**San Diego Police Investigate Homicide and Suicide in Mission Valley East
Neighborhood**

San Diego—On Saturday, July 22, 2017, at 1:22 p.m., the San Diego Police Department Communications Center received a 911 call regarding a deceased person inside an office at 3443 Camino Del Rio South. The first San Diego Police Officers to arrive found a 66-year old Hispanic female deceased inside her office. With the assistance of the Medical Examiner's Office it was determined the female sustained a single gunshot wound to her body and her death was the result of a homicide.

After learning that her mother was found deceased, the victim's 34-year old daughter drove to the location. Shortly after her arrival, the daughter used the restroom of a nearby business. When she failed to return, another family member found her inside the restroom with an apparent self-inflicted gunshot wound to her body. She was pronounced deceased at the scene.

San Diego Police Homicide Detectives were called to the scene and are currently investigating both incidents.

The victim and daughter have been identified, but their identities will not be released until family members have been notified. Within the last three days, family members had reported the victim as a missing person.

Anyone with information regarding this incident is asked to call the Homicide Unit at (619) 531-2293 or Crime Stoppers at (888) 580-8477.
