Police Investigate Homicide in Sabre Springs Neighborhood

San Diego – This morning, at 2:30 a.m., the San Diego Police Communications Center received two calls reporting that a female had been stabbed in the park at 11500 Meadow Grass Lane in the Sabre Springs neighborhood.

Officers from Northeastern Division arrived at the location and found an unresponsive female with at least one apparent stab wound to her torso. Officers performed first aid and CPR on the female until she was transported to a local hospital by San Diego Fire-Rescue personnel. Unfortunately, the female was pronounced deceased at the hospital at 3:45 a.m.

San Diego Police Homicide Detectives were called to the scene and are currently investigating the incident. It is early in the investigation and little is known about the circumstances surrounding the female's death, but detectives have learned the female arrived at the park with friends and walked over to a group already there. After a brief encounter, she walked away from them and told her friends she had been stabbed.

The female has been identified, however her name will not be released at this time. She is described as a 22-year-old Hispanic female.

The suspect is only described as a Hispanic male who drove away from the area in a dark vehicle.

Anyone with information regarding this incident is encouraged to call the Homicide Unit at (619) 531-2293 or Crime Stoppers at (888) 580-8477.
