#### **Department Description**

Special promotional programs are intended to advance the City's economy by promoting the City of San Diego as a visitor destination in the national and international marketplace. The Special Promotional Programs Department (Department) supports programs that increase hotel occupancy and attract industry resulting in the generation of Transient Occupancy Tax (TOT) and other revenue. The Department's programs are funded by TOT revenue to develop, maintain, and enhance visitor-related facilities and support the promotion of the City's cultural amenities and natural attractions.
