A photograph of a cluttered outdoor area, likely a construction or demolition site. The ground is covered in dirt, gravel, and various pieces of debris, including tires, a large metal drum, and scattered trash. A white truck is parked on the left, and a corrugated metal wall is on the right. In the background, a street with cars is visible.

A photograph of a residential street. In the foreground, a gravel driveway leads to a white truck parked on the left. To the right of the truck is a long, low wall made of corrugated metal sheets, some of which are red and some are silver. The wall appears to be a temporary or makeshift fence. In the background, other vehicles and houses are visible under a blue sky with some clouds. The shadow of the person taking the photo is cast onto the gravel in the lower right corner.
