Cooking Round the World **summer camp 2017**

Where culinary arts and cultural education embrace!

Cooking Round the World is the juncture where cultural exploration meets culinary arts! Each camp day we cook a dish from the country of the day. Additional activities include a map education, language education, and an international folktale.

Campers come away with respect for difference, a broadened pallet, and a desire to become a citizen of the world! Educational! Delicious! Fun!
