San Diego Police Investigate Male Bothering Tierrasanta Girl

San Diego- On Wednesday, May 24, 2017, at about 5:45 pm, a 12 year old girl was walking in the area of 4000 Santo Road when she noticed she was being followed by a dark skinned male in his late 20's. She crossed the roadway multiple times, but he also crossed the road, continuing to follow her. The girl confronted the male and told him to stop following her. He said he wanted to talk to her, but she told him to leave her alone and continued walking away. He followed her further onto a residential street and she again confronted him. When he approached a second time, she struck him and ran away and hid. When he didn't follow, she ran home and reported the incident to her mother. The male did not touch the girl and she was not harmed.

The suspect is described as a dark skinned male, possibly Hispanic or Filipino, in his late 20's, 5'10" to 6' tall with a medium build. He was wearing a gray zip-up hoodie over a white t-shirt and blue jeans, with gray Nike athletic shoes with a white logo. He had cheetah framed sunglasses on top of his head. He mumbled when he spoke and he appeared to have a green tattoo on the back of his neck.

This is the only incident of its type reported in the Tierrasanta neighborhood. Area residents should be vigilant of the listed suspect.

Anyone with information regarding this incident is asked to call the Eastern Division at (858) 495-7900 or Crime Stoppers at (888) 580-8477.
