This half-day course is designed to provide recycled water users in the state of California with the necessary information required to become fluent in the operational practices of recycled water. The $60 registration fee includes learning materials and a supervisor identification card. Course objectives include:

- Roles and responsibilities of a Site Supervisor at a recycled water use site.
- Identifying potential and direct cross-connections and learning appropriate preventative measures.
- Practicing appropriate techniques for the safe and efficient use of recycled water.

The training will be held at the City of San Diego's Public Utilities Department Training Center: 5510 Kiowa Drive, La Mesa, CA 91942

-- Testing materials will be available in Spanish --

The course takes place from 8:00am - 12:00pm on each date.

Cost:
$60 per person
No on-site registration
No refunds
Payable by check only
Checks payable to: “City Treasurer”

Enrollment deadline:
Classes typically achieve maximum enrollment at least one month prior to the class date.

Send registration form and payment to:
