NOTES:

1. A notation in the Split Census Tract? column indicates census tracts that are shared by Council Districts and identifies the other Council District(s). Any data produced for Council Districts should reflect only that portion of the tract within that particular Council District.

2. A notation in the Partial Census Tract? column indicates that some portion of that census tracts is outside the boundaries of the City of San Diego. Any data produced for Council districts should reflect only that portion of the census tract within the City limits.
