Department Description

The Financial Management (FM) Department provides services to the Mayor and serves as an internal fiscal consultant to the City. FM prepares the budget in accordance with the City Charter. Throughout the year, FM monitors the City's expenditures and revenues, oversees budget transfers and adjustments, and reviews requests for Council and Mayoral Actions for the operating budget and the Capital Improvements Program (CIP).

The Financial Management department and Office of the City Comptroller were merged to create the Department of Finance in fiscal year 2019. This merger maximizes efficiencies and minimizes redundancies within the fiscal management of the City.

Financial Management staff are organized into these functions:

Budget Development - Coordinates the development of a balanced budget by working with departments to identify expenditure savings and implement Mayoral initiatives.

Financial Planning & Analysis - Develops the Five-Year Financial Outlook, identifies new revenue sources, and forecasts revenues.

Budget Monitoring - Produces reports to Council to forecast year-end results and aid in budget adjustments throughout the year to accommodate unforeseen budget changes.

Systems - Maintains the Funds Management module of the SAP system to ensure data accuracy of budgetary reporting, monitoring, and control system.

Capital Budget Development & Monitoring Develops and monitors the CIP Budget which supports projects that help maintain or improve City infrastructure.

Personnel Expenditure Planning - Develops and monitors the personnel expense components of the operating budgets, including analysis of salaries and fringe rates, and conducts analyses to support labor negotiations.

The Department's mission is:

To provide the highest quality financial services with integrity, transparency, and accountability

The Department's vision is:

To set the national standard for municipal financial management
