POLICE INVESTIGATE HOMICIDE IN CASTLE AREA OF MID CITY

On Monday, October 11, 2016, at approximately 5:21 p.m., the San Diego Police Department received calls from citizens who reported a loud and violent disturbance inside an apartment in the 3600 block of 42nd Street in San Diego.

Patrol Officers and Medics responded and found a Hispanic male, approximately 45-years old with multiple stab wounds to his upper body on the floor of the apartment. Officers and Medics provided first aid and the male was transported to a local hospital where he later died just before 8:00 p.m. Homicide detectives responded and are collecting evidence and speaking to witnesses near the scene. Several nearby residents described an unknown Hispanic male between 5'2" and 5'9" tall, between the ages of 19-25, running away from the apartment immediately after the disturbance. The young man was believed to be wearing black shorts and could be the suspect in this case.

The decedent's name will be released after confirmation of his identity is made and his family is notified of his death.
