*Information for the Alphabetical Year 2016 Rotation List is taken from the consultants' statements of qualification. Consultant Services, City of San Diego - Public Works Contracts Division, cannot guarantee that the information contained in this document is completely accurate. For instance, the best indicator of a firm's certification as Small Local Business Enterprise (SLBE), Emerging Local Business Enterprise (ELBE), Disadvantaged Business Enterprise (DBE), Minority Business Enterprise (MBE), Women Business Enterprise (WBE), etc., is a copy of the certification document issued by either the City of San Diego, Caltrans or a member of the Unified Certification Program. Information regarding the City of San Diego's SLBE/ELBE Program can be found at:

<http://www.sandiego.gov/eoc/boc/slbe.shtml>

The Caltrans Database is located at:

http://www.dot.ca.gov/hq/bep/find_certified.htm

The Small Business Certification Program and the Disabled Veteran Business Enterprise Participation Program can be accessed at:

<http://www.pd.dgs.ca.gov/smbus/default.htm>

The agencies that use this Rotation List, i.e. the City, the County and the Port, each have different outreach programs and different needs as far as participation by certified consultant firms.

Finally, we would like to stress that even though this Alphabetical Year 2016 Rotation List is presented in alphabetical order, the actual Rotation List is in random order. Each firm in a discipline is assigned, by the computer, a random number between 0 and 1. The disciplines are then sorted from lowest to highest number. Any firm may be first, any firm may be last. Position on the list depends exclusively on the random number drawn. This process is repeated each year.

Thank you very much for your participation in our process and may you all have interview opportunities in the Year 2016.
