MEDIA ADVISORY

February 2, 2016

San Diego Police Department Mid-City Division Detectives asking for the public's assistance.

Between January 28-29, 2016, a Cyclo bicycle was stolen from the driveway of a residence at 3400 Central Avenue. The bicycle is owned by the Little Saigon Foundation and worth approximately \$2,000.00 dollars. It was shipped to the United States from Vietnam and stored in front of the residence for about one year. The bicycle chain/lock was cut when the theft occurred. The bicycle is a cultural art piece and was to be exhibited at the Lunar New Year festival at Qualcomm Stadium this coming weekend. The cultural value of the bicycle is priceless. The bicycle looks similar to the one depicted in Photo B. It is solid blue and has a green canopy over the front seat. The front seat is also green. Photo A is a clearer picture of what a Cyclo bicycle looks like.

Anyone with information about this bicycle is asked to contact San Diego Police Detective Kevin Armentano at (619) 516-3025, the San Diego Police Department at (619) 531-2000 or call Crime Stoppers at (888) 580-8477.
