May 15th, 2022

To Whom It May Concern:

Kiewit Infrastructure West Co. did not meet the minimum apprentice graduation rate for employed skilled journeypersons for the Operating Engineer classification (30%) in the month of March 2022 on the North City Water Reclamation Plant Flow Equalization Basin project. As the project progresses and the amount of available work increases , Kiewit will continue to monitor this goal and ensure that the minimum apprentice graduation rates for skilled journeypersons are met.

Sincerely,

Laura Karoly

Project Manager
