The San Diego Public Library has formed a partnership with the Ted Williams Chapter of SABR, the Society for American Baseball Research. SABR was founded in Cooperstown, N.Y. in 1971. It is a not-for-profit organization with over 7,000 members worldwide--researchers, baseball fans, statisticians, and biographers. The Ted Williams Chapter of the Society has donated funds that have allowed the Central Library to purchase issues of *The Sporting News* from 1886 to 1969 on microfilm from the University of Notre Dame, *The Sporting Life* from 1883 to 1917 on microfilm, a baseball scrapbook collection and various 19th-century sports newspapers from 1857 to 1886.

As part of this partnership, San Diego Public Library will soon have an electronic link from the Library Catalog to the SABR Baseball Index. This index, compiled by SABR volunteers, provides comprehensive access to more than 203,000 books, magazine articles, programs, pamphlets, films, recordings, songs or cartoons about baseball. Once the link to the Library Catalog is live, library users will be able to look up books from the SABR Baseball Index in the Library Catalog and get call numbers and availability for the Library system.

Material relating to baseball is primarily located in the Art, Music & Recreation Section.

(see **Baseball**, page 2)

La Biblioteca Pública de San Diego ha formado una asociación con la organización Ted Williams que es parte de SABR (Society for American Baseball Research), Sociedad de Investigación de Béisbol Americano. SABR fue fundado en Cooperstown, Nueva York en 1971. Es una organización sin fines lucrativos con más de 7,000 miembros a nivel mundial que incluyen investigadores, estadísticos, biógrafos y fanáticos de béisbol. La organización Ted Williams donó fondos que permitieron a la Biblioteca Central adquirir de la Universidad de Notre Dame ejemplares de la revista *The Sporting News* en microfilm desde 1886 a 1969, la revista *The Sporting Life* en microfilm desde 1883 a 1917, una colección de albums de recortes de béisbol y varios periódicos deportivos de los años 1857 a 1886.

Como parte de esta asociación, la Biblioteca Pública de San Diego tendrá un enlace electrónico desde el catálogo al índice de béisbol de SABR. Este índice recopilado por voluntarios de SABR provee acceso a más de 203,000 libros, artículos de revistas, programas, panfletos, películas, grabaciones, canciones y caricaturas sobre béisbol. Una vez que el enlace al catálogo de la biblioteca esté disponible, usuarios de la biblioteca podrán buscar libros en el índice de SABR por medio del catálogo y obtener los números de clasificación y saber si están disponibles en el sistema de bibliotecas.
