Reference: Skilled and Trained Workforce Act – Action Plan to Achieve

Project: Morena Pump Station – Flatiron Job #3222 Contract # K-21-1801-DBB-3-A

Griffin Contract Dewatering findings regarding the Skilled and Trained Workforce:

- The goal for the Operating Engineer is 30% for the month of March, Griffin achieved 100%. However, Griffin was out of compliance because one employee worked on site that was neither skilled nor trained.
 - A. Griffin verbally requested one (1) Apprentice Graduate Operator. The Union dispatched one (1) Drill Oiler (C B), and Griffin was not made aware Mr. B was not a graduate. Once Griffin discovered Mr. B was not a graduate and that he did not have the hours required to be a skilled journeyman, he already had time worked on the project. Please see attached dispatch

Griffin Contract Dewatering Plan to achieve the required goal going forward:

- We will be formally requesting and adding language to our request for Dispatch Letter that will specify Trained Apprentice Graduates **ONLY** and require proof of compliance with the Skilled and Trained Workforce Act.
