The Library Department serves approximately 1.4 million residents of the City of San Diego. The Department prioritizes creating and maintaining libraries that are valued for their accessibility, comfort, and beauty. The Capital Improvements Program (CIP) plays an important role in providing new facilities and addressing the capital needs of existing facilities. The Library System includes the Central Library and 36 branch libraries.

2025 CIP Accomplishments

In Fiscal Year 2025, the Library Department achieved the following:

- Completed construction on the Pacific Highlands Ranch Branch Library (S14023)
- Awarded Design-Build contract and initiated design for Oak Park Branch Library (S22011)
- Completed the southern-facing area of the Scripps Miramar Ranch Library parking lot (S00811)
- Completed design and awarded construction for the Old Logan Heights Library Building Rehabilitation (S22010)
- Received a \$3.0M Donation to fill the remaining construction funding gap for the Ocean Beach Library expansion project (S20015)
- Awarded Design-Build contract and initiate design for City Heights Performance Annex Improvements (S23013)

2026 CIP Goals

The Library Department is looking forward to Fiscal Year 2026 with the following goals:

- Complete design and begin construction for the City Heights Performance Annex Improvement project (S23013)
- Complete design phase and initiate construction for Oak Park Branch Library (S22011)
- Complete design phase for the Ocean Beach Library expansion project (S20015)
- Initiate construction for the Old Logan Heights Library Building Rehabilitation (S22010)

Description: This project will provide infrastructure repair of essential building systems to create a more environmentally and financially sustainable facility, addressing necessary replacement of the existing HVAC system, energy management systems, inclusive access points, structure foundation, and repair of nonfunctioning essential building components. Additionally, a second floor will be added to the Performance Annex, which will include rehearsal space and staff office space. The existing first floor will be expanded to include box office, staff office space, storage space.

Justification: Built in 1998, the City Heights/Weingart Branch Library's Performance Annex is the only publicly accessible black box theatre and amphitheater in the Mid-City area and is also the only black box venue and theater that the City of San Diego owns and operates. The existing facility does not have adequate space for programming and also lacks ADA amenities.

Operating Budget Impact: This facility will require ongoing operational budget for non-personnel expenditures. Estimates for the operating budget impact will be developed when final square footage is determined.

Relationship to General and Community Plans: This project is consistent with the Mid-City Communities Plan and is in conformance with the City's General Plan.

Schedule: The project schedule is contingent upon the allocation of the grant funding.

Summary of Project Changes: The project schedule has been updated for Fiscal Year 2026.

Description: This project provides for improvements to the Outdoor Early Learning Patio at the existing Linda Vista Branch Library. The improvements entail adding a meeting and crafts space; seating for friends, families and readers' and space for nature-based play and learning. Specifically, a new exit gate, concrete patio, concrete band, stucco wall, concrete steppers, decomposed granite paving, iron fence, sidewalk, shade canopies, concrete tabletop, lintel, steel edging and irrigation drainage pipes will be added to the existing patio. In addition, an existing wall will be demolished to make way for the improvements.

Justification: The existing Linda Vista Branch Library was built in 1942 and was expanded in 1951 and again in 1987, to its current size of approximately 10,000 square feet. The current library is the busiest in the City of San Diego for youth summer reading programs and "Do Your Homework at the Library" programs and as a result, has reached operational capacity and is unable to accommodate the needs of the growing community.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Linda Vista Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction schedule is contingent upon the identification of funding.

Summary of Project Changes: The project schedule has been updated for Fiscal Year 2026.

Improvement Type:	New		wgibson@sandiego.gov

Description: This project provides for the design and construction of a new library of approximately 20,000 square feet and a new book sorting facility of approximately 10,000 square feet. The library building will consist of entry/community services, technology lab, reader service area, informal reading/special feature area, reference area, multipurpose room, community room, adult/young adult area, children's area, and staff support areas. The facility will also require a parking lot as well as building entrance and path of travel from nearby school and park areas. This project was converted from P20004 in Fiscal Year 2022.

Justification: The existing Oak Park Library is only 5,200 square feet and is insufficient to meet the needs of the growing community. The existing library is too small to provide adequate programming and informational services to the library system and the region, and could not support the technological and programmatic needs of the future. The proposed project will utilize a Community Based Competitive Design (CBCD) delivery method to reach the ultimate goal of expanding the Oak Park Branch Library to a new 20,000 square foot facility. Under the CBCD method, teams of designers and contractors will compete for public votes on their unique designs of the library. Designs will be based on community input and desires, including exterior looks and interior features and amenities.

Operating Budget Impact: Staff from the existing library will be used to support operations in the expanded facility. Ongoing operational budget for non-personnel expenditures will be needed for the book sorting facility and for the increased landscaping, janitorial services, and security needs.

Relationship to General and Community Plans: This project is consistent with the Eastern Area Community Plan and is in conformance with the City's General Plan.

Schedule: RFP solicitation began in Fiscal Year 2023 and was completed in Fiscal Year 2025. Design-build contract was awarded in Fiscal Year 2025. The design component of the design-build is anticipated to be completed in Fiscal Year 2026, with the construction component anticipated to be completed in Fiscal Year 2028.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2026.

Duration:	2022 - 2028		619-533-5401
Improvement Type:	Replacement - Rehab		wgibson@sandiego.gov

Description: This project consists of renovation and rehabilitation of the Old Logan Heights Library Building. The future use of this building will be determined at a later date, under a different project. The building is located at 811 South 28th Street, San Diego, CA within District 8.

Justification: The Old Logan Heights Library Building will be rehabilitated to become a new and safe community space for the residents of Logan Heights. Currently, the historic building is in a dilapidated state, with broken windows, damaged doors, lead pipes, a broken HVAC system and a leaky roof. The structure is also non-ADA compliant. Direction on the improvements to be made will ultimately depend on the findings of the site assessment, as well as available funding and public input from Logan Heights residents about the future use of the facility.

Operating Budget Impact: The operating budget impacts will reflect the staffing and non-personnel expenditures required to bring the facilities online for continued operation and maintenance. As the project develops and progresses, operating impacts will be identified.

Relationship to General and Community Plans: This project is consistent with the Southeastern Area Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2023 and was completed in Fiscal Year 2025. Construction contract was awarded in Fiscal Year 2025 and construction is anticipated to be completed in Fiscal Year 2027.

Summary of Project Changes: \$3.6 million in Federal Grant funding was allocated to this project in Fiscal Year 2025 via City Council resolution. The project schedule has been updated for Fiscal Year 2026.
