrived and transported the victim to a local trauma hospital, where she died at 12:18 a.m.

The preliminary investigation revealed the victim and suspect were inside their home when they became involved in an argument. During the argument, the suspect stabbed the victim and fled the scene. Patrol officers searched the area of the residence thoroughly, but were unable to locate the suspect.

At 6:00 a.m. this morning, the suspect, 35 year-old Quang Van Dang was located by Homicide Unit investigators in the 5400 block of Fieger Street, a short distance from the crime scene. Dang will be processed and booked into County Jail for murder.

The victim has been identified, but her name is being withheld pending family notification.
