

Hello Redistricting Commissioners,

My name is Cynthia Suero-Gabler and I serve as the Vice Chair of the APAC Board of Directors and as the Chair of the APAC Redistricting Sub-Committee. I would like to thank the Commission Chair and all of the Commissioners for the updated map, specifically for adding the Convoy district and part of Kearny Mesa back into D6. D6 gaining Torrey Highlands, Park Village, and part of University City and Clairemont to the east, in an effort to rebalance the population was a good move.

I would like to respectfully request that the Commission keep the D6 API population as close to 40% or higher. This is achievable through APAC Maps 1 and 3. The Chair's map currently does not provide for much of an Asian Empowerment District with the number of Asians and Whites almost equal. I would also like to respectfully request that you do your best to not split the communities of University City and Clairemont as much as possible.

Thank you kindly for your consideration,  
Cynthia "CK" Suero-Gabler
