City of San Diego Public Utilities Department  
RESIDENTIAL OUTDOOR WATER CONSERVATION REBATE APPLICATION

**Rainwater Harvesting Rebate Pilot Program**

**Rebate - \$0.50 per gallon Up to \$200.00**

- Funding for rebate program is limited and available on a first-come, first-served basis. Program requirements are subject to change without prior notification. Go to: <http://www.sandiego.gov/water/conservation/resrainwaterharvesting.shtml> to verify that rebates are available. Please review the rebate guidelines prior to completing this application.
- Rebates are available to customers within the City of San Diego Public Utilities Department service area. Renters may be eligible for rebates with written consent of property owner. Renter's name must be on water bill.
- Rebate checks will be sent to the customer of record 6-8 weeks after application is deemed complete.
- The City of San Diego is not responsible for any taxes, fees, or tariffs that may be imposed that result from a rebate-related device purchase or work performed.
- To apply for all other outdoor conservation rebates (micro-irrigation, smart controllers and turf replacement) please complete the application found [here](#).

## Applicant Agreement

*I, the undersigned, understand that this is a limited first-come, first-served program, that rebates are given only for projects which have applications that are approved, and that the City of San Diego Public Utilities Department (Public Utilities) can deny any application that does not meet program requirements (which may change without notification). I have voluntarily determined to participate in the City of San Diego's Outdoor Conservation Rebate Program and understand that no rebate will exceed the cost of the item purchased or exceed the stated maximum total dollar amount per customer rebate. I understand that my Public Utilities account must be in good standing to receive a rebate check. I agree that all work performed will comply with applicable State and local laws, ordinances, and regulations. If this application is approved, I agree that Public Utilities Water Conservation staff may conduct a post-installation site visit at my property, and verify that the project has been completed according to program requirements.*

*I understand that proper installation of rain barrels is my responsibility, as is determination of the adequacy and compatibility of the drainage, adjacent landscape and surrounding area. I understand that with a post-installation visit, Public Utilities makes no determination with respect to choice, quality or suitability of workmanship, materials or equipment. I acknowledge that installation of rain barrels may not result in lower water bills, and that rebates do not apply to sales tax charges.*

*I understand that project site shall be available for future monitoring (up to three years) by Public Utilities. Photos of the project site may be taken by Public Utilities staff to illustrate the use of rain barrels. Addresses to project sites participating in the rebate program will be available to the public. Customer names will not be made public nor associated with the site addresses.*

*I understand that Public Utilities is not responsible for items lost or destroyed in the mail/transit or email.*

*If this application is approved by Public Utilities, I agree to defend, indemnify, and hold harmless Public Utilities, its agents, officers and employees against any and all loss, liability, expense, claims, suits and damages, including attorneys fees, arising out of or resulting from the Program and/or installation of rain barrels. I have read, understand, and agree to the terms and conditions of this application and the rebate for which I am applying.*

*Please consult with a tax advisor for questions regarding potential tax implications of your rain barrel rebate.*

### **IMPORTANT: MUST PUT A CHECK MARK IN THE BOX BELOW:**

  I verify that the above information is complete and correct and by checking this box, I agree to abide by all terms and rules of this agreement as if I personally affixed my signature.

**The box above must be checked.** Mail or e-mail this form with the sales receipt and photos of rain barrel site (before and after installation). Please keep copies of all submittals.
