SUBJECT: Sage Canyon Neighborhood Park GDP Amendment

Section B.2.c.v.c of Council Policy 600-33 identifies the process in which minor amendments to a park's General Development Plan (GDP) can be processed for approval by the Parks and Recreation Board (Board). The GDP amendment for Sage Canyon Neighborhood Park which added a small concession stand/restroom building to the park was sent to the Park and Recreation Board members for their review on August 31, 2018. No Board member requested the proposed GDP amendment be placed on the Board's agenda for further discussion. Therefore, as Director of the Parks and Recreation Department, I hereby approve the GDP amendment for Sage Canyon Neighborhood Park.
