The Crossroads Redevelopment Project Area Committee (PAC) is hosting a community workshop to discuss “big picture” goals, objectives, and priorities regarding the community’s continuing redevelopment efforts. Come join us and help shape your community’s future!

The Redevelopment Agency of the City of San Diego, created by the City Council in 1958, uses special legal and financial mechanisms to eliminate blight and improve economic and physical conditions in designated areas of the City. The Agency’s purview encompasses 17 project areas, study areas, and affordable housing. Activities within the project areas are carried out by the City’s Redevelopment Department and two public, nonprofit corporations: Centre City Development Corporation (CCDC) and Southeastern Economic Development Corporation (SEDC). The Redevelopment Department also administers seven Project Area Committees (PAC) that advise the Agency on the adoption of redevelopment plans and implementing redevelopment projects.
