

UNIVERSITY AVENUE CORRIDOR MOBILITY STUDY

Community Workshop

Do you want to participate in the plans for University Avenue street and sidewalk improvements?

WHO?

Any community members concerned about the roadway, parking and pedestrian access along University Avenue from 54th Street to 69th Street should attend this public workshop.

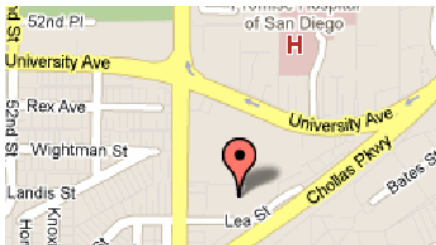

WHAT?

University Avenue Mobility Study Community Workshop with City staff and consultants to review discuss mobility issues and suggestions for improvements to the roadway and sidewalks along University Avenue.

WHEN?

Monday, May 16, 2011 from 5:00 P.M. to 8:00 P.M.

WHERE?

Teen Challenge Center,
5450 Lea Street,
San Diego, CA 92105

WHY?

To introduce the mobility study process and identify existing obstacles to mobility for all modes of transportation on University Avenue.

Your input is important! Come and Share Your Ideas!

Hosted by:
University Avenue Corridor Mobility Study Team/ City of San Diego
