Citywide Security Agreements Overview

- This was a consolidation of **existing** security services throughout the City.
 - This was not an increase in security services
 - This agreement can be utilized on an as-needed basis for future needs as long as it is within not-to-exceed amounts by vendor.
- Participating departments include; Parks and Recreation, Library, City Treasurer, Development Services, San Diego Police and Facilities.
- Eight (8) proposals were submitted to the City and evaluated for:
 - Responsiveness
 - Qualifications and experience
 - Compatibility of proposal with City specifications
 - Cost

Citywide Security Agreements Overview cont'd

- Contracts heard at Budget & Government Efficiency Committee on April 10, 2019 (Item No: 1)

Citywide Safety Network

- City departments, police, and private security
- San Diego Police Department facilitation of site assessments
- San Diego Police Department assisting with private security company oversight
- Communication between guards, officers, and staff
- Agreements foster a safety network
- Reduces the number of calls made to emergency services, freeing up the SDPD and SDFD resources
