SAN DIEGO  
PUBLIC LIBRARY  
DISCOVER YOUR NEXT CHAPTER

Library Director  
**Misty Jones**

We are pleased to offer this new quarterly Discover Your Library magazine featuring our upcoming events at the San Diego Central Library @ Joan A Irwin Jacobs Common. We hope you find the design easy to read and fun to browse. You can now see in one place what we have coming up for the next three months. With so many different kinds of events highlighted, you may find topics of interest you weren't even aware of - all for FREE at your library!

With this issue we are going green and retiring our printed event calendars. Not only does this allow us to do our part to better protect the environment, it also allows us to redirect our resources toward providing more library programs for you. Of course you can still print out the magazine or select pages if you need. In the Customer Service area and other areas throughout the Central Library we will have QR codes with easy access to this magazine from your mobile devices.

In the coming months, we will add branch events to this publication so you will have one access point for all events throughout the San Diego Public Library system. Stay tuned as we continue to evolve to better serve you.

A handwritten signature in blue ink that reads "Misty Jones".
