## **FREE SNACKS, REFRESHMENTS, PRIZES AND SAFETY TIPS**

SAN DIEGO – Officers from the San Diego Police Department (SDPD) enjoy interacting with their communities. This Saturday, Aug. 14, 2021, officers from SDPD’s Northwestern Division will participate in Skate Jam 2021. This fun community event is back following a brief hiatus last year due to the COVID-19 pandemic. SDPD’s officers are ready to drop their boards and join neighborhood kids at the Pacific Highlands Ranch Pump Track for some shredding action.

Residents are invited to come out and meet San Diego police officers and skate alongside America’s Finest. There will be free snacks, refreshments, and prizes. Everyone is welcome and there is no age limit.

Along with a fun day of skateboarding fun, officers will be providing safety tips for skateboarders, as well and bicycle riders. Don’t miss out on all the excitement!
