POLICE INVESTIGATE HOMICIDE IN ENCANTO

On Sunday, October 9, 2016, at 12:28 a.m., the San Diego Police Department received a call from a citizen who reported a stabbing in front of 1037 Evelyn St.

Patrol Officers responded and found a witness doing CPR on an unconscious 44-year-old Hispanic male lying on the ground with stab wounds to his torso. Patrol Officers took over CPR, and life saving measures were continued by medics who arrived a short time later. Despite the efforts, the stabbing victim was pronounced dead at the scene.

Preliminary investigation reveals residents heard an argument, went outside to investigate and saw two males fighting. One of the males fled the scene in a vehicle. A witness found the victim lying on the ground, called police and began CPR.

The victim has been identified but the name is not being released until family members are notified. The victim is a resident of Lemon Grove.

Anyone with information related to this incident is encouraged to call the San Diego Police Department's Homicide Unit or Crime Stoppers at 888-580-8477.
