## INTRODUCTION

The Redevelopment Agency is required to present to its legislative body an annual report within six (6) months of the end of the agency's fiscal year (California Health & Safety Code, Section 33080.1). California Redevelopment Law (CRL) at Health and Safety Code Section 33080.1 requires that the annual report shall contain the following:

1. The independent financial audit report for the previous fiscal year.
2. A fiscal statement for the previous fiscal year that lists the amount of outstanding indebtedness and tax increment revenues generated by the agency and in each project area.
3. Description of the agency's activities in the previous year affecting housing and displacement.
4. Report on the actions and activities to alleviating blight during the previous fiscal year.
5. List the status on all loans made by the Agency that were \$50,000 or more, that were in default, or not in compliance with the terms of the loan during the previous fiscal year.
6. Description of the total number and nature of the properties that the agency owns and the properties acquired in the previous fiscal year.
7. Any other information that the agency believes useful to explain its programs, including, but not limited to, the number of jobs created and lost in the previous fiscal year as a result of its activities. *Note: Staff performed a search of the Agency's archives to retrieve jobs data from Fiscal Year 2005. Relevant data was not found consistently and as a result jobs information is contained in this report for applicable project areas only.*

In May 2008, the Redevelopment Agency Annual Financial Report for the year ending June 30, 2005 (Audit) was issued. The report identified two (2) findings for the year ending June 30, 2005 (refer to the Redevelopment Agency of the City of San Diego, *Annual Financial Report – Fiscal Year Ended June 30, 2005*, Page 94 - 95). One of the findings was that the Annual Report was not submitted to the City Council. The issuance of this report addresses this specific Audit compliance finding.

## REDEVELOPMENT AGENCY OVERVIEW

The California Community Redevelopment Act was enacted in 1945. The Community Redevelopment Act gave cities and counties the authority to establish redevelopment agencies, gave these agencies the authority to address problems of urban decay, and enabled the agencies to apply for grants and loans from the federal government.

In 1951, the Community Redevelopment Act was codified and renamed the Community Redevelopment Law (Health and Safety Code § 33000 et seq.). The City Council of the City of San Diego established the Redevelopment Agency of the City of San Diego in 1958. Although City Council members serve as the Board of Directors of the Redevelopment Agency, the Agency is a separate, legally constituted body which operates under the authority granted by redevelopment law.

### **Agency Organization**

The City Council is the Board of Directors of the Redevelopment Agency. Project implementation and administration for the Redevelopment Agency are provided by three separate and distinct organizations:

- Centre City Development Corporation (CCDC);
- Redevelopment Division (The Redevelopment Division of the City of San Diego, City Planning & Community Investment Department);
- Southeastern Economic Development Corporation (SEDC).

Both CCDC and SEDC are public non-profit organizations established by the City Council, with the City of San Diego as the sole member of each corporation.

#### **Centre City Development Corporation (CCDC)**

In 1975, the City Council established the Centre City Development Corporation as a non-profit public corporation to implement redevelopment projects in the downtown area. The Corporation is governed by a seven-member Board of Directors appointed by the City Council. CCDC administers the Centre City and Horton Plaza project areas.

#### **Redevelopment Division**

In 1958, the City Council established the Redevelopment Agency to implement redevelopment projects within the City of San Diego. The Redevelopment Division of the City Planning & Community Investment Department performs general administration for the Redevelopment Agency, coordinates budget and reporting requirements, and maintains the Agency's meeting docket and official records.<sup>2</sup> During Fiscal Year 2005, the Redevelopment Division administered the following eleven (11) project areas:

- Barrio Logan
- City Heights
- College Community
- College Grove
- Crossroads
- Grantville
- Linda Vista
- Naval Training Center
- North Bay
- North Park
- San Ysidro

#### **Southeastern Economic Development Corporation (SEDC)**

In 1980, the City Council established the Southeastern Economic Development Corporation as a non-profit public corporation to implement redevelopment projects in Southeastern San Diego. The Corporation is governed by a nine-member Board of Directors appointed by the City Council. SEDC administers the Central Imperial, Gateway Center West, Mount Hope, and Southcrest project areas.

---

<sup>2</sup> The Redevelopment Division as of the issuance of this report is a part of the City of San Diego, City Planning & Community Investment Department.

After numerous efforts over the past 18 years to privately renovate and reopen the Balboa Theatre, CCDC has committed to retaining this venue as a public asset and is restoring it under the Secretary of the Interior's Standards for Rehabilitation of Historic Buildings. The Balboa Theatre opened in 1924 and hosted a traveling circus from 1924 through 1930, hosting nationally recognized vaudeville acts. Some of the biggest movie stars also appeared at the theatre, making it the centerpiece of local culture and entertainment. This unique iconic venue will again result in a vibrant San Diego treasure.
  - The \$26 million restoration efforts include the installation of the rigging systems, repair of the exterior plaster, ornamental painting of the audience chamber, ornate and gilded plaster grillwork in the ceiling and the rehabilitation of two waterfalls on either side of the stage, which will again be operational. The restoration includes making Balboa Theatre from a 1,500 seat theatre to a 1,300 seat theatre. Due to the theatre's design and finishes, it possesses excellent acoustical qualities for live, nonamplified performances. One of the unique performance-related design features an oversized orchestra pit that can accommodate 30 to 40 instruments.
  - San Diego Theatres Inc. was selected to manage the facility.
  - Balboa Theatre is scheduled to reopen in Fiscal Year 2008.

## ANNUAL FINANCIAL AUDIT REPORT

The Redevelopment Agency of the City of San Diego, Annual Financial Report for fiscal year ending June 30, 2005 (Audit) was released and issued in May 2008. The audit was conducted in accordance with generally accepted auditing standards and rules governing audit reports issued by the State Board of Accountancy. The audit report also included an opinion of the Agency’s compliance with laws, regulations, and administrative requirements governing the activities of the Agency.

Section 33080.2 requires the Agency to inform the legislative body of any major violations, as defined in Section 33080.8 based on the financial audit report. There are nine statutorily defined “major audit violations” listed in Section 33080.8(j).<sup>3</sup> The failure to correct a major violation may result in the filing of an action by the California Attorney General pursuant to Section 33080.8.

The Audit had a total of two (2) findings, of which one (1) finding is deemed as a Major Violations per California Redevelopment Law (refer to *Redevelopment Agency of the City of San Diego, Annual Financial Report – Fiscal Year Ending June 30, 2005, Page 94 -95*).

The Fiscal Year 2005 financial audits findings are listed below and the major violations are identified along with the original Management Responses:

<b>Finding # 1:</b> <i>2005-a Annual Report Submission to the City Council</i>	Compliance Finding	Major Violation: YES
---	--------------------	----------------------

The California Health and Safety Code section 33080.1 states that “every redevelopment agency shall submit an annual report to its legislative body within six months of the end of the agency’s fiscal year.” The annual report should include: “(1) an independent financial audit report for the previous fiscal year, (2) a fiscal statement for the previous fiscal year that contains the information required pursuant to Section 33080.5, (3) a description of the agency’s activities in the previous fiscal year affecting housing and displacement that contains the information required by Sections 33080.4 and 33080.7, (4) a description of the agency’s progress, including specific actions and expenditures, in alleviating blight in the previous fiscal year, (5) a list of, and status report on, all loans made by the redevelopment agency that are \$50,000 or more, that in the previous fiscal year were in default, or not in compliance with the terms of the loan

<sup>3</sup> The following are the major audit violations as codified by Section 33080.8(j): (1) File an independent financial audit report that substantially conforms with the requirements of subdivision (a) of Section 33080.1; (2) File a fiscal statement that includes substantially all of the information required by Section 33080.5; (3) Establish time limits, as required by Section 33333.6; (4) Deposit all required tax increment revenues directly into the Low and Moderate Income Housing Fund upon receipt, as required by Sections 33334.3, 33334.6, 33487, or 33492.16; (5) Establish a Low and Moderate Income Housing Fund, as required by subdivision (a) of Section 33334.3; (6) Accrue interest earned by the Low and Moderate Income Housing Fund to that fund, as required by subdivision (b) of Section 33334.3; (7) Determine that the planning and administrative costs charged to the Low and Moderate Income Housing Fund are necessary for the production, improvement, or preservation of low- and moderate-income housing, as required by subdivision (d) of Section 33334.3; (8) Initiate development of housing on real property acquired using moneys from the Low and Moderate Income Housing Fund or sell the property, as required by Section 33334.16; (9) Adopt an implementation plan, as required by Section 33490.

*approved by the agency, (6) a description of the total number and nature of the properties that the agency owns and those properties the agency has acquired in the previous fiscal year.”*

During the performance of procedures on the compliance requirements related to “Financial Disclosure and Reporting”, we noted that the Agency did not prepare and submit a complete annual report for the fiscal year ended June 30, 2005 to its Board of Directors within six months of the end of that fiscal year. The Agency’s procedure was to complete all components of the annual report prior to submitting to the Board of Directors; however, not all components of the report were completed within six months of the end of the fiscal year due to a lack of personnel and an incomplete audit of the Agency’s financial statements.

We recommend that the Agency prepare and submit all required reports to the Board of Directors within six months of the fiscal year end. In the case an audit has not been completed, the Agency could submit an unaudited set of financials and indicate that since the financial report included unaudited numbers, the submitted numbers could change when the actual audit is completed.

*Management Response:*

We agree. The Agency plans to submit the required reports to the City Council in future years within six months of the end of each respective fiscal year. The City will also ensure the City Council is made aware if the reports are still “unaudited” at the time of submission.

<b>Finding # 2:</b> <i>2005-b Monitoring of Available Affordable Housing</i>	Compliance Finding	Major Violation: NO
---	--------------------	---------------------

In accordance with the California Health and Safety Code Section 33418, *“an agency shall monitor on an ongoing basis, any housing affordable to persons and families of low or moderate income developed or otherwise made available pursuant to any provisions of this part. As part of this monitoring, an agency shall require owners or managers of the housing to submit an annual report to the agency. The annual reports shall include for each rental unit the rental rate and the income and family size of the occupants, and for each owner-occupied unit whether there was a change in ownership from the prior year and, if so, the income and family size of the new owners. The income information required by this section shall be supplied by the tenant in a certified statement on a form provided by the agency.”*

In order to comply with the “Affordable Housing – Housing Assistance” compliance requirements that include monitoring of available affordable housing, the Agency has entered into an Administration Agreement with the San Diego Housing Commission (SDHC), who actually performs the required monitoring activities on behalf of the Agency for Agency-subsidized low and moderate housing projects. SDHC provides monitoring services on low and moderate income housing activities for the Agency. SDHC then submits an annual report of its monitoring activities to the Agency for each project under agreement.

During the performance of our procedures on compliance related to “Affordable Housing – Housing Assistance”, we noted that the Agency received the monitoring reports prepared by SDHC for fiscal year 2005, dated January 2006 in March of 2006. Since all reporting is required to be submitted by the Agency within 6 months of the end of the fiscal year, not only was this monitoring information too late to meet the regulatory reporting requirements, but this

information was received significantly after the end of the fiscal year, too late for the Agency to take meaningful action as a result of this monitoring report.

We recommend that the Agency obtain monitoring reports on a timelier basis and therefore be in a position to utilize the results of these monitoring reports. This will ensure that the Agency is in compliance with the California Health & Safety Code requirements as well as improve internal controls over compliance. Additionally, we recommend the Agency be more involved in the monitoring process above and beyond the review of the annual reports provided by SDHC.

*Management Response:*

We agree. Since the addition of a new Affordable Housing Project Manager in November 2005, the Agency has become more involved in the monitoring process, including but not limited to, periodic title searches on affordable for-sale properties to ensure continued owner occupancy and providing assistance to the San Diego Housing Commission with regard to setting rents based upon complex median income standards for projects with multiple funding sources. In addition, management-level-staff of the Agency (Redevelopment Division, SEDC and CCDC) and Housing Commission meet on a monthly basis to discuss, among other issues, affordable housing monitoring processes and strategies. Regarding the monitoring reports prepared by the San Diego Housing Commission, the Agency has established clear deadlines to ensure timely submission and review of these reports by adding a provision to the contract that states: "The Administrator shall submit annual reports of its monitoring activities pursuant to this Agreement to the Agency, which may include the most recent Certification of Continuing Program Compliance report, no later than July 31st for the prior fiscal year (July 1- June 30)."
