

As a resident/property owner on Golden Hill, I am alarmed to learn that your [Redistricting Commission](#) wants to divorce our neighborhood from South Park. Your redistricting website is way too confusing. Please tell all politicians that the Golden Hill Community finds your redistricting disrespectful and undemocratic, with horrible impact to our community (*sleazy carpetbagging developers are poised to invade!*).

Thank you sincerely,

Sally E.A.B. Schoeffel
